## PRAYER

The following prayer was offered by Pastor Gary Austin, Faith Fellowship Church, Crawfordville, an employee of the Office of the Senate Sergeant at Arms:

Heavenly Father, as we approach the last week, I pray you give our Senate President, Leaders, and Senators strength, good health, and clear minds as they put the final touches on the bills to be heard the rest of the way. Be with my coworkers who are spending countless hours crunching numbers, proofreading the additional amendments, making sure the journals are correct, standing security, providing a clean environment, and those who support the Senators whether on staff, committees, or assisting in the offices. Lots of time and effort by many go into making a successful session. May you bring clarity of thought for the bills being presented and voted on in today's agenda.

As always, continue to watch over our families as many are separated as we do the work of Florida's business. Be with our troops and first responders who put their lives in jeopardy as they respond to various

calls on a daily basis. Protect them and give their families peace as they wait for their return.

We thank you, Lord, for your protection and guidance as we navigate the struggles of life on a daily basis. May we fight through those struggles while demonstrating your love to others. We thank you for our great nation where we still have a voice in which we can freely share our ideas and opinions. We may not always agree on everything, but we can still show our respect towards one another as it should be, when all is said and done.

Father, we thank you for all you have done and what you continue to do through your love and multiple blessings. It is in his name, we pray. Amen.

## PLEDGE

Senate Pages, Braylee Dempsey of Tallahassee; Curtis Starks of Tallahassee; and Case Zumbum of Naples, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## DOCTOR OF THE DAY

The President recognized Dr. Moeed Azam of Orlando, sponsored by Senator Baxley, as the doctor of the day. Dr. Azam specializes in anesthesiology.

## ADOPTION OF RESOLUTIONS

At the request of Senator Berman—

By Senator Berman—

**SR 68**—A resolution recognizing April 2023 as “Sexual Assault Awareness Month” and Wednesday, April 5, 2023, as “Start by Believing Day” in Florida.

WHEREAS, Sexual Assault Awareness Month calls attention to the fact that sexual trauma and abuse are widespread and impact every person in this state, and

WHEREAS, rape, sexual assault, and sexual harassment harm the people of this state, with statistics showing that 1 in 6 women and 1 in 33 men have experienced an attempted rape or a rape in their lifetimes, and

WHEREAS, more than two-thirds of sexual assaults are never reported to police, and

WHEREAS, young people experience heightened rates of sexual violence, with 1 in 9 girls and 1 in 53 boys under 18 years of age experiencing sexual abuse or assault at the hands of an adult, and

WHEREAS, on college campuses, 13 percent of all students experience rape or sexual assault through physical force, violence, or incapacitation, and

WHEREAS, every year, the first Wednesday in April is celebrated as “Start by Believing Day,” which provides an opportunity for communities around the world to unite to end the silence surrounding, and change the response to, sexual assault, NOW, THEREFORE,

Be It Resolved by the Senate of the State of Florida:

That April 2023 is recognized as "Sexual Assault Awareness Month" and Wednesday, April 5, 2023, is recognized as "Start by Believing Day" in Florida.

—was introduced, read, and adopted by publication.

SPECIAL RECOGNITION

Senator Polsky recognized this day as her twenty-seventh wedding anniversary to her husband, Jeff Polsky.

MOMENT OF SILENCE

At the request of Senator Burgess, the Senate observed a moment of silence for Stanley Castle Burnside, World War II veteran and former Clerk of the Court of Pasco County, who passed away on April 26, 2023.

**CS for SB 1580**—A bill to be entitled An act relating to protections of medical conscience; providing legislative intent; creating s. 381.00321, F.S.; defining terms; providing that health care providers and health care payors have the right to opt out of participation in or payment for certain health care services on the basis of conscience-based objections; providing requirements for a health care provider's notice and documentation of such objection; requiring health care providers to notify patients or potential patients seeking a specific health care service of any such objection before scheduling an appointment; providing construction; prohibiting health care payors from declining to cover any health care service they are obligated to cover during the plan year; prohibiting discrimination or adverse action against health care providers who decline to participate in a health care service on the basis of conscience-based objection; providing whistle-blower protections for health care providers and health care payors that take certain actions or disclose certain information relating to the reporting of certain violations; authorizing health care providers and health care payors to file complaints with the Attorney General for violation of specified provisions; providing for civil penalties; authorizing the Attorney General to take specified actions for purposes of conducting an investigation of

such complaints; authorizing the Department of Legal Affairs to adopt rules; providing health care providers and health care payors immunity from civil liability solely for declining to participate in or pay for a health care service on the basis of conscience-based objection; providing construction; creating s. 456.61, F.S.; prohibiting boards, or the Department of Health if there is no board, from taking disciplinary action against or denying a license to an individual based solely on specified conduct; authorizing boards within the department's jurisdiction to revoke their approval of a specialty board or other recognizing agency under certain circumstances; providing severability; providing an effective date.

—was read the second time by title.

Senator Polsky moved the following amendment which failed:

**Amendment 1 (634746) (with title amendment)**—Between lines 232 and 233 insert:

Section 4. Paragraph (b) of subsection (4) of section 381.026, Florida Statutes, is amended to read:

381.026 Florida Patient's Bill of Rights and Responsibilities.—

(4) RIGHTS OF PATIENTS.—Each health care facility or provider shall observe the following standards:

(b) *Information.*—

1. A patient has the right to know the name, function, and qualifications of each health care provider who is providing medical services to the patient. A patient may request such information from his or her responsible provider or the health care facility in which he or she is receiving medical services.

2. A patient in a health care facility has the right to know what patient support services are available in the facility.

3. A patient has the right to be given by his or her health care provider information concerning diagnosis, planned course of treatment, alternatives, risks, and prognosis, unless it is medically inadvisable or impossible to give this information to the patient, in which case the information must be given to the patient's guardian or a person designated as the patient's representative. A patient has the right to refuse this information.

4. A patient has the right to refuse any treatment based on information required by this paragraph, except as otherwise provided by law. The responsible provider shall document any such refusal.

5. A patient in a health care facility has the right to know what facility rules and regulations apply to patient conduct.

6. A patient has the right to express grievances to a health care provider, a health care facility, or the appropriate state licensing agency regarding alleged violations of patients' rights. A patient has the right to know the health care provider's or health care facility's procedures for expressing a grievance.

7. A patient in a health care facility who does not speak English has the right to be provided an interpreter when receiving medical services if the facility has a person readily available who can interpret on behalf of the patient.

~~8. A health care provider or health care facility shall respect a patient's right to privacy and should refrain from making a written inquiry or asking questions concerning the ownership of a firearm or ammunition by the patient or by a family member of the patient, or the presence of a firearm in a private home or other domicile of the patient or a family member of the patient. Notwithstanding this provision, a health care provider or health care facility that in good faith believes that this information is relevant to the patient's medical care or safety, or safety of others, may make such a verbal or written inquiry.~~

8.9. A patient may decline to answer or provide any information regarding ownership of a firearm by the patient or a family member of the patient, or the presence of a firearm in the domicile of the patient or a family member of the patient. A patient's decision not to answer a question relating to the presence or ownership of a firearm does not

alter existing law regarding a physician’s authorization to choose his or her patients.

9.10. A health care provider or health care facility may not discriminate against a patient based solely upon the patient’s exercise of the constitutional right to own and possess firearms or ammunition.

~~11. A health care provider or health care facility shall respect a patient’s legal right to own or possess a firearm and should refrain from unnecessarily harassing a patient about firearm ownership during an examination.~~

Section 5. Subsections (2), (6), and (8) of section 790.338, Florida Statutes, are amended to read:

790.338 Medical privacy concerning firearms; prohibitions; penalties; exceptions.—

~~(2) A health care practitioner licensed under chapter 456 or a health care facility licensed under chapter 395 shall respect a patient’s right to privacy and should refrain from making a written inquiry or asking questions concerning the ownership of a firearm or ammunition by the patient or by a family member of the patient, or the presence of a firearm in a private home or other domicile of the patient or a family member of the patient. Notwithstanding this provision, a health care practitioner or health care facility that in good faith believes that this information is relevant to the patient’s medical care or safety, or the safety of others, may make such a verbal or written inquiry.~~

~~(6) A health care practitioner licensed under chapter 456 or a health care facility licensed under chapter 395 shall respect a patient’s legal right to own or possess a firearm and should refrain from unnecessarily harassing a patient about firearm ownership during an examination.~~

~~(6)(8) Violations of the provisions of subsections (1)-(3) (1)(4) constitute grounds for disciplinary action under ss. 456.072(2) and 395.1055.~~

(a) *The department shall provide administrative and staff support to the committee in meeting the requirements of this section.*

(b) *The committee shall submit an interim report regarding its activities and findings by October 1, 2023, to the Governor, the President of the Senate, and the Speaker of the House of Representatives. The committee shall submit a final report addressing all requirements of this subsection by December 31, 2023, to the Governor, the President of the Senate, and the Speaker of the House of Representatives.*

(3) *The committee shall survey operators of existing adult safe houses in the state to determine the following information regarding their operation. The information may be obtained and presented on a categorical or high-level basis, as appropriate.*

(a) *The number of adult safe houses in Florida and the regions of the state where they are located.*

(b) *The number of beds in adult safe houses and number of individuals served per year.*

(c) *The policies and criteria regarding which adult survivors of human trafficking may be served and the processes for intake and discharge, such as for how referrals are received.*

(d) *The amount of revenues supporting adult safe house operation and the sources of such funds, including, but not limited to, the amount of state and federal funds received and the specific source of such state and federal funds.*

(e) *Services and supports provided to adult survivors of human trafficking directly by the adult safe house and services to which residents are referred, including while they are residing in the adult safe house and after transitioning out of the adult safe house.*

(f) *Training requirements for staff and volunteers.*

(g) *The nature of and mechanisms for coordination with law enforcement.*

(h) *Whether the adult safe houses allow children of adult survivors of human trafficking to also reside in the houses, and if so, policies regarding their residence in the house and services directly provided to them or to which they may be referred.*

(i) *Policies of adult safe houses that ensure that adult survivors of human trafficking are served in a respectful and trauma-informed manner.*

(j) *Challenges faced by adult safe houses in providing a safe and therapeutic environment that is trauma-informed and in providing services to residents and their children.*

(k) *Any accreditations held by adult safe houses, external standards promulgated by outside bodies which houses meet, or other industry certifications held by adult safe houses.*

(l) *Identification of ineffective or problematic practices in existing adult safe houses in the state and recommendations regarding minimum standards for regulation.*

(4) *As part of the study, the committee shall also:*

(a) *Identify and review standards recommended by national organizations or experts specializing in adult safe house service provision or shelter or housing for adult survivors of human trafficking.*

(b) *Obtain recommendations from adult survivors of human trafficking and law enforcement agencies regarding regulation of adult safe houses.*

(5) *The committee shall develop recommendations for regulation of adult safe houses in Florida based on, at a minimum, the information obtained by the committee under this section.*

(6) *After December 31, 2023, the department shall initiate rulemaking and adopt rules establishing minimum standards for certification of adult safe houses to ensure that they provide a safe and therapeutic environment and operate in a survivor-centered and trauma-informed manner. After rules are adopted to certify adult safe houses, only adult safe houses certified by the department may provide group residential housing and care specifically for adult survivors of human trafficking. Adult safe houses in operation as of the date that rules initially adopted under this section become effective shall have 6 months from such date to become certified.*

(a) *The department shall adopt rules for the operation of adult safe houses, including standards for, at a minimum, the following:*

1. *Safe and therapeutic environments to receive and house adult survivors of human trafficking.*

2. *Appropriate security.*

3. *Coordination with local law enforcement agencies.*

4. *Safe and appropriate sheltering of minor children and other dependents of an adult survivor of human trafficking.*

5. *Operations based on trauma-informed and survivor-centered principles.*

6. *Trauma-informed, survivor-centered services that must, at a minimum, be provided, and other services that may be provided or to which adult survivors of human trafficking may be referred.*

7. *Appropriate training, background screening, and compliance with policies and procedures by owners, directors, board members, personnel, and volunteers of the adult safe house, as applicable.*

(b) *The department shall require complete applications for certification and for recertification, which must be renewed every 2 years, using forms furnished by the department, and provide all required information.*

(c) *The department shall inspect adult safe houses before certification and at least annually thereafter to ensure compliance with the requirements of this section.*

(d) *An adult safe house may provide to the department a list of the names of the human trafficking advocates who are employed or who volunteer at the adult safe house who may claim a privilege under s. 90.5037 to refuse to disclose a confidential communication between a victim of human trafficking and the advocate regarding the human trafficking inflicted upon the adult survivor of human trafficking. If a list is filed, the list must include the title of the position held by the advocate whose name is listed and a description of the duties of that*

position. An adult safe house shall file amendments to this list as necessary.

(e) If the department finds failure by an adult safe house to comply with the requirements established in or rules adopted under this section, the department may subject the adult safe house to disciplinary action, including, but not limited to, requiring a corrective action plan, imposing administrative fines, or denying, suspending, or revoking the certification of the adult safe house.

And the title is amended as follows:

Delete lines 9-18 and insert: requiring the Services and Resources Committee of the Statewide Council on Human Trafficking to conduct a study and make certain recommendations; requiring the department to provide administrative and staff support; requiring the committee to submit certain reports by specified dates; requiring the committee to survey operators of existing adult safe houses in the state to make specified determinations; providing requirements for the information the committee must obtain and the recommendations it must develop; requiring the department to establish a process to certify adult safe houses that provide housing and care to adult survivors of human trafficking; requiring that adult safe houses be certified by the department after certification rules are adopted; requiring the department to adopt rules; providing application and renewal requirements; requiring the department to inspect adult safe houses before certification and annually thereafter; allowing adult safe houses to provide lists of advocates who are employed or who volunteer at the adult safe house who may claim a privilege under s. 90.5037, F.S.; authorizing the department to take certain disciplinary actions for noncompliance; amending s. 409.1678, F.S.;

Senator Polsky moved the following amendments which failed:

**Amendment 1 (229550) (with title amendment)**—Between lines 343 and 344 insert:

Section 5. Section 1004.0982, Florida Statutes, is created to read:

1004.0982 *Higher education retention and recruitment data collection.*—

(1) *It is the intent of the Legislature to assess the impact of state laws and regulations on the retention and recruitment of faculty, staff, and students within the public higher education system. This section aims to improve understanding of the factors contributing to the departure of these individuals from the system or their exclusion from applicant pools.*

(2) *For the purposes of this section, the term:*

(a) *“Public institution of higher education” means any state university or Florida College System institution.*

(b) *“Recruitment” refers to the process of attracting and selecting faculty, staff, and students to join a public institution of higher education.*

(c) *“Retention” refers to the continued employment or enrollment, as applicable, of faculty, staff, and students within a public institution of higher education.*

(3)(a) *Beginning in the academic year following the effective date of this act, each public institution of higher education shall annually collect and analyze data related to the impact of state laws and regulations on the retention and recruitment of faculty, staff, and students.*

(b) *The data collected and analyzed pursuant to this section must include, but need not be limited to:*

1. *The number of faculty, staff, and students who have left the public institution of higher education, specifying the extent to which state laws and regulations were a factor in their decision to leave.*

2. *The number of potential faculty, staff, and students who did not apply or withdrew their applications to the public institution of higher education, specifying the extent to which state laws and regulations were a factor in their decision not to apply or withdraw their applications.*

(c) *Public institutions of higher education shall ensure that the data collected and analyzed pursuant to this section is anonymized and aggregated to protect the privacy of the individuals involved.*

(4)(a) *Beginning in 2024, by January 31 of each year, each Florida College System institution shall submit a report to the Department of Education, and each state university shall submit a report to the Board of Governors, containing the data and analysis required by subsection (3).*

(b) *The Department of Education and the Board of Governors shall annually compile and analyze the submitted reports and provide a comprehensive report to the Legislature by April 30 of each year.*

And the title is amended as follows:

Delete line 39 and insert: respectively; creating s. 1004.0982, F.S.; providing legislative intent; defining terms; requiring each public institution of higher education to collect and analyze certain data; requiring each Florida College System institution and state university to submit an annual report to specified entities by a specified date; requiring specified entities to provide an annual report to the Legislature by a specified date; creating s. 1004.3841, F.S.; creating

**Amendment 2 (624452) (with title amendment)**—Between lines 778 and 779 insert:

Section 13. *It is the intent of the Legislature to ensure that provisions of this act do not adversely affect the quality, competitiveness, and research funding of public universities and colleges within this state and that the high standards in the public higher education system be maintained. To that end, this section provides for the automatic repeal or reversion, as applicable, of certain provisions created or amended by this act if performance benchmarks as defined in this section are not met.*

(1) *For purposes of this section, the term:*

(a) *“Performance benchmarks” refers to the minimum levels of rankings or research funding which must be maintained by public institutions of higher education to avoid the automatic repeal of certain provisions of this act.*

(b) *“Public institution of higher education” means any Florida College System institution or state university.*

(c) *“Rankings” refers to the positions held by public institutions of higher education on established national or international ranking lists.*

(d) *“Research funding” means the amount of external funding received by public institutions of higher education to support research activities.*

(2)(a) *The Department of Education, in conjunction with the Board of Governors, shall establish performance benchmarks for rankings and research funding of public institutions of higher education within this state which benchmarks are subject to periodic review and revision to reflect the changing landscape of higher education and research funding over time.*

(b) *The Department of Education and the Board of Governors shall monitor the rankings and research funding of public institutions of higher education within this state and compare them to established performance benchmarks.*

(3)(a) *If the rankings or research funding of public institutions of higher education within this state, as monitored and determined by the Department of Education and the Board of Governors, falls below the established performance benchmarks, this act is repealed and any statute amended by this act shall revert to that in existence on June 30, 2023, except that any amendments to such statutes enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which revert pursuant to this section.*

(b) *The Department of Education and the Board of Governors shall notify the Legislature, the Governor, and the public institutions of higher education within this state which are affected by the repeal or reversion of law within 30 days after the determination is made that the performance benchmarks have not been met.*

And the title is amended as follows:

Between lines 104 and 105 insert: legislative intent; defining terms; requiring the Department of Education and the Board of Governors to establish and monitor performance benchmark rankings and research funding of public institutions of higher education within this state; providing for the automatic repeal of the act and the reversion of specified provisions of the act if the rankings or research funding fall below a certain benchmark; requiring the department and the Board of Governors to notify certain entities within a specified timeframe after determining that such repeal and reversion will occur; providing

**CS for CS for SB 136**—A bill to be entitled An act relating to the Florida Kratom Consumer Protection Act; creating s. 501.9745, F.S.; providing a short title; defining terms; prohibiting processors from selling, preparing, distributing, or exposing for sale certain kratom products; prohibiting processors from distributing, selling, or exposing for sale a kratom product to an individual under 21 years of age; requiring processors to annually register kratom products with the Department of Agriculture and Consumer Services; providing requirements for such registration; requiring processors to report certain violations and adverse events to the department; providing for the revocation of a processor’s kratom product registration under certain

circumstances; providing criminal penalties; providing an exception; requiring the department to adopt rules; providing an effective date.

—was read the second time by title.

