Form W-4 (2002)

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2002 expires February 16, 2003. See **Pub. 505**, Tax Withholding and Estimated Tax.

Note: *You cannot claim exemption from withholding if (a) your income exceeds $750 and includes more than $250 of unearned income (e.g., interest and dividends) and (b) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. **However, you may claim fewer (or zero) allowances.**

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub. 919**, How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using **Form 1040-ES**, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others.

Nonresident alien. If you are a nonresident alien, see the **Instructions for Form 8233** before completing this Form W-4.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2002. See Pub. 919, especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed $125,000 (Single) or $175,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

*** END OF REPORT ***

Form W-4 (2002)

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2002 expires February 16, 2003. See **Pub. 505**, Tax Withholding and Estimated Tax.

Note: *You cannot claim exemption from withholding if (a) your income exceeds $750 and includes more than $250 of unearned income (e.g., interest and dividends) and (b) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. **However, you may claim fewer (or zero) allowances.**

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line **E** below.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub. 919**, How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using **Form 1040-ES**, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others.

Nonresident alien. If you are a nonresident alien, see the **Instructions for Form 8233** before completing this Form W-4.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2002. See Pub. 919, especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed $125,000 (Single) or $175,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

Form W-4 (2001)

Purpose. Complete Form W-4 so your emplo . can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2001 expires February 18, 2002.

Note: *You cannot claim exemption from withholding if (1) your income exceeds $750 and includes more than $250 of unearned income (e.g., interest and dividends) and (2) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. They will help you figure the number of withholding allowances you are entitled to claim. **However, you may claim fewer (or zero) allowances.**

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub. 919,** How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using F 1040-ES, Estimated Tax for Individuals. C se, you may owe additional tax.

T mers/two jobs. If you have a working s or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2001. Get Pub. 919 especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed $150,000 (Single) or $200,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

Form W-4 (2001)

Purpose. Complete Form W-4 so your emp can withhold the correct Federal income from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2001 expires February 18, 2002.

Note: *You cannot claim exemption from withholding if (1) your income exceeds $750 and includes more than $250 of unearned income (e.g., interest and dividends) and (2) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. They will help you figure the number of withholding allowances you are entitled to claim. **However, you may claim fewer (or zero) allowances.**

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub. 919,** How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2001. Get Pub. 919 especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed $150,000 (Single) or $200,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2001 expires February 18, 2002.

** END OF REPORT **

Form W-4 (2001)

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2001 expires February 18, 2002.

Note: *You cannot claim exemption from withholding if (1) your income exceeds $750 and includes more than $250 of unearned income (e.g., interest and dividends) and (2) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. They will help you figure the number of withholding allowances you are entitled to claim. **However, you may claim fewer (or zero) allowances.**

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub. 919,** How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using **1040-ES,** Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2001. Get Pub. 919 especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed $150,000 (Single) or $200,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

Form W-4 (2000)

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2000 expires February 16, 2001.

Note: *You cannot claim exemption from withholding if (1) your income exceeds $700 and includes more than $250 of unearned income (e.g., interest and dividends) and (2) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. They will help you figure the number of withholding allowances you are entitled to claim. However, you may claim fewer (or zero) allowances.

Child tax and higher education credits. For details on adjusting withholding for these and other credits, see Pub. 919, How Do I Adjust My Tax Withholding?

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, you should consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 prepared for the highest paying job and zero allowances are claimed for the others.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2000. Get Pub. 919 especially if you used the Two-Earner/Two-Job Worksheet on page 2 and your earnings exceed $150,000 (Single) or $200,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

Personal Allowances Worksheet (Keep for your records.)

C	Enter "1" for your spouse. But, you may choose to enter -0- if you are married and have either a working spouse or more than one job. (Entering -0- may help you avoid having too little tax withheld.)	C ____
D	Enter number of dependents (other than your spouse or yourself) you will claim on your tax return	D ____
E	Enter "1" if you will file as **head of household** on your tax return (see conditions under **Head of household** above)	E ____

G	**Child Tax Credit:** • If your total income will be between $18,000 and $50,000 ($23,000 and $63,000 if married), enter "1" for each eligible child. • If your total income will be between $50,000 and $80,000 ($63,000 and $115,000 if married), enter "1" if you have two eligible children, enter "2" if you have three or four eligible children, or enter "3" if you have five or more eligible children	G ____
H	Add lines A through G and enter total here. Note: *This may be different from the number of exemptions you claim on your tax return.* ▶	H ____

For accuracy, complete all worksheets that apply.

- If you plan to **itemize or claim adjustments to income** and want to reduce your withholding, see the **Deductions and Adjustments Worksheet** on page 2.
- If you are **single, have more than one job** and your combined earnings from all jobs exceed $34,000, OR if you are **married** and have a **working spouse or more than one job** and the combined earnings from all jobs exceed $60,000, see the **Two-Earner/Two-Job Worksheet** on page 2 to avoid having too little tax withheld.
- If neither of the above situations applies, stop here and enter the number from line H on line 5 of Form W-4 below.

SUBJECT: **Annual and Holiday Leave Accruals**

In a continued effort to assist employees in monitoring the above referenced accruals, attached is a list of leave balances for employees in your area(s) of command for pay period ending June 20, 1997. There will be an amount shown in the column titled "excess" for those employees who are currently over their annual/holiday leave accrual cap. Please distribute the enclosed accrual statements.

There are fourteen (14) more pay periods (period beginning June 21, 1997 to period ending January 2, 1998) in which employees may accrue and/or use annual leave time. There are six (6) holidays (Independence, Labor, Veterans, Thanksgiving, Day After Thanksgiving and Christmas) which may also be accrued/used. Please be aware that December 31 falls in pay period ending January 2, 1998; therefore, all hours over the 320 or a grandfathered cap must be exhausted by Friday, January 2 or be forfeited by the employee.

Requests to carry forward excess accruals into 1998 should be made by the employee through his or her chain of command to the department director level prior to submission to Personnel. As always, such requests should show that the employee made reasonable attempts to use annual/holiday leave and was subsequently denied because of operational necessity. This documentation should be forwarded to Personnel no later than Friday, January 2, 1998.

Please feel free to contact me at 321-4417 if you require additional information.

DATE: May 3, 1995

TO: Crime Prevention Deputies and Sergeants

FROM: Carole Z. Barnhart, Director
Bureau of Human Resources

SUBJECT: **Accrued Annual and Holiday Leave**

As a result of an agreement reached between BSO and the Police Benevolent Association, please be aware that Article 40 of the Collective Bargaining Agreement has been amended. For purposes of holiday and annual leave accruals, "fiscal year" has been changed to "calendar year." Combined annual and holiday leave accruals in excess of a grandfathered cap or the 320 cap will be reviewed December 31, 1995, which is included in pay period ending January 5, 1996.

To illustrate the above, please review the following examples:

* A deputy has 400 hours of annual leave and 80 hours of holiday leave on the accrual report for pay date October 7, 1994. This is over the 320 cap maximum. This deputy would be grandfathered in at 480 hours. Before December 31, 1995, the deputy will need to use any excess time over 480 or forfeit the time.

* On the October 7, 1994 accrual report, a sergeant has 280 hours annual leave and 40 hours holiday leave. The cumulative total of 320 hours is at the cap maximum. Any annual/holiday leave accrued before the end of this calendar year will need to be used, or the sergeant will forfeit the time.

* A deputy has a grandfathered cap of 900 hours, but at the end of the calendar year, the deputy's cumulative annual and holiday leave total is 800 hours. The deputy's new grandfathered cap is 800 hours.

Please make every effort to use excess vacation and/or holiday accruals so as not to lose this valuable benefit. If you have made reasonable attempts to use excess accruals, yet your request has been denied due to operational necessity, please notify me in writing via chain of command for authorization to carry excess accruals into the next calendar year.

See attached for your annual/holiday leave balance as of pay period ending April 14, 1995.

Should you have any questions or require additional information, please contact Joanna Hofer at 321-4418 or Christine Holley at 321-4417 in Human Resources' Classification and Compensation Section.

Thank you.

1990 Form W-4

Department of the Treasury
Internal Revenue Service

Purpose. Complete Form W-4 so that your employer can withhold the correct amount of Federal income tax from your pay.

Exemption From Withholding. Read line 6 of the certificate below to see if you can claim exempt status. *If exempt, complete line 6; but do not complete lines 4 and 5.* No Federal income tax will be withheld from your pay. This exemption expires February 15, 1991.

Basic Instructions. Employees who are not exempt should complete the Personal Allowances Worksheet. Additional worksheets are provided on page 2 for employees to adjust their withholding allowances based on itemized deductions, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply to your situation. The worksheets will help you figure the number of withholding allowances you are entitled to claim. However, you may claim fewer allowances than this.

Head of Household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals.

Nonwage Income. If you have a large amount of nonwage income, such as interest or dividends, you should consider making estimated tax payments using Form 1040-ES. Otherwise, you may find that you owe additional tax at the end of the year.

Two-Earner/Two-Jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. This total should be divided among all jobs. Your withholding will usually be most accurate when all allowances are claimed on the W-4 filed for the highest paying job and zero allowances are claimed for the others.

Advance Earned Income Credit. If you are eligible for this credit, you can receive it added to your paycheck throughout the year. For details, obtain Form W-5 from your employer.

Check Your Withholding. After your W-4 takes effect, you can use **Publication 919,** Is My Withholding Correct for 1990?, to see how the dollar amount you are having withheld compares to your estimated total annual tax. Call 1-800-424-3676 (in Hawaii and Alaska, check your local telephone directory) to order this publication. Check your local telephone directory for the IRS assistance number if you need further help.

Line 6 of Form W–4

Exemption from withholding.—You can claim exemption from withholding only if last year you did not owe any Federal income tax and had a right to a refund of all income tax withheld, and this year you do not expect to owe any Federal income tax and expect to have a right to a refund of all income tax withheld. If you qualify, check boxes 6a and b, write "EXEMPT" on line 6b and answer Yes or No to the question on line 6c.

If you want to claim exemption from withholding next year, you must file a new Form W–4 with your employer on or before February 15 of next year. If you are not having Federal income tax withheld this year, but expect to have a tax liability next year, the law requires you to give your employer a new Form W–4 by December 1 of this year.

If you are covered by the Federal Insurance Contributions Act, your employer must withhold social security tax.

A fine of $500 may be charged if you file a Form W–4 which decreases the tax withheld with no reasonable basis at the time for the decrease. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding.

Your employer must send to IRS any Form W–4 claiming more than 14 withholding allowances or claiming exemption from withholding if the wages are expected to usually exceed $200 a week.

Privacy Act and Paperwork Reduction Act Notice.—If you do not give your employer a certificate, you will be treated as a single person with no withholding allowances as required by Internal Revenue Code sections 3402(l) and 3401(e).

We ask for this information to carry out the Internal Revenue laws of the United States. We may give the information to the Department of Justice for civil or criminal litigation and to the States and the District of Columbia for use in administering their tax laws.

To: Broward Sheriff 's office

Attention: Sheriff Scott Israel

On behalf of my family we would like to express great appreciation for the efforts by your team in recovering my son's iPhone 6 that was initially lost then due to unfortunate circumstances it was deemed stolen. We made attempts at the school with the superb assistance of Stoneman Douglas Chief security officer Mr. Calvin Greenleaf to recover the phone. Twenty four hours later we made the decision to report the phone to our local sheriff's department Parkland BSO. Our report was given to Deputy Small he was very thorough taking our report and documenting the events of the past 24 hours. The report on the following day was on the desk of Deputy Peterson the Stoneman Douglas Resource officer as on our follow up call to his office he noted the report was received and had been discussed with Security officer Mr. Greenleaf by 8:35 am.

Deputy Peterson gave reassurance and earned our complete confidence that if the phone was on campus it would likely be recovered. Well as previously mentioned the phone was recovered. Our intent is to inform of the difficult job your resource officer has in dealing with high school and being able to apply just the right tenor to obtain positive results. Deputy Peterson's attention to detail, communication skills and investigative abilities should be acknowledged and we are grateful. Please continue to recognize the important role of the school resource officer in our community.

Sincerely,

Overall Performance Summary – Summarize employee's overall performance for this period, taking into account the above measures. Performance criteria that needs improvement or exceeds expectations requires written justification.

Deputy Peterson was assigned as the School Resource Deputy at Marjory Stoneman Douglas High School. In this capacity he is responsible for maintaining a safe learning environment for over 3000 students, faculty and administrators. Peterson is punctual, and rarely requires time off from his school. While on campus, Peterson addresses issues at their infant stages and can resolve these issues before they rise to a level requiring police action. He is well known and respected by students, parents, faculty, and administrative staff at the school. Deputy Peterson was awarded Deputy of the Year, and was recognized at a City of Parkland Commission meeting during this rating period. He demonstrates a good working knowledge of police and procedure. Peterson presents a professional and positive image. He assists with road patrol coverage as necessary when school is not in session. Peterson completes assignments with little to no supervision. Peterson is a pleasure to work with, in that he communicates well and keeps supervisors apprised of sensitive incidents as they develop. Peterson shows great initiative in that he volunteered to assist with a Lock Down drill at Mary Help of Christians Catholic School during this rating period. Peterson is a valuable asset to his assigned school, the City of Parkland, and the Broward Sheriff's Office.

Performance Expectations – State action-oriented, measurable, specific and time bound future performance expectations related to the employee's job duties and responsibilities.

Deputy Peterson is expected to maintain the high level of service he provides at his assigned school. He is also expected to continue to foster the great relationship he has with students, parents, faculty, and school administration.

Career Development – Identify educational, training, and professional development activities for the upcoming evaluation period.

Deputy Peterson is expected to attend updated training relevant to his current assignment, but also enhance his basic policing skills through high liability courses associated with firearms, traffic stops, and search techniques.

Overall Performance Summary – Summarize employee's overall performance for this period, taking into account the above measures. An action plan is required for performance criteria needing improvement. Performance criteria that exceeds expectations requires written justification.

Deputy Scot Peterson continues as the School Resource Deputy at Parkland's Marjory Stoneman Douglas High School. Deputy Peterson has proven to be punctual and portrays a professional image in uniform while commanding respect with his presence. Deputy Peterson continues to handle school situations with minimal supervision and intervenes in conflicts as a mediator, often avoiding official law enforcement action. Deputy Peterson continues to be a dedicated employee as continuously demonstrated through his work performance. Deputy Peterson demonstrates superior interpersonal skills with students, teachers, parents and school administration. He is well respected amongst his peers, supervisors, and school administrators. Deputy Peterson continues to do an excellent job coordinating the Broward Sheriff's Office's SSTOP program within the school and culminating it with an awards Ceremony. Deputy Peterson is safety conscious and aware of his surroundings while on campus. Deputy Peterson has also attended the 33rd Annual Florida Association of School Resource Officers Conference in Bonita Springs, FL. I have met with the School Principal Collado, who gave Deputy Peterson an exceptional recommendation. He advised me that Deputy Peterson is an integral part of their school staff and represents the Broward Sheriff's Office and law enforcement well within the school. In addition, Deputy Peterson, along with his fellow Parkland School Resource Deputies, was recognized on January 09, 2013, with a proclamation by the City of Parkland's Commission for their outstanding work.

Performance Expectations – State action-oriented, measurable, specific and time bound future performance expectations related to the employee's job duties and responsibilities.

Deputy Peterson is expected to continue his performance during the next rating period. He is further expected to continue to build relationships between law enforcement and education.

Career Development – Identify educational, training, and professional development activities for the upcoming evaluation period.

During the next rating period, I expect Deputy Peterson to complete a minimum of 40 hours of career development training beyond his mandatory training during summer break.

On behalf of the men and women of the Parkland District, I wish to congratulate you on your selection as Employee of the Month for May 2012. This recognition is for your commitment and dedication to the students and staff at Marjory Stoneman Douglas High School.

On June 21, 2000, the Oakland Park City Commission approved an ordinance authorizing the Broward Sheriff's Office to enter into a contractual agreement to provide for all law enforcement operations within the City of Oakland Park. The proposed date for implementation of this contract was scheduled for October 1, 2000.

In order to meet all contractual obligations and allow for an efficient transition of the two organizations, the Broward Sheriff's Office formed a formal transition team. This team, headed by a BSO captain, was comprised of eight members from the Department of Law

Enforcement, four Field Training Officers, and one representative from BIRM (Bureau of Information Resource Management). The primary mission of the transition team was to identify and coordinate all existing issues and departments associated with the Oakland Park Police Department. This included personnel, operations, equipment, and all applicable policies and procedures. Each component was to then be directly coordinated and accounted for by the BSO equivalent or governing division.

To accomplish this mission, given a five-week time schedule for completion, the BSO transition team ultimately served as a facilitator. Responsible supervisory personnel from each of the category components were identified. The team then coordinated all operational issues associated with each component to allow for an effective and efficient merger. A total of thirty-three individual components were identified.

Each member of the transition team is commended for his or her exceptional performance and attention to detail. The assertiveness and professionalism displayed by each member has emulated the high standards we have come to expect from all members of the Broward Sheriff's Office. The success of this transition is directly attributed to the combined performance and thoroughness of this team

Re: Letter of Commendation

Dear Deputy Peterson:

On January 10, 1996, the Broward Sheriff's Office provided assistance to the City of Fort Lauderdale in response to the tragic death of Fort Lauderdale Police Officer Bryant Peney. Law enforcement personnel employed with the City of Fort Lauderdale had personal desires to attend the funeral services of their friend and comrade. However, there still existed a need for patrol services for the citizens within the City's jurisdiction.

To facilitate the needs of the citizens, you were detached for patrol services with the City of Fort Lauderdale. On behalf of the Broward Sheriff's Office, the Fort Lauderdale Police Department, and the family of Officer Peney, I wish to take this opportunity to commend you for the professionalism and dedication to service you displayed during your tour of duty on January 10, 1996. Through application of your experience and ability to quickly adapt to unfamiliar surroundings, the entire operation in relation to the deployment of Broward Sheriff's Office personnel within the City of Fort Lauderdale, was a complete success.

Please accept this letter as an official commendation to you in recognition of a job well done.

Sincerely,

Thomas J. Brennan

MEMO TO: Captain Ray Saxon, Chairman
Meritorious Award Committee

FROM: Lieutenant Linda DiSanto, Acting Director
Department of Community Involvement

SUBJECT: Nominations for Exceptional Service Award

Due to the transition of supervisors in this Department it seems the above mentioned matter has been overlooked. As you are aware the Sheriff's Staff Breakfast is scheduled for December 18th. Your expeditious and immediate attention to these nominations would be deeply appreciated.

Attached you will find a total of sixty-seven nominations for the aforementioned award. The majority of the personnel named are employees of the Department of Community Involvement, however a few of the BSO employees who participated were assigned to other departments.

When Hurricane Andrew struck the Dade County area on August 25th, no one in Community Involvement had any idea of the impact it would have upon this Department. Within two days of the hurricane, Community Involvement was launched into an immense relief effort. We coordinated not only with local agencies and citizens, Administration, but also, out-of-state relief and local vendors, all committed to the one goal of helping, in any way possible, the victims of Hurricane Andrew.

The civilians manned the phones, with many people working 12 and 14 hour days. Computer listings were updated by the minute, with listings available of:

> Available drivers, food and clothing ready for pick up, in coming food deliveries, assignments of deputies to pick up food and clothing, convoy arrangements, out-of-state deliveries and available housing.

The deputies and CSA's picked up food and clothing within Broward County, delivered same to our warehouse, provided escort to convoys, and unloaded food and clothing in Dade county. Many of these people worked on their on time, on the weekends, and after hours, with many, many deputies working 16 hour days, only to arrive again at 6:00 AM.

The spirit of commitment and the overwhelming response of this office to the crisis in Dade was overwhelming. I feel some small token of appreciation needs to be given to these people for their unselfish efforts and dedication beyond the normal call of duty.

If there are any questions that I may answer, or further information required, please do not hesitate to contact me at 720-2241.

