Research affirms that when a father is involved in his child's academic life, the child will do better socially, maintain a better attendance record and have a lower risk of dropping out. We work to close the achievement gap through increasing the more than 300 in-school All Pro Dad Chapters in across the state; through large market NFL/NCAA on-turf Father & Kids Experiences, and online literacy campaigns reaching both moms and dads. We will also develop professionally written content to fathers/mothers (blogs, social posts, resources) teaching fathers to read and engage with their children disseminated through paid media channels including Family First's wide-reaching digital platforms boasting more than 10 million unique users.