Pending further consideration of **CS for CS for SB 136**, pursuant to Rule 3.11(3), there being no objection, **CS for HB 179** was withdrawn from the Committee on Fiscal Policy.

On motion by Senator Gruters, the rules were waived and—

**CS for HB 179**—A bill to be entitled An act relating to the Florida Kratom Consumer Protection Act; creating s. 500.92, F.S.; providing a short title; defining the term “kratom product”; prohibiting the sale, delivery, bartering, furnishing, or giving of any kratom product to a person under 21 years of age; providing criminal penalties; requiring the Department of Agriculture and Consumer Services to adopt rules; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 136** and read the second time by title.

Senator Gruters moved the following amendment:

**Amendment 1 (330544) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Section 501.9745, Florida Statutes, is created to read:

*501.9745 Kratom products; processor prohibitions; registration; fines.—*

(1) *SHORT TITLE.—This section may be cited as the “Florida Kratom Consumer Protection Act.”*

(2) *DEFINITIONS.—As used in this section, the term:*

(a) *“Kratom extract” means a food product or dietary ingredient that contains any part of the leaf of the plant *Mitragyna speciosa* which has been extracted and concentrated to provide more standardized dosing.*

(b) *“Kratom product” means a food product, food ingredient, dietary ingredient, dietary supplement, or beverage intended for human consumption which contains any part of the leaf of the plant *Mitragyna speciosa* or an extract of such plant and is manufactured as a powder, capsule, pill, or beverage or any other edible form.*

(c) *“Processor” means a person who sells, prepares, manufactures, distributes, or maintains kratom products.*

(3) *PROHIBITIONS.—*

(a) *A processor may not sell, prepare, distribute, or expose for sale:*

1. *A kratom product that:*

a. *Is adulterated with a dangerous non-kratom substance that affects the quality or strength of the kratom product to such a degree that it may injure a consumer.*

b. *Contains a poisonous or otherwise harmful non-kratom ingredient, including, but not limited to, any substance listed in s. 893.03.*

c. *Contains a level of 7-hydroxymitragynine in the alkaloid fraction which is greater than 1 percent of the alkaloid composition of the product.*

d. *Contains a synthetic alkaloid, including, but not limited to, synthetic mitragynine, synthetic 7-hydroxymitragynine, or any other synthetically derived compound of the plant *Mitragyna speciosa*.*

e. *Does not include directions for the safe and effective use of the product, including, but not limited to, a suggested serving size, on the product’s packaging or label.*

f. *Has a label that contains any claim that the product is intended to diagnose, treat, cure, or prevent any medical condition or disease.*

2. *Kratom extract that contains levels of residual solvents higher than the standards set forth in USP-NF chapter 467.*

(b) A processor may not sell, distribute, or expose for sale a kratom product to an individual under 21 years of age.

(4) **REGISTRATION.**—A processor shall annually register with the department any kratom product it intends to offer for sale to an end consumer in this state which is in an approved kratom delivery form. The registration must include a certificate of analysis from an independent certified third-party laboratory which shows that the kratom product is in compliance with the requirements of this section for safe kratom products. The Department of Agriculture and Consumer Services is not required to test or inspect kratom products pursuant to chapter 500; however, nothing prohibits the department from performing tests and conducting inspections based on consumer complaints, based on agency referrals, or as the department deems necessary.

(5) **REPORTING REQUIREMENTS.**—

(a) If the department receives a report that any kratom product offered for sale in this state is not in compliance with the requirements of this section for safe kratom products, the department must require the processor to produce an updated certificate of analysis in a reasonable timeframe from an independent certified third-party laboratory which shows that the kratom product is in compliance with the requirements of this section for safe kratom products.

(b) If a processor receives notice of an adverse event related to its kratom product, the processor must submit via certified mail to the department a copy of the adverse event report required to be submitted to the United States Food and Drug Administration under the Federal Food, Drug, and Cosmetic Act, 21 U.S.C. s. 379aa-1(b)(1).

(c) If a processor fails to provide the department with an updated certificate of analysis within the specified timeframe or fails to report an adverse event to the department as required by this subsection, the department may revoke the processor's kratom product registration.

(6) **VIOLATIONS.**—

(a) A person who violates this section commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(b) A processor that sells kratom products at retail does not violate this section if it is shown by a preponderance of the evidence that the processor relied in good faith upon the representations of a manufacturer, processor, packer, or distributor of food represented to be a kratom product.

(7) **RULES.**—The department shall adopt rules to administer this section.

Section 2. This act shall take effect July 1, 2024.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Florida Kratom Consumer Protection Act; creating s. 501.9745, F.S.; providing a short title; defining terms; prohibiting processors from selling, preparing, distributing, or exposing for sale certain kratom products; prohibiting processors from distributing, selling, or exposing for sale a kratom product to an individual under 21 years of age; requiring processors to annually register kratom products with the Department of Agriculture and Consumer Services; providing requirements for such registration; providing construction; requiring processors to report certain violations and adverse events to the department; providing for the revocation of a processor's kratom product registration under certain circumstances; providing criminal penalties; providing an exception; requiring the department to adopt rules; providing an effective date.

Senator Gruters moved the following substitute amendment:

**Substitute Amendment 2 (733654) (with title amendment)**—Delete everything after the enacting clause and insert:

d. Contains a synthetic alkaloid, including, but not limited to, synthetic mitragynine, synthetic 7-hydroxymitragynine, or any other synthetically derived compound of the plant *Mitragyna speciosa*.

e. Does not include directions for the safe and effective use of the product, including, but not limited to, a suggested serving size, on the product's packaging or label.

f. Has a label that contains any claim that the product is intended to diagnose, treat, cure, or prevent any medical condition or disease.

2. *Kratom extract that contains levels of residual solvents higher than the standards set forth in USP-NF chapter 467.*

(b) *A processor may not sell, distribute, or expose for sale any kratom product to an individual under 21 years of age.*

(4) **REGISTRATION.**—*A person who manufactures kratom products shall annually register with the department any kratom product intended for sale to an end consumer in this state which is in an approved kratom delivery form. The registration must include a certificate of analysis from an independent, certified third-party laboratory which shows that the kratom product is in compliance with the requirements of this section for safe kratom products.*

(5) **REPORTING REQUIREMENTS.**—

(a) *If the department receives a report that any kratom product offered for sale in this state is not in compliance with the requirements of this section for safe kratom products, the department must require the manufacturer to produce an updated certificate of analysis in a reasonable timeframe from an independent, certified third-party laboratory which shows that the kratom product is in compliance with the requirements of this section for safe kratom products.*

(b) *If a manufacturer receives notice of an adverse event related to the manufacturer's kratom product, the manufacturer must submit by certified mail to the department a copy of the adverse event report required to be submitted to the United States Food and Drug Administration under the Federal Food, Drug, and Cosmetic Act, 21 U.S.C. s. 379a-1(b)(1).*

(c) *If a manufacturer fails to provide the department with an updated certificate of analysis within the specified timeframe or fails to report an adverse event to the department as required by this subsection, the department may revoke the manufacturer's kratom product registration.*

(6) **VIOLATIONS.**—

(a) *A person who violates this section commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.*

(b) *A processor that sells kratom products at retail does not violate this section if it is shown by a preponderance of the evidence that the processor relied in good faith upon the representations of a manufacturer, processor, packer, or distributor of food represented to be a kratom product.*

(7) **RULES.**—*The department shall adopt rules to administer this section.*

Section 3. Except as otherwise expressly provided in this act, this act shall take upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the Florida Kratom Consumer Protection Act; creating s. 501.9745, F.S.; providing a short title; defining the terms "kratom product" and "processor"; prohibiting processors from distributing, selling, or exposing for sale any kratom product to an individual under 21 years of age; providing criminal penalties; requiring the Department of Agriculture and Consumer Services to adopt rules; defining the term "kratom extract"; prohibiting processors, beginning on a specified date, from selling, preparing, distributing, or exposing for sale certain kratom products; requiring manufacturers to annually register kratom products with the department; providing requirements for such registration; requiring manufacturers to report certain violations and adverse events to the department; providing for the revocation of a manufacturer's kratom product registration under certain circumstances; providing criminal penalties; providing an exception; requiring the department to adopt rules; providing effective dates.

Section 4. Effective January 1, 2024, subsections (2) and (3) of section 509.241, Florida Statutes, are amended to read:

509.241 Licenses required; exceptions.—

(2) APPLICATION FOR LICENSE.—Each person who plans to open a public lodging establishment or a public food service establishment shall apply for and receive a license from the division before ~~the~~ commencement of operation. A condominium association, as defined in s. 718.103, which does not own any units classified as vacation rentals or timeshare projects under s. 509.242(1)(c) or (g) is not required to apply for or receive a public lodging establishment license. *Upon receiving an application for a vacation rental license, the division may grant a temporary license that authorizes the vacation rental to begin operation while the application is pending and to post the information required under s. 509.243(1)(c). The temporary license automatically expires upon final agency action regarding the license application.*

(3) DISPLAY OF LICENSE.—Any license issued by the division ~~must shall~~ be conspicuously displayed to the public inside ~~in the office or lobby of the~~ licensed establishment. Public food service establishments that ~~which~~ offer catering services ~~shall~~ display their license number on all advertising for catering services. *The owner or operator of a vacation rental offered for transient occupancy through an advertising platform must also display the vacation rental license number and, if applicable, the local registration number.*

Section 5. Effective January 1, 2024, section 509.243, Florida Statutes, is created to read:

**509.243 Advertising platforms.—**

(1)(a) An advertising platform must require that a person who places an advertisement for the rental of a vacation rental:

1. Include in the advertisement the vacation rental license number and, if applicable, the local registration number; and

2. Attest to the best of the person’s knowledge that the license number for the vacation rental property is current, valid, and accurately stated in the advertisement, and that the local registration number for the vacation rental property is current, valid, and accurately stated in the advertisement or that a local registration is not required.

(b) An advertising platform must display the vacation rental license number and, if applicable, the local registration number based upon the attestation in subparagraph (a)2. Effective July 1, 2024, the advertising platform must check that the vacation rental license number provided by the owner or operator appears as current in the information posted by the division pursuant to paragraph (c) and applies to the subject vacation rental before publishing the advertisement on its platform and again at the end of each calendar quarter that the advertisement remains on its platform.

(c) By July 1, 2024, the division shall maintain vacation rental license information in a readily accessible electronic format that is sufficient to facilitate prompt compliance with the requirements of this subsection by an advertising platform or a person placing an advertisement on an advertising platform for transient rental of a vacation rental.

(2) An advertising platform must remove from public view an advertisement or a listing from its online application, software, website, or system within 15 business days after being notified by the division in writing that the subject advertisement or listing for the rental of a vacation rental located in this state fails to display a valid license number issued by the division.

(3) If a guest uses a payment system on or through an advertising platform to pay for the rental of a vacation rental located in this state, the advertising platform must collect and remit all taxes due under ss. 125.0104, 125.0108, 205.044, 212.03, 212.0305, and 212.055 related to the rental as provided in s. 212.03(2)(b).

(4) If the division has probable cause to believe that a person not licensed by the division has violated this chapter or any rule adopted pursuant thereto, the division may issue and deliver to such person a notice to cease and desist from the violation. The issuance of a notice to cease and desist does not constitute agency action for which a hearing under s. 120.569 or s. 120.57 may be sought. For the purpose of enforcing a cease and desist notice, the division may file a proceeding in the name of the state seeking the issuance of an injunction or a writ of mandamus against any person who violates any provision of the notice. If the division is required to seek enforcement of the notice for a penalty pursuant to s. 120.69, it is entitled to collect attorney fees and costs, together with any cost of collection.

(5) The division may fine an advertising platform an amount not to exceed \$1,000 per offense for violations of this section or of the rules of the division. For the purposes of this subsection, the division may regard as a separate offense each day or portion of a day in which an advertising platform is operated in violation of this section or rules of the division. The division shall issue a written warning or notice and provide the advertising platform 15 days to cure a violation before commencing any legal proceeding under subsection (4).

(6) Advertising platforms shall adopt an antidiscrimination policy to help prevent discrimination among their users and shall inform all users of their services that it is illegal to refuse accommodation to an individual based on race, creed, color, sex, pregnancy, physical disability, or national origin pursuant to s. 509.092.

(7) Advertising platforms that comply with the requirements of this section are deemed to be in compliance with the requirements of this chapter. This section does not create and is not intended to create a private cause of action against advertising platforms. An advertising platform may not be held liable for any action it takes voluntarily in

good faith in relation to its users to comply with this chapter or the advertising platform’s terms of service.

Section 6. Subsection (10) is added to section 509.261, Florida Statutes, to read:

**509.261 Revocation or suspension of licenses; fines; procedure.—**

(10) The division may revoke, refuse to issue or renew, or suspend for a period of not more than 30 days a vacation rental license when:

(a) The operation of the subject premises violates the terms of an applicable lease or property restriction, including any property restriction adopted pursuant to chapter 718, chapter 719, or chapter 720, as determined by a final order of a court of competent jurisdiction or a written decision by an arbitrator authorized to arbitrate a dispute relating to the subject property and a lease or property restriction;

(b) The registration of the vacation rental is terminated by a local government as provided in s. 509.032(7)(b)5.; or

(c) The premises and its owner are the subject of a final order or judgment lawfully directing the termination of the premises’ use as a vacation rental.

And the title is amended as follows:

Delete lines 24-71 and insert: authorizing local governments to suspend, terminate, or refuse to issue or renew vacation rental registrations under certain circumstances; preempting the regulation of advertising platforms to the state; amending s. 509.241, F.S.; authorizing the Division of Hotels and Restaurants of the Department of Business and Professional Regulation to issue temporary licenses upon receipt of vacation rental license applications; providing for expiration of temporary vacation rental licenses; requiring that any license issued by the division be displayed conspicuously to the public inside the licensed establishment; requiring the owner or operator of certain vacation rentals to also display its vacation rental license number and applicable local registration number; creating s. 509.243, F.S.; requiring advertising platforms to require that persons placing advertisements for vacation rentals include certain information in the advertisements and attest to certain information; requiring advertising platforms to display and check such information; requiring the division to maintain certain information in a readily accessible electronic format by a certain date; requiring advertising platforms to remove an advertisement or a listing under certain conditions and within a specified timeframe; requiring advertising platforms to collect and remit specified taxes for certain transactions; authorizing the division to issue and deliver a notice to cease and desist for certain violations; providing that such notice does not constitute agency action for which certain hearings may be sought; authorizing the division to file certain proceedings; authorizing the division to seek certain remedies for the purpose of enforcing a cease and desist notice; authorizing the division to collect attorney fees and costs under certain circumstances; authorizing the division to impose a fine on advertising platforms for certain violations; requiring the division to issue written warnings or notices before commencing certain legal proceedings; requiring advertising platforms to adopt an anti-discrimination policy and to inform their users of the policy’s provisions; providing construction; amending s. 509.261, F.S.; authorizing the division to revoke, refuse to issue or renew, or suspend vacation rental licenses under certain circumstances; amending

## PRAYER

The following prayer was offered by Dr. Barry Sproles, FSU Baptist Collegiate Ministry, Tallahassee:

Mighty God, we humbly come before you as the source of all life, purpose, and meaning. Our desire this morning is to acknowledge our need for your providential care over this great state and its citizens. We ask for your divine protection over this Senate body and their families.

You have blessed us with abundant resources and the prospect of an even brighter tomorrow, and for this, we are thankful. Give this body the wisdom to steward well the great responsibility entrusted to them by the people of this great state. May this body continue to lead and serve in the way you have modeled for us by placing their neighbor's needs as more significant than their own. We ask that they understand you have placed them in this important role of service, and you tell us that if we will ask you for wisdom, it will be provided in abundance.

In moments of difficulty and uncertainty, may we look to our Creator and Sustainer who never changes, and may we not grow weary in doing well. O God, please hear our prayer. Amen.

## PLEDGE

Senate Pages, Stella Hamann of Miami; Katelin Price of Jacksonville; and Dominic Vovchuk of Bonifay, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## DOCTOR OF THE DAY

The President recognized Dr. Bridget Highest of New Smyrna, sponsored by Senator Wright, as the doctor of the day. Dr. Highest specializes in hospice, palliative, and emergency medicine.

By direction of the President, there being no objection, the Senate proceeded to—

—was read the second time by title.

Senator Gruters moved the following amendment which was adopted:

**Amendment 1 (511822) (with directory and title amendments)**—Between lines 972 and 973 insert:

(22)(a) *As used in this subsection, the term:*

1. “Advisory affiliate” has the same meaning as in the Glossary of Terms to Form ADV, the uniform application for investment adviser registration, 17 C.F.R. s. 279.1.

2. “Exempt reporting adviser” has the same meaning as in the Glossary of Terms to Form ADV, the uniform application for investment adviser registration, 17 C.F.R. s. 279.1.

3. “Private fund adviser” means an investment adviser who provides advice to solely one or more qualifying private funds.

4. “Qualifying private fund” means:

a. A private fund that meets the definition of the term “qualifying private fund” in the Securities and Exchange Commission Rule 203(m)-1, 17 C.F.R. s. 275.203(m)-1;

b. A private fund that meets the definition of the term “venture capital fund” in the Securities and Exchange Commission Rule 203(l)-1, 17 C.F.R. s. 275.203(l)-1; or

c. A “venture capital operating company” as defined in 29 C.F.R. s. 2510.3-101(d) adopted by the United States Department of Labor under the Employee Retirement Income Security Act of 1974.

5. “3(c)(1) fund” means a qualifying private fund that is eligible for the exclusion from the definition of the term “investment company” under s. 3(c)(1) of the Investment Company Act of 1940, 15 U.S.C. s. 80a-3(c)(1), as amended.

(b) Subject to the additional requirements of paragraph (c), a private fund adviser is exempt from the registration requirements of this section if the private fund adviser satisfies the following conditions:

1. Neither the private fund adviser nor any of its advisory affiliates are subject to an event that would disqualify an issuer under Securities and Exchange Commission Rule 506(d)(1) of Regulation D, 17 C.F.R. s. 230.506(d)(1); and

2. The private fund adviser files with the office each report and amendment thereto that an exempt reporting adviser is required to file with the Securities and Exchange Commission pursuant to the Securities and Exchange Commission Rule 204-4, 17 C.F.R. s. 275.204-4.