Dear Sheriff Navarro,

I wish to thank you and your agency for your assistance in participating in the Youth Gang Task Force which monitored and controlled gang activity at the Broward County Fair this year.

The Broward County Fair was open for eleven (11) days, and during that period of time, with the help of your personnel, gang members and their associates were identified and documented, and groups of youths were prevented from causing disturbances.

Attached please find a list of persons contacted by the Youth Gang Task Force. You will note that this report contains information on both, adults and juveniles, and is for Law Enforcement purposes only.

A special commendation to you for your much appreciated cooperation and assistance and to your personnel who performed in an exemplary and professional manner, specifically; [redacted] Scott Peterson, [redacted] for the excellent job and dedicated service that they provided. It was through this concerted effort that the Broward County Fair was successful and ran smoothly with minor gang activity curtailed due to proactive policing by the unit.

September 3, 1989

Dear Sheriff Navarro:

It is such a pleasure to be able to write a note of true, heartfelt thanks in this day and age. Although I was raised as a Dade County resident, I have been aware of your existence in Broward County as an officer of the law for many years, and of course now as Sheriff. I realize that there is more than enough negativism going on at this time with your department in the public eye and the fact that this can be draining even on the strongest of leaders, so I especially wanted to write you with some good news concerning certain of your officers.

I am 26 years old and married a young man 3-1/2 years ago that I fell (to say the very least) blindly in love with. He is from Georgia and we were married in his home-state despite severe warnings from my family, friends, neighbors and work associates who "saw right through him".

To sum things up, I was eventually physically abused to the point of being disabled, heavily medicated and consequently pregnant, and am presently on complete bed rest as a result. I was too ashamed to come forth and admit that I was in severe trouble and ashamedly allowed him to have complete control over me, body, mind and soul.

I was raised in a wonderful, secure and strong Catholic family, but the last place in the world I wanted to turn was to my family in Ft. Lauderdale. I was hurt so badly that the last people I wanted to see me in this situation was, of course, my family.

This past January, I was in the process of forceably having to take a leave of absence from my employer, the State of Georgia, due to having become totally physically incapacitated due to his extensive abuse on me, and consequently had to move into a battered women's shelter with my 18-month old daughter.

After all attempts of my family trying to contact me during this period to no avail, they finally averted to calling a family friend in Georgia. Remarkably, she was the only one that knew anything about what was really going on, and told them "everything".

After my mom had called this mutual family friend, they immediately tracked me down at the battered women's shelter and begged me to come home with my precious little girl. Even at that stage of the game, it took a lot of talking on their part to convince me to come "home". Although I was still in a stateof denial, I agreed and took a leave of absence. My mom, dad and brother drove up to Georgia on very short notice and picked up a few of my personal belongings and brought my daughter and I home to their new home in Ft. Lauderdale.

I was soon after brought to a hospital in Pembroke Pines because of some complications, and they referred me to Women In Distress for counselling. I attended several support group meetings, anxious to not only give up my denial of this abusive situation, but to also change my entire line of thinking, which I understand is a necessary must for women like myself. I have come a long way in 7 months time, however, I found out that many people are not used to properly knowing how to deal with an abused person, i.e. my doctors, my lawyer, and believe it or not, some officers of the law that we had to turn to when my "ex" tried to kidnap my little girl several months ago.

On that note, and after my initiating legal proceedings on attaining custody of my little girl, changing jurisdiction from Georgia to Florida, and in acquiring a restraining order, the court allowed him "indoor, supervised visitation with a 3rd party of my choosing for only 2 hours a month". After 7 months time, he secretly moved down here and just now called for visitation.

After physically hurting me during my marriage to him and recently battering my dad (dragging him down the street with his car as my dad attempted to save my daughter from being kidnapped by him), we were needless to say, very precautious when he called to arrange for visitation.

At the advice of my daughter's Guardian Ad Litem and my attorney, I called your detail office and spoke with the most helpful and compassionate Lt. Korte to arrange for an off-duty officer for the visitation. Lt. Korte and I developed a very friendly rapport over the phone during the several days that I intermittently spoke to him. When I got off the phone with him, I expressed to my parents what a pleasure it was to finally come across someone that knew where I was coming from and also so anxious to take my domestic situation as seriously as we do. He is a true blessing and surely a great asset to your team. He also helped relieve my family and I of anxieties that we had in the upcoming visitation, assuring us of the procedures that would be in effect before, during and after the scheduled visitation.

He assigned Deputy Scot Peterson over this morning for the visitation and we provided him with the court order which included visitation stipulations, as well as the restraining order so that he was fully informed of everything before the meeting. We couldn't have asked for a more alert, professional and concerned officer to have handled the situation.

Within a few minutes of the scheduled visitation, my "ex" called and told my mom in an irritated voice that he was cancelling the visit. Our guess is that he drove by the house spotting the deputy's marked vehicle and was scared off. He did appear quite angry when he called and my mom explained that we went through great lengths to have a "3rd party" at the house for his 2-hour visitation. She further informed him that this was going to be considered his 2-hours for the month of September, and after he delivered a few angry words, he hung the phone up abruptly.

We all feel that the expense of the detail assignment to have Deputy Peterson on hand was extremely worth our time and money invested. If, for no other reason but to show my "ex" that we are taking this situation very seriously and are not allowing ourselves to fall into the usual domestic traps that your men find themselves called to on a daily basis, the arrangement of having an off-duty officer present was, again, well worth it!

It also gave us time to share our precautionary concerns with a law officer, as well as the opportunity for him to share his views on the situation with us, which certainly put us all at ease.

Hopefully, in time, he will give up trying his tactics and go back to Georgia!! I must say that Lt. Korte and Deputy Peterson are certainly a wonderful asset to your team and all of Broward County!

We are pleased that there really are some genuine people left in this world afterall. I am due with my second child any hour, any minute, and appreciate your having such dedicated men on your staff to make it possible for me not to have any more pressures at this time than necessary.

Most sincerely,

Dear Ms. McCann:

This letter is in reference to your conversation with our staff on September 20, 1989, regarding the 03/31/89 Semi-annual report.

The format for the following information is as follows; SSN, Name, and the amount of salary incentive monies each officer is eligible to receive.

Below the amounts of salary incentive monies you will see the three digit (3) course numbers followed by the date each class was completed.

When determining the amounts of salary incentive money to be paid for the 40 and 80 hour courses, the ending dates of each class is matched with the next closest date. Please refer to the enclosed course listing for the 80 hour courses.

For example, the first officer in question is:

MEMO TO: Capt. R. Banta, Commander

FROM: Sgt. B. Swift, Alpha Shift

SUBJECT: Deputy Scot Peterson, CCN 4308
Performance Evaluation

I have been directed by the Executive Officer to respond to Dep. Peterson's memo of January 31, 1989. Although I pointed out the appeal procidure to Dep. Peterson at the time of his review, he gave no indication of his intention to avail himself of it. I would point out to this deputy that if he does not care to deal with his supervisors in a forthright manner (at least at evaluation time) he will be likely always to wonder why things happen to him. He never mentioned to me that he considered this evaluation deplorable. In any case, I do not consider this to be a particulary bad evaluation.

With regard to attendance, Dep. Peterson's reference to his past history with BSO is irrelevant. Pursuant to the Policy and Procedures manual, Paragraph 3.7.3. B.2., I may consider only his performance during the rated period. Moreover, I am inclined to evaluate him only on the basis of my personal observations during the period he was assigned to the district.

In evaluating this deputies attendance, I used the criteria set forth in paragraph 3.7.6. In the particular event Dep. Peterson refers to, December 20, 1988, he reported [redacted] to work, but on the same day - slightly more than an hour after the end of his scheduled shift - he reported to the BSO range for training which he had requested to take on his own time. Due to an unrelated crisis which required me to see the District Commander upon his arrival, I was not able to be at the range at the start of the day. I did visit the range at the completion of my other duties. There I found Deputy Peterson, who looked to be healthy and happy. When I spoke to him he told me he [redacted] (Incidently, these discussions took place about 95 yards from any other person, not "in the presence of all the other deputies").

Keeping in mind that Deputy Peterson had also attended this class on the previous day, I presume from his explination that he was [redacted] at 1700 hours, [redacted] from 2230 to 0645 and [redacted] again at 0800. Refering to the criteria in subparagraph B.1.c. "Does he offer valid reasons..." and B.1.D. "What was his appearance..." I would have to say that Deputy Petersons' performance was not up to standard on that day.

In considering the verbal descriptors in the employee evaluation report, I would frankly consider him "avoidably absent" which would call for a numerical score of 40. I decided to rate him as "fair" for a numerical of 55 simply because I did not wish to be too hard on a new deputy, or place too much emphasis on the event, despite the fact that I consider this to be a serious breech of discipline.

Addressing the second issue of work attitude, I would first remind Dep. Peterson that this is not the same as initiative, where he scored quite well. His performance was evaluated on the criteria in paragraph 3.7.7. Looking at subparagraph B.2.a and c, I do not believe Dep. Peterson accepts and learns from criticism very well. The present exercise is one example. His reaction to the incident at the range is another. I come away with the impression that rather than face facts, ask questions and learn from his mistakes, he would rather evade and protest when discliplined. There have been other petty incidents where my suggestions have been occasionally disregarded, such as keeping his car cleaned up (note the score of 70 on care of equipment).

All of this might amount to an evaluation of "resists supervision" which would call for a numerical score of 40. But again, I wanted to give a new deputy the benefit of a doubt and consider also that he seems to work well with fellow employees when deciding on hs score.

The last point with which Deputy Peterson takes issue is his overall score. He argues that his monthly statisticts are good, therefore he deserves a higher rating. Of course his overall score is in reality a weighted average of his individual scores. If his monthly stats were all that mattered, we could all save ourselves a lot of trouble in going thru the evaluation process.

This deputies score is very much in line with the ratings I have given others of similar experience and ability, and it represents an average of his strenghs and weaknesses. In those areas where he is strong he was rated highly. Where he did less well, his score reflects that too. Finally, The reason why he is "having a difficult time understanding on (sic) why my overall average is can be rated fair to poor at best" is because he is not rated fair to poor. Paragraph 3.8 B. clearly shows a score of 75% to be above average job performance.

SUBJECT: Appeal/Performance Evaluation Report

As pursuant to Chapter 3.7.3 (13), I am formally contesting my performance evaluation as it relates to attendance, work attitude, the written deficiency comments , and the overall grade average.

On January 28, 1989 I received my evaluation from Sergeant Bruce Swift. On this evaluation Sgt. Swift had rated me with a 55% in attendance. During the seven months that I have been assigned to District Four, I have only [redacted] once during this time period. As a matter of fact, during the 3½ years with the Sheriff's Office; this was the "first time" that I have ever [redacted] while being employed with this department.

I cannot understand how Sgt. Swift can score me with a 55% in attendance when I have [redacted] during my entire career with B.S.O. If Sgt. Swift has documentation to support this deplorable score in attendance, than at this time I would like to review these documents.

In my personal opinion, a score of 55% is extremely poor and I cannot remain silent and let this score and its written comments enter my permanent file without factual evidence to support this action.

I am also conte sting the comments in which Sgt. Swift had documented on #3 and #4 of my performance evaluation. Sgt. Swift states that my overall grade was "marred" by an incident that occurred in December 1988. This incident was in reference to the day [redacted] I remained home during my tour of duty and did not violate any section of Policy and Procedure. The following morning

on my own personal time I attended a B.S.O. auto pistol course. At approximately 11:00 am during the final phase of training, Sgt. Swift arrived at the range and removed me from the firing line in the presence of all the other Deputies. He than went on to say that I was [redacted] today and could not allow me to stay and complete the course. After unloading my weapon I departed from the range. At no time during this incident was I ever disrespectful or insubordinate toward Sgt. Swift.

I than returned home and contacted Rick Moss (F.O.P.). I contacted Moss in reference to what options I had to voice my feelings toward an action which was unjustified and was not a violation of Policy and Procedure. Approximately fifteen minutes later, Moss had called me back at my residence and stated I could return the course immediately and complete the training. I than returned to the range and completed the course.

Rick Moss advised me that the approval to return to the course was per Lieutenant Peart.

I am also contesting the score regarding my work attitude (70%) and my overall grade of 75%. I believe I have a very positive work attitude. I am requesting an explanation on why Sgt. Swift feels that my work attitude should only constitue a 70% which I regard as a poor rating.

I am very concerned on why Sgt. Swift feels that my overall average is only 75%. Since coming out to the district, my monthly statistics indicate that I am usually number one or two in the ratings.With this type of work performance, I'm having a difficult time understanding on why overall average can be rated fair to poor at best.

I have never had nor do I now have any animosity toward Sgt. Swift. All that I ask is to be evaluated fairly.

SUBJECT: Continuation from page two:

If Sgt. Swift has negative feelings toward me because of that incident at the gun range, than I am sorry to hear that. But my performance evaluations are extremely important to me. I do not believe my evaluation should indicate poor ratings due to an incident where I did nothing wrong whatsoever. The only thing I attempted to do was enhance my experience within the department by taking a training course on my own personal time. Now because of this incident, I feel very strongly that my on the job performance ratings are being negatively affected due to this past incident.

FROM: SHERIFF NICK NAVARRO

SUBJECT: CROSS-CERTIFIED DEPUTIES

RECEIVED
DEC 4 1987
PERSONNEL

There has been an apparent confusion in the pay status of Deputy Sheriffs who are cross-certified, and then reassigned from the Department of Detention to the Department of Law Enforcement.

My policy is and has been as follows:

1. This is considered a lateral move on the part of the personnel involved.

2. A cross-certified Deputy moving laterally from Detention to Law Enforcement and making less than the starting pay for Law Enforcement will move up to that starting pay (Step 15A).

3. A cross-certified Deputy moving laterally from Detention to Law Enforcement and making more than the starting pay for Law Enforcement will start in pay Range 15 at an amount equal to what the Deputy is making in Range 13 (Example: from 13D to 15B).

4. The anniversary date of cross-certified Deputies will not change.

5. The longevity eligibility date of cross-certified Deputies will not change.

Please take the appropriate steps to insure that the Personnel Division follows this policy and implement needed procedures to comply with this policy.

#3 On June 1 [redacted]83, at 1:[redacted]M., a Broward Sheriff's officer brought in a white, male, incoherent offender. The arrestee produced no valid identification and refused to reveal his identity to me or the arresting officer. His behavorial characteristics showed that he might have some psychological disorders. He behaved in a catatonic state of mind. He seemed totaly unaware of his surroundings. All through the booking procedures the arrestee would not give any information and seemed completely incoherent throogh the entire booking procedure. (Initiation of booking procedure - 1:50 A.M.)

The "John Doe" was than placed in a holding cell. At approximately 2:45 A.M. we heard screams from the holding cell and Deputy Daniels replies that he smells smoke. We both approached the holding cell and heard the other arrestees scream, "the nut is burning up the place." At this time, two more

deputies arri[redacted] -t the Scene[redacted] Smith and Black) Smoke is present from underneath the door. Deputy Daniels opens the door and I observed the "John Doe" arrestee next to a smouldering mattress, and laughing. At that moment, Deputy Black and I put out the fire and Deputy Smith and Daniels removed the arrestees from the holding cell.

Due to the strange behavior of the arrestee, I would not have put him in the general arrestee population. It seems clear that the offender needed some type of psychological counseling and constant watch of his activities.

Dear Miami-Dade Honor Graduate:

While it is not possible to meet personally with each North Campus honor graduate, I do wish to extend to you, on behalf of the faculty, staff and myself, our congratulations on your outstanding achievement as a North Campus honor graduate.

The motto of Miami-Dade Community College is "Scientia est Potentia," or "Knowledge is Power," and honor graduates especially fulfill this College hope for all students.

Your performance, in the tradition of serious scholarship, has undoubtedly required sacrifices from you and your family. Certainly, it speaks to high ideals and aspirations that deserve recognition and encouragement. Whatever your goals may be, I wish you continued success and lifelong pleasure in learning.

career development, but not to exceed the maximum amount eligible to receive, when career development courses are completed. If an officer receives basic salary incentive money, it is never adjusted.

For example, officer [redacted] is receiving $25 basic, $60 career development, and $80 education salary incentive money. Since $25 + $60 + $80 = $165, which exceeds the maximum $130, his education money is reduced to $45, so $25 + $60 + $45 = $130, which is the maximum amount any officer can receive for salary incentive. If officer [redacted] completes another 80 hour block his career development money would increase to $80, his education money would decrease to $25, and his basic $25 will remain the same.

To: Broward Sheriff 's office

Attention: Sheriff Scott Israel

On behalf of my family we would like to express great appreciation for the efforts by your team in recovering my son's iPhone 6 that was initially lost then due to unfortunate circumstances it was deemed stolen. We made attempts at the school with the superb assistance of Stoneman Douglas Chief security officer Mr. Calvin Greenleaf to recover the phone. Twenty four hours later we made the decision to report the phone to our local sheriff's department Parkland BSO. Our report was given to Deputy Small he was very thorough taking our report and documenting the events of the past 24 hours. The report on the following day was on the desk of Deputy Peterson the Stoneman Douglas Resource officer as on our follow up call to his office he noted the report was received and had been discussed with Security officer Mr. Greenleaf by 8:35 am.

Deputy Peterson gave reassurance and earned our complete confidence that if the phone was on campus it would likely be recovered. Well as previously mentioned the phone was recovered. Our intent is to inform of the difficult job your resource officer has in dealing with high school and being able to apply just the right tenor to obtain positive results. Deputy Peterson's attention to detail, communication skills and investigative abilities should be acknowledged and we are grateful. Please continue to recognize the important role of the school resource officer in our community.

Sincerely,

On June 21, 2000, the Oakland Park City Commission approved an ordinance authorizing the Broward Sheriff's Office to enter into a contractual agreement to provide for all law enforcement operations within the City of Oakland Park. The proposed date for implementation of this contract was scheduled for October 1, 2000.

In order to meet all contractual obligations and allow for an efficient transition of the two organizations, the Broward Sheriff's Office formed a formal transition team. This team, headed by a BSO captain, was comprised of eight members from the Department of Law

Enforcement, four Field Training Officers, and one representative from BIRM (Bureau of Information Resource Management). The primary mission of the transition team was to identify and coordinate all existing issues and departments associated with the Oakland Park Police Department. This included personnel, operations, equipment, and all applicable policies and procedures. Each component was to then be directly coordinated and accounted for by the BSO equivalent or governing division.

To accomplish this mission, given a five-week time schedule for completion, the BSO transition team ultimately served as a facilitator. Responsible supervisory personnel from each of the category components were identified. The team then coordinated all operational issues associated with each component to allow for an effective and efficient merger. A total of thirty-three individual components were identified.

Each member of the transition team is commended for his or her exceptional performance and attention to detail. The assertiveness and professionalism displayed by each member has emulated the high standards we have come to expect from all members of the Broward Sheriff's Office. The success of this transition is directly attributed to the combined performance and thoroughness of this team

As the Broward County Law Enforcement Coordinator for the 1999 Florida Law Enforcement Torch Run for Special Olympics, I would like to take this opportunity to commend you for your support and participation in this year's Torch Run which took place on April 22, 1999.

Re: Letter of Commendation

Dear Deputy Peterson:

On January 10, 1996, the Broward Sheriff's Office provided assistance to the City of Fort Lauderdale in response to the tragic death of Fort Lauderdale Police Officer Bryant Peney. Law enforcement personnel employed with the City of Fort Lauderdale had personal desires to attend the funeral services of their friend and comrade. However, there still existed a need for patrol services for the citizens within the City's jurisdiction.

To facilitate the needs of the citizens, you were detached for patrol services with the City of Fort Lauderdale. On behalf of the Broward Sheriff's Office, the Fort Lauderdale Police Department, and the family of Officer Peney, I wish to take this opportunity to commend you for the professionalism and dedication to service you displayed during your tour of duty on January 10, 1996. Through application of your experience and ability to quickly adapt to unfamiliar surroundings, the entire operation in relation to the deployment of Broward Sheriff's Office personnel within the City of Fort Lauderdale, was a complete success.

