14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 3006

The proposed project will be to complete a pedestrian master plan for Walton County. The plan will include all existing trails and help identify the needs and potential funding for phases of connectors to the Florida Trails program. This will also help Walton County move toward a Florida Trail Town Designation that will provide additional amenities for the tourists of Walton County.

b. What activities and services will be provided to meet the intended purpose of these funds?

Walton County will conduct a master planning process for pedestrian trails throughout the county.

c. What direct services will be provided to citizens by the appropriation project?

The outcome of a pedestrian master plan will help provide the county with priorities for funding the planning, design, permitting, and construction of future multi-use and sidewalk projects.

d. Who is the target population served by this project? How many individuals are expected to be served?

All citizens and visitors of Walton County, Florida.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Walton County will conduct a master planning process for pedestrian trails throughout the county. The final outcome will be a Pedestrian Master Plan, which will help identify priorities for planning, design, permitting, and construction projects of multi-use and sidewalk projects.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

If Walton County fails to meet the deliverable to this appropriation all funds will be returned to the state.