(c) In order to qualify for the exemption from the registration requirements of this section, a private fund adviser who advises at least one (3)(c)(1) fund that is not a venture capital fund shall, in addition to satisfying the conditions specified in subparagraphs (b)1. and 2., comply with the following requirements:

1. *The private fund adviser shall advise only those 3(c)(1) funds, other than venture capital funds, whose outstanding securities, other than short-term paper, are beneficially owned entirely by accredited investors; and*

2. *At the time of purchase, the private fund adviser shall disclose the following in writing to each beneficial owner of a 3(c)(1) fund that is not a venture capital fund:*

a. *All services, if any, to be provided to individual beneficial owners;*

b. *All duties, if any, the investment adviser owes to the beneficial owners; and*

c. *Any other material information affecting the rights or responsibilities of the beneficial owners.*

(d) *If a private fund adviser is registered with the Securities and Exchange Commission, the adviser is not eligible for the exemption from the registration requirements of this section and shall comply with the notice filing requirements applicable to federal covered advisers in s. 517.1201.*

(e) *A person is exempt from the registration requirements of this section if the person is employed by or associated with an investment adviser that is exempt from registration and does not otherwise act as an associated person of an investment adviser or federal covered adviser.*

(f) *The report filings and the amendments thereto described in subparagraph (b)2. shall be made electronically through the Investment Adviser Registration Depository of the Financial Industry Regulatory Authority. A report is deemed filed with the office when the report has been filed and accepted by the depository on the office's behalf.*

And the directory clause is amended as follows:

Delete lines 707-711 and insert:

(21), respectively, subsection (1), present subsections (2) and (3), paragraph (b) of present subsection (6), present subsections (7) and (11), paragraph (b) of present subsection (15), and present subsections (20) and (21) of that section are amended, and a new subsection (22) is added to that section, to read:

And the title is amended as follows:

Delete line 29 and insert: made by the act; making technical changes; providing definitions; providing exemptions from registration requirements for private fund advisers under certain conditions; providing exceptions; providing requirements for certain private fund advisers; providing reporting requirements; creating s.

**Amendment 1 (391390) (with title amendment)**—Delete lines 126-145 and insert:

*private temporary airport site approval order, the department must approve or deny the application within 30 days after receipt of a complete application, notwithstanding the requirements of s. 120.60. A complete airport site approval application that is not approved or denied within 30 days after the department receives the completed application is considered approved, and the approval order shall be issued, subject to such reasonable conditions as are authorized by law. Upon the department’s intent to approve or deny an applicant’s private temporary airport site approval order or public temporary airport site approval order, the department must publish a notice of intent to approve or deny the application in the next available publication of the Florida Administrative Register. The notice must inform the recipient of any administrative hearing that is available, indicate the procedure that must be followed to obtain the hearing, and state that a request for hearing must be submitted no later than 14 days after the date of publication. The issuance of the site approval order must be held in abeyance if a hearing is requested by a person whose substantial interests will be determined or affected by the pending public temporary airport or private temporary airport site approval order. If site approval is granted, licensure of the public temporary airport or registration of the private temporary airport is deemed complete, and the department must issue the public temporary airport license or private temporary airport registration concurrent with the airport site approval. Any applicant seeking to claim registration by default under this subparagraph shall notify the agency clerk of the department, in writing, of the applicant’s intent to rely upon the default registration provision of this subparagraph and may not take any action based upon the default registration until after receipt of such notice by the agency clerk.*

And the title is amended as follows:

Delete lines 11-21 and insert: from the airport; requiring the department to approve or deny applications for a public temporary airport or private temporary airport site approval order within a specified timeframe; requiring that applications that are not approved or denied within such timeframe be considered approved and that approval orders be issued; requiring the department to publish certain notice of intent to approve or deny an application for a public temporary airport or private temporary airport site approval order; requiring that issuance of site approval orders be held in abeyance under certain circumstances; re-

**CS for CS for CS for SB 1346**—A bill to be entitled An act relating to local regulation of nonconforming or unsafe structures; creating s. 553.8991, F.S.; providing a short title; defining terms; providing applicability; prohibiting local governments from prohibiting, restricting, or preventing the demolition of certain structures unless necessary for public safety; authorizing local governments to review demolition permit applications only for a specified purpose; requiring that replacement structures be permitted to be developed in accordance with applicable development regulations; prohibiting local governments from

taking certain actions regarding replacement structures; providing for retroactive application; providing applicability and construction; preempting regulation of the demolition or replacement of certain structures to the state under certain circumstances; providing an effective date.

—was read the second time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Avila moved the following amendment:

**Amendment 1 (745334) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Section 553.8991, Florida Statutes, is created to read:

*553.8991 Resiliency and Safe Structures Act.—*

(1) *SHORT TITLE.—This section may be cited as the “Resiliency and Safe Structures Act.”*

(2) *DEFINITIONS.—As used in this section, the term:*

(a) *“Coastal construction control line” means the boundary established pursuant to s. 161.053.*

(b) *“Law” means any statute, ordinance, rule, regulation, policy, resolution, code enforcement order, agreement, or other governmental act.*

(c) *“Local government” means a municipality, county, special district, or any other political subdivision of the state.*

(d) *“Nonconforming structure” means a structure that does not conform to the base flood elevation requirements for new construction issued by the National Flood Insurance Program.*

(e) *“Replacement structure” means a new structure built on a property where a structure was demolished or will be demolished in accordance with this section.*

(3) *QUALIFYING STRUCTURES AND BUILDINGS.—*

(a) *This section applies to all of the following structures:*

1. *Nonconforming structures on properties that are, or have a portion that is, seaward of the coastal construction control line and that are also within zones V, VE, AO, or AE, as identified in the Flood Insurance Rate Map issued by the Federal Emergency Management Agency.*

2. *Any structure determined to be unsafe by a local building official.*

3. *Any structure ordered to be demolished by a local government that has proper jurisdiction.*

(b) *This section does not apply to any of the following structures:*

1. *A structure individually listed on the National Register of Historic Places.*

2. *A single-family home.*

3. *A structure located within an area of critical state concern designated pursuant to s. 380.05.*

4. *A structure located within a municipality that has a total population of 10,000 or less according to the most recent decennial census.*

5. *A structure located in a municipality within which there are at least three buildings that were originally erected more than 200 years ago.*

(4) *RESTRICTIONS ON DEMOLITION PROHIBITED.—A local government may not prohibit, restrict, or prevent the demolition of any structure identified in subsection (3) for any reason other than public safety. A local government may review an application for a demolition permit sought pursuant to this section only administratively for compliance with the Florida Building Code, the Florida Fire Prevention Code, and the Life Safety Code, or local amendments thereto, and any*

regulation applicable to a similarly situated parcel. The local government may not subject an application to additional local land development regulations or public hearings.

(5) **RESTRICTIONS ON REDEVELOPMENT PROHIBITED.**—A local government shall authorize replacement structures to be developed to the maximum height and overall building size authorized by local development regulations. A local government may not do any of the following:

(a) Limit, for any reason, the development potential of replacement structures below the maximum allowed by local development regulations.

(b) Require replication of a demolished structure.

(c) Require the preservation of any elements of a demolished structure.

(d) Impose additional regulatory or building requirements on replacement structures which would not otherwise be applicable to a similarly situated vacant parcel.

(e) Impose additional public hearings or administrative processes on replacement structures which would not otherwise be applicable to a similarly situated vacant parcel.

(6) **DEVELOPMENT APPLICATIONS.**—Development applications submitted for replacement structures must be processed in accordance with the process outlined in local land development regulations, including any required public hearings before the local historic board. However, a local government may not impose additional public hearings or administrative processes that would not otherwise be applicable to a similarly situated vacant parcel.

(7) **APPLICATION AND CONSTRUCTION.**—This section applies prospectively and retroactively to any law adopted contrary to this section or its intent, and must be liberally construed to effectuate its intent. Nothing in this section applies to or affects s. 553.79(25).

(8) **PREEMPTION.**—A local government may not adopt or enforce a law that in any way limits the demolition of a structure identified in subsection (3) or that limits the development of a replacement structure in violation of subsection (5). A local government may not penalize an owner or a developer of a replacement structure for a demolition pursuant to this section or otherwise enact laws that defeat the intent of this section. Any local government law contrary to this section is void.

Section 2. This act shall take effect upon becoming a law.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to local regulation of nonconforming or unsafe structures; creating s. 553.8991, F.S.; providing a short title; defining terms; providing applicability; prohibiting local governments from prohibiting, restricting, or preventing the demolition of certain structures unless necessary for public safety; authorizing local governments to review demolition permit applications only for a specified purpose; requiring that replacement structures be authorized to be developed in accordance with applicable development regulations; prohibiting local governments from taking certain actions regarding replacement structures; providing requirements for the processing of development applications; providing for retroactive application; providing applicability and construction; preempting regulation of the demolition or replacement of certain structures to the state under certain circumstances; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 512** and read the second time by title.

Senator Hooper moved the following amendment which was adopted:

**Amendment 1 (709506) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Subsection (2) of section 553.79, Florida Statutes, is amended to read:

553.79 Permits; applications; issuance; inspections.—

(2)(a)1. Except as provided in subsection (8), an enforcing agency may not issue any permit for construction, erection, alteration, modification, repair, or demolition of any building or structure until the local building code administrator or inspector has reviewed the plans and specifications required by the Florida Building Code, or local amendment thereto, for such proposal and found the plans to be in compliance with the Florida Building Code. If the local building code administrator or inspector finds that the plans are not in compliance with the Florida Building Code, the local building code administrator or inspector shall identify the specific plan features that do not comply with the applicable codes, identify the specific code chapters and sections upon which the finding is based, and provide this information to the local enforcing agency. *If the building code administrator, plans examiner, or inspector requests another local enforcing agency employee or a person contracted by the local enforcing agency to review the plans and that employee or person identifies specific plan features that do not comply with the applicable codes, the building code administrator, plans examiner, or inspector must provide this information to the local enforcing agency.* The local enforcing agency shall provide this information to the permit applicant.

2. ~~In addition,~~ An enforcing agency may not issue any permit for construction, erection, alteration, modification, repair, or demolition of any building until the appropriate firesafety inspector certified pursuant to s. 633.216 has reviewed the plans and specifications required by the Florida Building Code, or local amendment thereto, for such proposal and found that the plans comply with the Florida Fire Prevention Code and the Life Safety Code. Any building or structure which is not subject to a firesafety code shall not be required to have its plans reviewed by the firesafety inspector.

3. Any building or structure that is exempt from the local building permit process may not be required to have its plans reviewed by the local building code administrator. Industrial construction on sites where design, construction, and firesafety are supervised by appropriate design and inspection professionals and which contain adequate in-house fire departments and rescue squads is exempt, subject to local government option, from review of plans and inspections, providing owners certify that applicable codes and standards have been met and supply appropriate approved drawings to local building and firesafety inspectors.

4. The enforcing agency shall issue a permit to construct, erect, alter, modify, repair, or demolish any building or structure when the plans and specifications for such proposal comply with the Florida Building Code and the Florida Fire Prevention Code and the Life Safety Code as determined by the local authority in accordance with this chapter and chapter 633.

(b) *After the local enforcing agency issues a permit, the local enforcing agency may not make or require any substantive changes to the plans or specifications except changes required for compliance with the Florida Building Code, the Florida Fire Prevention Code, or the Life Safety Code, or local amendments thereto. If a local enforcing agency makes or requires substantive changes to the plans or specifications after a permit is issued, the local enforcing agency must identify the specific plan features that do not comply with the applicable codes, identify the specific code chapters and sections upon which the finding is based, and provide the information to the permitholder in writing.*

(c)1. *A plans examiner or inspector who fails to provide the building code administrator with the reasons for making or requiring substantive changes to the plans or specifications is subject to disciplinary action against his or her certificate under s. 468.621(1)(i).*

2. *A building code administrator who fails to provide a permit applicant or permitholder with the reasons for making or requiring sub-*

stantive changes to the plans or specifications is subject to disciplinary action against his or her certificate under s. 468.621(1)(i).

Section 2. Subsection (2) of section 633.208, Florida Statutes, is amended to read:

633.208 Minimum firesafety standards.—

(2)(a) Pursuant to subsection (1), each municipality, county, and special district with firesafety responsibilities shall enforce the Florida Fire Prevention Code as the minimum firesafety code required by this section.

(b) If a municipality, county, or special district determines that the building plans for a building permit application do not comply with the Florida Fire Prevention Code or the Life Safety Code, or local amendments thereto, the local fire official must identify the specific plan features that do not comply with the applicable codes, identify the specific code chapters and sections upon which the determination is based, and provide this information to the permit applicant.

(c) After a municipality, county, or special district issues a building permit, it may not make or require any substantive changes to the building plans except those required for compliance with the Florida Fire Prevention Code or the Life Safety Code, or local amendments thereto. If a municipality, county, or special district makes or requires substantive changes to building plans after a permit is issued, the local fire official must identify the specific plan features that do not comply with the Florida Fire Prevention Code or the Life Safety Code, or local amendments thereto, identify the specific code chapters and sections upon which the finding is based, and provide this information to the permitholder.

(d) A local fire official who is also a certified firesafety inspector and who fails to comply with paragraph (b) or paragraph (c) is subject to disciplinary action against his or her certificate under s. 633.216(5)(f).

Section 3. This act shall take effect July 1, 2023.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to building construction; amending s. 553.79, F.S.; requiring local building code administrators, plans examiners, or inspectors to provide certain information to the local enforcing agency under certain circumstances; prohibiting local enforcing agencies from making or requiring substantive changes to plans or specifications after a permit has been issued; providing exceptions; requiring local enforcing agencies that require substantive changes to plans or specifications after a permit has been issued to provide certain information to the permitholder in writing; providing that a plans examiner, inspector, or building code administrator is subject to disciplinary action under certain circumstances; amending s. 633.208, F.S.; requiring local fire officials to provide certain information to a permit applicant if building plans do not comply with the Florida Fire Prevention Code or the Life Safety Code; prohibiting a municipality, county, or special district from making or requiring substantive changes to building plans after a permit has been issued; providing exceptions; requiring a local fire official to provide certain information to the permitholder if a municipality, county, or special district requires substantive changes to building plans after a permit is issued; providing that a local fire official who is a certified firesafety inspector is subject to disciplinary action under certain circumstances; providing an effective date.

Senator DiCeglie moved the following amendments which were adopted:

**Amendment 1 (861932) (with title amendment)**—Between lines 1058 and 1059 insert:

Section 19. Contingent upon SB 418 or similar legislation in the 2023 Regular Session or an extension thereof becoming a law, section 626.7315, Florida Statutes, is amended to read:

626.7315 Prohibition against the unlicensed transaction of general lines insurance.—With respect to any line of authority as defined in s. 626.015(7), no individual shall, unless licensed as a general lines agent:

- (1) Solicit insurance or procure applications therefor;
- (2) In this state, receive or issue a receipt for any money on account of or for any insurer, or receive or issue a receipt for money from other persons to be transmitted to any insurer for a policy, contract, or certificate of insurance or any renewal thereof, even though the policy, certificate, or contract is not signed by him or her as agent or representative of the insurer, except as provided in s. 626.0428(1);
- (3) Directly or indirectly represent himself or herself to be an agent of any insurer or as an agent, to collect or forward any insurance premium, or to solicit, negotiate, effect, procure, receive, deliver, or forward, directly or indirectly, any insurance contract or renewal thereof or any endorsement relating to an insurance contract, or attempt to effect the same, of property or insurable business activities or interests, located in this state;
- (4) In this state, engage or hold himself or herself out as engaging in the business of analyzing or abstracting insurance policies or of counseling or advising or giving opinions, other than as a licensed attorney at law, relative to insurance or insurance contracts, for fee, commission, or other compensation, other than as a salaried bona fide full-time employee so counseling and advising his or her employer relative to the insurance interests of the employer and of the subsidiaries or business affiliates of the employer;
- (5) In any way, directly or indirectly, make or cause to be made, or attempt to make or cause to be made, any contract of insurance for or on account of any insurer;
- (6) Solicit, negotiate, or in any way, directly or indirectly, effect insurance contracts, if a member of a partnership or association, or a stockholder, officer, or agent of a corporation which holds an agency appointment from any insurer; or
- (7) Receive or transmit applications for suretyship, or receive for delivery bonds founded on applications forwarded from this state, or otherwise procure suretyship to be effected by a surety insurer upon the bonds of persons in this state or upon bonds given to persons in this state.

*However, a livery operator may offer renters the ability to obtain coverage to satisfy the requirements of s. 327.54(7)(b)2. without a license or appointment. However, the livery operator may not advise or inform the prospective renter of specific coverage provisions, exclusions, or limitations, and the signed acknowledgement must identify the licensed insurer or agent that transacted the livery’s insurance policy. If such coverage is offered for a price, all compensation received for such coverage must be remitted by the livery to the insurer or agent that transacted the livery’s insurance policy.*

And the title is amended as follows:

Senator Polsky moved the following amendment which failed:

**Amendment 1 (201036) (with title amendment)**—Delete line 134 and insert:

*this chapter. Notwithstanding any other provision under part II of this chapter, the department is the sole enforcement entity for violations and remedies under this section.*

(9) *As a prerequisite to any action available under this section, the department must provide written notice of the alleged violation to the person or entity that issued the advertisement. The person or entity that issued the advertisement has 15 days after receipt of the notice to cure the violation or discontinue publishing the advertisement. If the person or entity that issued the advertisement cures the violation or discontinues publication of the advertisement within this 15-day period, an action against such person or entity may not arise from the noticed violation.*

(10) *This section may not be construed to create a private right of action.*

And the title is amended as follows:

Delete line 22 and insert: and unfair trade practices; providing that the Department of Legal Affairs is the sole entity responsible for enforcement of specified provisions; requiring the department to provide written notice of alleged violations to the person or entity that issued the advertisement; providing such persons or entities a specified timeframe to cure the violation or discontinue publication of the advertisement; providing that an action may not arise from the noticed violation if such person or entity cures the violation or discontinues the publication within the specified timeframe; providing construction;

—was read the second time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Simon moved the following amendment which was adopted:

**Amendment 1 (185804) (with title amendment)**—Delete lines 176-400 and insert:

Section 2. Paragraph (c) of subsection (1), subsection (4), and paragraphs (e) and (i) of subsection (9) of section 948.06, Florida Statutes, are amended to read:

948.06 Violation of probation or community control; revocation; modification; continuance; failure to pay restitution or cost of supervision.—

(1)

(c) If a probationer or offender on community control commits a technical violation, the probation officer shall determine whether the probationer or offender on community control is eligible for the alternative sanctioning program under subsection (9). If the probation officer determines that the probationer or offender on community control is eligible, the probation officer may proceed with the alternative sanctioning program in lieu of filing an affidavit of violation with the court. *If the probationer or offender on community control is eligible for the alternative sanctioning program and the violation is a low-risk violation as defined in paragraph (9)(b), the probation officer must proceed with the alternative sanctioning program in lieu of filing an affidavit of violation with the court unless directed by the court to submit or file an affidavit of violation pursuant to paragraph (9)(i).* For purposes of this section, the term “technical violation” means an alleged violation of supervision that is not a new felony offense, misdemeanor offense, or criminal traffic offense.