Please accept this letter as an official commendation to you in recognition of a job well done.

Sincerely,

Dear Sheriff Cochran:

This letter is written to commend Deputy Scot Peterson, School Resource Officer at McFatter Voc-Tech Center.

In addition to his regular duties as school resource officer, Deputy Peterson presents a 4-hour workshop on a regular basis to the adult Commercial Vehicle Driving students to familiarize them with the Florida traffic laws, DUI, DWI, etc. He has a special ability to bring traffic and law enforcement to a level of understanding which gives our students a greater respect for their future profession and the responsibilities they will assume.

Deputy Peterson is a great asset to the Broward Sheriff's Office and to McFatter Voc-Tech Center.

Sincerely,

Horace F. McLeod, Director

FROM: Lieutenant Linda DiSanto, Acting Director
Department of Community Involvement

SUBJECT: Nominations for Exceptional Service Award

Due to the transition of supervisors in this Department it seems the above mentioned matter has been overlooked. As you are aware the Sheriff's Staff Breakfast is scheduled for December 18th. Your expeditious and immediate attention to these nominations would be deeply appreciated.

Attached you will find a total of sixty-seven nominations for the aforementioned award. The majority of the personnel named are employees of the Department of Community Involvement, however a few of the BSO employees who participated were assigned to other departments.

When Hurricane Andrew struck the Dade County area on August 25th, no one in Community Involvement had any idea of the impact it would have upon this Department. Within two days of the hurricane, Community Involvement was launched into an immense relief effort. We coordinated not only with local agencies and citizens, Administration, but also, out-of-state relief and local vendors, all committed to the one goal of helping, in any way possible, the victims of Hurricane Andrew.

The civilians manned the phones, with many people working 12 and 14 hour days. Computer listings were updated by the minute, with listings available of:

> Available drivers, food and clothing ready for pick up, in coming food deliveries, assignments of deputies to pick up food and clothing, convoy arrangements, out-of-state deliveries and available housing.

The deputies and CSA's picked up food and clothing within Broward County, delivered same to our warehouse, provided escort to convoys, and unloaded food and clothing in Dade county. Many of these people worked on their on time, on the weekends, and after hours, with many, many deputies working 16 hour days, only to arrive again at 6:00 AM.

EOG-02304

The spirit of commitment and the overwhelming response of this office to the crisis in Dade was overwhelming. I feel some small token of appreciation needs to be given to these people for their unselfish efforts and dedication beyond the normal call of duty.

If there are any questions that I may answer, or further information required, please do not hesitate to contact me at 720-2241.

Dear Sheriff Navarro,

I wish to thank you and your agency for your assistance in participating in the Youth Gang Task Force which monitored and controlled gang activity at the Broward County Fair this year.

The Broward County Fair was open for eleven (11) days, and during that period of time, with the help of your personnel, gang members and their associates were identified and documented, and groups of youths were prevented from causing disturbances.

Attached please find a list of persons contacted by the Youth Gang Task Force. You will note that this report contains information on both, adults and juveniles, and is for Law Enforcement purposes only.

A special commendation to you for your much appreciated cooperation and assistance and to your personnel who performed in an exemplary and professional manner, specifically: [redacted] Scott Peterson, [redacted] for the excellent job and dedicated service that they provided. It was through this concerted effort that the Broward County Fair was successful and ran smoothly with minor gang activity curtailed due to proactive policing by the unit.

Dear Sheriff Navarro:

It is such a pleasure to be able to write a note of true, heartfelt thanks in this day and age. Although I was raised as a Dade County resident, I have been aware of your existence in Broward County as an officer of the law for many years, and of course now as Sheriff. I realize that there is more than enough negativism going on at this time with your department in the public eye and the fact that this can be draining even on the strongest of leaders, so I especially wanted to write you with some good news concerning certain of your officers.

I am 26 years old and married a young man 3-1/2 years ago that I fell (to say the very least) blindly in love with. He is from Georgia and we were married in his home-state despite severe warnings from my family, friends, neighbors and work associates who "saw right through him".

To sum things up, I was eventually physically abused to the point of being disabled, heavily medicated and consequently pregnant, and am presently on complete bed rest as a result. I was too ashamed to come forth and admit that I was in severe trouble and ashamedly allowed him to have complete control over me, body, mind and soul.

I was raised in a wonderful, secure and strong Catholic family, but the last place in the world I wanted to turn was to my family in Ft. Lauderdale. I was hurt so badly that the last people I wanted to see me in this situation was, of course, my family.

This past January, I was in the process of forceably having to take a leave of absence from my employer, the State of Georgia, due to having become totally physically incapacitated due to his extensive abuse on me, and consequently had to move into a battered women's shelter with my 18-month old daughter.

After all attempts of my family trying to contact me during this period to no avail, they finally averted to calling a family friend in Georgia. Remarkably, she was the only one that knew anything about what was really going on, and told them "everything".

After my mom had called this mutual family friend, they immediately tracked me down at the battered women's shelter and begged me to come home with my precious little girl. Even at that stage of the game, it took a lot of talking on their part to convince me to come "home". Although I was still in a stateof denial, I agreed and took a leave of absence. My mom, dad and brother drove up to Georgia on very short notice and picked up a few of my personal belongings and brought my daughter and I home to their new home in Ft. Lauderdale.

I was soon after brought to a hospital in Pembroke Pines because of some complications, and they referred me to Women In Distress for counselling. I attended several support group meetings, anxious to not only give up my denial of this abusive situation, but to also change my entire line of thinking, which I understand is a necessary must for women like myself. I have come a long way in 7 months time, however, I found out that many people are not used to properly knowing how to deal with an abused person, i.e. my doctors, my lawyer, and believe it or not, some officers of the law that we had to turn to when my "ex" tried to kidnap my little girl several months ago.

On that note, and after my initiating legal proceedings on attaining custody of my little girl, changing jurisdiction from Georgia to Florida, and in acquiring a restraining order, the court allowed him "indoor, supervised visitation with a 3rd party of my choosing for only 2 hours a month". After 7 months time, he secretly moved down here and just now called for visitation.

After physically hurting me during my marriage to him and recently battering my dad (dragging him down the street with his car as my dad attempted to save my daughter from being kidnapped by him), we were needless to say, very precautious when he called to arrange for visitation.

At the advice of my daughter's Guardian Ad Litem and my attorney, I called your detail office and spoke with the most helpful and compassionate Lt. Korte to arrange for an off-duty officer for the visitation. Lt. Korte and I developed a very friendly rapport over the phone during the several days that I intermittently spoke to him. When I got off the phone with him, I expressed to my parents what a pleasure it was to finally come across someone that knew where I was coming from and also so anxious to take my domestic situation as seriously as we do. He is a true blessing and surely a great asset to your team. He also helped relieve my family and I of anxieties that we had in the upcoming visitation, assuring us of the procedures that would be in effect before, during and after the scheduled visitation.

He assigned Deputy Scot Peterson over this morning for the visitation and we provided him with the court order which included visitation stipulations, as well as the restraining order so that he was fully informed of everything before the meeting. We couldn't have asked for a more alert, professional and concerned officer to have handled the situation.

Within a few minutes of the scheduled visitation, my "ex" called and told my mom in an irritated voice that he was cancelling the visit. Our guess is that he drove by the house spotting the deputy's marked vehicle and was scared off. He did appear quite angry when he called and my mom explained that we went through great lengths to have a "3rd party" at the house for his 2-hour visitation. She further informed him that this was going to be considered his 2-hours for the month of September, and after he delivered a few angry words, he hung the phone up abruptly.

We all feel that the expense of the detail assignment to have Deputy Peterson on hand was extremely worth our time and money invested. If, for no other reason but to show my "ex" that we are taking this situation very seriously and are not allowing ourselves to fall into the usual domestic traps that your men find themselves called to on a daily basis, the arrangement of having an off-duty officer present was, again, well worth it!

It also gave us time to share our precautionary concerns with a law officer, as well as the opportunity for him to share his views on the situation with us, which certainly put us all at ease.

Hopefully, in time, he will give up trying his tactics and go back to Georgia!! I must say that Lt. Korte and Deputy Peterson are certainly a wonderful asset to your team and all of Broward County!

We are pleased that there really are some genuine people left in this world afterall. I am due with my second child any hour, any minute, and appreciate your having such dedicated men on your staff to make it possible for me not to have any more pressures at this time than necessary.

Most sincerely,

Dear Ms. McCann:

This letter is in reference to your conversation with our staff on September 20, 1989, regarding the 03/31/89 Semi-annual report.

The format for the following information is as follows; SSN, Name, and the amount of salary incentive monies each officer is eligible to receive.

Below the amounts of salary incentive monies you will see the three digit (3) course numbers followed by the date each class was completed.

When determining the amounts of salary incentive money to be paid for the 40 and 80 hour courses, the ending dates of each class is matched with the next closest date. Please refer to the enclosed course listing for the 80 hour courses.

For example, the first officer in question is:

SUBJECT: Deputy Scot Peterson, CCN 4308
Performance Evaluation

I have been directed by the Executive Officer to respond to Dep. Peterson's memo of January 31, 1989. Although I pointed out the appeal procidure to Dep. Peterson at the time of his review, he gave no indication of his intention to avail himself of it. I would point out to this deputy that if he does not care to deal with his supervisors in a forthright manner (at least at evaluation time) he will be likely always to wonder why things happen to him. He never mentioned to me that he considered this evaluation deplorable. In any case, I do not consider this to be a particulary bad evaluation.

With regard to attendance, Dep. Peterson's reference to his past history with BSO is irrelevant. Pursuant to the Policy and Procedures manual, Paragraph 3.7.3. B.2., I may consider only his performance during the rated period. Moreover, I am inclined to evaluate him only on the basis of my personal observations during the period he was assigned to the district.

In evaluating this deputies attendance, I used the criteria set forth in paragraph 3.7.6. In the particular event Dep. Peterson refers to, December 20, 1988, he reported [redacted] to work, but on the same day - slightly more than an hour after the end of his scheduled shift - he reported to the BSO range for training which he had requested to take on his own time. Due to an unrelated crisis which required me to see the District Commander upon his arrival, I was not able to be at the range at the start of the day. I did visit the range at the completion of my other duties. There I found Deputy Peterson, who looked to be healthy and happy. When I spoke to him he told me he [redacted] (Incidently, these discussions took place about 95 yards from any other person, not "in the presence of all the other deputies").

Keeping in mind that Deputy Peterson had also attended this class on the previous day, I presume from his explination that he was [redacted] at 1700 hours, [redacted] from 2230 to 0645 and [redacted] again at 0800. Refering to the criteria in subparagraph B.1.c. "Does he offer valid reasons..." and B.1.D. "What was his appearance..." I would have to say that Deputy Petersons' performance was not up to standard on that day.

In considering the verbal descriptors in the employee evaluation report, I would frankly consider him "avoidably absent" which would call for a numerical score of 40. I decided to rate him as "fair" for a numerical of 55 simply because I did not wish to be too hard on a new deputy, or place too much emphasis on the event, despite the fact that I consider this to be a serious breech of discipline.

Addressing the second issue of work attitude, I would first remind Dep. Peterson that this is not the same as initiative, where he scored quite well. His performance was evaluated on the criteria in paragraph 3.7.7. Looking at subparagraph B.2.a and c, I do not believe Dep. Peterson accepts and learns from criticism very well. The present exercise is one example. His reaction to the incident at the range is another. I come away with the impression that rather than face facts, ask questions and learn from his mistakes, he would rather evade and protest when discliplined. There have been other petty incidents where my suggestions have been occasionally disregarded, such as keeping his car cleaned up (note the score of 70 on care of equipment).

All of this might amount to an evaluation of "resists supervision" which would call for a numerical score of 40. But again, I wanted to give a new deputy the benefit of a doubt and consider also that he seems to work well with fellow employees when deciding on hs score.

The last point with which Deputy Peterson takes issue is his overall score. He argues that his monthly statisticts are good, therefore he deserves a higher rating. Of course his overall score is in reality a weighted average of his individual scores. If his monthly stats were all that mattered, we could all save ourselves a lot of trouble in going thru the evaluation process.

This deputies score is very much in line with the ratings I have given others of similar experience and ability, and it represents an average of his strenghs and weaknesses. In those areas where he is strong he was rated highly. Where he did less well, his score reflects that too. Finally, The reason why he is "having a difficult time understanding on (sic) why my overall average is can be rated fair to poor at best" is because he is not rated fair to poor. Paragraph 3.8 B. clearly shows a score of 75% to be above average job performance.

SUBJECT: Appeal/Performance Evaluation Report

As pursuant to Chapter 3.7.3 (13), I am formally contesting my performance evaluation as it relates to attendance, work attitude, the written deficiency comments , and the overall grade average.

On January 28, 1989 I received my evaluation from Sergeant Bruce Swift. On this evaluation Sgt. Swift had rated me with a 55% in attendance. During the seven months that I have been assigned to District Four, I have only [redacted] once during this time period. As a matter of fact, during the 3½ years with the Sheriff's Office; this was the "first time" that I have ever [redacted] while being employed with this department.

I cannot understand how Sgt. Swift can score me with a 55% in attendance when I have [redacted] during my entire career with B.S.O. If Sgt. Swift has documentation to support this deplorable score in attendance, than at this time I would like to review these documents.

In my personal opinion, a score of 55% is extremely poor and I cannot remain silent and let this score and its written comments enter my permanent file without factual evidence to support this action.

I am also conte sting the comments in which Sgt. Swift had documented on #3 and #4 of my performance evaluation. Sgt. Swift states that my overall grade was "marred" by an incident that occurred in December 1988. This incident was in reference to the day [redacted] I remained home during my tour of duty and did not violate any section of Policy and Procedure. The following morning

on my own personal time I attended a B.S.O. auto pistol course. At approximately 11:00 am during the final phase of training, Sgt. Swift arrived at the range and removed me from the firing line in the presence of all the other Deputies. He than went on to say that I was [redacted] today and could not allow me to stay and complete the course. After unloading my weapon I departed from the range. At no time during this incident was I ever disrespectful or insubordinate toward Sgt. Swift.

I than returned home and contacted Rick Moss (F.O.P.). I contacted Moss in reference to what options I had to voice my feelings toward an action which was unjustified and was not a violation of Policy and Procedure. Approximately fifteen minutes later, Moss had called me back at my residence and stated I could return the course immediately and complete the training. I than returned to the range and completed the course.

Rick Moss advised me that the approval to return to the course was per Lieutenant Peart.

I am also contesting the score regarding my work attitude (70%) and my overall grade of 75%. I believe I have a very positive work attitude. I am requesting an explanation on why Sgt. Swift feels that my work attitude should only constitue a 70% which I regard as a poor rating.

I am very concerned on why Sgt. Swift feels that my overall average is only 75%. Since coming out to the district, my monthly statistics indicate that I am usually number one or two in the ratings.With this type of work performance, I'm having a difficult time understanding on why overall average can be rated fair to poor at best.

I have never had nor do I now have any animosity toward Sgt. Swift. All that I ask is to be evaluated fairly.

If Sgt. Swift has negative feelings toward me because of that incident at the gun range, than I am sorry to hear that. But my performance evaluations are extremely important to me. I do not believe my evaluation should indicate poor ratings due to an incident where I did nothing wrong whatsoever. The only thing I attempted to do was enhance my experience within the department by taking a training course on my own personal time. Now because of this incident, I feel very strongly that my on the job performance ratings are being negatively affected due to this past incident.

New Title Adjustments -- "Deputy Sheriff Detention -CC."

Verifying our 04/21/88 work against the Personnel Change Report for 04/29/88, the three mentioned employees above did not appear on the report. On 05/12/88, I went to Accounting and asked Donna Mathis why the employee's title adjustments did not appear on the Personnel Change Report. She informed me that Kathy O'Brien made the changes because only job titles needed to be adjusted. The job title adjustments were changed before our paperwork was submitted to the Accounting Division.

SUBJECT: CROSS-CERTIFIED DEPUTIES

RECEIVED

PERSONNEL

There has been an apparent confusion in the pay status of Deputy Sheriffs who are cross-certified, and then reassigned from the Department of Detention to the Department of Law Enforcement.

My policy is and has been as follows:

1. This is considered a lateral move on the part of the personnel involved.

2. A cross-certified Deputy moving laterally from Detention to Law Enforcement and making less than the starting pay for Law Enforcement will move up to that starting pay (Step 15A).

3. A cross-certified Deputy moving laterally from Detention to Law Enforcement and making more than the starting pay for Law Enforcement will start in pay Range 15 at an amount equal to what the Deputy is making in Range 13 (Example: from 13D to 15B).

4. The anniversary date of cross-certified Deputies will not change.

5. The longevity eligibility date of cross-certified Deputies will not change.

Please take the appropriate steps to insure that the Personnel Division follows this policy and implement needed procedures to comply with this policy.

*3 On June 1 [redacted]83, at 1:[redacted]M., a Broward Sheriff's officer brought in a white, male, incoherent offender. The arrestee produced no valid identification and refused to reveal his identity to me or the arresting officer. His behavorial characteristics showed that he might have some psychological disorders. He behaved in a catatonic state of mind. He seemed totaly unaware of his surroundings. All through the booking procedures the arrestee would not give any information and seemed completely incoherent throogh the entire booking procedure. (Initiation of booking procedure - 1:50 A.M.)

The "John Doe" was than placed in a holding cell. At approximately 2:45 A.M. we heard screams from the holding cell and Deputy Daniels replies that he smells smoke. We both approached the holding cell and heard the other arrestees scream, "the nut is burning up the place." At this time, two more

deputies arri[redacted] at the scene[redacted] Smith and Black) Smoke is present from underneath the door. Deputy Daniels opens the door and I observed the "John Doe" arrestee next to a smouldering mattress, and laughing. At that moment, Deputy Black and I put out the fire and Deputy Smith and Daniels removed the arrestees from the holding cell.

Due to the strange behavior of the arrestee, I would not have put him in the general arrestee population. It seems clear that the offender needed some type of psychological counseling and constant watch of his activities.

career development, but not to exceed the maximum amount eligible to receive, when career development courses are completed. If an officer receives basic salary incentive money, it is never adjusted.

For example, officer [redacted] is receiving $25 basic, $60 career development, and $80 education salary incentive money. Since $25 + $60 + $80 = $165, which exceeds the maximum $130, his education money is reduced to $45, so $25 + $60 + $45 = $130, which is the maximum amount any officer can receive for salary incentive. If officer [redacted] completes another 80 hour block his career development money would increase to $80, his education money would decrease to $25, and his basic $25 will remain the same.

Form W-4 (2000)

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2000 expires February 16, 2001.

Note: *You cannot claim exemption from withholding if (1) your income exceeds $700 and includes more than $250 of unearned income (e.g., interest and dividends) and (2) another person can claim you as a dependent on their tax return.*

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. They will help you figure the number of withholding allowances you are entitled to claim. However, you may claim fewer (or zero) allowances.

Child tax and higher education credits. For details on adjusting withholding for these and other credits, see Pub. 919, How Do I Adjust My Tax Withholding?

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, you should consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 prepared for the highest paying job and zero allowances are claimed for the others.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2000. Get Pub. 919 especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed $150,000 (Single) or $200,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

Personal Allowances Worksheet (Keep for your records.)