(4) Notwithstanding any other provision of this section, a felony probationer or an offender in community control who is arrested for violating his or her probation or community control in a material respect may be taken before the court in the county or circuit in which the probationer or offender was arrested. That court shall advise him or her of the charge of a violation and, if such charge is admitted, shall cause him or her to be brought before the court that granted the probation or community control. If the violation is not admitted by the probationer or offender, the court may commit him or her or release him or her with or without bail to await further hearing. However, if the probationer or offender is under supervision for any criminal offense proscribed in chapter 794, s. 800.04(4), (5), (6), s. 827.071, or s. 847.0145, or is a registered sexual predator or a registered sexual offender, or is under supervision for a criminal offense for which he or she would meet the registration criteria in s. 775.21, s. 943.0435, or s. 944.607 but for the effective date of those sections, the court must make a finding that the probationer or offender is not a danger to the public prior to release with or without bail. In determining the danger posed by the offender’s or probationer’s release, the court may consider the nature and circumstances of the violation and any new offenses charged; the offender’s or probationer’s past and present conduct, including convictions of crimes; any record of arrests without conviction for crimes involving violence or sexual crimes; any other evidence of allegations of unlawful sexual

conduct or the use of violence by the offender or probationer; the offender's or probationer's family ties, length of residence in the community, employment history, and mental condition; his or her history and conduct during the probation or community control supervision from which the violation arises and any other previous supervisions, including disciplinary records of previous incarcerations; the likelihood that the offender or probationer will engage again in a criminal course of conduct; the weight of the evidence against the offender or probationer; and any other facts the court considers relevant. The court, as soon as is practicable, shall give the probationer or offender an opportunity to be fully heard on his or her behalf in person or by counsel. *If the alleged violation is a low-risk violation as defined in paragraph (9)(b), the court must, within 20 days after arrest, give the probationer or offender an opportunity to be fully heard on his or her behalf in person or by counsel. If no hearing is held within 20 days after arrest, the court must release the probationer or offender without bail. The court may impose nonmonetary conditions of release.* After the hearing, the court shall make findings of fact and forward the findings to the court that granted the probation or community control and to the probationer or offender or his or her attorney. The findings of fact by the hearing court are binding on the court that granted the probation or community control. Upon the probationer or offender being brought before it, the court that granted the probation or community control may revoke, modify, or continue the probation or community control or may place the probationer into community control as provided in this section. However, the probationer or offender shall not be released and shall not be admitted to bail, but shall be brought before the court that granted the probation or community control if any violation of felony probation or community control other than a failure to pay costs or fines or make restitution payments is alleged to have been committed by:

(a) A violent felony offender of special concern, as defined in this section;

(b) A person who is on felony probation or community control for any offense committed on or after the effective date of this act and who is arrested for a qualifying offense as defined in this section; or

(c) A person who is on felony probation or community control and has previously been found by a court to be a habitual violent felony offender as defined in s. 775.084(1)(b), a three-time violent felony offender as defined in s. 775.084(1)(c), or a sexual predator under s. 775.21, and who is arrested for committing a qualifying offense as defined in this section on or after the effective date of this act.

(9)

(e) For a first or second low-risk violation, as defined in paragraph (b), within the current term of supervision, a probation officer ~~shall~~ *may* offer an eligible probationer one or more of the following as an alternative sanction:

1. Up to 5 days in the county jail.
2. Up to 50 additional community service hours.
3. Counseling or treatment.
4. Support group attendance.
5. Drug testing.
6. Loss of travel or other privileges.
7. Curfew for up to 30 days.
8. House arrest for up to 30 days.

9.a. Any other sanction as determined by administrative order of the chief judge of the circuit.

b. However, in no circumstance shall participation in an alternative sanctioning program convert a withheld adjudication to an adjudication of guilt.

And the title is amended as follows:

Delete lines 10-23 and insert: circumstances; correcting provisions concerning limiting prison sentences for first-time revocations for

technical violations; providing time periods for hearing and release of a probationer or offender concerning alleged violations that are low-risk violations; providing that an alternative sanction is the required method for resolving certain low-risk violations;

On motion by Senator Simon, by two-thirds vote, **CS for SB 1478**, as amended, was read the third time by title, passed, ordered engrossed, and then certified to the House. The vote on passage was:

Excused: Senator Broxson periodically for the purpose of working on Appropriations

## PRAYER

The following prayer was offered by Bishop William Wack, The Catholic Diocese of Pensacola-Tallahassee, Pensacola:

Good and gracious God, as the season of spring brings forth new growth and new possibilities, so you give to your beloved children the gift of hope and new life. We thank you for the beauty of creation and the wonder of our very being. Pour out your blessings upon us. May we be good stewards of all of the gifts you have given us—in our own lives, in our families, our communities, and throughout the State of Florida. Open our eyes and our hearts to the needs of others that we may be aware of our blessings and help others in their need. Now we ask you, O God, to be with the members of this legislative body. Guide their hearts and their decisions. Let their conversations and deliberations be productive so that justice may reign on earth. Inspire them and work through them so that your perfect will is accomplished in all things—for you live and reign forever and ever. Amen.

## PLEDGE

Senate Pages, Fernanda Escobar of Tallahassee; Brennen Glasford of Miramar; and Mary Ryan Mitchell of Tallahassee, daughter of Senate employee Betsy Mitchell, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## ADOPTION OF RESOLUTIONS

At the request of Senator Berman—

By Senator Berman—

**SR 70**—A resolution recognizing November 2023, and each November thereafter, as “Family Court Awareness Month” in Florida.

WHEREAS, in 2021, 4-year-old Greyson Kessler was shot and killed by his biological father during an approved court visit, despite his father’s history of abusive behavior and a plea to the court from his mother, Ali Kessler, to protect him, and

WHEREAS, to help honor Greyson Kessler’s life and the lives of the estimated 58,000 children annually who are at risk due to being ordered into unsupervised visitation with an abusive parent, a national coalition of organizations launched a nationwide movement to seek the designation of November as Family Court Awareness Month, and

WHEREAS, the mission of that coalition, the Family Court Awareness Month Committee, is to provide judges and other family court professionals with current empirical data and research, which are critical components in making judicial determinations that are in the best interest of children, and

WHEREAS, the committee’s mission is fueled by the desire for awareness and change in the family court system and to honor the lives of the more than 800 children reported murdered in the United States by separating or divorcing parents, and

WHEREAS, in at least 110 of those cases, the courts heard direct pleas to intervene before the crime occurred, and

WHEREAS, the recognition of Family Court Awareness Month is intended to increase awareness of the importance of education and training on family violence, childhood trauma, and postseparation abuse for all professionals working within the family court system, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That November 2023, and each November thereafter, is recognized as “Family Court Awareness Month” in Florida.

—was introduced, read, and adopted by publication.

At the request of Senator Rodriguez—

By Senator Rodriguez—

**SR 1294**—A resolution recognizing May 1-7, 2023, as “Tardive Dyskinesia Awareness Week” in Florida and encouraging all Floridians to become better informed about tardive dyskinesia.

WHEREAS, many people with serious mental health conditions, such as bipolar disorder, major depression, schizophrenia, and schizoaffective disorder, or gastrointestinal disorders, including gastroparesis,

nausea, and vomiting, may be treated with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics, and

WHEREAS, while ongoing treatment with these medications can be necessary, prolonged use can lead to tardive dyskinesia (TD), an involuntary movement disorder characterized by uncontrollable, abnormal, and repetitive movements of the face, torso, and other body parts, and

WHEREAS, it is estimated that TD affects approximately 600,000 people nationwide, and it is believed that about 70 percent of people who have TD have not yet been diagnosed, and

WHEREAS, it is important to raise awareness about the symptoms and impact of TD, because even mild symptoms can have significant physical, social, and emotional consequences, and

WHEREAS, the American Psychiatric Association recommends that those taking DRBA medication be monitored for TD through regular screenings, and

WHEREAS, clinical research has led to the approval of two treatments for adults with TD by the United States Food and Drug Administration, and

WHEREAS, the National Organization for Tardive Dyskinesia is headquartered in Florida and uses its website, TDHelp.org, to provide resources for individuals living with TD in this state and around the world, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That May 1-7, 2023, is recognized as “Tardive Dyskinesia Awareness Week” in Florida, and all Floridians are encouraged to become better informed about tardive dyskinesia.

—was introduced, read, and adopted by publication.

—a companion measure, was substituted for **CS for SB 580** and read the second time by title.

Senator Berman moved the following amendment which failed:

**Amendment 1 (157894) (with title amendment)**—Between lines 234 and 235 insert:

Section 6. Section 516.181, Florida Statutes, is created to read:

516.181 *Predatory loan prevention.*—

(1) A person may not engage in any device, subterfuge, or pretense to evade the requirements of this chapter, including, but not limited to:

(a) Making, offering, or assisting, or arranging for, a borrower to obtain a consumer finance loan with a higher rate or amount of interest, consideration, charge, or other payment received incident to the loan than is authorized by this chapter through any method, including mail, telephone, the Internet, or any electronic means, regardless of whether the person has a physical location in this state; or

(b) Receiving interest, fees, charges, or other payments in excess of those authorized by this chapter, regardless of whether the payment purports to be voluntary.

(2) A consumer finance loan made in violation of this section is void and uncollectible as to any principal, fee, interest, charge, or payment.

(3) If the consumer finance loan exceeds the rate authorized by s. 516.031, a person is deemed a lender subject to this section, regardless of whether the person purports to act as an agent or a service provider or in another capacity for another entity that is exempt from this chapter, if any of the following apply:

(a) The person holds, acquires, or maintains, directly or indirectly, the predominant economic interest, risk, or reward in the loan.

(b) The person:

1. Markets, solicits, brokers, arranges, facilitates, or services loans; and

2. Holds or has the right, requirement, or first right of refusal to acquire the loans, a share of receivables, or another direct or indirect interest in the loans or loan program.

(c) The totality of the circumstances indicate that the person is the lender and that the transaction is structured to evade the requirements of this chapter. Circumstances that weigh in favor of a person being a lender subject to this section include, without limitation, whether the person:

1. Indemnifies, insures, or protects an exempt entity from any costs or risks related to the loan;

2. Predominantly designs, controls, or operates the loan program;

3. Holds the trademark or intellectual property rights in the brand, underwriting system, or other core aspects of the loan program; or

4. Purports to act as an agent or a service provider or in another capacity for an exempt entity while acting directly as a lender in other states.

And the title is amended as follows:

Delete line 19 and insert: construction; creating s. 516.181, F.S.; prohibiting persons from engaging in actions to evade the requirements of ch. 516, F.S.; providing that consumer finance loans made in violation of such prohibitions are void and uncollectable; providing construction relating to when a person is deemed to be a lender subject to such prohibitions; creating s. 516.38, F.S.; requiring

**CS for HB 667**—A bill to be entitled An act relating to victim’s right to candor in criminal proceedings; amending s. 960.001, F.S.; requiring a victim to be notified that he or she has the right to be informed of specified information when contacted by certain persons acting on behalf of a defendant in a criminal proceeding; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 510** and read the second time by title.

Senator Burgess moved the following amendment:

**Amendment 1 (463652) (with title amendment)**—Before line 12 insert:

Section 1. Subsection (6) is added to section 92.55, Florida Statutes, to read:

92.55 Judicial or other proceedings involving victim or witness under the age of 18, a person who has an intellectual disability, or a sexual offense victim or witness; special protections; use of therapy animals or facility dogs.—

(6)(a) *Absent a showing of good cause, the defendant in a criminal action, or his or her representative, may not take the deposition of:*

1. *A victim in a sexual offense case who is under the age of 18.*
2. *Any victim who has an intellectual disability.*

(b) *Upon written motion by a defendant in a criminal action, or by his or her representative, that a deposition is necessary to assist at a criminal trial, that the evidence sought is not reasonably available by any other means, and that the probative value of the testimony outweighs any potential harm to the person to be deposed, the court may authorize the taking of a deposition and may order any protections deemed necessary, including those provided in this section.*

(c) *In ruling upon a motion filed under paragraph (b), the court may consider:*

1. *The mental and physical age and maturity of the victim.*
2. *The nature and duration of the offense.*
3. *The relationship of the victim to the defendant.*
4. *The complexity of the issues involved.*
5. *Whether the victim would suffer moderate psychological harm as a consequence of being compelled to testify at a deposition.*
6. *The functional capacity of the victim if he or she has an intellectual disability.*
7. *The willingness of the victim to be deposed.*
8. *Any other fact that the court deems relevant.*

(d) *The court shall make specific written findings of fact, on the record, as to the basis for its ruling under this subsection.*

And the title is amended as follows:

Delete lines 2-3 and insert: An act relating to victims of crime; amending s. 92.55, F.S.; prohibiting the deposition of specified victims in a criminal action, absent a showing of good cause; providing for

factors to be considered concerning such motions; requiring written findings on such motions; amending s. 960.001, F.S.;

Senator Pizzo moved the following amendment to **Amendment 1 (463652)** which failed:

**Amendment 1A (738394) (with title amendment)**—Delete lines 11-40 and insert:

(6) *A deposition may not be taken of a victim under 18 years of age in a sexual offense case or of a victim who has an intellectual disability without the presence of a circuit judge, a judicial magistrate, a certified circuit court mediator, or other magistrate officer appointed by the court.*

And the title is amended as follows:

Delete lines 47-51 and insert: 92.55, F.S.; prohibiting the taking of depositions of certain victims without the presence of a specified judge, magistrate, or mediator; amending s. 960.001, F.S.;

**Amendment 1 (463652)** was adopted.

—a companion measure, was substituted for **CS for CS for SB 594** and read the second time by title.

Senator Martin moved the following amendment:

**Amendment 1 (762726) (with title amendment)**—Delete lines 194-213 and insert:

3. Policyholders ~~whose policies issued by the corporation do not provide coverage for the peril of wind~~ are not required to purchase flood insurance as a condition for maintaining ~~the following their~~ policies issued by ~~with~~ the corporation:

- a. Policies that do not provide coverage for the peril of wind.
- b. Policies that provide coverage under a condominium unit owners form.

The flood insurance required under this paragraph must meet, at a minimum, the coverage available from the National Flood Insurance Program or the requirements of subparagraphs s. 627.715(1)(a)1., 2., and 3.

(ll) *In addition to any other method of alternative dispute resolution authorized by state law, the corporation may adopt policy forms that provide for the resolution of disputes regarding its claim determinations, including disputes regarding coverage for, or the scope and value of, a claim, in a proceeding before the Division of Administrative Hearings. Any such policies are not subject to s. 627.70154. All proceedings in the Division of Administrative Hearings pursuant to such policies are subject to ss. 57.105 and 768.79 as if filed in the courts of this state and are not considered chapter 120 administrative proceedings. Rule 1.442, Florida Rules of Civil Procedure, applies to any offer served pursuant to s. 768.79, except that, notwithstanding any provision in Rule 1.442, Florida Rules of Civil Procedure, to the contrary, an offer shall not be served earlier than 10 days after filing the request for hearing with the Division of Administrative Hearings and shall not be served later than 10 days before the date set for the final hearing. The administrative law judge in such proceedings shall award attorney fees and other relief pursuant to ss. 57.105 and 768.79. The corporation may not seek, and the office may not approve, a maximum hourly rate for attorney fees.*

And the title is amended as follows:

Delete lines 19-20 and insert: binding arbitration provisions; specifying applicable requirements, procedures, and restrictions relating to such

Senator Martin moved the following substitute amendment which was adopted:

**Substitute Amendment 2 (593712) (with title amendment)**—Delete lines 174-234 and insert:

- a. January 1, 2024, for a structure that has a dwelling replacement cost of ~~property valued at~~ \$600,000 or more.
- b. January 1, 2025, for a structure that has a dwelling replacement cost of ~~property valued at~~ \$500,000 or more.
- c. January 1, 2026, for a structure that has a dwelling replacement cost of ~~property valued at~~ \$400,000 or more.
- d. January 1, 2027, for all other personal lines residential property insured by the corporation.

2. All personal lines residential policyholders whose property insured by the corporation is located within the special flood hazard area defined by the Federal Emergency Management Agency must have flood coverage in place:

- a. At the time of initial policy issuance for all new personal lines residential policies issued by the corporation on or after April 1, 2023.

b. By the time of the policy renewal for all personal lines residential policies renewing on or after July 1, 2023.

3. Policyholders whose policies issued by the corporation do not provide coverage for the peril of wind are not required to purchase flood insurance as a condition for maintaining the following their policies issued by with the corporation:

- a. Policies that do not provide coverage for the peril of wind.
b. Policies that provide coverage under a condominium unit owners form.

The flood insurance required under this paragraph must meet, at a minimum, the coverage available from the National Flood Insurance Program or the requirements of subparagraphs s. 627.715(1)(a)1., 2., and 3.

(ll) In addition to any other method of alternative dispute resolution authorized by state law, the corporation may adopt policy forms that provide for the resolution of disputes regarding its claim determinations, including disputes regarding coverage for, or the scope and value of, a claim, in a proceeding before the Division of Administrative Hearings. Any such policies are not subject to s. 627.70154. All proceedings in the Division of Administrative Hearings pursuant to such policies are subject to ss. 57.105 and 768.79 as if filed in the courts of this state and are not considered chapter 120 administrative proceedings. Rule 1.442, Florida Rules of Civil Procedure, applies to any offer served pursuant to s. 768.79, except that, notwithstanding any provision in Rule 1.442, Florida Rules of Civil Procedure, to the contrary, an offer shall not be served earlier than 10 days after filing the request for hearing with the Division of Administrative Hearings and shall not be served later than 10 days before the date set for the final hearing. The administrative law judge in such proceedings shall award attorney fees and other relief pursuant to ss. 57.105 and 768.79. The corporation may not seek, and the office may not approve, a maximum hourly rate for attorney fees.

Section 4. Effective October 1, 2023, section 627.7155, Florida Statutes, is created to read:

627.7155 Wind and flood coverage in residential and commercial property insurance policies.—For residential and commercial property insurance policies issued or renewed on or after October 1, 2023:

(1) If a residential or commercial property insurer requires that an insured or applicant have coverage for the peril of flood when the insurer issues a policy covering the peril of wind, unless the insurer verifies that the insured or applicant has coverage for the peril of flood at the time the policy was issued or renewed, the insurer may not deny a claim for wind solely because the insured does not have coverage for the peril of flood, unless flood coverage that was verified at the time of application or renewal, or equivalent coverage, is not in force at the time of the loss.

And the title is amended as follows:

Delete lines 19-25 and insert: binding arbitration provisions; specifying applicable requirements, procedures, and restrictions relating to such proceedings; creating s. 627.7155, F.S.; prohibiting a property insurer that requires flood coverage as a condition for wind coverage from denying certain claims except under certain circumstances;

## MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Kathleen Passidomo, President

I am directed to inform the Senate that the House of Representatives has passed CS/CS/SB 250, with 1 amendment, and requests the concurrence of the Senate.

Jeff Takacs, Clerk

**CS for CS for SB 250**—A bill to be entitled An act relating to natural emergencies; creating ss. 125.023 and 166.0335, F.S.; defining the term "temporary shelter"; prohibiting counties and municipalities, respectively, from prohibiting temporary shelters on residential property for a specified timeframe under certain circumstances; amending s. 189.0695, F.S.; authorizing independent special fire control districts to file a specified report on an alternative schedule under certain circumstances; providing for retroactive application; amending s. 252.35, F.S.; requiring the Division of Emergency Management to post a model contract for debris removal on its website by a specified date; requiring the model contract to be annually updated by a specified date; requiring the division to prioritize technical assistance and training relating to natural disasters and emergencies to fiscally constrained counties; requiring the division to administer a revolving loan fund for certain local government projects; amending s. 252.363, F.S.; increasing the timeframe to exercise rights under a permit or other authorization; limiting the timeframe to exercise rights under a permit or other authorization to a certain timeframe when multiple natural emergencies occur; creating s. 252.391, F.S.; defining the term "local governmental entity"; encouraging local governmental entities to develop an emergency fi-

nanacial plan for major disasters; providing the contents of the emergency financial plan; recommending annual review of the emergency financial plan; amending s. 252.40, F.S.; authorizing local governments to create inspection teams for the review and approval of certain expedited permits; encouraging local governments to establish certain interlocal agreements; encouraging local governments to develop plans related to temporary accommodations of certain individuals; amending s. 287.055, F.S.; revising the definition of the term "continuing contract"; providing for the future expiration and reversion of specified statutory text; amending s. 288.066, F.S.; creating the Local Government Emergency Revolving Bridge Loan Program within the Department of Economic Opportunity to provide certain financial assistance to local governments impacted by federally declared disasters; conforming provisions to changes made by the act; providing construction; authorizing the department to provide interest-free loans to eligible local governments through specified means; requiring the department to prescribe a loan application; requiring the department to determine the loan amount based on certain factors; authorizing the department to deny a loan application and providing specified reasons for such denial; requiring the department to provide certain notice and make loan information available to eligible local governments; requiring loan repayments to be returned to the loan fund; providing that funds appropriated for the program are not subject to reversion; providing for expiration; amending s. 489.117, F.S.; authorizing a registered contractor to engage in contracting under certain circumstances; providing an expiration timeframe for such authorization; authorizing the local jurisdiction to discipline the registered contractor under certain circumstances; creating s. 553.7922, F.S.; requiring local governments impacted by certain emergencies to approve special processing procedures to expedite certain permits; amending s. 553.80, F.S.; prohibiting certain local governments from raising building inspection fees during a certain timeframe; providing for future expiration; prohibiting counties and municipalities located within a certain area from adopting or amending certain amendments or procedures for a specified period; declaring that such amendments or procedures are null and void; providing for retroactive application; providing that certain comprehensive plan amendments, land development regulations, site plans, and development permits or orders may be enforced; providing for expiration; amending s. 823.11, F.S.; authorizing certain persons to engage in a process relating to the removal and destruction of derelict vessels; providing appropriations; providing for the transfer of certain appropriated funds to the Economic Development Trust Fund of the Department of Economic Opportunity; requiring that loan repayments be repaid to the Economic Development Trust Fund; providing effective dates.

**House Amendment 1 (791633) (with title amendment)**—Remove everything after the enacting clause and insert:

Section 1. Section 125.023, Florida Statutes, is created to read:

125.023 *Temporary shelter prohibition.*—

(1) *For the purposes of this section, the term "temporary shelter" includes, but is not limited to, a recreational vehicle, trailer, or similar structure placed on a residential property.*

(2) *Notwithstanding any other law, ordinance, or regulation to the contrary, following the declaration of a state of emergency issued by the Governor for a natural emergency as defined in s. 252.34(8) during which a permanent residential structure was damaged and rendered uninhabitable, a county may not prohibit the placement of one temporary shelter on the residential property for up to 36 months after the date of the declaration or until a certificate of occupancy is issued on the permanent residential structure on the property, whichever occurs first, if all of the following circumstances apply:*

(a) *The resident makes a good faith effort to rebuild or renovate the damaged permanent residential structure, including, but not limited to, applying for a building permit, submitting a plan or design to the county, or obtaining a construction loan.*

(b) *The temporary shelter is connected to water and electric utilities and does not present a threat to health and human safety.*

(c) *The resident lives in the temporary structure.*

Section 2. Section 166.0335, Florida Statutes, is created to read:

166.0335 *Temporary shelter prohibition.*—

(1) *For the purposes of this section, the term “temporary shelter” includes, but is not limited to, a recreational vehicle, trailer, or similar structure placed on a residential property.*

(2) *Notwithstanding any other law, ordinance, or regulation to the contrary, following the declaration of a state of emergency issued by the Governor for a natural emergency as defined in s. 252.34(8) during which a permanent residential structure was damaged and rendered uninhabitable, a municipality may not prohibit the placement of one temporary shelter on the residential property for up to 36 months after the date of the declaration or until a certificate of occupancy is issued on the permanent residential structure on the property, whichever occurs first, if all of the following circumstances apply:*

(a) *The resident makes a good faith effort to rebuild or renovate the damaged permanent residential structure, including, but not limited to, applying for a building permit, submitting a plan or design to the municipality, or obtaining a construction loan.*

(b) *The temporary shelter is connected to water and electric utilities and does not present a threat to health and human safety.*

(c) *The resident lives in the temporary structure.*

Section 3. Effective upon becoming a law, paragraphs (bb), (cc), and (dd) are added to subsection (2) of section 252.35, Florida Statutes, to read:

252.35 *Emergency management powers; Division of Emergency Management.*—

(2) The division is responsible for carrying out the provisions of ss. 252.31-252.90. In performing its duties, the division shall:

(bb) *Post on its website a model of a local government contract for debris removal to be used by political subdivisions. The initial model contract must be posted to the website no later than June 1, 2023, and, thereafter, the model contract must be annually updated and posted to the website no later than June 1.*

(cc) *Prioritize technical assistance and training to fiscally constrained counties as defined in s. 218.67(1) on aspects of safety measures, preparedness, prevention, response, recovery, and mitigation relating to natural disasters and emergencies.*

(dd) *Administer a revolving loan program for local government hazard mitigation projects.*

Section 4. Paragraph (a) of subsection (1) of section 252.363, Florida Statutes, is amended to read:

252.363 *Tolling and extension of permits and other authorizations.*—

(1)(a) The declaration of a state of emergency issued by the Governor for a natural emergency tolls the period remaining to exercise the rights under a permit or other authorization for the duration of the emergency declaration. Further, the emergency declaration extends the period remaining to exercise the rights under a permit or other authorization for 24 ~~6~~ months in addition to the tolled period. *The extended period to exercise the rights under a permit or other authorization may not exceed 48 months in total in the event of multiple natural emergencies for which the Governor declares a state of emergency. The tolling and extension of permits and other authorizations under this paragraph shall apply retroactively to September 28, 2022.* This paragraph applies to the following:

1. The expiration of a development order issued by a local government.

2. The expiration of a building permit.

3. The expiration of a permit issued by the Department of Environmental Protection or a water management district pursuant to part IV of chapter 373.

4. Permits issued by the Department of Environmental Protection or a water management district pursuant to part II of chapter 373 for land subject to a development agreement under ss. 163.3220-163.3243 in which the permittee and the developer are the same or a related entity.

5. The buildout date of a development of regional impact, including any extension of a buildout date that was previously granted as specified in s. 380.06(7)(c).

6. The expiration of a development permit or development agreement authorized by Florida Statutes, including those authorized under the Florida Local Government Development Agreement Act, or issued by a local government or other governmental agency.

Section 5. Section 252.391, Florida Statutes, is created to read:

252.391 *Emergency financial plans.*—

(1) *As used in this section, the term “local governmental entity” means a county, municipality, or district school board.*

(2) *Each local governmental entity is encouraged to develop an emergency financial plan for major natural disasters that may impact its jurisdiction. Disasters include, but are not limited to, hurricanes, tornadoes, floods, and wildfires.*

(3) *Each emergency financial plan should be based on the likely frequency of the disaster’s occurrence. The financial plan should include a calculation of the costs for the natural disaster event and a determination of the financial resources available to the local governmental entity. If insufficient funds are available to address the disaster event, the emergency financial plan should identify strategies to close the gap between the disaster event costs and the local governmental entity’s financial capacity. Such strategies may include rainy day funds, reappropriating its annual budget, and borrowing.*

(4) *Local governmental entities should annually review their emergency financial plans to address changes in conditions.*

Section 6. Subsections (3) and (4) are added to section 252.40, Florida Statutes, to read:

252.40 *Mutual aid arrangements.*—

(3) *Local governments may create inspection teams to review and approve expedited permits for temporary housing solutions, repairs, and renovations after a natural disaster. Local governments are encouraged to establish interlocal agreements with other jurisdictions to provide additional inspection services during a state of emergency.*

(4) *Municipalities and counties are encouraged to develop and adopt plans to provide temporary accommodations for contractors, utility workers, first responders, and others dispatched to aid in hurricane recovery efforts. Public areas, including, but not limited to, fairgrounds and parking lots, may be used for tents and trailers for such temporary accommodations.*

Section 7. Effective upon becoming a law, paragraph (g) of subsection (2) of section 287.055, Florida Statutes, is amended to read:

287.055 *Acquisition of professional architectural, engineering, landscape architectural, or surveying and mapping services; definitions; procedures; contingent fees prohibited; penalties.*—

(2) **DEFINITIONS.**—For purposes of this section:

(g) A “continuing contract” is a contract for professional services entered into in accordance with all the procedures of this act between an agency and a firm whereby the firm provides professional services to the agency for projects in which the estimated construction cost of each individual project under the contract does not exceed \$4 million, for study activity if the fee for professional services for each individual study under the contract does not exceed \$500,000, or for work of a specified nature as outlined in the contract required by the agency, with the contract being for a fixed term or with no time limitation except that the contract must provide a termination clause. Firms providing professional services under continuing contracts shall not be required to bid against one another. *The term “continuing contract” includes con-*

tracts executed through December 31, 2023, for professional services to the agency for projects related to repairs and remediation to a specific site due to damage caused by Hurricane Ian in which the estimated construction cost for each individual project does not exceed \$15 million.

Section 8. *The amendments made by this act to s. 287.055(2)(g), Florida Statutes, expire on January 1, 2024, and the text of that paragraph shall revert to that in existence on the day before the date that this act became a law, except that any amendments to such text enacted other than by this act shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of the text which expire pursuant to this section.*

Section 9. Section 288.066, Florida Statutes, as created by section 1 of chapter 2023-1, Laws of Florida, is amended to read:

288.066 Local Government Emergency Revolving Bridge Loan Program.—

(1) CREATION.—The Local Government Emergency Revolving Bridge Loan Program is created, ~~subject to appropriation,~~ within the department to provide financial assistance to local governments impacted by ~~federally declared disasters Hurricane Ian or Hurricane Nicole.~~ The purpose of the loan program is to assist these local governments in maintaining *government* operations by bridging the gap between the time that the declared disaster occurred and the time that additional funding sources or revenues are secured to provide them with financial assistance.

(2) ELIGIBILITY.—To be eligible for a loan under the program, a local government must be a county or a municipality located in an area designated in ~~a the~~ Federal Emergency Management Agency disaster ~~declaration declarations for Hurricane Ian or Hurricane Nicole.~~ The local government must show that it may suffer or has suffered substantial loss of its tax or other revenues as a result of the ~~disaster hurricane~~ and demonstrate a need for financial assistance to enable it to continue to perform its governmental operations. *Access to and eligibility for the loan program supersedes any local government charter or borrowing limitations that would otherwise financially constrain the local government's ability to recover from a disaster.*

(3) LOAN TERMS.—

(a) The department may provide interest-free loans to eligible local governments through a promissory note or other form of written agreement evidencing an obligation to repay the borrowed funds *to the department.*

(b) The amount of each loan must be based upon demonstrated need ~~and must be disbursed to the local government in a lump sum.~~

(c) The term of the loan is *up to 24 months 1 year, unless otherwise extended by the department.* However, the department may extend loan terms for up to 6 months based on the local government's financial condition.

(4) APPLICATION.—*The department shall prescribe a loan application and may request any other information determined necessary by the department to review and evaluate the application. The eligible local government must submit a loan application within the 12 months after the date that the federal disaster was declared. Upon receipt of an application, the department shall review the application and may request additional information as necessary to complete the review and evaluation. If the loan application is approved, the department shall determine the amount to be loaned, which may be a lower amount than requested, based on the information provided and the total amount of funds available to be loaned and in relation to demonstrated need from other eligible applicants. If the loan application is denied, reasons for the denial may include, but are not limited to, the loan risk, an incomplete application, failure to demonstrate need, or the fact that receiving a loan may negatively affect the local government's eligibility for other federal programs.*

(5)(4) USE OF LOAN FUNDS.—A local government may use loan funds only to continue local governmental operations or to expand or modify such operations to meet disaster-related needs. The funds may not be used to finance or supplant funding for capital improvements or to repair or restore damaged public facilities or infrastructure.

(6)(5) LOAN REPAYMENT.—

(a) The local government may make payments against the loan at any time without penalty. Early repayment is encouraged as other funding sources or revenues become available *to the local government.*

(b) Loans become due and payable in accordance with the terms of the agreement.

(7)(6) ADMINISTRATION.—

(a) *Upon the issuance of a federal disaster declaration, the department shall provide notice of application requirements and the total amount of funds available and shall make loan information available to eligible local governments. Based upon the amount of funds in the Economic Development Trust Fund available to be loaned and anticipated balances, the department may make funds available in an amount reasonably related to the anticipated need, based upon the impacts of the federal disaster, up to the total amount available.* ~~The department may approve loans in the 2022-2023 fiscal year or the 2023-2024 fiscal year up to the total amount appropriated.~~

(b) The department must coordinate with the Division of Emergency Management *or other applicable state agencies* to assess whether such loans would affect reimbursement under federal programs for disaster-related expenses.

(c) *All repayments of principal and interest must be returned to the loan fund and made available as provided in this section. Notwithstanding s. 216.301, funds appropriated for this program are not subject to reversion.* ~~Upon receipt of any loan payment from a local government, the department shall transfer the funds to the General Revenue Fund.~~

(8)(7) RULES.—The department may adopt rules to implement this section.

(9)(8) EXPIRATION.—This section expires *July 1, 2038. A loan may not be awarded after June 30, 2038 June 30, 2027.* Upon expiration, all unencumbered funds and loan repayments *made on or after July 1, 2038, must be transferred* ~~revert~~ to the General Revenue Fund.

Section 10. Section 366.98, Florida Statutes, is created to read:

366.98 Public utility liability arising out of emergencies and disasters.—

(1) *A public utility is not liable for damages based in whole or in part on changes in the reliability, continuity, or quality of utility services which arise in any way out of an emergency or disaster, including, but not limited to, a state of emergency declared under s. 252.36. Consistent with the commission's jurisdiction over public utility rates and service, issues relating to the sufficiency of a public utility's disaster preparedness and response shall be resolved by the commission.*

(2) *This section does not create a new cause of action. In the event that there is a conflict between this section and any other section of the Florida Statutes, this section shall control.*

Section 11. Effective upon becoming a law, subsection (5) is added to section 489.117, Florida Statutes, to read:

489.117 Registration; specialty contractors.—

(5) *Notwithstanding paragraph (1)(b), a registered contractor may engage in contracting only for work covered by the registration within an area for which a state of emergency is declared pursuant to s. 252.36 for a natural emergency. This authorization terminates 24 months after the expiration of the declared state of emergency. The local jurisdiction that licenses the registered contractor may discipline the registered contractor for violations occurring outside the licensing jurisdiction which occur during the period such work is authorized under this subsection.*

Section 12. Section 553.7922, Florida Statutes, is created to read:

553.7922 Local government-expedited approval of certain permits.—*Following a state of emergency declared pursuant to s. 252.36 for a natural emergency, local governments impacted by the emergency shall approve special processing procedures to expedite permit issuance for permits that do not require technical review, including, but not limited*

to, roof repairs, reroofing, electrical repairs, service changes, or the replacement of one window or one door. Local governments may waive application and inspection fees for permits expedited under this section.

Section 13. Effective upon becoming a law, present subsections (8) and (9) of section 553.80, Florida Statutes, are redesignated as subsections (9) and (10), respectively, and a new subsection (8) is added to that section, to read:

553.80 Enforcement.—

(8) Effective January 1, 2023, local governments located in areas designated in the Federal Emergency Management Agency disaster declarations for Hurricane Ian or Hurricane Nicole may not raise building inspection fees, as authorized by s. 125.56(2) or s. 166.222 and this section, before October 1, 2024. This subsection expires June 30, 2025.

Section 14. (1) A county or municipality located entirely or partially within 100 miles of where either Hurricane Ian or Hurricane Nicole made landfall shall not propose or adopt any moratorium on construction, reconstruction, or redevelopment of any property damaged by Hurricane Ian or Hurricane Nicole; propose or adopt more restrictive or burdensome amendments to its comprehensive plan or land development regulations; or propose or adopt more restrictive or burdensome procedures concerning review, approval, or issuance of a site plan, development permit, or development order, to the extent that those terms are defined by s. 163.3164, Florida Statutes, before October 1, 2024, and any such moratorium or restrictive or burdensome comprehensive plan amendment, land development regulation, or procedure shall be null and void ab initio. This subsection applies retroactively to September 28, 2022.

(2) Notwithstanding subsection (1), any comprehensive plan amendment, land development regulation amendment, site plan, development permit, or development order approved or adopted by a county or municipality before or after the effective date of this section may be enforced if:

(a) The associated application is initiated by a private party other than the county or municipality.

(b) The property that is the subject of the application is owned by the initiating private party.

(3) This section shall take effect upon becoming a law and expire June 30, 2025.

Section 15. Paragraph (d) is added to subsection (2) of section 823.11, Florida Statutes, to read:

823.11 Derelict vessels; relocation or removal; penalty.—

(2)

(d) Notwithstanding the additional 45 days provided in sub-subparagraph (b)2.b. during which an owner or a responsible party may not be charged for a violation of this section, the commission, an officer of the commission, a law enforcement agency or officer specified in s. 327.70, or, during a state of emergency declared by the Governor, the Division of Emergency Management or its designee, may immediately begin the process set forth in s. 705.103(2)(a) and, once that process has been completed and the 45 days provided herein have passed, any vessel that has not been removed or repaired such that it is no longer derelict upon the waters of this state may be removed and destroyed as provided therein.

Section 16. For the 2023-2024 fiscal year, the sums of \$1 million in nonrecurring funds from the General Revenue Fund and \$10 million in nonrecurring funds from the Federal Grants Trust Fund are appropriated to the Division of Emergency Management to fund the Safeguarding Tomorrow Through Ongoing Risk Mitigation Act Revolving Loan Program. These funds shall be placed in reserve. The division is authorized to submit a budget amendment for release of the funds held in reserve for approval by the Legislative Budget Commission pursuant to chapter 216, Florida Statutes. Release is contingent upon documentation of an award or other approval by the Federal Emergency

Management Agency and the division's approved intended use plan for the funds.

Section 17. (1) For the 2023-2024 fiscal year, the sum of \$50 million in nonrecurring funds is appropriated from the General Revenue Fund to the Economic Development Trust Fund of the Department of Economic Opportunity to fund the Local Government Emergency Revolving Bridge Loan Program.

(2) Funds appropriated in section 3 of chapter 2023-1, Laws of Florida, for the Local Government Emergency Bridge Loan Program which have not been loaned to a local government pursuant to a loan agreement as of July 1, 2023, shall be transferred by nonoperating budget authority to the Economic Development Trust Fund of the Department of Economic Opportunity to be used for the Local Government Emergency Revolving Bridge Loan Program.

(3) Notwithstanding sections 1 and 3 of chapter 2023-1, Laws of Florida, all loan repayments for loans made under the Local Government Emergency Bridge Loan Program shall be repaid into the Economic Development Trust Fund and be made available for loans under the Local Government Emergency Revolving Bridge Loan Program.

Section 18. Notwithstanding the timeframe specified in s. 189.0695 (2)(c) and (d), Florida Statutes, an independent special fire control district located entirely or partially within 50 miles of where Hurricane Ian made landfall that was required to submit its final report of the performance review by July 1, 2023, may file such report no later than January 1, 2024.