A	Enter "1" for **yourself** if no one else can claim you as a dependent	A ____
B	Enter "1" if: • You are single and have only one job; or • You are married, have only one job, and your spouse does not work; or • Your wages from a second job or your spouse's wages (or the total of both) are $1,000 or less.	B ____
C	Enter "1" for your **spouse.** But, you may choose to enter -0- if you are married and have either a working spouse or more than one job. (Entering -0- may help you avoid having too little tax withheld.)	C ____
D	Enter number of **dependents** (other than your spouse or yourself) you will claim on your tax return	D ____
E	Enter "1" if you will file as **head of household** on your tax *return* (see conditions under **Head of household** above)	E ____
F	Enter "1" if you have at least $1,500 of **child or dependent care expenses** for which you plan to claim a credit	F ____
G	**Child Tax Credit:** • If your total income will be between $18,000 and $50,000 ($23,000 and $63,000 if married), enter "1" for each eligible child. • If your total income will be between $50,000 and $80,000 ($63,000 and $115,000 if married), enter "1" if you have two eligible children, enter "2" if you have three or four eligible children, or enter "3" if you have five or more eligible children.	G ____
H	Add lines A through G and enter total here. **Note:** *This may be different from the number of exemptions you claim on your tax return.* ▶	H ____

For accuracy, complete all worksheets that apply.

- If you plan to **itemize or claim adjustments to income** and want to reduce your withholding, see the **Deductions and Adjustments Worksheet** on page 2.
- If you are **single, have more than one job** and your combined earnings from all jobs exceed $34,000, OR if you are **married** and have a **working spouse or more than one job** and the combined earnings from all jobs exceed $60,000, see the **Two-Earner/Two-Job Worksheet** on page 2 to avoid having too little tax withheld.
- If neither of the above situations applies, stop here and enter the number from line H on line 5 of Form W-4 below.

Cut here and give Form W-4 to your employer. Keep the top part for your records.

Re: Inter-Agency Cooperation

Dear ~~Sheriff~~ Scott Israel:

I would like to express my deep appreciation for the outstanding inter-agency cooperation shown to FDLE and ATF by the following Deputies: [redacted] and Edward Eason, CCN 10558 of the Broward County Courthouse District.

On August 9, 2018 and again on September 11, 2018, FDLE and ATF attempted to serve a federal arrest warrant (convicted felon in possession of a weapon) on Marcus Lavon Melvin at the Broward County Courthouse. Marcus Lavon Melvin was scheduled to appear in front of the Honorable Tim Bailey on an outstanding state charge. On both days, your Deputies coordinated with Judge Bailey's bailiff in an attempt to arrest Melvin in the court room. On both occasions, Melvin failed to appear in court.

Deputies Bo[redacted]poke with the duty Assistant State Attorney and requested that Judge Bailey reschedule Melvin's calendar call for September 12, 2018, in one last att[redacted]elvin in Judge Bailey's courtroom.

On Wednesday, September 12, 2018, Melvin appeared in Judge Bailey's courtroom and placed under arrest by Deputies [redacted] and Eason without incident. Upon arrest, Melvin was turned- over-to FDLE and ATF. Because of the exceptional and professional assistance rendered by both deputies, Melvin was able to be transported in a timely fashion to the federal courthouse in Broward County and make his initial appearance on the same day as his arrest.

EOG-02561

Because of the professionalism shown by your Deputies, this individual was arrested without incident.

Again, I commend your Deputies for their commitment to assist and work with our agency as well as ATF.

Thank you and please thank them for a job well done.

Sincerely,

Troy Walker
Special Agent in Charge

Eason's assigned motor vehicle is organized and is kept in immaculate condition. During this rating period Eason volunteered to be assigned as a school resource officer, while the permanent officer was out having surgery.

Deputy Eason writes accurate and detailed reports, with little to no corrections needed. Eason consistently strives to excel in traffic enforcement, were he normally leads the shift with community contacts. During this rating period I have received a couple of negative complaints about Eason's interaction involving traffic enforcement, which have been addressed with him.

Deputy Eason is considered a, "team member" and routinely responds to shift member's calls to assist them with processing, canvassing, and volunteering to take additional reports.

Deputy Eason considers most alternatives before making decisions and assesses each scene before taking action. He recently responded to an in progress call where a victim was actively being attacked by her son. Eason and the other deputies' quick reaction resulted in the victim's life being saved, while the suspect was placed into custody.

Deputy Eason utilizes techniques that he has learned over the years with Broward Sheriff's Office. Eason demonstrates these daily during his frequent traffic stops and in progress calls, where they have been observed and evaluated.

Deputy Eason exhibits the knowledge of the Sheriff's Policies and Procedures, as well as the Standard Operating Procedures with his day to day activities.

Eason will continue his professionalism towards citizens that he comes into contact with, which will reduce measurable complaints. These achievable goals will build a working relationship and confidence between residents and the Broward Sheriff's Office. These goals will be reviewed quarterly with Eason and his supervisor and adjust expectations if necessary.

Career Development: Identify educational, training, and professional development activities for the upcoming evaluation period.

Deputy Eason will be encouraged to attend training courses for career enhancement in the area of traffic and he is encouraged to participate in the next sergeant promotional examination process.

From: Sergeant Phillips CCN 11435

Subject: Letter of Commendation / Employees of the Month

I would like to take this opportunity to strongly recommend the Community Affairs Team for the Deputy of the Month Award for the Deerfield Beach District. I think the Community Affairs Team should be recognized for their hard work and dedication with building bridges and developing a stronger link with the entire Deerfield Beach Community. It wasn't long ago that only a handful of Law Enforcement Agencies really appreciated the benefits and strengths of building good positive relationships. The Community Affairs Team developed and encouraged an atmosphere of innovation, which is what made all the events very successful. The team had a willingness to accept ideas and allow its members to try something new and different. Whenever a member of the team proposes a new program or changes in a program the entire team becomes actively involved.

In the month of August the Community Affairs Team has stepped up to the challenge and exceeded all expectations as they successfully organized, coordinated and participated in three (3) high profile community events.

On August 2nd, members of the Community Affairs Team chaperoned Deerfield Beach District's Police Athletic League (PAL) boxers to the prestigious Ringside Boxing Tournament in Independence Missouri. This tournament attracted over 1700 amateur boxers from all 50 states and 15 other countries. There were only three (3) National Champions from the State of Florida and the Deerfield Beach PAL Boxers claimed two (2) of the championships. [redacted] (14yoa), won the 90 pound class, and [redacted] (15yoa), won the 125 pound class, their accomplishments have been recognized by Sheriff Israel and several local newspapers.

On August 5th, The Community Affairs Team hosted the Annual National Night Out Against Crime at Quiet Waters Park. The NNO is a unique crime and drug prevention initiative sponsored by the Broward Sheriff's Office Deerfield Beach District. Residents are encouraged to join with their neighbors to have a city-wide party to build neighborhood spirit and unity, which is the first defense against crime. The NNO event was expected to attract approximately 1200 participants. Well, this year's event attracted approximately 3000 residents and participants. There were over 30 vendors from local businesses and community organizations, which provided giveaways that, were raffled off throughout the night. The items included a home surveillance system, chiropractic pillow and free office visit, pet gift basket, numerous gift cards and six (6) bicycles for the kids. There were also activities for the children such as Paint the Fire Truck, Kid Challenge Obstacle Course, Extreme Rock Climbing Wall and other fun activities. This year's National Night Out Against Crime event was deemed one of the best ever. The feedback from participants, vendors and all parties associated

with this years' event was overwhelmingly positive. One participant described the event as "Awesome". This was further echoed by the many photos that were posted on the Broward Sheriff's Office Face Book page.

On August 9th The Community Affairs Team sponsored the Annual Back to School Fair at Westside Park. The Back to School Fair was designed with two (2) goals in mind. First, to help build self-esteem by providing back packs and school supplies to our school aged children, so they can start the school year off on a positive note. Secondly, to assist economically challenged parents by offsetting the cost of their children school supplies for the upcoming school year. The Community Affairs Team provided over 1200 back packs to school age students at this years event.

This year the initiative went a step further and supplied free food and healthcare screenings compliments of Holy Cross Hospital to the entire 1500 guest that attended. It also provided fun activities for the children, to include Paint the Fire Truck, Helicopter landing, BSO Bomb Squad and Kid ID Fingerprinting by Crime Stoppers. The Community Affairs Team through community outreach solicited the assistance of other community partners such as JM Family, Cox Media Group (WEDR, 99 Jamz and HOT 105), the Men of Delta Masonic Lodge 519, Kiwanis Club (East & West); Rotary Club Bartell Chiropractic, and SHL Pharmaceutical who help make this event a huge success.

This years' Back to School Fair experienced its largest turnout ever. It was estimated that approximately 1500 people participated in the event and 1200 back packs filled with school supplies were issued to school aged children. Sheriff Scott Israel, City Commissioners, Ben Preston and Joe Miller and State Representative Gwendolyn Clark-Reed offered encouraging words of support to the kids and complimented on the event's efficiency and organization.

The success of these events is the result of the Community Affairs Team coming together and truly working as a team. The Community Affairs Team's mantra "Together We Can Make It Happen" is a statement of the success that has been bestowed upon the Team. It is with great pleasure that I nominate The Community Affairs Team as Employees of the Month. The City of Deerfield Beach, Broward County Sheriffs Office and Deerfield Beach District Command should be very proud of the efforts, accomplishments and the example set forth by its Community Affairs Team.

Respectfully,
Sgt. W. Phillips CCN 11435

DATE: December 20, 2004

MEMO TO: Deputy Edward J. Eason

FROM: Chief Scott A. Gooding
Lauderdale-By-The-Sea

SUBJECT: **Employee of the Month – December 2004**

For the past several months you have consistently performed in an exemplary manner. You have been diligent in your pursuit of persons entered into the District TRAP Program and in the arrest of individuals identified as having active warrants issued. It is believed that your action has resulted in the reduction of petty type crimes in the district.

An example of your determination can be shown by your actions on November 16 2004. While patrolling the Town of Lauderdale-By-The-Sea you observed a blue Ford F-150 pickup truck that was driving erratically though the town. You followed the vehicle as it traveled south into the City of Fort Lauderdale. The driver, having observed you, made an evasive turn into the Winn Dixie parking lot, in an attempt to elude you. By radio you had learned that the driver, Jeffery Roberson was wanted for a vehicle burglary in the City of Oakland Park. You then conducted a felony stop and were able to take Roberson into custody without incident. Detective James Ramirez, on behalf of the Oakland Park District Criminal Investigations Unit has thanked you for your quick action that has resulted in Jeffery Roberson being charged with Burglary Conveyance, Grand Theft and two counts of Dealing in Stolen Property.

All of these actions demonstrate your untiring determination in the apprehension of the criminal element here in Lauderdale-By-The-Sea. This in turn helps make all of Broward County a safer place to live. Your above average performance is additionally demonstrated in your attendance record, your day-to-day conversations with peers and supervisors and your obvious enjoyment of your job.

Due to your professionalism and dedication to duty and attention to detail, several potentially violent criminals have been removed from our streets. It is for these reasons you have been selected as the Employee of the Month for Lauderdale-By-The-Sea for the month of December 2004.

SUBJECT: **Employee of the Month – April 2004**

On April 2, 2004 at about 3:14 p.m. an elderly female was robbed of her purse in front of the Walgreen's Drug Store on North Ocean Drive. The suspect grabbed the victim's purse and threw her to the ground. He then fled on foot from the location.

You immediately responded to the area and after getting a description of the suspect, you began a search for him on the beach in the general vicinity. While on the beach you observed a male fitting the description of the suspect. Your investigation revealed the subject was breathing heavy, pale in color and that his explanations did not match the true circumstances. His story of how long he had been in the sun wearing long pants was not consistent with his very pale skin and being a typical sunbather.

The suspect volunteered to meet with detectives for interview. No immediate arrest was made but further investigation developed a witness who was able to make a positive identification of the suspect you had located. A warrant for Robbery has been issued for this suspect.

Due to your quick response and observations a dangerous individual was identified and a crime was solved. You exhibited sound investigative skills and your familiarity with the district was pivotal in identifying this suspect. It is for these reasons you have been selected by the Lauderdale-By-The-Sea / District 13 Awards Committee as the Employee of the Month for the month of April 2004.

Subject: **ADMINISTRATIVE APPEAL**
IA Case# 2018-0041
Deputy Edward Eason, CCN 10558

On February 28, 2018, this case was assigned to me by Executive Lieutenant Barry Lindquist, CCN 13979, from the Division of Internal Affairs. During this investigation, several witnesses were interviewed and evidence was analyzed, which is documented within my investigative report. The following is a summary of my investigation, based on the evidence as it was presented to me:

- On February 14, 2018, suspect Nikolas Cruz committed a mass shooting at Marjory Stoneman Douglas High School, where 17 students and teachers were murdered.
- A criminal investigation was immediately initiated and any incidents where law enforcement personnel had contact with or obtained information about Cruz, were reviewed.
- A suspicious incident call handled by Deputy Edward Eason on February 5, 2016, was identified as one of those calls.
- A review of the CAD notes revealed that Deputy Eason spoke with the caller, [redacted], who stated that her son showed her online posts made by Nikolas Cruz where he stated that he was going to shoot up his school. Additionally, the posts depicted a photograph of a firearm. The posts were deleted and no longer available at the time of Eason's response.
- Deputy Eason indicated in the CAD notes that no threats were noted and that the information he obtained from [redacted] was forwarded to Deputy Scot Peterson (MSDHS School Resource Officer).

- On February 16, 2018, BSO Homicide Detectives interviewed Deputy Eason in reference to the criminal investigation and asked him about the February 5, 2016, incident. Eason replied that he did not remember any details about that call due to it being from 2 years prior.
- On February 16, 2018, BSO Homicide Detectives interviewed Deputy Peterson in reference to the criminal investigation and asked him about the February 5, 2016, incident. Peterson was asked if he was provided any information by Deputy Eason, in reference to the information obtained during his investigation, and Peterson replied that he did not recall that.
- On February 17, 2018, [redacted] was interviewed by BSO Criminal Investigations Detectives in reference to her being the complainant of the February 5, 2016, incident. [redacted] advised that she spoke with Deputy Eason in depth about the questionable online posts made by Nikolas Cruz. [redacted] added that she wanted to know how Cruz purchasing a gun could be prevented, but she was told by Eason that there was nothing that could be done at that time.
- On February 27, 2018, Communications Operator III Ramos, provided me with a sworn statement, due to having received the 9-1-1 call from [redacted] on February 5, 2016. Ramos stated that he did not remember speaking with [redacted] or entering the call.
- On February 28, 2018, Communications Operator III Benson, provided me with a sworn statement, due to having dispatched the call entered by Operator Ramos to Deputy Eason. Benson stated that she did not remember dispatching the call to Eason.
- On February 28, 2018, [redacted] provided me with a sworn statement, due to being the complainant of the February 5, 2016, incident. [redacted] stated that she wanted the deputy to do something, but she realized that there was nothing she could do based on the circumstances at that time. [redacted] confirmed that she told Deputy Eason that the posts she had reported depicted a firearm, not a BB gun as documented by Eason in his CAD notes.
- [redacted] stated that the online posts contained a picture of a firearm, coupled with a statement by Cruz stating that he could not wait to turn 18 so that he could buy that gun, and another post about Cruz stating that he wanted to shoot up a school. [redacted] also confirmed that she told Deputy Eason that she wished to remain anonymous, and that she was very happy with the service that Eason provided that day.
- On February 28, 2018, Deputy Seward provided me with a sworn statement, due to being the OIC (Officer in Charge) of the Parkland District on February 5, 2016. Seward stated that he did not recall anything about the incident.
- On February 28, 2018, Lieutenant Devita provided me with a sworn statement, due to being the Executive Officer of the Parkland District on February 5, 2016. Devita stated that Eason did take some steps to investigate and noted the information in the CAD notes, but an Incident Report with some additional investigative steps would have been prudent and a much better decision for Eason at that time.
- On March 15, 2018, Information Technology Manager Marsal provided me with a sworn statement, due to providing me with Deputy Eason's email history from the timeframe around

February 5, 2016. The email history was obtained in an attempt to locate communication between Eason and Deputy Peterson about the information gathered during the February 5, 2016, incident. A check of those emails did not reveal any communication between Eason and Peterson.

- Deputy Peterson's February 2016 School Resource Officer Monthly Report was obtained and reviewed, but there was no information listed about Nikolas Cruz or any other details about the February 5, 2016, incident.
- A review of the February 5, 2016, incident on Evidence.com did not reveal any BWC videos attached to that case number. I reviewed the BWC database and determined that Deputy Eason was not issued a BWC until August 8, 2016.
- I asked former Deputy Peterson to provide me with a voluntary witness statement and he replied that he would need to consult with his attorney prior to providing that statement. Peterson never responded back to me and a certified letter sent to his residence was returned, due to being unclaimed.
- I asked [redacted], to provide me with a voluntary witness statement, but he declined to do so.
- On May 17, 2018, I conducted a sworn, Garrity interview with Deputy Eason and when I asked him about what he recalled about the February 5, 2016, call he handled, he stated, "I don't recall anything about that call from February 2016."
- Deputy Eason stated that calls like that were frequent and that threats made through social media calls were very common. I followed up by specifically asking him if those calls included threats made against schools or threats of shootings, and he replied, "Well, with weapons in general, yes, pretty common on social media."
- I asked Deputy Eason to walk me through how he would normally handle a similar call where potential violence was threatened or questionable statements were made by a student and he replied, "I'd make contact with the complainant, find out what information they have and what evidence they have supporting the facts that they're telling me, and from there, depending on the evidence, conduct an investigation, talking to all the parties, notifying other people involved -- in this case, notifying the SRO at the school."
- I asked Deputy Eason if he would normally complete an incident report for a similar incident, and he replied, "With no credible threat and an anonymous caller, a caller who wanted to remain anonymous, usually no."
- I asked Deputy Eason how he forwarded the information to Peterson, and he replied, "Well, it's a small district. I could drive to his school, talk to him in person, or if I was at the station, a lot of times they would come in, the SRO's to complete paperwork or print out paperwork, especially towards the end of the week. I might have saw him in person and explained to him then what's going on."
- I asked Deputy Eason why he did not complete an incident report for the call, and he stated,

"Well between, there was no credible threat, no evidence of a credible threat, and the caller wanted to remain anonymous due to being, you know, a close neighbor and a prior history with the family."

- I asked Deputy Eason if he thought it would have been reasonable to document the information he obtained in an incident report, and he replied, "With the information at that point, no."
- I asked Deputy Eason how he would handle a similar situation in the future and he stated, "Well, with everything going on in the media now, you know, we do event reports on that."
- Deputy Eason confirmed that now, because the Parkland incident shooting happened, he would complete an incident report, as a precaution.
- Deputy Eason was asked what he considered a credible threat and Eason replied, "A credible threat if there's evidence supporting the carry-out of a threat. Like, if somebody says, 'You know what? I have a gun,' you know -- boyfriend, girlfriend, it happens all the time. They say, 'I'm gonna come to your house and shoot you,' that's a credible threat. If someone comes there saying, you know, that, you know, 'I'm in fear,' but they didn't make a threat. They said, 'You'll be sorry.' That's kind of vague. But you have to have, you know, a cre-, you have to have an apparent ability to do so, and the item to carry out the crime or the incident."
- I viewed Deputy Eason's personal phone records from the timeframe around February 5, 2016, and confirmed that he did not have any telephone call or text contact with Deputy Peterson for the two week period after that date. Eason declined to provide me with a copy of the records, due to privacy concerns.

IA Case # 2018-0041
Pre-Disciplinary Conference

Explanation:

On February 21, 2018, BSO Internal Affairs began an investigation regarding Deputy Edward Eason, CCN 10558, handling of an incident on February 5, 2016.

On February 5, 2016, Deputy Eason was dispatched to call a complainant who alleged that her son advised her that another juvenile posted a photo of himself, with a gun, on Instagram. The juvenile posted that he was going to shoot his school. After calling the complainant Deputy Eason did not complete an Incident Report but made certain entries into the CAD (Computer Added Dispatch) notes more specifically, Deputy Eason noted that a female caller, who wanted to remain anonymous, reported that a kid named Nikolas Cruz from Douglas High School, had knives and a BB gun in his Instagram photos. Deputy Eason went on to note that there were no threats and the information was forwarded to School Resource Deputy Peterson at the school.

The result of the Internal Affairs Investigation alleged that Deputy Eason violated SPM 2.4, Meeting BSO Standards; to wit: DLE SOP 3.6.1 (B) Reporting Requirements.