Section 19. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon becoming a law, this act shall take effect July 1, 2023.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to natural emergencies; creating ss. 125.023 and 166.0335, F.S.; defining the term "temporary shelter"; prohibiting counties and municipalities, respectively, from prohibiting temporary shelters on residential property for a specified timeframe under certain circumstances; amending s. 252.35, F.S.; requiring the Division of Emergency Management to post a model contract for debris removal on its website by a specified date; requiring the model contract to be annually updated by a specified date; requiring the division to prioritize technical assistance and training relating to natural disasters and emergencies to fiscally constrained counties; requiring the division to administer a revolving loan fund for certain local government projects; amending s. 252.363, F.S.; increasing the timeframe to exercise rights under a permit or other authorization; limiting the timeframe to exercise rights under a permit or other authorization to a certain timeframe when multiple natural emergencies occur; providing for retroactive application; creating s. 252.391, F.S.; defining the term "local governmental entity"; encouraging local governmental entities to develop an emergency financial plan for major disasters; providing the contents of the emergency financial plan; recommending annual review of the emergency financial plan; amending s. 252.40, F.S.; authorizing local governments to create inspection teams for the review and approval of certain expedited permits; encouraging local governments to establish certain interlocal agreements; encouraging local governments to develop plans related to temporary accommodations of certain individuals; amending s. 287.055, F.S.; revising the definition of the term "continuing contract"; providing for the future expiration and reversion of specified statutory text; amending s. 288.066, F.S.; creating the Local Government Emergency Revolving Bridge Loan Program within the Department of Economic Opportunity to provide certain financial assistance to local governments impacted by federally declared disasters; conforming provisions to changes made by the act; providing construction; authorizing the department to provide interest-free loans to eligible local governments through specified means; requiring the department to prescribe a loan application; requiring the department to determine the loan amount based on certain factors; authorizing the department to deny a loan application and providing specified reasons for such denial; requiring the department to provide certain notice and make loan information available to eligible local governments; requiring loan repayments to be returned to the loan fund; providing that funds appropriated for the program are not subject to reversion; providing for

expiration; creating s. 366.98, F.S.; providing liability protection for public utilities in certain circumstances; authorizing the Florida Public Service Commission to resolve certain issues; providing applicability; amending s. 489.117, F.S.; authorizing a registered contractor to engage in contracting under certain circumstances; providing an expiration timeframe for such authorization; authorizing the local jurisdiction to discipline the registered contractor under certain circumstances; creating s. 553.7922, F.S.; requiring local governments impacted by certain emergencies to approve special processing procedures to expedite certain permits; amending s. 553.80, F.S.; prohibiting certain local governments from raising building inspection fees during a certain timeframe; providing for future expiration; prohibiting counties and municipalities located within a certain area from adopting or amending certain moratoriums, amendments, or procedures for a specified period; declaring that such moratoriums, amendments, or procedures are null and void; providing for retroactive application; providing that certain comprehensive plan amendments, land development regulations, site plans, and development permits or orders may be enforced; providing for expiration; amending s. 823.11, F.S.; authorizing certain persons to engage in a process relating to the removal and destruction of derelict vessels; providing appropriations; providing for the transfer of certain appropriated funds to the Economic Development Trust Fund of the Department of Economic Opportunity; requiring that loan repayments be repaid to the Economic Development Trust Fund; authorizing certain independent special fire control districts to file a specified report on an alternative schedule; providing effective dates.

## PRAYER

The following prayer was offered by Pastor Derricke Gray, River of Life Church, Crawfordville:

Heavenly Father, your word instructs us to pray for those in authority over us, so we stand here today in obedience to that command. We thank you for the freedom and privilege to do that in a public setting. Those who serve in this chamber have been given a noble and weighty responsibility—to serve the common good of the State of Florida. As they attend to the work before them on this day, I pray that you grant them patience, wisdom, and courage: patience to work with one another while remembering that every person here is made in the image of God, wisdom to come to the right decisions, and the courage to carry them out. May they be guided by your providence and strengthened by your common grace in order to fulfill your purposes in the work they do. Let us always remember that to you, and you alone, we must all one day stand and give account. God, bless them and bless this great state. In Christ’s name, I ask these things. Amen.

## PLEDGE

Senate Pages, Demetria Coley of Tallahassee; Elias Nieves of Daytona Beach; and Ashlyn Riley of Wesley Chapel, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## DOCTOR OF THE DAY

The President recognized Dr. Jennifer Chan of Daytona Beach, sponsored by Senator Hutson, as the doctor of the day. Dr. Chan specializes in emergency medicine.

## ADOPTION OF RESOLUTIONS

At the request of Senator Burton—

By Senator Burton—

**SR 392**—A resolution recognizing the urgent need for the expansion of existing comprehensive cardiovascular screening programs and for the creation of new initiatives to allow for earlier identification of patients at risk of cardiovascular events to decrease the number of deaths attributable to atherosclerotic cardiovascular disease.

WHEREAS, cardiovascular disease is the leading cause of death in the United States, and

WHEREAS, in 2019, about 21 million patients were diagnosed with atherosclerotic cardiovascular disease (ASCVD), making them at risk for a cardiovascular event, and

WHEREAS, ASCVD is linked to the build-up of cholesterol in the arteries, and the risk of associated events can be modified by lowering low-density lipoprotein cholesterol (LDL-C), and

WHEREAS, it is estimated that in 2019 more than 102 million Americans 20 years of age or older had total cholesterol levels that exceeded what is considered the healthy range, and

WHEREAS, in 2022, some 43.1 million Americans were being treated with lipid-lowering therapies to manage cardiovascular risk, and

WHEREAS, that year, only 20 percent of people with ASCVD who were taking statins, one of the leading lipid-lowering therapies, achieved healthy levels of LDL-C, and

WHEREAS, ASCVD has a substantial economic impact on our society, with national expenditures for the prevention and treatment of ASCVD totaling \$126 billion in 2015, a number that is projected to reach \$309 billion in 2035, and

WHEREAS, in Florida, more than 1.65 million adults were diagnosed and told by a health professional in 2019 that they had angina or coronary artery disease or had suffered a stroke or heart attack, all of which are manifestations of ASCVD, and

WHEREAS, Centers for Disease Control (CDC) data shows that in that same year, ASCVD was reported as an underlying cause of death for 34,781 Floridians, and CDC survey data compiled in that period shows that 814,700 Florida adults reported having experienced a heart attack and 628,900 reported having experienced a stroke in their lifetimes, and

WHEREAS, one report estimates that Floridians spend \$9.64 billion annually on direct medical expenses for ASCVD care, NOW, THEREFORE,

*Be It Resolved by the Senate of the State of Florida:*

That the extraordinarily high cost to Floridians of atherosclerotic cardiovascular disease is recognized and that, in collaboration with the Federal Government, as appropriate, state agencies are encouraged to

expand comprehensive cardiovascular screening programs to allow for earlier identification of patients at risk for cardiovascular events.

BE IT FURTHER RESOLVED that the activities implemented by the Department of Health and its partners to support the overall strategies of tracking and monitoring clinical quality measures, implementing team-based care, and linking community resources and clinical services are recognized as is the importance of vigilance in the administration of the department’s HeartHealth+ Program to accelerate quality improvements in the care rendered to patients who are at risk of or who have symptoms of ASCVD so that screening, treatment, monitoring, and improved health outcomes are achieved.

—was introduced, read, and adopted by publication.

**COMMUNICATION**

The Honorable Kathleen Passidomo  
 President, The Florida Senate

caused or been a substantial factor in causing the overdose or serious bodily injury of the user.

(b) A person 18 years of age or older who commits a violation of paragraph (a) and who has previously been convicted of a violation of paragraph (a) commits a felony of the first degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(3) The administration of medical care by an emergency responder, including, but not limited to, a law enforcement officer, a paramedic, or an emergency medical technician is prima facie evidence that the person receiving medical care experienced an overdose or serious bodily injury.

Section 3. Subsections (1) and (2) of section 893.21, Florida Statutes, is amended to read:

893.21 Alcohol-related or drug-related overdoses; medical assistance; immunity from arrest, charge, prosecution, and penalization.—

(1) A person acting in good faith who seeks medical assistance for an individual experiencing, or believed to be experiencing, an alcohol-related or a drug-related overdose may not be arrested, charged, prosecuted, or penalized for a violation of s. 782.04(4)(b); s. 893.131; s. 893.147(1) or s. 893.13(6), excluding paragraph (c), if the evidence for such offense was obtained as a result of the person’s seeking medical assistance.

(2) A person who experiences, or has a good faith belief that he or she is experiencing, an alcohol-related or a drug-related overdose and is in need of medical assistance may not be arrested, charged, prosecuted, or penalized for a violation of s. 782.04(4)(b); s. 893.131; s. 893.147(1) or s. 893.13(6), excluding paragraph (c), if the evidence for such offense was obtained as a result of the person’s seeking medical assistance.

And the title is amended as follows:

Delete lines 7-15 and insert: the second degree; requiring mandatory minimum terms of imprisonment for specified convictions; defining the term “substantial factor”; creating s. 893.131, F.S.; providing definitions; providing criminal penalties for adults who unlawfully distribute specified substances or mixtures and an overdose or serious bodily injury of the user results; providing enhanced criminal penalties for repeat offenders; providing construction; amending s. 893.21, F.S.; providing that specified persons have certain protections from arrest and prosecution under specified circumstances;

**Amendment 1 (809834) (with title amendment)**—Between lines 576 and 577 insert:

Section 14. Paragraph (a) of subsection (1) of section 341.061, Florida Statutes, is amended to read:

341.061 Transit safety standards; inspections and system safety reviews.—

(1)(a) The department shall adopt by rule minimum safety standards for governmentally owned fixed-guideway transportation systems, ~~and~~ privately owned or operated fixed-guideway transportation systems operating in this state which are financed wholly or partly by state funds, *and any governmentally or privately owned fixed-guideway transportation systems operating in this state which are located within an independent special district created by local act which have boundaries within two contiguous counties*. Standards must be site-specific for fixed-guideway transportation systems and shall be developed jointly by the department and representatives of the affected systems, giving full consideration to nationwide industry safety norms relating to the development and operation of fixed-guideway transportation systems. *The department shall conduct structural safety inspections in adherence with s. 335.074 for any fixed-guideway transportation systems that are raised or have bridges, as appropriate. Inspectors shall follow departmental safety protocols during safety inspections, including requiring the suspension of system service to ensure the safety and welfare of inspectors and the traveling public during such inspections.*

And the title is amended as follows:

Delete line 86 and insert: transportation plans; amending s. 341.061, F.S.; requiring the department to adopt by rule minimum safety standards for certain fixed-guideway transportation systems; requiring the department to conduct certain structural inspections and follow certain safety protocols during such inspections; amending s. 341.071, F.S.;

**CS for CS for HB 783**—A bill to be entitled An act relating to emergency opioid antagonists; amending s. 381.887, F.S.; revising definitions; revising the types of delivery systems a pharmacist may order or use to dispense an emergency opioid antagonist; creating s. 397.335, F.S.; establishing the Statewide Council on Opioid Abatement within the Department of Children and Families; providing for purpose of the council; providing for membership, organization and support, and duties of the council; providing an effective date.

—a companion measure, was substituted for **CS for SB 704** and read the second time by title.

Senator Boyd moved the following amendment which was adopted:

**Amendment 1 (542946) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Paragraphs (b) and (c) of subsection (1) and paragraphs (a) and (b) of subsection (3) of section 381.887, Florida Statutes, are amended to read:

381.887 Emergency treatment for suspected opioid overdose.—

(1) As used in this section, the term:

(b) “Authorized health care practitioner” means a licensed practitioner authorized by the laws of this state to prescribe or dispense drugs.

(c) “Caregiver” means a family member, friend, or person in a position to have recurring contact with a person at risk of experiencing an opioid overdose.

(3)(a) An authorized health care practitioner may prescribe and dispense an emergency opioid antagonist to, and a pharmacist may order an emergency opioid antagonist with an autoinjection delivery system, a *prefilled injection device delivery system*, or an intranasal application delivery system for, a patient or caregiver for use in accordance with this section.

(b) A pharmacist may dispense an emergency opioid antagonist pursuant to a prescription by an authorized health care practitioner. A pharmacist may dispense an emergency opioid antagonist with an autoinjection delivery system, a *prefilled injection device delivery system*, or an intranasal application delivery system, which must be appropriately labeled with instructions for use, pursuant to a pharmacist’s order or pursuant to a nonpatient-specific standing order.

Section 2. Section 397.335, Florida Statutes, is created to read:

*397.335 Statewide Council on Opioid Abatement.—*

(1) *ESTABLISHMENT.—The Statewide Council on Opioid Abatement, an advisory council as defined in s. 20.03(7), is created within the department for the purpose of enhancing the development and coordination of state and local efforts to abate the opioid epidemic and to support the victims and families of the crisis.*

(2) *MEMBERSHIP.—*

(a) *Notwithstanding s. 20.052, the council shall be composed of the following members:*

1. *The Attorney General, or his or her designee, who shall serve as chair.*
2. *The secretary of the department, or his or her designee, who shall serve as vice chair.*
3. *One member appointed by the Governor.*
4. *One member appointed by the President of the Senate.*
5. *One member appointed by the Speaker of the House of Representatives.*
6. *Two members appointed by the Florida League of Cities who are commissioners or mayors of municipalities. One member shall be from a municipality with a population of fewer than 50,000 people.*
7. *Two members appointed by or through the Florida Association of Counties who are county commissioners or mayors. One member shall be appointed from a county with a population of fewer than 200,000, and one member shall be appointed from a county with a population of more than 200,000.*
8. *One member who is either a county commissioner or county mayor appointed by the Florida Association of Counties or who is a commissioner or mayor of a municipality appointed by the Florida League of Cities. The Florida Association of Counties shall appoint such member for the initial term, and future appointments must alternate between a member appointed by the Florida League of Cities and a member appointed by the Florida Association of Counties.*

(b) *Each member shall serve a 2-year term. Any vacancy shall be filled in the same manner as the original appointment for the remainder of the unexpired term.*

(c) *A member may not receive a commission, fee, or financial benefit in connection with serving on the council. Council members may be reimbursed for per diem and travel expenses in accordance with s. 112.061 by the state agency that the member represents. If the member is not affiliated with a state agency, the member shall be reimbursed by the department.*

(3) *ORGANIZATION AND SUPPORT.—*

(a) *The first meeting of the council must be held by August 31, 2023.*

(b) *The council shall meet quarterly and upon the call of the chair or two other members. Meetings of the council may take place in person or through electronic transmission using communications media technology as described in s. 120.54(5)(b)2.*

(c) *A majority of the members of the council shall constitute a quorum.*

(d) *The department and the Department of Legal Affairs shall provide the council with staff necessary to assist the council in the performance of its duties.*

(e) *The council may apply for and accept funds, grants, gifts, and services from the state, the Federal Government or any of its agencies, or any other public or private source for the purposes of defraying costs or performing its duties.*

(f) *All members shall adhere to all applicable general law, rules, and regulations, including, but not limited to, s. 112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.*

(4) **DUTIES.—**

(a) *The council shall advise the state and local governments on resolving or abating the opioid epidemic and review how settlement moneys recovered from the opioid litigation brought by the state and its subdivisions have been spent and the results that have been achieved from those expenditures.*

(b) *The council shall work with, provide information to, and receive information from the Statewide Drug Policy Advisory Council and ensure that its recommendations and actions are consistent with that council's recommendations to the extent possible.*

(c) *The council shall review data from local, state, and national agencies, both on a regional and a statewide basis, to advise state and local governments on the status, severity, and stage of the opioid epidemic.*

(d) *The council shall review data from local governments, other states, and national agencies regarding how moneys are being spent to abate the opioid epidemic, the success of such programs, and the appropriate metrics needed to assess the epidemic and progress in abating it.*

(e) *By June 30 of each year, each county, municipality, managing entity, or state agency that receives settlement funds from an opioid settlement shall provide information to the council related to how it intends to use settlement funds and how it intends to collect data regarding its use of funds.*

(f) *By August 31 of each year, each county, municipality, managing entity, or state agency that receives settlement funds from an opioid settlement must provide information to the council related to its expenditure of settlement funds and the results obtained from those expenditures.*

(g) *The council shall develop and recommend metrics, measures, or datasets to assess the progress and success of programs funded by expenditures of opioid settlement funds. The council must attempt to keep such metrics, measures, or datasets consistent with those used by the state with managing entities, as well as any metrics, measures, or datasets required by the Substance Abuse and Mental Health Services Administration of the United States Department of Health and Human Services in connection with any grants received by the state. Upon request of the council, a county, municipality, managing entity, or state agency must provide the council data or information required to develop such metrics, measures, or datasets.*

(h) *The council, with assistance and support of the department, shall provide a system of documentation and reporting in accordance with the requirements of federal agencies and any other agencies providing funding to the state, including auditing expenditures consistent with any requirements imposed by the Legislature.*

(i) *By December 1, 2023, and annually thereafter, the council shall provide and publish an annual report. The report shall contain information on how settlement moneys were spent the previous fiscal year*

*by the state, each of the managing entities, and each of the counties and municipalities. The report shall also contain recommendations to the Governor, the Legislature, and local governments for how moneys should be prioritized and spent the coming fiscal year to respond to the opioid epidemic.*

(j) *The report shall be posted on the websites of the department and the Department of Legal Affairs.*

Section 3. Section 1004.0971, Florida Statutes, is created to read:

*1004.0971 Emergency opioid antagonists in Florida College System institution and state university housing.—*

(1) *As used in this section, the term:*

(a) *“Administer” or “administration” means to introduce an emergency opioid antagonist into the body of a person.*

(b) *“Emergency opioid antagonist” means naloxone hydrochloride or any similarly acting drug that blocks the effects of opioids administered from outside the body and that is approved by the United States Food and Drug Administration for the treatment of an opioid overdose.*

(c) *“Institution” means a Florida College System institution or state university.*

(2) *Each institution must have a supply of emergency opioid antagonists with an autoinjection or intranasal application delivery system in each residence hall or dormitory residence owned or operated by the institution for the administration of emergency opioid antagonists to a person believed to be experiencing an opioid overdose.*

(3) *Each institution must place the emergency opioid antagonists in a clearly marked location within each residence hall or dormitory residence. The emergency opioid antagonist must be easily accessible to campus law enforcement officers who are trained in the administration of emergency opioid antagonists.*

(4) *Public and private partnerships are encouraged to cover the cost associated with the purchase and placement of such emergency opioid antagonists.*

(5) *Notwithstanding any other provision of law to the contrary, any campus law enforcement officer trained in the administration of emergency opioid antagonists who administers or attempts to administer an emergency opioid antagonist in compliance with ss. 381.887 and 768.13, and the institution that employs such officer, are immune from civil or criminal liability as a result of such administration or attempted administration of an emergency opioid antagonist.*

(6) *The State Board of Education and the Board of Governors shall adopt rules and regulations, respectively, to administer this section in cooperation with the Department of Health.*

Section 4. This act shall take effect July 1, 2023.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to opioid abatement; amending s. 381.887, F.S.; revising definitions; revising the types of delivery systems a pharmacist may order or use to dispense an emergency opioid antagonist; creating s. 397.335, F.S.; establishing the Statewide Council on Opioid Abatement within the Department of Children and Families; providing the purpose of the council; providing for membership, organization and support, and duties of the council; creating s. 1004.0971, F.S.; providing definitions; requiring each Florida College System institution and state university to have a supply of emergency opioid antagonists in certain residence halls or dormitory residences; providing requirements for the placement and accessibility of emergency opioid antagonists; encouraging public and private partnerships to cover the costs of such emergency opioid antagonists; providing specified campus law enforcement and Florida College System institutions and state universities immunity from liability for the administration or attempted administration of emergency opioid antagonists under certain circumstances; requiring the State Board of Education and the Board of Governors to adopt rules and regulations, respectively, in cooperation with the Department of Health; providing an effective date.

*(a) Provide comprehensive, medically accurate, and factual information that is developmentally and age appropriate. As used in this paragraph, the term:*

1. *“Comprehensive information” means information that:*

a. *Helps young people gain knowledge about the physical, biological, and hormonal changes of adolescence and subsequent stages of human maturation;*

b. *Develops the knowledge and skills necessary to protect young people with respect to their sexual and reproductive health and to promote an understanding of sexuality as a normal part of human development;*

c. *Helps young people gain knowledge about responsible decision-making and consent;*

d. *Is culturally competent and appropriate for use with young people of any race, sex, gender identity, sexual orientation, or ethnic or cultural background;*

e. *Develops healthy attitudes and behaviors concerning growth, development, and body image;*

f. *Encourages young people to practice healthy life skills, including negotiation and refusal skills, to assist in overcoming peer pressure and use effective decisionmaking skills to avoid high-risk activities;*

g. *Promotes self-esteem and positive interpersonal skills, focusing on skills needed to develop healthy relationships and interactions, and provides young people with the knowledge and skills necessary to have healthy, positive, and safe relationships and behaviors; and*

h. *Includes medically accurate information about all methods of contraception and each method's effectiveness rate, including, but not limited to, abstinence.*

2. *“Developmentally and age appropriate” means suitable for particular ages or age groups of children and adolescents based on the developing cognitive, emotional, and behavioral capacity typical for that age or age group.*

3. *“Factual information” includes, but is not limited to, medical, psychiatric, psychological, empirical, and statistical statements.*

4. *“Medically accurate information” means information relevant to informed decisionmaking which is based on scientific evidence, consistent with generally recognized scientific theory, identified under accepted scientific methods, published in peer-reviewed journals, and recognized as accurate, objective, and complete by mainstream professional organizations, including, but not limited to, the American Medical Association, the American College of Obstetricians and Gynecologists, the American Public Health Association, and the American Academy of Pediatrics; government agencies, including the United States Centers for Disease Control and Prevention, the United States Food and Drug Administration, and the National Institutes of Health; and scientific advisory groups, including The National Academy of Medicine and the Advisory Committee on Immunization Practices. The deliberate withholding of information that is needed to protect the life and health of an individual is considered medically inaccurate.*

regarding an objection by a parent ~~or a resident of the county~~ to the use of a specific material, which clearly describes a process to handle all objections and provides for resolution. *The objection form, as prescribed by State Board of Education rule, and the district school board's process must be easy to read and understand and be easily accessible on the homepage of the school district's website. The process must provide the parent ~~or resident~~ the opportunity to proffer evidence to the district school board that:*

a. An instructional material does not meet the criteria of s. 1006.31(2) or s. 1006.40(3)(d) if it was selected for use in a course or otherwise made available to students in the school district but was not subject to the public notice, review, comment, and hearing procedures under s. 1006.283(2)(b)8., 9., and 11.

b. Any material used in a classroom, made available in a school or classroom library, or included on a reading list contains content that:

(I) Is pornographic or prohibited under s. 847.012;;

(II) *Depicts or describes sexual conduct as defined in s. 847.001, unless such material is for a course required by s. 1003.46 or s. 1003.42(2)(n)1.g. or identified by State Board of Education rule;*

(III) Is not suited to student needs and their ability to comprehend the material presented; or

(IV) Is inappropriate for the grade level and age group for which the material is used.

*Any material that is subject to an objection on the basis of sub-sub-subparagraph b.(I) or sub-sub-subparagraph b.(II) must be made unavailable to students until the objection is resolved. Parents have the right to read aloud at public meetings passages from material that is subject to an objection. If the district school board finds that an instructional material does not meet the criteria under sub-subparagraph a. or that any other material contains prohibited content under sub-subparagraph b., the school district shall discontinue use of the material for any grade level or age group for which such use is inappropriate or unsuitable.*

3. Each district school board must establish a process by which the parent of a public school student ~~or a resident of the county~~ may contest the district school board's adoption of a specific instructional material. The parent ~~or resident~~ must file a petition, on a form provided by the school board, within 30 calendar days after the adoption of the instructional material by the school board. The school board must make the form available to the public and publish the form on the school district's website. The form must be signed by the parent ~~or resident~~, include the required contact information, and state the objection to the instructional material based on the criteria of s. 1006.31(2) or s. 1006.40(3)(d). Within 30 days after the 30-day period has expired, the school board must, for all petitions timely received, conduct at least one open public hearing before an unbiased and qualified hearing officer. The hearing officer may not be an employee or agent of the school dis-

trict. The hearing is not subject to the provisions of chapter 120; however, the hearing must provide sufficient procedural protections to allow each petitioner an adequate and fair opportunity to be heard and present evidence to the hearing officer. The school board's decision after convening a hearing is final and not subject to further petition or review.

4. Meetings of committees convened for the purpose of ranking, eliminating, or selecting instructional materials for recommendation to the district school board must be noticed and open to the public in accordance with s. 286.011. Any committees convened for such purposes must include parents of ~~district~~ students *who will have access to such materials.*

5. *Meetings of committees convened for the purpose of resolving an objection by a parent to specific materials must be noticed and open to the public in accordance with s. 286.011. Any committees convened for such purpose must include parents of students who will have access to such materials.*

And the title is amended as follows:

Delete lines 32-37 and insert: libraries; revising who may bring an objection to the use of a specific material; requiring that a specified objection form and district school board process meet certain requirements; providing requirements for materials used in a classroom library; revising the criteria a parent must meet to object to certain materials used in the classroom; requiring certain

Pending further consideration of **CS for CS for SB 1114**, pursuant to Rule 3.11(3), there being no objection, **CS for CS for HB 919** was withdrawn from the Committee on Fiscal Policy.

On motion by Senator Rodriguez—

**CS for CS for HB 919**—A bill to be entitled An act relating to homeowners’ associations; providing a short title; amending s. 720.303, F.S.; requiring certain officers or directors of an association be removed from office under certain circumstances; specifying how a vacancy on the board must be filled; providing restrictions on certain officers and

directors; specifying when an officer or director may be reinstated; requiring an association to maintain designated addresses as official records; specifying what constitutes a designated address; making conforming changes; prohibiting certain funds from being commingled with other association funds; authorizing a member to request an accounting from an association under certain circumstances; requiring an association to provide such accounting and remit unused funds to the member within specified timeframes; amending s. 720.3033, F.S.; providing criminal and civil penalties for certain actions by officers, directors, or managers of an association; defining the term “kickback”; requiring directors and officers of the association who are appointed by the developer to disclose certain information to the association; requiring directors and officers of the association to disclose certain activity to the association within a specified time frame; creating a rebuttable presumption of a conflict of interest if certain acts occur; amending s. 720.305, F.S.; restricting certain attorney fees and fines; specifying the types of violations for which an association may levy fines; providing a maximum aggregate fine amount; prohibiting a fine from becoming a lien on a parcel; revising amount of notice the board of administration must give a parcel owner before imposing a fine or suspension; specifying where such notice must be delivered; providing requirements for such notice; authorizing parcel owners to attend certain hearings by telephone or other electronic means; expanding duties of a specified committee; requiring a specified notice after a hearing; specifying how fines, suspensions, attorney fees, and costs are determined; requiring a detailed accounting of amounts due to the association be given to certain persons within a certain timeframe upon written request; providing for a complete waiver of a violation under certain circumstances; specifying the priority of payments made by a parcel owner to an association; prohibiting the accrual of attorney fees and costs after a specified time; authorizing certain persons to request a hearing to dispute certain fees and costs; providing for the waiver of certain fines or suspensions; requiring certain fines, fees, or other costs be paid by an association; conforming provisions to changes made by the act; creating s. 720.3065, F.S.; providing criminal penalties for certain fraudulent voting activities; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 1114** and read the second time by title.

Senator Rodriguez moved the following amendment which was adopted:

**Amendment 1 (217604) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. *This act may be cited as the “Homeowners’ Associations Bill of Rights.”*

Section 2. Paragraph (c) of subsection (2) and paragraph (g) of subsection (4) of section 720.303, Florida Statutes, are amended, and paragraph (d) is added to subsection (8) of that section, to read:

720.303 Association powers and duties; meetings of board; official records; budgets; financial reporting; association funds; recalls.—

(2) BOARD MEETINGS.—

(c) The bylaws shall provide the following for giving notice to parcel owners and members of all board meetings and, if they do not do so, shall be deemed to include the following:

1. Notices of all board meetings *must specifically identify agenda items for the meetings and* must be posted in a conspicuous place in the community at least 48 hours in advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the community, notice of each board meeting must be mailed or delivered to each member at least 7 days before the meeting, except in an emergency. Notwithstanding this general notice requirement, for communities with more than 100 members, the association bylaws may provide for a reasonable alternative to posting or mailing of notice for each board meeting, including publication of notice, provision of a schedule of board meetings, or the conspicuous posting and repeated broadcasting of the notice on a closed-circuit cable television system serving the homeowners’ association. However, if broadcast notice is used in lieu of a notice posted physically in the community, the notice must be broadcast at least four times every broadcast hour of each day that a posted notice is otherwise required. When broadcast notice is

provided, the notice and agenda must be broadcast in a manner and for a sufficient continuous length of time so as to allow an average reader to observe the notice and read and comprehend the entire content of the notice and the agenda. In addition to any of the authorized means of providing notice of a meeting of the board, the association may, by rule, adopt a procedure for conspicuously posting the meeting notice and the agenda on the association’s website or an application that can be downloaded on a mobile device for at least the minimum period of time for which a notice of a meeting is also required to be physically posted on the association property. Any rule adopted must, in addition to other matters, include a requirement that the association send an electronic notice to members whose e-mail addresses are included in the association’s official records in the same manner as is required for a notice of a meeting of the members. Such notice must include a hyperlink to the website or such mobile application on which the meeting notice is posted. The association may provide notice by electronic transmission in a manner authorized by law for meetings of the board of directors, committee meetings requiring notice under this section, and annual and special meetings of the members to any member who has provided a facsimile number or e-mail address to the association to be used for such purposes; however, a member must consent in writing to receiving notice by electronic transmission.

2. An assessment may not be levied at a board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of the assessments. Written notice of any meeting at which special assessments will be considered or at which amendments to rules regarding parcel use will be considered must be mailed, delivered, or electronically transmitted to the members and parcel owners and posted conspicuously on the property or broadcast on closed-circuit cable television not less than 14 days before the meeting.

3. Directors may not vote by proxy or by secret ballot at board meetings, except that secret ballots may be used in the election of officers. This subsection also applies to the meetings of any committee or other similar body, when a final decision will be made regarding the expenditure of association funds, and to any body vested with the power to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a member of the community.

(4) OFFICIAL RECORDS.—The association shall maintain each of the following items, when applicable, which constitute the official records of the association:

(g) A current roster of all members and their *designated mailing addresses and parcel identifications. A member’s designated mailing address is the member’s property address, unless the member has sent written notice to the association requesting that a different mailing address be used for all required notices.* The association shall also maintain the ~~e-mail~~ ~~electronic-mailing~~ addresses and the ~~facsimile~~ numbers designated by members for receiving notice sent by electronic transmission of those members consenting to receive notice by electronic transmission. *A member’s e-mail address is the e-mail address the member provided when consenting in writing to receiving notice by electronic transmission, unless the member has sent written notice to the association requesting that a different e-mail address be used for all required notices.* The ~~e-mail~~ ~~electronic-mailing~~ addresses and ~~facsimile~~ numbers provided by ~~members~~ ~~unit owners~~ to receive notice by electronic transmission ~~must~~ ~~shall~~ be removed from association records when the member ~~revokes~~ consent to receive notice by electronic transmission ~~is revoked~~. However, the association is not liable for an erroneous disclosure of the ~~e-mail~~ ~~electronic-mail~~ address or the ~~facsimile~~ number for receiving electronic transmission of notices.

(8) ASSOCIATION FUNDS; COMMINGLING.—

(d) *If an association collects a deposit from a member for any reason, including to pay for expenses that may be incurred as a result of construction on a member’s parcel, such funds must be maintained separately and may not be commingled with any other association funds. Upon completion of the member’s construction project or other reason for which the deposit was collected, the member may request an accounting from the association of his or her funds that were deposited, and the association must provide such accounting to the member within 7 days after receiving the member’s request. An association must remit payment of any unused funds to the member within 30 days after receiving notice*

that the member's construction project, or other reason for which the deposit was collected, is complete.

Section 3. Subsections (3) and (4) of section 720.3033, Florida Statutes, are amended, and subsection (6) is added to that section, to read:

720.3033 Officers and directors.—

(3) An officer, a director, or a manager may not solicit, offer to accept, or accept any thing of value or service of value for which consideration has not been provided for his or her benefit or for the benefit of a member of his or her immediate family from any person providing or proposing to provide goods or services to the association. *An officer, a director, or a manager who knowingly solicits, offers to accept, or accepts any thing or service of value or kickback for which consideration has not been provided for his or her own benefit or that of his or her immediate family from any person providing or proposing to provide goods or services to the association is subject to monetary damages under s. 617.0834.* If the board finds that an officer or a director has violated this subsection, the board shall immediately remove the officer or director from office. The vacancy shall be filled according to law until the end of the officer's or director's term of office. However, an officer, a director, or a manager may accept food to be consumed at a business meeting with a value of less than \$25 per individual or a service or good received in connection with trade fairs or education programs.

(4)(a) A director or an officer charged by information or indictment with any of the following crimes must be removed from office:

1. Forgery of a ballot envelope or voting certificate used in a homeowners' association election as provided in s. 831.01.
2. Theft or embezzlement involving the association's funds or property as provided in s. 812.014.
3. Destruction of or the refusal to allow inspection or copying of an official record of a homeowners' association which is accessible to parcel owners within the time periods required by general law, in furtherance of any crime. Such act constitutes tampering with physical evidence as provided in s. 918.13.
4. Obstruction of justice as provided in chapter 843.

(b) ~~a felony theft or embezzlement offense involving the association's funds or property is removed from office.~~ The board shall fill the vacancy as provided in s. 720.306(9) according to general law until the end of the period of the suspension or the end of the director's term of office, whichever occurs first. *If such criminal charge is pending against the officer or director, he or she may not be appointed or elected to a position as an officer or a director of any association and may not have access to the official records of any association, except pursuant to a court order.* However, if the charges are resolved without a finding of guilt or without acceptance of a plea of guilty or nolo contendere, the director or officer shall be reinstated for any remainder of his or her term of office. ~~A member who has such criminal charges pending may not be appointed or elected to a position as a director or officer.~~

(6)(a) *Directors and officers of an association who are appointed by the developer must disclose to the association their relationship to the developer each calendar year in which they serve as a director or an officer. Directors and officers appointed by the developer must disclose any other activity that may reasonably be construed to be a conflict of interest pursuant to paragraph (b). A developer's appointment of an officer or director does not create a presumption that the officer or director has a conflict of interest with regard to the performance of his or her official duties.*

(b) *Directors and officers must disclose to the association any activity that may be reasonably construed to be a conflict of interest at least 14 days before voting on an issue or entering into a contract that is the subject of the conflict. A rebuttable presumption of a conflict of interest exists if any of the following acts occur without prior disclosure to the association:*

1. A director or an officer, or a relative of a director or an officer, enters into a contract for goods or services with the association.
2. A director or an officer, or a relative of a director or an officer, holds an interest in a corporation, limited liability company, partner-

ship, limited liability partnership, or other business entity that conducts business with the association or proposes to enter into a contract or other transaction with the association.

Section 4. Subsections (1), (2), and (5) of section 720.305, Florida Statutes, are amended to read:

720.305 Obligations of members; remedies at law or in equity; levy of fines and suspension of use rights.—

(1) Each member and the member's tenants, guests, and invitees, and each association, are governed by, and must comply with, this chapter, the governing documents of the community, and the rules of the association. Actions at law or in equity, or both, to redress alleged failure or refusal to comply with these provisions may be brought by the association or by any member against:

- (a) The association;
- (b) A member;
- (c) Any director or officer of an association who willfully and knowingly fails to comply with these provisions; and
- (d) Any tenants, guests, or invitees occupying a parcel or using the common areas.

The prevailing party in any such litigation is entitled to recover reasonable attorney fees and costs as provided in paragraph (2)(e). A member prevailing in an action between the association and the member under this section, in addition to recovering his or her reasonable attorney fees, may recover additional amounts as determined by the court to be necessary to reimburse the member for his or her share of assessments levied by the association to fund its expenses of the litigation. This relief does not exclude other remedies provided by law. This section does not deprive any person of any other available right or remedy.

(2) An association may levy reasonable fines for violations of the declaration, association bylaws, or reasonable rules of the association. A fine may not exceed \$100 per violation against any member or any member's tenant, guest, or invitee for the failure of the owner of the parcel or its occupant, licensee, or invitee to comply with any provision of the declaration, the association bylaws, or reasonable rules of the association unless otherwise provided in the governing documents. A fine may be levied by the board for each day of a continuing violation, with a single notice and opportunity for hearing, except that the fine may not exceed \$1,000 in the aggregate unless otherwise provided in the governing documents. A fine of less than \$1,000 may not become a lien against a parcel. In any action to recover a fine, the prevailing party is entitled to reasonable attorney fees and costs from the nonprevailing party as determined by the court.

(a) An association may suspend, for a reasonable period of time, the right of a member, or a member's tenant, guest, or invitee, to use common areas and facilities for the failure of the owner of the parcel or its occupant, licensee, or invitee to comply with any provision of the declaration, the association bylaws, or reasonable rules of the association. This paragraph does not apply to that portion of common areas used to provide access or utility services to the parcel. A suspension may not prohibit an owner or tenant of a parcel from having vehicular and pedestrian ingress to and egress from the parcel, including, but not limited to, the right to park.

(b) A fine or suspension levied by the board of administration may not be imposed unless the board first provides at least 14 days' notice to the parcel owner at his or her designated mailing or e-mail address in the association's official records and, if applicable, any occupant, licensee, or invitee of the parcel owner, sought to be fined or suspended and an opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, director, or employee. *The notice must include a description of the alleged violation, the specific action required to cure such violation, if applicable, and the date and location of the hearing. A parcel owner has the right to attend a hearing by telephone or other electronic means.*

(c) If the committee, by majority vote, does not approve a proposed fine or suspension, the proposed fine or suspension may not be imposed. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the board.