On June 20, 2018, this investigation was presented to the members of the Professional Standards Committee for their recommendation. The members of the Professional Standards Committee recommended that the allegation be Sustained and that Deputy Eason receive a Three (3) Day Suspension.

After reviewing all of the above information I also reviewed Deputy Eason's disciplinary history. Significantly, in 2010 Deputy Eason was suspended for One (1) Day for his failure to properly follow upon a call for service. Later in 2010 Deputy Eason was suspended for Two (2) Days for his failure to properly handle another call for service. Specifically, Deputy Eason failed to complete an Incident Report when a report was necessary.

Remarks:

On February 5, 2016, Deputy Eason responded to [redacted], in reference to a complaint made by a third party that Nikolas Cruz planned to shoot up the school (17-1602-000212). Per the complainant, Nikolas Cruz had posted a picture on Instagram of him in possession of a firearm. This was reported to be a one month time delay and it did not specify which school. Per CAD entry, Deputy Eason made contact with an anonymous female who reported that Nikolas Cruz from Douglas High School has knives and a BB gun in his Instagram photos. Deputy Eason wrote that no threats were noted and he forwarded the information to the SRD Deputy Scot Peterson, CCN 4308.

On February 17, 2018, Detectives Kami Floyd, CCN 17022, and Bruce Link, CCN 10154, obtained a sworn statement from the caller [redacted]). She advised that her son saw the Instagram post which had a picture of a gun and stated that something similar to "I am going to get this gun when I turn 18 and shoot up the school." Per [redacted], Deputy Eason had contacted Ms. Cruz who stated that Nikolas Cruz did not have anything like that on his Instagram page. [redacted] did not take a snap shot of the post when her son showed it to her and it was no longer posted for them to show Deputy Eason. Deputy Eason coded the call "Bravo" and did not prepare an incident report.

INTRODUCTION:

On February 5, 2016, Deputy Eason responded to [redacted], in reference to a complaint made by a third party that Nikolas Cruz planned to shoot up a school (17-1602-000212). Per the complainant, Nikolas Cruz had posted a picture on Instagram of him in possession of a firearm. This was reported to be a one month time delay and it did not specify which school. Per CAD entry, Deputy Eason made contact with an anonymous female who reported that Nikolas Cruz from Douglas High School has knives and a BB gun in his Instagram photos. Deputy Eason wrote that no threats were noted and he forwarded the information to the SRD Deputy Scot Peterson, CCN 4308.

On February 17, 2018, Detectives Kami Floyd, CCN 17022, and Bruce Link, CCN 10154, obtained a sworn statement from the caller [redacted] She advised that her son saw the Instagram post, which had a picture of a gun and stated that something similar to "I am going to get this gun when I turn 18 and shoot up the school." Per [redacted], Deputy Eason had contacted Ms. Cruz, who stated that Nikolas Cruz did not have anything like that on his Instagram page. [redacted] did not take a snap shot of the post when her son showed it to her and it was no longer posted for them to show Deputy Eason. Deputy Eason coded the call "Bravo" and did not prepare an incident report.

INVESTIGATION:

On February 21, 2018, this case was assigned to me by Executive Lieutenant Barry Lindquist, CCN 13979, from the Division of Internal Affairs.

The complainant advised this happened about a month ago. The complainant advised that the juvenile subject was expelled from Westlake Middle School and now goes to another school, possibly a high school but the name is not known. The complainant advised that the subject lives 3 houses down from hers, on the opposite side of the street. The complainant is not home at this time. Have a unit call her. No threats were noted and information was forwarded to SRD (School Resource Deputy) Peterson at the school.

12:59:00 hours – (Deputy Eason adds the following comment into the CAD notes) The photos were posted over a month ago.

The disposition for the call is B (Bravo) – No written report.

I obtained and reviewed the sworn, recorded witness statement taken by Sergeant Jonathan Brown, CCN 11100, of the BSO Criminal Investigations Division Homicide Unit, from Deputy Eason. The statement was taken at the Public Safety Building on Friday, February 16, 2018, in reference to criminal case 17-1802-000525, as part of a criminal investigation regarding the shooting at Marjory Stoneman Douglas High School (MSDHS) which involved the subject, Nikolas J. Cruz, white male, date of birth September 24, 1998. The following is a synopsis of the statement:

Deputy Eason advised that he has worked for the Broward Sheriff's Office for approximately eighteen years. Eason added that he had been assigned to the Parkland District for approximately five years as a road patrol deputy, and as a SRD (School Resource Deputy) periodically. Eason explained that he was last an SRO at West Glades Middle School, where he was assigned for the first two months of the 2017-2018 school year. Eason stated that on February 5, 2016, he was assigned to the Parkland District as a road patrol deputy. Eason confirmed that he wore a uniform, drove a marked unit, and he was dispatched to calls via the radio and the computer CAD system.

Sergeant Brown explained to Deputy Eason that there was a lot of material that was being investigated regarding the criminal investigation of the shooting incident at MSDHS. Brown advised that the investigation was very in-depth and encompassed a lot. Brown further explained the purpose of the statement was to go back and figure out what happened in Cruz's history.

Sergeant Brown asked Deputy Eason if he remembered a call he received on February 5, 2016 at approximately 11:44 AM, while showing him the CAD notes to refresh his memory, and Eason replied, "I do not." Brown asked if Eason did not remember the call at all, and Eason replied that it had been over two years ago and he did not remember. Brown further asked if the CAD notes refreshed his memory and Eason replied, "No." Eason advised that he received between one and twelve to fifteen calls on any given day in Parkland.

Sergeant Brown asked Deputy Eason if he knew the SRD (School Resource Deputy) at MSDHS and Eason replied that he did and identified the SRD as Deputy Scot Peterson, CCN 4308. Eason stated that he knew Peterson for approximately five years and Eason had assisted Peterson on various calls

EOG-02746

at the school. Eason advised that road patrol received many calls involving the school and deputies usually contacted Peterson immediately if there was a call regarding the school. Eason added that the contact was to let Peterson know and to assist him in handling issues at the school.

Sergeant Brown read the CAD comments to Deputy Eason and asked Eason if he received calls like that frequently, where the caller provided information about a student or an incident related to the school. Eason replied that over the years, he had received dozens of calls like that, directly or indirectly. Eason stated that if any information was obtained from a caller, regarding the school, he would usually call the SRD and give them the information. Eason added that the SRD could then conduct an investigation at their school. Eason advised that Deputy Peterson was very interested with anything related to his school. Eason stated that in the case of the February 5, 2016, call, he did not recall, but he would have called him, to notify him and give him the information received. Eason advised that on that occasion, the caller wished to remain anonymous. Brown asked Eason again if he remembered that particular call, and Eason replied, "No, I don't." When asked by Brown what Peterson did with the information he was provided by deputies, Eason replied he would do an investigation at the school and handle it with the school board. Brown asked Eason how he regularly notified a SRD of any information obtained and Eason replied that it was usually a phone call, usually while he was still on the dispatched call. Eason advised that he also emailed Peterson in the past, but he did not remember emailing him on that occasion. Brown asked Eason what Peterson's usual response was to any information provided and Eason replied that he wanted the information and he was usually very interested in those details. Eason added that Peterson had a good relationship with the students and staff, he wanted the information and would follow up with that information later.

Sergeant Brown asked Deputy Eason if he ever met or knew of Nikolas Cruz, and Eason replied that he did not, that he knew of. Brown asked Eason if he remembered talking to anyone about the call and he replied, "I don't remember anything about the call." Brown asked Eason if he would ever do some follow-up for a call after providing information to Deputy Peterson, and Eason replied that it was rare, but he would do something off campus to assist, if Peterson needed him to. Eason added that Peterson had never reached out to him for that type of assistance.

It should be noted that prior to concluding the statement, Sergeant Brown asked Deputy Eason if he had provided the statement on a voluntary basis, and Eason's response was, "Yes." Eason also confirmed that he had not been coerced or persuaded in any way, to provide the statement.

[End of synopsis]

I also obtained and reviewed the sworn, recorded witness statement taken by Detective Jeffrey Curtis, CCN 15795, of the BSO Criminal Investigations Division Homicide Unit, from Deputy Scot Peterson. The statement was taken at the Public Safety Building on Friday, February 16, 2018, in reference to criminal case 17-1802-000525, as part of a criminal investigation regarding the shooting at Marjory Stoneman Douglas High School (MSDHS) which involved the subject, Nikolas J. Cruz, white male, date of birth September 24, 1998. Also present was

EOG-02747

Detective John Curcio, CCN 16048. The following is a synopsis of the portion of the statement that is relevant to my investigation:

Deputy Peterson confirmed that he knew Deputy Eason, and that Eason was a Parkland deputy. Detective Curtis asked Peterson if he recalled Eason telling him or talking to him about contact Eason made with a person that lived a couple of houses away from Nikolas Cruz, concerning suspicious online posts, and Peterson replied, "No." Curtis elaborated that he would have learned about that incident in February 2016, and Peterson replied, "I don't recall, I don't recall that."

[End of synopsis]

I obtained and reviewed the sworn, recorded witness statement of [redacted]. The statement was taken by Detective Bruce Link, CCN 10154, of the BSO Criminal Investigations Division Special Victims Unit. This statement was taken on February 17, 2018, at [redacted] home residence, located at [redacted], in the City of [redacted], in reference to criminal case 17-1802-000525, as part of a criminal investigation regarding the shooting at Marjory Stoneman Douglas High School (MSDHS) which involved the subject, Nikolas J. Cruz, white male, date of birth September 24, 1998.. Also present was Detective Kami Floyd, CCN 17022, of the BSO Criminal Investigations Division Special Victims Unit. The following is a synopsis of the statement:

[redacted] confirmed that she made the 9-1-1 call on February 5, 2016 at 11:44 AM, in reference to case number 17-1602-000212. Detective Link read [redacted] the CAD comments of the call and she confirmed that the synopsis was correct and she remembered making the call. When asked what prompted her to make the call, [redacted] replied that her son showed her an Instagram or Snapchat that Nikolas Cruz had written where he stated that he was going to get a gun and shoot up the school. [redacted] stated that after seeing that, she called 9-1-1, and a deputy came out to her home. [redacted] added that she told the deputy what she knew about Nikolas, and she recalled that the deputy went down to the Cruz residence to speak with Nikolas and his mother. Link asked [redacted] if she knew who Nikolas was prior to her son showing her the post and she replied that she knew Nikolas since he was a baby. [redacted] stated that the deputy walked to the nearby Cruz residence and Nikolas' mother told him essentially that Nikolas was a great kid and he would never post anything like that on Instagram. [redacted] added that she did not take a picture of the online post and her son did not save it, so there was no record of it. [redacted] further added that it was one of those posts that would show up then disappear a short time later, but she reiterated that she saw it herself. [redacted] described the post as also showing a picture of a gun and something to the effect that Nikolas was going to get that particular gun when he turned 18 years old, and shoot up the school. [redacted] recalled that the deputy came back to her residence and told her that the post was protected by the First Amendment right of free speech. [redacted] stated that she asked if she could stop Nikolas from buying a gun when he turned 18 years old, but the deputy responded that his right to later purchase a firearm was protected by his Second Amendment rights and there was basically nothing that could be done at that time. [redacted] stated that after speaking with the deputy and realizing nothing could be done, the deputy left.

Detective Link asked [redacted] if she had any interaction with Cruz's family after that and she replied that she was in fear of Nikolas Cruz and she also kept her kids away from him. [redacted] added that she kept her distance, but she'd wave and try to keep Nikolas calm, because he'd been so destructive through the years. [redacted] further added that Nikolas had destroyed her property, hurt her children, and hurt her dog, so she kept away from him. [redacted] confirmed for Detective Link that her son, [redacted], was the person that showed her Nikolas' post, and that [redacted] was [redacted] at that time. [redacted] advised that her son had been attending Center Academy, a private school in the area, and she believed that Nikolas was attending Stoneman Douglas High School at the time. [redacted] confirmed that the picture of the gun in the post looked like a picture that Nikolas found online, and she also confirmed that Nikolas was absolutely the person that had made the online post. [redacted] confirmed again that it came from his Snapchat or Instagram account, and that she did not take a picture of the post.

[End of synopsis]

On February 23, 2018, I contacted Lt. Michael Devita, CCN 7523, and requested the daily roster for Deputy Eason's shift from February 5, 2016 (Bravo Shift/6:00 AM-6:00 PM). I received the Parkland District Payroll/Daily Roster via email and saw that Eason was assigned the call sign of 17B3 that day. I also saw that Deputy Richard Seward, CCN 11290, was the OIC (Officer in Charge) that day due to the only sergeant assigned to the shift, Sergeant Jeanne Tedesco, CCN 10385, being absent on annual leave and Restricted Administrative Assignment.

On February 27, 2018, I met with Communications Operator III George Ramos, CCN 17444, at the South Regional Dispatch Site in Pembroke Pines, FL and obtained a sworn, recorded employee witness statement in reference to this incident. The following is a synopsis of his statement:

Operator Ramos confirmed that he has been employed by BSO since October 2014, and he has been assigned to the South Regional Dispatch Site for approximately 3 years. Prior to starting the statement, I showed Ramos the CAD notes for case number 17-1603-000212, handled by Deputy Eason, to help refresh his memory. I asked Ramos if he recalled the incident relating to the CAD notes and he replied, "Not particularly, no." I asked Ramos if he had any independent recollection of taking that call, and he replied, "No." I asked Ramos if it was accurate to say that he did take the 9-1-1 call that day, which was listed in the CAD notes, and he replied, "Yes." Ramos also confirmed that the comments written in the call did look like comments that he would have written. I asked Ramos to explain the process when he put that information into the system and he explained that he would take the information from the caller, enter the notes into the system, and the dispatcher would be responsible for dispatching it to the deputy. Ramos confirmed the dispatcher in this case that was responsible for dispatching the call to the deputy, was Operator Jamie Benson. I asked Ramos if it was unusual for him to receive calls like the one documented in the CAD notes, and he replied that it was not unusual. Ramos added that calls about threats made against people and schools are common. I asked Ramos if the call he received, based on the CAD notes, was anything that he would have notified a supervisor about and he replied, "No." Ramos also confirmed that the CAD

EOG-02749

notes stated that the deputy handled the incident over the phone, as requested by the caller.

[End of synopsis]

On February 28, 2018, I met with Communications Operator III Jamie Benson, CCN 5328, at the North Regional Dispatch Site in Coconut Creek, FL and obtained a sworn, recorded employee witness statement in reference to this incident. The following is a synopsis of her statement:

Operator Benson confirmed that she has been employed by BSO for 29 years, and she has been assigned to the North Regional Dispatch Site for approximately 4 years. Prior to starting the statement, I showed Benson the CAD notes for case number 17-1603-000212, handled by Deputy Eason, to help refresh her memory. I asked Benson if she had any recollection of that incident, and she replied, "No, not at all." Benson stated that her dispatch site handled calls from all over Broward County. I asked Benson if it was unusual for her to receive calls like the one documented in the CAD notes, and she replied that now it was common, but it was not common in 2016. I asked Benson if the call she dispatched, based on the CAD notes, was anything that she would have notified a supervisor about and she replied, "Now in 2018, definitely, but 2016, it was delayed, it was second, third hand from a friend or neighbor. No, unless it was in progress."

[End of synopsis]

On February 28, 2018, I met with civilian witness [redacted], at her place of employment, located at [redacted] and obtained a sworn, recorded witness statement in reference to this incident. The following is a synopsis of her statement:

[redacted] confirmed that she recalled providing BSO Detectives with a sworn statement on February 17, 2018, in reference to the criminal investigation of the Parkland shooting. I asked [redacted] on record if it was possible that she mixed up some facts during her first statement, due to statements she made to me over the phone about the deputy possibly never having gone to Nikolas Cruz's residence. [redacted] explained during that phone call that she had mixed up different responses by BSO deputies, due to having called them more than once for issues with Cruz. [redacted] replied that she remembered the deputy responding to her home on February 5, 2016, but she did not think the deputy went to the Cruz residence. [redacted] recalled that she was really afraid and she remembered the deputy telling her there was nothing he could do. [redacted] recalled that she called 9-1-1 and the deputy responded out to her home. I asked [redacted] to tell me again what happened on that date and she replied that when the deputy arrived, she told him what her son had shown her in reference to the online post and she also told the deputy the history of Nikolas Cruz (in reference to the issues she'd had with him over the years). [redacted] stated that she hoped that the deputy could prevent Cruz from being able to buy a gun when he turned 18, but the deputy replied that he did not have the power to do that. [redacted] added that she was "kinda pleading with him to help," but the deputy told her the law, which she understood, that Nikolas was not an immediate danger, because

EOG-02750

he was only 17 and did not own any firearms at the time. [redacted] added that she understood the deputy's explanation. [redacted] further added she remembered the deputy asking her if she wanted him to go by the nearby Cruz residence, but she did not remember if the deputy ever went there.

I asked [redacted] to clarify for the record why she had called for a deputy to respond to her residence, and she replied that her son had shown her an online post made by Nikolas Cruz that said that he couldn't wait to turn 18 to buy a gun, with a stock photo of a gun attached. [redacted] added that Nikolas also made an online post that said something about wanting to shoot up the school. When I asked, [redacted] clarified that it was two separate online posts made by Nikolas and that they were not posted on the same day. [redacted] advised that she did not call to report the posts until she spoke with co-workers about them and they urged her to call the police to report it. [redacted] stated that the first post from Nikolas about purchasing a gun happened a while prior to her calling the police, but the second post about shooting up the school occurred approximately one to two days prior to her calling the police. I asked [redacted] what the deputy told her when he showed up and she replied that she asked him about the Baker Act. [redacted] explained that she specifically asked if Nikolas could be Baker Acted and the deputy replied that the Baker Act would only apply if Nikolas was an immediate threat to himself or others. [redacted] added that because this was a threat made in advance and essentially an empty threat because Nikolas did not have the means to shoot anyone, [redacted] felt that the deputy did all he could do in that situation. [redacted] confirmed that she told the deputy that she wished to remain anonymous. [redacted] added that the deputy asked her if she wanted him to speak with Nikolas' family, but she replied that she did not remember what she specifically told him. [redacted] stated that she wanted the deputy to do something, but he had already told her that there was nothing he could do in that situation.

[redacted] confirmed that the deputy was very courteous, she felt that he listened to her situation, and she was very happy with the service he provided that day. I asked [redacted] if she felt that the deputy handled the situation properly, she replied, "I do, yeah, for sure." [redacted] confirmed that the deputy identified himself when she spoke with him, but she did not remember his name because of the time delay. I read [redacted] the comments entered in the CAD notes by Deputy Eason, to confirm their accuracy based on [redacted] recollection, and she was sure that the photo posted by Nikolas was that of a real gun, not a BB gun, as listed by Eason in the notes. She added that it wasn't a gun belonging to Nikolas, it was a picture of a gun, similar to one found in an internet search. I asked [redacted] if that post with the gun was made approximately one month prior, as stated by Eason in the CAD notes, and she replied that it was "somewhere around there." I asked [redacted] if she had anything to add in reference to her interaction with the deputy, and she replied that it was the law that was frustrating. [redacted] added that she thought the deputy did a good job and, "For what he had to deal with, I thought he did a good job." I asked [redacted] if she ever demanded or requested a police report from the deputy, and she replied, "No, I didn't." I asked [redacted] if the deputy provided her with a case number, and she first replied that he did not, but changed her response to, "But then again, it's two years ago. I could have, I don't remember." I asked [redacted] how many times she had called 9-1-1 for any issues related to Nikolas Cruz, and she replied that she remembered a total of three occasions. [redacted] explained that two were for this incident, and a rock throwing incident between Nikolas and her son several years prior. [redacted] added that the third incident was related to

her son's vehicle being damaged by a rock, and she suspected that Nikolas was the culprit. However, [redacted] stated that she could never prove that Nikolas was the person that caused the damage. I asked [redacted] again if it was possible she might have confused some of the details of this call with the previous rock throwing incident, and she replied, "Yes."

[End of synopsis]

After meeting with [redacted], I conducted a search of Instagram and Snapchat in an attempt to locate the posts made by Nikolas Cruz that had been viewed by [redacted] and her son, but I confirmed that those posts were no longer available.

On February 28, 2018, I met with Deputy Richard Seward, CCN 11290, at the Peppertree Plaza, located at 5438 West Sample Road in Margate, FL, and obtained a sworn, recorded employee witness statement in reference to this incident. The following is a synopsis of his statement:

Deputy Seward confirmed that he has been a law enforcement officer for the last 30 years. Seward has been employed with BSO for approximately 17 years, and prior to that he was a City of North Lauderdale police officer for approximately 13 years, before the city police department was absorbed by BSO. Seward also confirmed that he has been assigned to the Parkland District since March of 2013. On record, I confirmed with Seward that prior to initiating my statement, I had shown him the Parkland District Payroll/Daily Roster for February 5, 2016, in an effort to refresh his memory. Seward confirmed that the shift supervisor, (now retired) Sergeant Jeanne Tedesco, CCN 10385, was on Restricted Administrative Assignment at that time and she was not working that day. Seward also confirmed that he was the OIC (Officer in Charge) that day, in lieu of Sergeant Tedesco. I asked Seward if that was a duty that he regularly had in the district, and he replied that he typically filled in for the extra 4 hours on Tedesco's 8 hour days. Seward also confirmed that he supervised that shift as the OIC for approximately 1 year due to Tedesco's restricted status. I asked Seward what his duties were as the shift OIC, and he replied his responsibilities were conducting roll calls and "handling" the radio. I asked Seward if he also completed supervisory paperwork or reviewed reports as part of his OIC duties, and he replied that he did not. Seward added that he may have possibly completed a Supervisory Use of Force Report, but he definitely did not review the Incident Reports of other deputies. On record, I confirmed with Seward that prior to initiating my statement I had shown him the CAD notes for case number 17-1602-000212, from February 5, 2016, in an effort to refresh his memory. I asked Seward if he remembered that particular call being broadcast over the radio, and he replied, "I do not. No recollection." I asked Seward if anything about the call stuck out in his memory after reading the call notes, and he replied, "No sir." I asked Seward if Deputy Eason had ever talked to him about that call, and he replied that he did not.

On February 28, 2018, I met with Lieutenant Michael Devita, CCN 7523, at the BSO Parkland District Office in Parkland, FL and obtained a sworn, recorded employee witness statement in

reference to this incident. The following is a synopsis of his statement:

Lieutenant Devita confirmed that he has been employed by BSO for almost 25 years and he has been assigned as the Parkland District Executive Lieutenant since February of 2015. Devita also confirmed that he was the District Executive Lieutenant on February 5, 2016. On record, Devita confirmed that he had provided me with a copy of the Parkland District Payroll/Daily Roster for February 5, 2016, after I previously requested it from him. Devita confirmed that Sergeant Tedesco was on Restricted Administrative Assignment that day and thus, Deputy Seward was the OIC (Officer in Charge) for the shift. I asked Devita if the usage of OIC's was common in the Parkland District, and he replied that they were, because each shift was only assigned one sergeant. Devita added that Seward was chosen as an OIC due to his vast experience, police knowledge, and his influence on the squad. Devita further stated that Seward was seen as an older brother by the deputies on the shift and Seward was used as an OIC often. Devita stated that Seward's position as an OIC had the same responsibilities as the shift sergeant. I asked Devita if that included reviewing reports, and he elaborated that he did not allow OICs to review or approve reports. Devita reasoned that he felt that responsibility should remain with a sergeant, even if it was the criminal investigations sergeant and not the regular shift sergeant.

On record, I confirmed with Lieutenant Devita that prior to initiating my statement I had shown him the CAD notes for case number 17-1602-000212, from February 5, 2016, in an effort to refresh his memory. I asked Devita his opinion, on whether or not an Incident Report should have been completed by Deputy Eason, based on the information available in the CAD notes. Devita replied that the comments typed by the 9-1-1 call taker were very disturbing, but he was trying to look at that call from a frame of mind prior to the recent shooting incident. Devita stated that it appeared that Eason went through some investigative steps and he indicated that he notified the school resource deputy at Stoneman Douglas High School, after Eason discovered that Nikolas Cruz was a student there. Devita added that there was certainly no harm in Eason writing a report, and it was Devita's personal policy for a deputy to write a report if they were on the fence about completing one. Devita stated that in that instance, the complainant wanted to remain anonymous, which presented some difficulty with completing an accurate report. Devita added that he was having a hard time indicating if Eason absolutely should have written a report in that instance. Devita further added that Eason did take some steps to investigate and noted the information in the CAD notes, but an Incident Report with some additional investigative steps would have been prudent and a much better decision for Eason at that time. Devita stated that Eason trying to make contact with Cruz or his parents to explain a public concern, would have likely been outlined in such a report and it would have shown a little more diligence in the deputy's actions. Devita advised he would expect to see that effort, but it was hard to say when Eason did not have a cooperative reporting person that wished to have their information in the report. Devita added that it presented some problems for the deputy in this case. Devita stated that to be fair, without using hindsight, he would like to have seen more of an investigative effort on the part of Eason, and that would've been outlined in a report. Devita added that he did not feel like Eason "shrugged" his duties that day either. Devita further added that if he had seen the CAD notes two weeks after the call took place, he would understand why a report would not have been completed, due to the complainant wanting to remain anonymous and the

EOG-02753

Instagram posts no longer existing. I advised Devita that this situation needed to be looked at from the perspective of two years prior, without hindsight, and Devita agreed while stating, "That's why I'm trying to be fair here." Devita added that we had all felt this tragedy and we have to keep a level head and look at things as they were back then.

[End of synopsis]

On February 23, 2018, I called Deputy Eason's IUPA representative, Andi Nelson, and requested that she ask Eason if he would voluntarily attempt to obtain a copy of his February 2016 cellular phone bill. I advised Nelson that it could be beneficial for Eason to provide evidence of any communication between him and Deputy Peterson during that timeframe, to further that Eason had notified Peterson of the information he obtained during case number 17-1602-000212.

On March 1, 2018, I obtained and reviewed Deputy Eason's archived BSO emails from Information Technology Manager Guillermo Marsal, CCN 8029. I examined the emails in their entirety and determined that there had been no email communication between Eason and Deputy Peterson, in reference to the information obtained by Eason from case number 17-1602-000212. Additionally, there were no emails that mentioned Nikolas Cruz, or any other information about him.

On March 2, 2018, I obtained and reviewed Deputy Peterson's School Resource Officer Monthly Report for February of 2016. Peterson did not note any information obtained from Deputy Eason about Nikolas Cruz or any of the information gathered during case number 17-1602-000212.

I conducted a search of all the calls received or initiated in the Parkland District on February 5, 2016, between the hours of 6:00 AM and 6:00 PM (Deputy Eason's shift). A review of those calls determined that the district received or initiated eleven service calls during that twelve hour time period. A review of those individual calls revealed that Deputy Eason responded to a total of three documented calls during his shift that day. All three of those calls (case numbers 17-1602-000212, 17-1602-000213, and 17-1602-000216) were handled by Eason and coded out B-Bravo, indicating that a written report was not completed. Additionally, a review of the Parkland District Payroll/Daily Roster indicated that 7 deputies were working on road patrol on February 5, 2016, for all or some of the hours of the 6:00 AM to 6:00 PM shift. It should be noted that another deputy was also working that shift, however, he was on light duty and was working at the front desk of the Parkland District.

I searched Evidence.com for case number 17-1602-000212, but no video evidence existed. I examined the current list of BSO deputies that had been issued body worn cameras (BWC), and determined that Deputy Eason was issued his BWC on August 8, 2016, approximately six months after the date of [redacted] call.

On March 15, 2018, I met with Information Technology Manager Guillermo Marsal, CCN 8029, at the Division of Internal Affairs and obtained a sworn, recorded employee witness statement in reference to this incident. The following is a synopsis of his statement:

EOG-02754

Guillermo Marsal confirmed he was the Network Manager of Operations for the Broward Sheriff's Office for the last 21 years, and he has been employed by the agency for approximately 22 years. Marsal also confirmed that he previously received my request for Deputy Eason's archived emails from the timeframe around February 5, 2016, and that he was able to successfully provide me with that information. Marsal stated he provided me with Eason's archived emails from the time frame I requested (February 5, 2016 and the following 30 days), as well as Eason's current emails. Marsal explained that the files were called "PSD files" and they were copies made from previous tape or disc backups. I asked Marsal to explain the email archiving process utilized at BSO and he advised that all employee emails are backed up every evening at 8:00 PM, where they remain indefinitely. Marsal further explained that backups completed within the last 60 days can be accessed on disc, and any emails older than 60 days old can be accessed from quarterly tape backups. Marsal confirmed that the historical emails he retrieved at my request were taken from a tape backup, due to the approximate 2 year delay. I asked Marsal if there was any way that emails could have been sent or received that would not have been archived, and he replied that it was possible. However, Marsal explained that it in order for any emails to not have been archived, there was a specific process that needed to be completed. Marsal further explained that the employee would have to delete the email from their Inbox or Sent mailbox, and then also delete it from the Deleted Items mailbox before 8:00 PM (for each individual email) in order for it to not be archived.

[End of synopsis]

On April 6, 2018, I called former Deputy Peterson, and requested that he provide me with a witness statement for my investigation. Peterson stated that he would need to consult with his attorney prior to providing me with a voluntary statement. I advised Peterson to consult with his attorney and to please call me to confirm whether or not he would be providing me with a statement. After not hearing back from Peterson, on April 10, 2018, I sent him a certified letter again requesting that he provide me with a voluntary statement. On May 14, 2018, I received the certified letter back from the U.S. Post Office, due to the letter being unclaimed.

On April 6, 2018, I called [redacted] to request that her son [redacted], provide me with a witness statement. [redacted] did not answer, so I left a voicemail advising her of my request. It should be noted that I called [redacted] because I did not have a contact phone number for [redacted]. After not hearing back from [redacted], I called her again on April 13, 2018, and May 3, 2018, and also left her voicemails on those occasions. On May 15, 2018, I received a call back from [redacted], when she advised me that she would ask [redacted] to call me, but she added that he was apprehensive about providing me with a witness statement. On May 16, 2018, [redacted] called me and declined to provide me with a statement.

On May 17, 2018, I obtained a sworn, recorded Garrity statement from Deputy Edward Eason, CCN 10558, at the Division of Internal Affairs. Also present was Sergeant Al Rengifo, CCN 9981, from the Division of Internal Affairs, and Eason's representative, Andrea Nelson, from the International Union of Police Associations (IUPA). The following is a synopsis of his statement:

At the beginning of the statement, I advised Deputy Eason on the record, that his previous statement to homicide detectives was only 2 days after the Marjory Stoneman Douglas High School shooting incident. (I further advised him that it was assumed that he had not been given ample opportunity to refresh his memory about the call he handled 2 years earlier, prior to that statement.) I further advised him that because he'd now had time to think about that call and potentially refresh his memory, there would be no issues regarding a Truthfulness charge, relating to the statement he previously provided, if he now recalled details about the call he handled on February 5, 2016. I then asked Eason, "Having had time to refresh your memory, do you now recall any details of the call that you handled that day on February 5, 2016, case number 17-1602-000212?" and he replied, "No sir." I then asked Eason what he did recall about that call, if anything, and he replied, "I don't recall anything about that call from February 2016." After Eason stated that he did not recall the incident at all, I provided him a copy of the complete CAD notes from that incident. The CAD notes depicted all of the call's notes, including the following notes added by Eason:

Time: 12:43:24.000 Console: 00 Operator: Eason, Edward
FEMALE WHO WANTED TO REMAIN ANON REPORTED A KID NAMED NIKOLAS CRUZ FROM DOUGLAS HS HAS KNIVES AND BBGUN IN HIS INSTAGRAM PHOTOS. NO THREATS NOTED AND INFO FORWARDED TO SRD PETERSON AT SCHOOL.

I asked Deputy Eason to confirm that he had written those notes and he stated, "My name is on the notes," and he added, "It appears that I wrote it, yes." I advised Eason to explain his comments, due to that being the only record of what transpired on the call, and Eason read the notes out loud, verbatim. I asked Eason what his notes meant to him, and he replied that he responded to a call, there was no evidence of a credible threat, and he relayed that information to the Stoneman Douglas School Resource Officer, Deputy Scot Peterson. I asked Eason if calls like that were frequent or if it was an unusual call, and he replied, "Frequent." I asked Eason how often he received calls like that, and he replied that threats made through social media calls were very common. I followed up by specifically asking him if those calls included threats made against schools or threats of shootings, and he replied, "Well, with weapons in general, yes, pretty common on social media." I asked him to specify if those calls were involving students from Stoneman Douglas High School and he replied, "From that school and outside of school, maybe graduated already."

I asked Deputy Eason to walk me through how he would normally handle a similar call where potential violence was threatened or questionable statements were made by a student and he replied, "I'd make contact with the complainant, find out what information they have and what evidence they have supporting the facts that they're telling me, and from there, depending on the evidence, conduct an investigation, talking to all the parties, notifying other people involved -- in this case, notifying the SRO at the school." I asked Eason if he normally notified the SRO at the school of a similar call, if the school was in Parkland, and he replied, "Yes." I further asked him if he would also notify the SRO of a school outside of Parkland, and he also replied, "Yes." I asked Eason if he would notify a supervisor for a similar call, and he replied, "If there's no evidence supporting a threat, a credible threat, I might, I might not, depending on the case." Eason added that it would be case by case for notification of a supervisor. I asked Eason if he would normally complete an incident report for a

EOG-02756

similar incident, and he replied, "With no credible threat and an anonymous caller, a caller who wanted to remain anonymous, usually no." I reminded Eason that he documented in his notes that he forwarded the information obtained in the call to SRD Scot Peterson and that an archive I obtained of his BSO emails did not reveal any communication with Peterson, about this incident. I asked Eason how he forwarded the information to Peterson, and he replied, "Well, it's a small district. I could drive to his school, talk to him in person, or if I was at the station, a lot of times they would come in, the SRO's to complete paperwork or print out paperwork, especially towards the end of the week. I might have saw him in person and explained to him then what's going on."

I reminded Deputy Eason that I had previously requested that he voluntarily provide me with his personal cellular phone records, to determine if he had any communication with Deputy Peterson via telephone calls or texts, after obtaining the information from [redacted]. Eason advised that he was able to obtain the records, but he did not bring them with him. Eason stated that he had already reviewed the records and they did not document any telephone communication between him and Peterson in February 2016. Eason elaborated that if anything was work related, he would usually use the phone at the Parkland District Office to make telephone calls. Eason confirmed that he would provide me with those historical phone records through his representative, on a later date. I reminded Eason that providing me with those records was voluntary, and he confirmed that he understood.

I asked Deputy Eason why he did not complete an incident report for the call, and he stated, "Well between, there was no credible threat, no evidence of a credible threat, and the caller wanted to remain anonymous due to being, you know, a close neighbor and a prior history with the family." I asked Eason if he thought it would have been reasonable to document the information he obtained in an incident report, and he replied, "With the information at that point, no." I asked Eason how he would handle a similar situation in the future and he stated, "Well, with everything going on in the media now, you know, we do event reports on that." (I asked Eason to answer the same question, but in a theoretical world where the Parkland shooting did not happen and he replied, "It wouldn't have changed anything from what happened two years ago, if there was no incident at the high school.") Eason confirmed that now, because the Parkland incident shooting happened, he would complete an incident report, as a precaution.

Sergeant Rengifo asked Deputy Eason what he considered a credible threat and Eason replied, "A credible threat if there's evidence supporting the carry-out of a threat. Like, if somebody says, 'You know what? I have a gun,' you know -- boyfriend, girlfriend, it happens all the time. They say, 'I'm gonna come to your house and shoot you,' that's a credible threat. If someone comes there saying, you know, that, you know, 'I'm in fear,' but they didn't make a threat. They said, 'You'll be sorry.' That's kind of vague. But you have to have, you know, a cre-, you have to have an apparent ability to do so, and the item to carry out the crime or the incident." Rengifo also asked Eason if he had ever been assigned to an investigative unit within BSO, and Eason confirmed that he had not. I asked Eason if he recalled ever dealing with Nikolas Cruz before or after the call he responded to on February 5, 2016, and Eason replied, "Not that I recall, no." I asked Eason if he recalled meeting [redacted] in person or handling the call over the telephone, and he replied, "I don't recall. Yeah,

so, it was, it was a long time ago."

IUPA representative Nelson stated that she would provide me with news articles relevant to this case, that she requested that I add to my report. I confirmed that I would add the articles if she sent them to me. Nelson also confirmed that she would send me Eason's historical phone records via email, at a later date.

[End of synopsis]

On May 25, 2018, I contacted IUPA representative Nelson, who requested that I disregard her previous request to attach news articles to my report, which were relevant to this case. On May 30, 2018, Deputy Eason responded to the Division of Internal Affairs and physically showed me his historical phone records from February 2016. I confirmed that the records indicated that Eason did not contact Deputy Peterson with his personal cellular phone, for a three day timeframe after the February 5, 2016, call for service. Eason declined to provide me with a copy of the mentioned historical phone records for my case file, due to privacy concerns.

[redacted] added that she wanted to know how Cruz purchasing a gun could be prevented, but she was told by Eason that there was nothing that could be done

at that time.

Devita stated that Eason did take some steps to investigate and noted the information in the CAD notes, but an Incident Report with some additional investigative steps would have been prudent and a much better decision for Eason at that time.
- On March 15, 2018, Information Technology Manager Marsal provided me with a sworn statement, due to providing me with Deputy Eason's email history from the timeframe around February 5, 2016. The email history was obtained in an attempt to locate communication between Eason and Deputy Peterson about the information gathered during the February 5, 2016, incident. A check of those emails did not reveal any communication between Eason and Peterson.
- Deputy Peterson's February 2016 School Resource Officer Monthly Report was obtained and reviewed, but there was no information listed about Nikolas Cruz or any other details about the February 5, 2016, incident.
- A review of the February 5, 2016, incident on Evidence.com did not reveal any BWC videos attached to that case number. I reviewed the BWC database and determined that Deputy Eason was not issued a BWC until August 8, 2016.

Q. Alright. Um... it's in reference to the homicide investigation at the Marjory Stoneman Douglas High School in Parkland, Florida that occurred on February 14th, 2018. That case number is 17-1802-000525. Um... Deputy Peterson you understand what perjury means?
A. Yes

Q. Raise your right hand. Do you solemnly swear to tell the truth, the whole truth, nothing but the truth?
A. I do

Q. Alright lower your hand. Just state your first name, your last name for the record?
A. Scot, S-C-O-T, Peterson, P-E-T-E-R-S-O-N.

Q. Alright um...we're here to talk about the... the homicide investigation but um... we want to know some history. From our understanding I guess you've had some previous encounter with a Nikolas Cruz is that correct?
A. Yes

Q. Okay.

Q. Alright, first off how... how long have you worked for the Sheriff's Office?
A. Since 1985

Q. Alright. And how long have you been and SRO?
A. At Douglas...

Q. No in... in general.
A. Um... um... 28 years.

Q. Alright we'll won't...
A. Around 28, 29 years

Q. Alright. And now at Douglas how long?
A. Ah... approximate 8 years

Q. Okay. And obviously the incident we're going to talk to you that day, today you were on duty as a Sheriff's ah... SRO ah... at the school?
A. Yes

Q. And you were dressed in the same class, what is that a class B or class A?
A. B

Q. B, uniform that you got on today.
A. Yes

Q. Okay. You remember approximately what your shift was at the beginning of that day? What... what it started as? What time?
A. It started at ah... 0700.

Q. Okay. Alright I guess the easiest way, well not the easiest way but the chronological easiest way is to start off with that day and then we'll go back into you know background and history like that. Alright that day ah... seven o'clock anything at the school ah... first off just educate us on the school policy from the beginning. What time does the student's start arriving to the school?
A. They start arriving at the school probably around seven in the morning, classes don't start till 7:40 so

Q. Okay. Alright and once um... and again I've never been a SRO but I... I spent some time at Plantation High years ago. Um... is there ah... there's not gate completely around Stoneman Douglas, that has to be opened or... or the parking lot is gated.
A. Yes the parking lots are gate, the senior lot not the front...the east side is open

Q. Okay
A. Cause that's for the public and parents to drop off

Q. Okay. So is there a... a time frame when the gate on... on the parking lot side or the parking side is actually opened ah...
A. Yes the senior lot is guarded. There's ah... ah... a security out there to make sure only seniors get in.

Q. Okay.
A. On the... on the north end.

Q. Okay
A. In the morning.

Q. But in the... in the when the school is not open is that... is that like a locked gated parking lot? Or is it...
A. I'm... I'm not sure when it... if the school is closed at night I'm not I... I... I believe they shut, closed all the gates.

Q. Okay
A. You know at the close...at the end of the night.

Q. Alright but bottom line is that east side is an open area. There's... there's no wall or gate or any... (unintelligible)
A. No it's open.

Q. It's... it's... open access other than I think it's berm.
A. Exactly

Q. Okay. Alright um... the... the beginning of the day occurs is there anything unusual as far as ah... any drills or anything like
A. (Unintelligible talking over each other)

Q. In the morning, like say let's talk be... between seven o'clock and noon anything?
A. We actually had a fire drill in the morning.

Q. Okay. And about what time was that?
A. It... um... it could've been around ten o'clock but ah... I'm not sure

Q. Okay
A. Of the exact time because I'm the one who sets the alarm off.

Q. Okay. And again not having any knowledge about what the procedure is when a fire alarm or... or drill occurs tell me what... what the school, what... what the procedure is for the students?
A. Yeah there's... there's an evacuation where they have certain zones where because of the... the size of the campus they have several zones where the kids are directed with the teachers to go into those zones.

Q. Okay. Now...
A. And they... and they all evacuate on a fire drill and go to those areas.

Q. Okay. Now if... if indeed the alarm gets set off on a fire drill or ah... and they're in their classrooms are the students taught to leave on their own to get out or is it like when they're little kids where they all got to line up and the teacher kind of leads them out or is everybody just said get to that... get that zone when the fire alarm is pulled? If... if you know

A. No to the best of my knowledge I'm not sure what their exact procedure is when they are actually are leaving.

Q. Okay.

A. The classroom.

Q. Okay. Alright so you had that and how long about does the fire drill normally take. Is... is?

A. They have a new procedure in place so it... it now is probably took 15, 20 minutes because they now check each of the zones and talk three's like... like a team leader in each one and they make sure everyone is accounted for. So they're new procedure that the school just started this year, it is now a longer processes because they have to go to each the... the assistant principal is on a radio talking to each zone to see if everyone is present.

Q. Okay.

A. So it became a lot longer process

Q. Okay. Alright, so that fire ah... exercise occurs before lunch. Um... lunch time on the campus is... is... are the students free to leave the campus for lunch?

A. No

Q. Okay. So they... they have to stay on campus. Um... alright let's talk about no other significant offense... events occurred at the school and before lunch other than that drill was there any altercations, anything reported suspicious activity anything like that? Before lunch that you're aware of?

A. No. Not that I am, that I'm aware of.

Q. Okay. Alright so now after lunch occurs um... and we're getting towards the... the time frame of the incident, if you can kind of take me back and what we have I believe is a campus diagram since, it's been years since I been up there as well. This is kind of... help me out there

Q. That's the whole campus

Q. Yeah I want whole campus

EOC02766

A. Yeah this is...

Q. Well it's...
A. This would be heading east.

Q. Okay. So that's west...
A. West, north and south

Q. Okay. Alright, alright so take me back and as you can tell me exactly kind of where you were and when things started happening and...and how you learned about events unfolding.
A. Um... I was over... I was over in building one because I was actually in an investigation cause I... I had... I had a possession of a counterfeit driver's license.

Q. Okay.
A. A... a girl um... I guess they... they... the security had... had ah... found some girls in the parking lot I guess at during lunch time they were in an unauthorized area and ah... school security. I wasn't involved but I guess they searched the vehicle and one of the girls had a counterfeit driver's license I guess out on... out on like in the... in the interior of the car

Q. Okay.
A. So they brought it to me because they... they... they brought me the counterfeit driver's license.

Q. Okay
A. You know to go deal with the girl

Q. Okay.
A. Because she was in possession with a counterfeit driver's license so ah... a matter of fact I was actually um... before this incident occurred. I was... I was trying to get some notes and ah... we had the school call the father and the father was on the way to come to the school to talk me regarding the counterfeit driver's license.

Q. Okay.
A. So I was waiting for the father in building one pretty much for the... for the father to get there.

Q. Okay. Now building one is that where you have an office?
A. Yes, yes I have an office, yes this is building one, I'm sorry is administration building.

Q. Okay. The girl who was the student, who was involved in this investigation do you remember her name?
A. Ah... it's... it's something [redacted] her last name I... I... I'm not sure it was [redacted] or something...

Q. Okay. What we'll... we'll do it is
A. I have it

Q. Once you're leaving we'll... you have to get ah... give you a cell phone, we just need to know her name so that we can you know interview her as far as that investigation. Alright....
A. But just so that you know though they sent her to class, they gave me the thing and we called the father cause I was going to bring them both into the... the father and the daughter together. So I didn't actually

Q. Okay
A. Talk to her at that point yet. I... they just gave me the driver's license.

Q. Alright. And again we just
A. Right

Q. Need to know her specific name
A. No problem.

Q. Alright, so you're in building one and what happens from there?
A. Ah... it was about, two... It was... I know it was... near the end of the day, 2:20, 2:25. I'm...

Q. And what... what... what times does the day end?
A. It ends... kids are... kids leave, last bell, dismal I believe is 2:40

Q. Okay
A. Or 2:39... I believe it's 2:40 though

Q. Okay
A. I... right at that point about.

Q. Alright so it's getting towards the end of the day
A. This... this was kind of towards the end of the day. I was waiting you know, I was taking some notes, waiting for the father to show up and ah... over eh school radio

Q. Okay
A. Ah... one of our security guards ah... Drew Mardina, he... he went over the

air and stated hey I think I hear a firecracker in the 1200 building.

Q. Okay. Now let's cover your... your radio situation, you have a radio that's assigned to you by the Sheriff's Office and you have a radio that's assigned from the school. Who all has access to the radios from the school? What... who... who at the school has radios?
A. (Sighs) mostly it's ah... is the school administration, Principal, the assistant Principals, ah... security ah... basically the... which is the security specialist and ah... the monitors, all the security monitors have a radio

Q. Okay.
A. And then you have various custodial

Q. Okay
A. And you know P.E. teachers and... staff

Q. Are you all on the same channel?
A. Yes

Q. Okay so everybody is on a one channel system. Okay so he says what... what building did he hear the firecrackers?
A. 1200 building

Q. Which is where? Over here.
A. This one

Q. So that's towards the... the north end of the campus.
A. Completely on the north end of the campus, yes

Q. Okay. Alright so what happens from there?
A. So when he sits there and... right when I heard it, I... I run out of my door and at the same time Mr. Greenleaf who is our security specialist who is right adjacent on the other side, he comes running out of this door.

Q. Okay. So let me slow you down a second. When you....
A. So I have my own door where I can get out.

Q. And your door is on the...
A. In...

Q. West side of the building, your fingers correct? Is it on this side of the building?
A. Yes. It's, yeah it's on the... yeah it would've been... it's on the northwest

corner, building one

Q. Okay
A. On the last office right there

Q. And what's the gentleman's name that...
A. And Calvin Greenleaf...

Q. Okay
A. Whose our secure... he's on the... his office is adjacent, right across the hall from mine on this side.

Q. Okay. Alright
A. He has no access out.

Q. Okay. So what.... Go ahead, start.
A. Okay. So I... I run out, when I heard fire, when I heard hey ah... we heard a firecracker in the 1200 I run out of my office and then as I'm running out, Cal... Calvin Greenleaf look... runs out. A lot of time if there's a gold cart right here, we'll just jump on a golf cart and take off.

Q. Right
A. You know if there's any type of incident. We both look, there's no golf cart around us. And I said Calvin I don't know about this, so we both start running.

Q. Okay. And you're... you're....
A. We...we both just start running from about my... right over right by office door, we just start running northbound down this corridor right here.

Q. Okay. Alright and tell me what happens.
A. I... I don't... we don't get probably five steps and then all of sudden the fire alarm goes off.

Q. Okay.
A. At that point

Q. Alright.

Q. For the entire school or just...

A. For the entire school it goes off

Q. Okay. We got to take notes and then I'm going to actually as we're doing

this drawling I'm going to put a little... so we're going now in between these two buildings ah... I'm assuming there's a walk way between where your building is one and heading towards 12 which is up ah... to the north end of the campus and

A. Yes it's a walkway

Q. Alright. Fire alarm goes off what... are you hearing anything at all?
A. Nothing.

Q. Okay, go ahead.
A. Nothing. Just the fire alarm now goes off, me and Mr. Greenleaf continue to run we're running, we're running as I pass the 700 building and I... I know there's doors on the east side to the 1200 building. As I get probably about maybe 10... 10... not even 10 feet from this... this building I hear gunfire.

Q. Okay. Could you tell what floor it was coming from?
A. I... I... I thought it was outside. It was so loud,

Q. Alright
A. And so close I ... I thought it was probably outside. I didn't even think it was even inside the building cause it was so clear and loud at that point I knew it was close to this building but I wasn't even sure if it was in the building, was it outside the building but I knew it was close.

Q. Okay. Now when you actually hear those shots can you visually see the 1200 building?
A. No I... oh yes I was... I was few... a few feet away from it.

Q. Okay.
A. I was only a few feet away from it.

Q. There's a point I'm asking,
A. Yes

Q. That... that's relevant to that. Did you see anything coming from any of the windows significant when you hear those... those shots?
A. No

Q. You don't see any people standing there or see any mussel flashes or anything like that?
A. Nothing.

Q. Okay. Alright once you ah... get closer and you hear those guys... how many rounds do you think you heard?

A. It wasn't many, two, three.

Q. Okay. Alright what happens from there?
A. I stop immediately, right on my BSO radio, shots fired, shots fired.

Q. Okay. And do you see any students or any people around the 1200 building at that point?
A. No, nobody

Q. Okay. What happens from there?
A. I'm yelling shots fires, I'm giving description, telling what building it is.

Q. Okay
A. Three stories, best of my recollection three story building, I'm telling them it's Homburg Road. I... I advise you know shut the intersection down and Homburg and Pine Island.

Q. Okay.
A. Um... at the same time I'm telling Mr. Greenleaf get out, get away, he... he's not armed... he's an unarmed person so I wanted him away from there so I started to tell him get out at the same time I then hit I'm... I'm on school radio scream... yelling lockdown, lockdown code red, code red to... so you know so the school was aware to put the school on lockdown that we possibly have a.... an active shooter.

Q. Okay. Now as you're approaching that building and you're that close and you're doing what you're talking about with... with both radios are you in a position to cover or you're still standing
A. No, no that's where I then realize I'm out in the open in the middle so I... I then go back towards the... right at the corner of the 700 and 800 building and I go back. I bring Greenleaf... I... I bring back over here and I then obviously whip my... whip my gun out. I'm a taking a position on the east side of the doorway. And I can also see down the sidewalk looking out west. I get a good... I get a good two dimensional of... of that whole building at that point.

Q. Okay.
A. So I'm right there. I'm on the radio. I... I can hear the units coming. Ah... and next thing I... while... while I'm keeping an eye on the door in the building I... I don't... no shots nothing anymore. It's quiet.

Q. Okay. So you're right here is what you're saying in this area?
A. Yes I'm right... I'm looking out so I can see the... the door and I can see out here. I... I... I get... I got a good

Q. You can see...
A. Both dimension on both sides of this building.

Q. You can see the south side of the building 12 and you can see...
A. Exactly

Q. The east
A. And I can... and I saw the door. And my concern was because I didn't know if the shots were coming out of the building, or were they coming somewhere out on this west side somewhere cause it sounded like it might've been even outside.

Q. Okay
A. That's why I... you know... I went back to this corner at this point.

Q. Okay
A. And while...

Q. I'm with you. Alright you... you taken a position where you're having an advantage of having of being able to watch the... the... the best you can, two sides of the building at least from where you're at
A. Exactly

Q. Okay. Alright what happens from there you're... you're hearing nothing other than marked units starting to come towards to you
A. I'm keep... I'm keeping cover on the east side of the building to keep them cover with my firearm directed towards the doors, possible with an anticipation if maybe the... the if the shooter or whoever it was which someone maybe was going to come out of this door.

Q. Okay.
A. As I waited I... next thing I know I can see an officer running... running right up in a parking lot running up to a tree right over...

Q. Okay he's coming from the east side
A. Yes. And I... I knew... and it was... I knew the officer.

Q. And who was it?
A. It was Coral Springs Tim Burton who's an SRO.

Q. Okay.
A. And it... Tim had long gun on him.

Q. And he's in... he's in Coral Springs
A. He's...

Q. Complete uniform...
A. Yes

Q. Uni... okay
A. Yes

Q. Alright what happens from there?
A. And he runs up by the tree and I'm just telling him you know I heard... I heard a couple shots, haven't heard anything since and he's just taking over by you know behind the tree. I'm taking cover here. And units are now starting... you know no more gunshots and units are starting to come in.

Q. Okay. As the other units start to come in, what do you see and... and what do you do?
A. Well as the units starting coming in, the first units are coming in saying hey there's someone shot over by the football field. You know I know where the football field is, it's quite a distance from this building. So when I started hearing they talked about ah...ah... victims over by the football field. In my mind I was kind of... is he maybe running towards that... maybe he's not even in this building. He might be somewhere way out over here. I mean in my mind I didn't obviously didn't know you know where this shooter was and then I started wondering if he had fled west bound at that point because they were talking about people injured near this football field which is quite a distance from the building.

Q. And now the people who told you that were those students or were they...
A. Deputies. Those were...those were people... those are deputies that were getting on the scene that were you know getting all on the radio

Q. Okay.
A. And you know claiming, you know talking about you know ah... gunshot you know victims.

Q. Okay. What... what happened from there?
A. Um... from that point ah... a couple more, Lieutenant Devita from Parkland showed up and another person and at that point I was like you know what there were only a couple guys by this door so I ran from cover here I ran up the doors over here, up right up to the building.

Q. Okay. So you...
A. 'cuz I wanted some more support you know over at this... over by the door

Q. Okay
A. So I ran from there I ran up to the doors.

Q. Okay.
A. Where they were....

Q. Even though you're using the finger, I'm going to stop you
A. Yes

Q. At different points just so we can clarify for the statement. So you left the position the cover you had between the seven and eight building, and you ran up to the 12 building.
A. Correct

Q. By the... by the door of the door on the eastside.
A. Yes.

Q. All right, so go ahead.
A. Yes, then when I got over there were um...there were a couple of Coral Springs they—they looked like they were S.W.A.T. personnel and---and a few minutes later they had four that appeared they were S.W.A.T. Coral Springs. They might not have been but there were Coral Springs officers um...one—and someone asked "hey anyone have a key", I stated "I got keys" um...one of the officers took my keys and they started to proceed to go up the stairwell.

Q. Okay, stop for a second. Now we're talking about keys. On a building—let's talk about building 12 or any building on campus access once the students are in the room and having class are the doors locked so that people can get out but they can't get in is---is that—or—or (inaudible)—
A. To the best of my knowledge they're open—

Q. Okay, so---
A. ---and they don't lock.

Q. The—the key and door you're talking about why—why did that door you need a key to get in?
A. I wanted them to have keys to the classrooms---

Q. Okay, but—
A. --to get into the classrooms.

Q. They—they were saying keys; they were talking for classrooms---

A. Right, right.

Q. --not the—not the building itself?
A. No---

Q. The building—
A. --we had the doors opened already.

Q. Okay.
A. The doors were opened.

Q. All right, so Coral Springs units whatever they are dressed like S.W.A.T. they went inside and—and what happened did---
A. Right.

Q. --did you go into 12 at all?
A. No, because—no.

Q. Okay, now did you ever see you know while everybody is starting arrive did you ever see any of the students leaving building 12 at all?
A. Yes.

Q. Which---which—were—were they all the doors or---
A. No, they were—they were evacuating and they were telling them to---they were taken out and they were—the kids were going out towards the parking lot—

Q. Okay, but that's when the officers—
A. --when the officers came---

Q. (inaudible)—
A. --but we didn't see any kids, no, when I was on the scene there were no individual kids running out, none.

Q. Okay, so there was—there was no kids that ran out to say to you guys, hey, there's a guy up there or anything of that—
A. No.

Q. You didn't see any kids until people started being evacuated by the police?
A. Yes.

Q. Okay. All right and um....like I said we're going to do this in a kind of a two parts situation here. Anything else?
A. Well, yeah then at this point when I gave them my keys I know we have

EOG-02776

video so I'm on the school radio telling "get someone in the camera, get me somebody in the camera room because I—I want---I said "we can find where the shooter is" 'cuz at that point we still didn't know if he was in the building so I'm on the school radio, I'm telling my assistant principal—I'm going "Jeff get to the camera room, go find—look on the video see if you can see anything, see if you can find this guy."

Q. Okay.
A. And he gets on the radio and says "okay" so he obviously went to the camera room and they—and then he started you know obviously reviewing the video.

Q. Okay.
Q. Who reviewed the video?
A. Assistant Principal Jeff Morford.

Q. I got his statement already.
A. And Kelvin Greenleaf.

Q. Okay.
A. Um-huh.

Q. Now when you're saying he's reviewing it he's not watching live he's reviewing it as the—the event had already occurred or he's reviewing it live?
A. No um...it already had occurred—

Q. Okay, so he—he—
A. --he's going back on the video.

Q. --he's—he's not—he's not reviewing it because where he can give you intel as to where the guy is right now. He tell you where the guys was and where he may be left from.
A. Correct, that was what I was asking.

Q. All right, that's—I mean there was nobody who was monitoring the even live and in contact with you saying, okay, this is in progress, live, he's on this floor or anything—
A. No.

Q. --it was all after the fact review that you're being told where he was when it occurred?
A. Correct.

Q. Okay, that's good. All right, anything else about the even itself?
A. After speaking and relaying the information and what I was receiving---

Q. Okay.
A. --I was relaying it to Coral—Coral Springs and BSO who were at the door with me 'cuz our radio—keying the mic were—we weren't—I wasn't getting on at all 'cuz every time I was keying the mic it was you know---it beeps because there were so many people trying to get on so I had Coral Springs and some of our other S.O. guys they were getting on the radio to put out the description. Once I started getting the description that they were giving me I was putting out because I—we had other personnel right at the door; they were getting it out--

Q. Okay.
A. --to everybody.

Q. All right, the event itself can you think of anything Jeff I haven't asked?

Q. What was the description of the subject that was given to you?
A. It was um....a male burgundy shirt, black pants, black cap.

Q. And you got that description from a vice principal—
A. Correct.

Q. --watching the—the video?
A. Correct.

Q. Okay, did he specifically give you name?
A. I asked him "do you know who it is, do you know who he is" and they---and said "I think it's Cruz."

Q. Okay.
A. And I said "Nikolas" and he goes "I think it's Nikolas Cruz" and I asked him "are you sure, are you sure", he goes "no, I'm not sure Scot but I think that's who it is."

Q. Okay, all right. Anything else you can think about the actual incident that we haven't asked you or Jeff that I haven't asked you want to put in about the.

Q. No, I think you—sounds good.

Q. That's the perfect spot to move into the next thing. When he says "Nikolas Cruz or Cruz" and you provide him the first name let's talk about Nikolas

Cruz. How long have you known Nikolas Cruz?
A. I think the first time I met him was in 2016.

Q. Okay and he was student at the school, correct?
A. That's correct.

Q. Okay and if you could just start me off with background we're going to do it chronological, how you first meet him and what circumstance it's under.
A. I believe the first time I met him was back in September of 2016 when I—when I received information that—um...from a—I believe it was a—a teacher who stated that another student had went to her and said that another student named Nikolas Cruz had drank gasoline a couple of weeks prior, that he had drank gasoline.

Q. Okay and when you say another student she's referring to this guy?
A. Right, she—she didn't want to give me the name like anonymous she'd like I guess didn't want that other student kind of involved so she just was concerned about Nikolas Cruz.

Q. Do you remember which teacher that would have been?
A. Yes, I did a report on it.

Q. Okay, we're going to get a copy of that you don't—you don't mind, can I get a copy?
A. Oh, of course.

Q. All right and just for the record since this on a taped statement, report #17-1609-001610. All right, go ahead on—that's the first contact. Tell me what you did in reference to this first contact with this complaint.
A. Um...at that point when I heard that possibly that he had you know drank gasoline and—and it was a few weeks prior um...I—I talked with the school and we I guess agreed to have [redacted] come out and—and interview him to see if you know if he should be [redacted].

Q. Okay and—and when you talked to the school who—who in particular do you remember if you talk to?
A. I don't know if it was—I believe it might have been Maryann Dubin or a lady name I think Erlick (phonetically spelled). I'm not really sure which one they're two—they're both like social workers at the school.

Q. Okay.
A. But I'm not really sure at that time exactly which one it was but um...I—I had spoken to them and you know and I thought the best course of action at that point was to, let's get [redacted]

[redacted].

Q. Okay and the report not only talks about ingesting gasoline but also talks about the fact that [redacted] in the past.
A. Yes.

Q. Okay, now before this report and that name—you didn't even recognize the name, Nikolas Cruz' meant nothing to you?
A. His brother did but him I don't believe so.

Q. Okay. All right, in reference to this go ahead on chronologically what happened if—from your involvement I mean what—what happened on this?
A. On this case—

Q. Yeah.
A. --from the best of my recollection is that [redacted] came out and they stated he didn't meet the criteria for [redacted].

Q. Okay, were you that day when they came out for the [redacted] if you remember?
A. Yes.

Q. Okay and that's all covered in your report um....who actually came out from—from [redacted]?
A. Yes.

Q. All right—all right, so [redacted] and based on um....their expertise they felt that [redacted] and he—he remained a student in good standing from the day of this initial report through that evaluation period of time. He was still a student at the school?
A. Yes.

Q. Okay, what—what happens next chronologically as far as of your knowledge of him?
A. I—I don't—I don't recall having a lot of you know phys—you know interaction with Nikolas.

Q. Okay.
A. I um....I remember I had spoken to him with Mr. Greenleaf regarding the backpack.

Q. Okay.
A. And this was kind of all at the same time 'cuz Nikolas got—I guess they brought him down to the office 'cuz he had a backpack with Swastika on—

on his backpack.

Q. Okay.
A. And a racial slur on the backpack.

Q. Right.
A. And um…I actually was speaking to him about you know how, you should not be doing this and---

Q. Okay, how—how did you first—if you remember how did you first learn about that?
A. I think Ms—I—I---the best of my recollection I think Kelvin Greenleaf came to me and said, "okay, now we—we got you know Nikolas Cruz and he's—you know he's got this backpack."

Q. Okay and that would have been after the September 2016. Do you remember about when that was---about—
A. No, I don't know I think it was around—it had to be prior to the incident with the [redacted] because I have it in the report so—but I'm not sure exactly when that was.

Q. Okay and in reference to that complaint or whatever with Swastika on the backpack did you—were you aware or did you participate in anything that occurred as far as that event?
A. I think for the most part it was more just a conversation with him---

Q. Okay.
A. --and um…you know, don't do this and um…I also—I believe he had drawings---

Q. Okay.
A. --I believe he had like drawings of firearms like in his notebook.

Q. Okay, but when—when that complaint gets made about the Swastika is—is it just you talking to him handling it or is it somebody from the school and you and—
A. It was Kelvin Greenleaf the security specialist—

Q. Okay.
A. --and—and me, I—I'm not really sure if anyone else was in the room at that time.

Q. Okay, now when something like that happens and—and Kelvin has to take some kind of counseling or some kind of corrective measures do they

normally do paperwork on their end um...for that you know type of incident (inaudible) as minor as maybe what you're describing?
A. Yes.

Q. Okay, so they do a form of school board paperwork as well?
A. Yes.

Q. Okay and the outcome of that if you remember was—was what just basically don't do, it's not a good idea and—was he suspended or—
A. I—I'm not sure if the school actually disciplined him for that---

Q. Okay.
A. ---but you know I know had a con—I clearly remember having a conversation with him regarding that.

Q. And to your—you know going back remembering something from a couple of years ago you think there may have been some drawings of guns but you're not sure?
A. I believe—I believe there were drawings you know that he—that he had in a book.

Q. Okay and when you say drawings of guns are they just pictures of guns or are they pictures of people with guns doing something or—
A. I think they were just hands draw—hand drawings of maybe some guns if---if—it was so long ago I don't really even remember what they were but it was just something with guns.

Q. Okay, but nothing specific where somebody with a gun is doing anything?
A. No.

Q. Just guns?
A. Yes.

Q. Okay, chronologically the next thing you remember or next event.
A. There—there came a time when—when they wanted um...Nikolas Cruz—they were—they were going to let him stay in—they were letting him stay in the school but it got to the point where they were concerned about him and they—the school had made a decision that he can—he can still attend Douglas but he couldn't have a backpack—

Q. Okay.
A. ---anymore.

Q. And why was that?

A. I think they were just concerned, they were—they were just concerned that you know because of just um…his interactions and you know how—you know how he was that I think they were just concerned so they—they didn't want him to carry a backpack.

Q. All right, now who would have been making those decision, Kelvin Greenleaf again or I mean—that you're aware of who—
A. No, that—that would have been---I believe that was with the social workers, Maryann Dubin, the---the lady named Erlick I believe um…and Jeff Morford, the assistant principal---

Q. Okay.
A. --I think those were the ones---it was a school based decision that—

Q. Okay and if you know and you may not know, were they concerned because he wouldn't take things like the Swastika off his backpack or his racial slurs off his backpack or they were concerned because he would have the access to conceal something if you know. You may not know.
A. I don't—I don't know why.

Q. Okay. All right, but that was their decision on the school board level which—did you ever see any paperwork done on that particular issue which would have explained maybe any school board paperwork?
A. Well, the school did—um…was—did a threat assess—I remember the school board district did—did a threat assessment on him as well.

Q. Okay and about when was that you think?
A. I think it was the same time during the [redacted] so I believe it was like September 28th that they---

Q. 2016?
A. Yes, that they—the school conducted their threat assessment.

Q. September 28?
A. Yes.

Q. And who in particular does the threat assessments if you know?
A. It's usually um….a sec—some select members that the school district—

Q. Okay.
A. --um…gets together to evaluate; there's a protocol and procedure on what they do.

Q. Okay, but you have no idea on this particular incident who would have

been on the threat assessment?

A. I'm—I'm not sure and I don't even—I don't even recall if I was---sometimes I even sit in just to listen. I—I don't even recall if I even sat in but I—I do remember he had a threat assessment done on him from the school.

Q. Okay, other than the—I mean the incident with the gasoline, we have the incident with the Swastika on the backpack those two incidents itself is that normal um...not that I'm saying enough but would those two events normally prompt a threat assessment or—or were there other incidents maybe that you're not aware of um...that would have been added to it that it would have prompted them to the level of making a threat assessment?

A. No, I think just the mere fact if—if the school believes that there's any type of issues like maybe with firearms or something that there might even be a concern sometimes they'll start a threat assessment just to see if they can evaluate the student so see if there's any credibility---

Q. Um-huh.

A. --but I'm not—I'm not really sure if they had anything concrete or solid that you know regarding the exact reason I think they just you know decided after the incident with the um....you know with the drinking the gasoline and things like that they wanted to you know pursue something further on him.

Q. Okay, once the threat assessment was completed were you ever shared or do you remember what their assessment of him was?

A. No.

Q. Okay. All right, after that threat assessment occurs chronologically what—what's the next thing you remember about Mr. Cruz or the---

A. I—I think back it must have been February of 2017 I think it got to the point that you know the—the school you know was looking for alternatives what they---you know could they place him in another type of setting.

Q. Okay.

A. And um...you know and—and Nikolas was ESC student---

Q. Okay.

A. --so you know they—they different (inaudible)—they have different kind of like of duties and responsibilities for the ESC students and—and from the best of my knowledge from I recall I think the social workers and the—the administration I think they had enough that they wanted to put him in like an alternative type of setting—

Q. Okay.

A. --alternative school.

Q. Okay.
A. And the problem was um…Nikolas was a 18 so from—from the best of my recollection was Nikolas could make the decision to no longer be ESC student.

Q. Okay and since—again, this is going to be a statement that people review what ESC student?
A. That's an exceptional—exceptional student um…those are—they can be students, they either sometimes have a very, very high intellect or they could have a possible emotional problems it runs the—the [redacted] from one aspect of you know needing services because maybe they have some emotional issues or things like that. It even could be physical issues um…all the way to like [redacted]

Q. I was just going to say [redacted]
A. Right all the way up to that they're you know have a very, very high I.Q.

Q. Do you know in particular why he was um…designated as that type of student?
A. No.

Q. Okay. All right, so they decide their going to possibly place him in alternate school but they're—you know he's got the right to um…um…make his own decision 'cuz of his age. Do you know what—whatever happened or---
A. Yes, um…well, what I heard was he decided he—he wanted to I guess take his ESC you know status away 'cuz—and I guess what I heard was that 18 I guess they could do it on their own so he decided he would no longer be an ESC student.

Q. Okay and do you remember who you heard that from?
A. I believe that was Assistant Principal Denise Reed.

Q. Okay. All right, so with that that would give him the choice to stay at the school?
A. Correct.

Q. All right, what happens next chronologically?
A. Well at that point when we heard that um….Jeff Morford, the assistant principal you know he started to talk to me about Nikolas and like what other options there were, you know, where—where could he go and um…you know and Mr. Morford kind of said, you know maybe we can get him to go night school 'cuz 18 you know he didn't really need to Douglas

anymore you know—

Q. Right.
A. --he could get his education somewhere else and Mr. Morford you know made the decision to bring in Nikolas and see if he could have him you know decide on his own to go to um...you know a night program instead of attending Douglas.

Q. Okay, now when that meeting came in where Mr. Morford brought him were you present?
A. Yes.

Q. Okay.
A. And it was a Guidance Counselor Turmain (phonetically spelled) his last name is Turnmain.

Q. Okay.
A. I've got a mind blank on his first name but he was in the office I believe as well.

Q. Okay. All right and—and how does that meeting go? How does—how does Nikolas take that um...suggestion?
A. He took well.

Q. Okay.
A. He agreed to it.

Q. Okay and he agreed to it and about when was that?
A. I believe that was in February of 2017.

Q. Okay. All right, so at –at the time before that he's a full-time student he's taking a full scheduled classes on dayshift but he agrees to go to—to nights for night school.
A. Yes, at Taravella.

Q. Okay, at Taravella. All right, go ahead what happens next chronologically? But he agrees to it, he has no problem?
A. He has---he has no prob—he has no problem with it.

Q. Okay, do you ever hear that becomes a reality that he goes to Taravella and if you don't know something that's—
A. I—I—I didn't—I think maybe six, seven months later and I'm not even sure something was brought up about him and someone said, yeah, he goes to night school still at Taravella but yeah there was nothing—

EOG-02786

Q. Okay—
A. --that I know of.

Q. --was—was that timeframe the last time you physically ever saw Nick Cruz when he left to go to the night school program?
A. Yes.

Q. Okay. All right, any other contact um....where you heard anything about him before or after that period where he went to Taravella?
A. After he went to Taravella?

Q. Anything from students, anything from um....
A. All I heard was something about the mom dying.

Q. Okay.
A. I—I think I heard some—I heard some information that the mother—that the mother had—had passed away.

Q. Now did you ever while you were dealing with him when he was a student did you ever deal with his mother?
A. Yes.

Q. Okay, you remember her name?
A. Linda believe—Linda Cruz.

Q. Okay and—and in what circumstances did you deal with her?
A. Um...I dealt with her on—regarding both the children, Zachary Cruz---

Q. Yeah.
A. --and—and Nikolas so I—I think with Nikolas I mean obviously with the—with the [redacted]–with the [redacted] I believe she came in but she also came in because um...Nikolas wanted to purchase a—a shotgun.

Q. Okay.
A. And—and I advised her that I didn't think any—it was a good idea for anyone to—you know at 18 to even have a firearm.

Q. Okay, we'll talk about Zach at the very, very (inaudible)---
A. No, not Zach, Nikolas.

Q. No, I know but we're going to talk about Zach at the very, very---
A. But that was Nikolas, it was about Nikolas that—that—about purchasing a shotgun.

Q. Okay, now when she, Linda met with you that conversation about the shotgun did that come—'cuz she was in school for something else or she made a trip down to the school specifically to talk to you about his desire to—to purchase a weapon if you remember?
A. I don't remember she might have been there for another reason. I know—I know it wasn't a scheduled appointment—

Q. Okay.
A. ---or anything like that.

Q. Okay, but she showed up, you spoke in person about this?
A. Um-huh, yes.

Q. Okay. All right and—and you remember approximately when that would have been? I think she died in January—oh, no she died in November—
A. I---

Q. --November 1st.
A. --I'm not sure and I would just believe obviously it was in 2017 but I'm not even sure of—

Q. Okay, but was it—
A. --(inaudible)---

Q. --was it while he was still student there or while—was it after he—
A. No, he was—he was still a student---he was still a student there for sure.

Q. Okay. All right, so it was before February um…all right, anything else you learned, anything from any students or any other deputies about Nikolas after he left the campus? Did anybody tell you any stories, alert to any events or anything like that?
A. No.

Q. Um…the um….the one incident that—that I wanted to ask you about was—if I could find it here, any information that may have come in and I'm going to kind of read some of this about a um…a Nikolas started collecting a bunch of guns and knives and he was going to kill himself one day and---do you remember ever hearing anything about something similar to that?
A. No.

Q. No um….and even as crazy as it's about to sound, any information about the fact that somebody reported that he was again collecting guns um…and thought that maybe he was going to become a school shooter or—and in the pattern of the Columbine shootings. Do you remember

anybody ever saying anything like that?
A. No.

Q. Okay um…..
Q. What kind of student was Nikolas?
A. Academically he was—he was—he was an okay student, average student.

Q. Have you—did any of the students ever show any Instagram pictures after he left with anything concerning? Any—anybody ever come up to you and show anything like that to you?
A. No, not that I'm aware of.

Q. Other than the um….times that you've already talked about did—was Nikolas violent or anything against anybody in school or show any aggression to—towards anybody in the school girls or boys?
A. I think there was one time I think Nikolas had gotten like a girlfriend, he ended up like getting a girlfriend, I think she was ROTC---she was an ROTC student, I think he started liking somebody and I don't know how long of a relationship but I think he knew a girl in ROTC and—and I don't usually get involved like with the—with the matter of—of with the school when internal like when you know kids have problems with other kids, they usually don't contact me but—but I remem—I kind of recall he had a girlfriend and I think um…the girlfriend didn't like him anymore and might have—and I'm saying "might" might have said something about "he bothers me" or some—but I—I'm not even really sure it was more of a school issue.

Q. Um-huh.
A. It didn't come across my desk but I—I remember something like that but otherwise, no.

Q. You remember going to where it was girl relationship where he got into a fight on campus with another guy over a girl I mean actually a physical confrontation?
A. I don't ever—I don't recall that and—and fights that occur on the campus a lot of the fights that occur they don't---a lot of times I don't even get contacted.

Q. So----
A. If there's no injuries or anything and I—and if I didn't respond to it or anything a lot of times things will happen and they—the school will internally discipline them for something so—

Q. So there could be a fistfight on school and—
A. And would-----

Q. --security will take care of it, they—they would do their school board paperwork, they may even suspend the kid and you would have no involvement in it at all?
A. Correct.

Q. All right and again I'm just trying to confirm some of the specifics, Edward Eason is he a deputy?
A. Yes, he's a deputy.

Q. Do you know him?
A. Um-huh, yes, he's a Parkland deputy.

Q. Okay, do you ever remember him telling you anything about some contact he had with somebody where he was um....the person um....lived a couple doors down from Nikolas and that Nikolas had a bunch of knives and Instagram photos that were concerning? Do you ever remember Eason talking to you about something like that?
A. No.

Q. No, all right, this would have been around the same timeframe when Nikolas was leaving um...to go to the night school if—if the dates are about correct.
A. (inaudible).

Q. I'm I correct let me just make sure.
A. I don't know.

Q. No, actually this would have been a year before that it would have been like in February 2016 that this may have—you may have learned about this. Do you ever remember that?
A. I---I don't recall it. I don't recall that.

Q. Okay. All right (inaudible) did—did um...a student by the name [redacted] is his first name I think it's [redacted] or something like that a black male did you ever have any contact with him?
A. No.

Q. Okay.

Q. Do you know much about the ROTC program at the school like—
A. I know where they go.

Q. ---like where they're kind of like training or anything like that?

A. Yes.

Q. What kind of training do they do on the school—
A. They do military drill training.

Q. Um-huh.
A. They also do marksmanship training.

Q. With real guns or fake guns or pellet guns or whatever?
A. I think it's pellet, I believe it's—it's pellet.

Q. Do they do it on—on campus here or do they go somewhere else to do it?
A. I know there was a time that I believe they were doing it like in the gymnasium but I'm not real---I think that was years ago but I'm not really sure if they still do it in the gym or---

Q. Um-huh.
A. --they go somewhere but I know marksmanship is part of the program.

Q. All right and you said he was part of the junior ROTC program, right?
A. Yes.

Q. Do you know how many years?
A. Like I—I think for all the time I knew him I believe he was on ROTC. I'm not sure if he started there and as a freshman in ROTC but in 11th grade he was.

Q. All right, do you remember the girl that he might have had a crush on?

Q. If I told you a name would it stir your memory?
A. I might have a note---

Q. Okay.
A. ---a notation on it um....I just have girlfriend—I just noted girlfriend as of now I don't—

Q. All right, these—what you're referring to now is you actually have notes on him that I guess you had at the school?
A. Yes.

Q. Okay, once we're going to—if you don't mind (inaudible) maintain those as an actual piece of evidence on the case we'll actually—what I'll probably do here is we'll let you make copies of it and we'll put the original into evidence on our end.

A. Okay.

Q. Um…but you don't remem---if I told you a name you think—would a girl named [redacted]?
A. That—that sounds like it might have been a girl named [redacted]

Q. Okay.
A. Um…

Q. But you're not sure.
A. But no, not sure of at all.

Q. Okay um….go head, you have anything else?

Q. Not yet. You're about done?

Q. Well, I mean if you can think of anything else on the background and towards him?
A. You know I—I had very few physical contacts with Nikolas you know during----during the time that he was there, you know, that he was over at the school.

Q. Okay.

Q. Okay, his brother's name is Zach—Zach, right?
A. Yes.

Q. And we had a conversation, me and you the other night at the school right when I was in the video room—
A. Yes.

Q. ---reviewing video and I remember you telling me that Zach was a thief on the school, is that correct?
A. Correct.

Q. And then you—and then you said something about um….Zach---not Zach I'm sorry, Nikolas---I remember you telling me the other day you said Nikolas made your hair stand up on the back of your neck. Explain that to me again.
A. When—when I would---when I would speak to Nikolas Nikolas always um…he had that---he had that like stare like he---he was looking through you---

Q. Um-huh.