(d) After the hearing, the committee shall provide written notice to the parcel owner at his or her designated mailing or e-mail address in the association’s official records and, if applicable, any occupant, licensee, or invitee of the parcel owner, of the committee’s findings related to the violation, including any applicable fines or suspensions that the committee approved or rejected, and how the parcel owner or any occupant, licensee, or invitee of the parcel owner may cure the violation, if applicable.

(e) If the proposed fine or suspension levied by the board is approved by the committee by a majority vote, the fine payment is due 5 days after notice of the approved fine required under paragraph (d) is provided to the parcel owner and, if applicable, to any occupant, licensee, or invitee of the parcel owner. The association must provide written notice of such fine or suspension by mail or hand delivery to the parcel owner and, if applicable, to any occupant, licensee, or invitee of the parcel owner.

(5) All suspensions imposed under ~~pursuant to~~ subsection (3) or subsection (4) must be approved at a properly noticed board meeting. Upon approval, the ~~board association~~ must send written notice to ~~notify~~ the parcel owner and, if applicable, the parcel’s occupant, licensee, or invitee by mail or hand delivery to the parcel owner’s designated mailing or e-mail address in the association’s official records.

Section 5. Section 720.3065, Florida Statutes, is created to read:

720.3065 *Fraudulent voting activities relating to association elections; penalties.*—Each of the following acts is a fraudulent voting activity relating to association elections and constitutes a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083:

(1) Willfully and falsely swearing to or affirming an oath or affirmation, or willfully procuring another person to falsely swear to or affirm an oath or affirmation, in connection with or arising out of voting activities.

(2) Perpetrating or attempting to perpetrate, or aiding in the perpetration of, fraud in connection with a vote cast, to be cast, or attempted to be cast.

(3) Preventing a member from voting or preventing a member from voting as he or she intended by fraudulently changing or attempting to change a ballot, ballot envelope, vote, or voting certificate of the member.

(4) Menacing, threatening, or using bribery or any other corruption to attempt, directly or indirectly, to influence, deceive, or deter a member when the member is voting.

(5) Giving or promising, directly or indirectly, anything of value to another member with the intent to buy the vote of that member or another member or to corruptly influence that member or another member in casting his or her vote. This subsection does not apply to any food served which is to be consumed at an election rally or a meeting or to any item of nominal value which is used as an election advertisement, including a campaign message designed to be worn by a member.

(6) Using or threatening to use, directly or indirectly, force, violence, or intimidation or any tactic of coercion or intimidation to induce or compel a member to vote or refrain from voting in an election or on a particular ballot measure.

Section 6. This act shall take effect October 1, 2023.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to homeowners’ associations; providing a short title; amending s. 720.303, F.S.; requiring that notices for board meetings specifically identify agenda items; requiring an association to maintain designated addresses as official records; specifying what constitutes a designated address; conforming provisions to changes made by the act; prohibiting certain funds from being commingled with other association funds; authorizing a member to request an accounting from an association under certain circumstances; requiring an asso-

ciation to provide such accounting and remit unused funds to the member within specified timeframes; amending s. 720.3033, F.S.; providing civil penalties for certain actions by officers, directors, or managers of an association; revising the circumstances under which a director or an officer must be removed from office after being charged by information or indictment; prohibiting such officers and directors with pending criminal charges from accessing the official records of any association; providing an exception; requiring certain directors and officers to make a specified disclosure; specifying that the appointment of officers or directors by a developer does not create a presumption of a conflict of interest for such officers or directors; requiring directors and officers of the association to disclose certain activity and relationships to the association within a specified timeframe; creating a rebuttable presumption of a conflict of interest if certain acts occur; amending s. 720.305, F.S.; restricting certain attorney fees and fines; specifying the types of violations for which an association may levy fines; specifying where certain notice must be delivered; providing requirements for such notice; authorizing parcel owners to attend certain hearings by telephone or other electronic means; requiring a specified notice after a hearing; conforming provisions to changes made by the act; creating s. 720.3065, F.S.; providing criminal penalties for certain fraudulent voting activities; providing an effective date.

Senator Simon moved the following amendment which was adopted:

**Amendment 1 (440924) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Paragraph (h) is added to subsection (1) of section 215.971, Florida Statutes, to read:

215.971 Agreements funded with federal or state assistance.—

(1) An agency agreement that provides state financial assistance to a recipient or subrecipient, as those terms are defined in s. 215.97, or that provides federal financial assistance to a subrecipient, as defined by applicable United States Office of Management and Budget circulars, must include all of the following:

(h) *If the agency agreement provides federal or state financial assistance to a county or municipality that is a rural community or rural area of opportunity as those terms are defined in s. 288.0656(2), a provision allowing the agency to provide for the payment of invoices to the county, municipality, or rural area of opportunity as that term is defined in s. 288.0656(2), for verified and eligible performance that has been completed in accordance with the terms and conditions set forth in the agreement. This provision is included to alleviate the financial hardships that certain rural counties and municipalities encounter when administering agreements, and must be exercised by the agency when a county or municipality demonstrates financial hardship, to the extent that federal or state law, rule, or other regulation allows such payments. This paragraph may not be construed to alter or limit any other provisions of federal or state law, rule, or other regulation.*

Section 2. Paragraphs (b), (c), and (e) of subsection (2) and subsection (3) of section 288.0655, Florida Statutes, are amended to read:

288.0655 Rural Infrastructure Fund.—

(2)

(b) To facilitate access of rural communities and rural areas of opportunity as defined by the Rural Economic Development Initiative to infrastructure funding programs of the Federal Government, such as those offered by the United States Department of Agriculture and the United States Department of Commerce, and state programs, including those offered by Rural Economic Development Initiative agencies, and to facilitate local government or private infrastructure funding efforts, the department may award grants for up to 75 ~~50~~ percent of the total infrastructure project cost, *or up to 100 percent of the total infrastructure project cost for a project located in a rural community as defined in s. 288.0656(2) which is also located in a fiscally constrained county as defined in s. 218.67(1) or a rural area of opportunity as defined in s. 288.0656(2). Eligible projects must be related to specific job creation or job retention opportunities.* Eligible uses of funds ~~projects~~ may ~~also~~ include improving any inadequate infrastructure that has resulted in regulatory action that prohibits economic or community growth *and*; reducing the costs to community users of proposed infrastructure improvements that exceed such costs in comparable communities; ~~and improving access to and the availability of broadband Internet service.~~ Eligible uses of funds ~~shall~~ include improvements to public infra-

structure for industrial or commercial sites *and*; upgrades to or development of public tourism infrastructure, ~~and improvements to broadband Internet service and access in unserved or underserved rural communities. Improvements to broadband Internet service and access must be conducted through a partnership or partnerships with one or more dealers, as defined in s. 202.11(2), and the partnership or partnerships must be established through a competitive selection process that is publicly noticed.~~ Authorized infrastructure may include the following public or public-private partnership facilities: storm water systems; telecommunications facilities; ~~broadband facilities~~; roads or other remedies to transportation impediments; nature-based tourism facilities; or other physical requirements necessary to facilitate tourism, trade, and economic development activities in the community. Authorized infrastructure may also include publicly or privately owned self-powered nature-based tourism facilities, publicly owned telecommunications facilities, ~~and broadband facilities~~, and additions to the distribution facilities of the existing natural gas utility as defined in s. 366.04(3)(c), the existing electric utility as defined in s. 366.02, or the existing water or wastewater utility as defined in s. 367.021(12), or any other existing water or wastewater facility, which owns a gas or electric distribution system or a water or wastewater system in this state *when where*:

1. A contribution-in-aid of construction is required to serve public or public-private partnership facilities under the tariffs of any natural gas, electric, water, or wastewater utility as defined herein; and

2. Such utilities as defined herein are willing and able to provide such service.

~~(c) To facilitate timely response and induce the location or expansion of specific job creating opportunities,~~ The department may award grants of up to \$300,000 for infrastructure feasibility studies, design and engineering activities, or other infrastructure planning and preparation activities. ~~Authorized grants shall be up to \$50,000 for an employment project with a business committed to create at least 100 jobs; up to \$150,000 for an employment project with a business committed to create at least 200 jobs; and up to \$300,000 for a project in a rural area of opportunity.~~ Grants awarded under this paragraph may be used in conjunction with grants awarded under paragraph (b), ~~provided that the total amount of both grants does not exceed 30 percent of the total project cost.~~ In evaluating applications under this paragraph, the department shall consider the extent to which the application seeks to minimize administrative and consultant expenses.

(e) To enable local governments to access the resources available pursuant to s. 403.973(18), the department may award grants for surveys, feasibility studies, and other activities related to the identification and preclearance review of land which is suitable for preclearance review. Authorized grants under this paragraph may not exceed \$75,000 each, except in the case of a project in a rural area of opportunity, in which case the grant may not exceed \$300,000. Any funds awarded under this paragraph must be matched at a level of 50 percent with local funds, except that any funds awarded for a project in a rural area of opportunity ~~do not require a match of~~ ~~must be matched at a level of 33 percent with~~ local funds. If an application for funding is for a catalyst site, as defined in s. 288.0656, the requirement for local match may be waived pursuant to the process in s. 288.06561. In evaluating applications under this paragraph, the department shall consider the extent to which the application seeks to minimize administrative and consultant expenses.

(3) The department, in consultation with Enterprise Florida, Inc., the Florida Tourism Industry Marketing Corporation, the Department of Environmental Protection, and the Florida Fish and Wildlife Conservation Commission, as appropriate, shall review and certify applications pursuant to s. 288.061. The review ~~must~~ ~~shall~~ include an evaluation of the economic benefit of the projects and their long-term viability. The department shall have final approval for any grant under this section.

Section 3. This act shall take effect July 1, 2023.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to rural development; amending s. 215.971, F.S.; requiring certain agency agreements to include a provision au-

thorizing the agency to provide for the payment of specified invoices to certain counties or municipalities for certain verified and eligible performance; providing intent; providing construction; amending s. 288.0655, F.S.; revising the percentages of total infrastructure project cost which the Department of Economic Opportunity may award through grants from the Rural Infrastructure Fund; revising authorized uses of eligible funds; deleting a provision requiring that eligible projects be related to specified opportunities; deleting provisions allowing eligible funds to be used for broadband Internet service and access; authorizing the department to award grants up to a specified amount for specified planning and preparation activities; deleting a restriction on dual grant awards being used which would exceed a specified percentage threshold; revising a provision that requires that awarded funds for specified surveys or other activities be matched with a specified amount of local funds; providing an effective date.

Pending further consideration of **CS for CS for SB 1632**, pursuant to Rule 3.11(3), there being no objection, **CS for CS for HB 1379** was withdrawn from the Committee on Fiscal Policy.

On motion by Senator Brodeur—

**CS for CS for HB 1379**—A bill to be entitled An act relating to environmental protection; amending s. 163.3177, F.S.; revising the required components of a local government comprehensive plan capital improvements element and general sanitary sewer, solid waste, drainage, potable water, and natural groundwater aquifer recharge element; making technical changes; requiring the update of comprehensive plans by a specified date; providing applicability; amending s. 253.025, F.S.; increasing the estimated value threshold of land acquisition agreements that are required to be submitted to and approved by the Board of Trustees of the Internal Improvement Trust Fund; removing the requirement that agreements to acquire initial lands for Florida Forever projects be submitted to and approved by the board of trustees; increasing the estimated value threshold for the appraisal of certain land acquisitions; requiring, rather than authorizing, the Department of Environmental Protection to disclose appraisal reports to private landowners or their representatives during negotiations for certain land acquisitions; removing a provision requiring private landowners to maintain confidentiality of such reports; specifying the authority of the board of trustees or the department, as applicable, to acquire certain parcels at full value as determined by the highest approved appraisal; amending s. 259.032, F.S.; authorizing the board of trustees to acquire interests in lands that complete certain linkages within the Florida wildlife corridor; conforming a provision to changes made by the act; making technical changes; amending s. 259.105, F.S.; requiring the Department of Agriculture and Consumer Services to submit an updated priority list for the acquisition of certain agricultural lands to the Acquisition and Restoration Council by a specified date; providing construction; conforming cross-references; deleting an obsolete provision; requiring the council to give increased priority to specified projects; creating s. 373.469, F.S.; providing legislative findings and intent; defining terms; providing the components of the Indian River Lagoon Protection Program; requiring the department to evaluate and update the basin management action plans within the program at specified intervals; requiring the department, in coordination with specified entities, to identify and prioritize strategies and projects to achieve certain water quality standards and total maximum daily loads; requiring the department, in coordination with specified entities, to implement the Indian River Lagoon Watershed Research and Water Quality Monitoring Program for specified purposes; prohibiting the installation of new onsite sewage treatment and disposal systems beginning on a specified date under certain circumstances; requiring that commercial or residential properties with existing onsite sewage treatment and disposal systems be connected to central sewer or be upgraded to a certain system by a specified date; providing construction; authorizing the department and the governing boards of the St. Johns River Water Management District and the South Florida Water Management District to adopt rules; amending s. 373.501, F.S.; requiring, rather than authorizing, the department to transfer appropriated funds to the water management districts for specified purposes; requiring the districts to annually report to the department on the use of such funds; amending s. 373.802, F.S.; defining the term “enhanced nutrient-reducing onsite sewage treatment and disposal system”; amending s. 373.807, F.S.; conforming a cross-reference; revising requirements for onsite sewage treatment and disposal system remediation plans for springs; amending s. 373.811, F.S.; prohibiting new onsite sewage treatment and disposal systems within basin management action plans in effect for Outstanding Florida Springs under certain circumstances; authorizing the installation of enhanced or alternative systems for certain lots; amending s. 375.041, F.S.; requiring an annual appropriation from the Land Acquisition Trust Fund to the department for the acquisition of specified lands; deleting an obsolete provision; amending s. 381.0065, F.S.; defining the term “enhanced nutrient-reducing onsite sewage treatment and disposal system”; amending s. 381.00655, F.S.; encour-

aging local governmental agencies that receive funding for connecting onsite sewage treatment and disposal systems to central sewer facilities to provide notice of the funding availability to certain owners of onsite sewage treatment and disposal systems and to maintain a website with certain information regarding the funding; reordering and amending s. 403.031, F.S.; defining and revising terms; amending s. 403.067, F.S.; revising requirements for new or revised basin management action plans; requiring that basin management action plans include 5-year milestones for implementation; requiring certain entities to identify projects or strategies to meet such milestones; prohibiting the installation of new onsite sewage treatment and disposal systems within specified areas under certain circumstances; requiring the installation of enhanced or alternative systems for certain lots; revising requirements for a basin management action plan's cooperative agricultural regional water quality improvement element; amending s. 403.0673, F.S.; renaming the wastewater grant program as the water quality improvement grant program; revising the purposes of the grant program; specifying the projects for which the department may provide grants under the program; requiring the department to prioritize certain projects; requiring the department to coordinate with each water management district to annually identify projects; requiring the department to coordinate with specified entities to identify projects; revising reporting requirements; amending s. 403.086, F.S.; revising the waters that sewage disposal facilities are prohibited from disposing wastes into; amending s. 570.71, F.S.; requiring the Department of Agriculture and Consumer Services, in consultation with the Department of Environmental Protection, the water management districts, the Department of Economic Opportunity, and the Florida Fish and Wildlife Conservation Commission, to adopt rules giving funding priority and preference to specified lands; requiring the Department of Agriculture and Consumer Services to submit certain purchase agreements to the Board of Trustees of the Internal Improvement Trust Fund for approval; amending s. 570.715, F.S.; increasing the estimated value threshold for the appraisal of specified conservation easement acquisitions; requiring, rather than authorizing, the Department of Agriculture and Consumer Services to disclose appraisal reports to private landowners or their representatives during negotiations for certain land acquisitions; amending ss. 201.15, 259.105, 373.019, 373.4132, 373.414, 373.4142, 373.430, 373.4592, 403.890, 403.892, 403.9301, and 403.9302, F.S.; conforming cross-references and provisions to changes made by the act; reenacting s. 259.045(6), F.S., relating to the purchase of lands in areas of critical state concern, to incorporate the amendment made to s. 259.032, F.S., in a reference thereto; providing a declaration of important state interest; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 1632** and read the second time by title.

Senator Brodeur moved the following amendment which was adopted:

**Amendment 1 (729674)**—Delete lines 758-1881 and insert:  
*loads.—The department, in coordination with the Department of Agriculture and Consumer Services, the St. Johns River Water Management District, South Florida Water Management District, local governments, the Indian River Lagoon National Estuary Program, and other stakeholders, shall identify and prioritize strategies and projects necessary to achieve water quality standards within the Indian River Lagoon watershed and meet the total maximum daily loads. Projects identified from this evaluation must be incorporated into the Banana River Lagoon Basin Management Action Plan, Central Indian River Lagoon Basin Management Action Plan, North Indian River Lagoon Basin Management Action Plan, and Mosquito Lagoon Reasonable Assurance Plan, as appropriate.*

(c) *Indian River Lagoon Watershed Research and Water Quality Monitoring Program.—The department, in coordination with the St. Johns River Water Management District, the South Florida Water Management District, and the Indian River Lagoon National Estuary Program, shall implement the Indian River Lagoon Watershed Research and Water Quality Monitoring Program to establish a comprehensive water quality monitoring network throughout the Indian River Lagoon and fund research pertaining to water quality, ecosystem restoration, and seagrass impacts and restoration. The department shall use the results from the program to prioritize projects and to make modifications to the Banana River Lagoon Basin Management Action Plan, Central Indian River Lagoon Basin Management Action Plan, North Indian River Lagoon Basin Management Action Plan, and Mosquito Lagoon Reasonable Assurance Plan, as appropriate.*

(d) *Onsite sewage treatment and disposal systems.—*

1. *Beginning on January 1, 2024, unless previously permitted, the installation of new onsite sewage treatment and disposal systems is prohibited within the Banana River Lagoon Basin Management Action Plan, Central Indian River Lagoon Basin Management Action Plan, North Indian River Lagoon Basin Management Action Plan, and Mosquito Lagoon Reasonable Assurance Plan areas where a publicly owned or investor-owned sewerage system is available as defined in s. 381.0065(2)(a). Where central sewerage is not available, only enhanced nutrient-reducing onsite sewage treatment and disposal systems or other wastewater treatment systems that achieve at least 65 percent nitrogen reduction are authorized.*

2. *By July 1, 2030, any commercial or residential property with an existing onsite sewage treatment and disposal system located within the Banana River Lagoon Basin Management Action Plan, Central Indian River Lagoon Basin Management Action Plan, North Indian River Lagoon Basin Management Action Plan, and Mosquito Lagoon Reasonable Assurance Plan areas must connect to central sewer if available or upgrade to an enhanced nutrient-reducing onsite sewage treatment and disposal system or other wastewater treatment system that achieves at least 65 percent nitrogen reduction.*

(4) **RELATIONSHIP TO STATE WATER QUALITY STANDARDS.**—*This section may not be construed to modify any existing state water quality standard or to modify s. 403.067(6) and (7)(a).*

(5) **PRESERVATION OF AUTHORITY.**—*This section may not be construed to restrict the authority otherwise granted to agencies pursuant to this chapter and chapter 403, and this section is supplemental to the authority granted to agencies pursuant to this chapter and chapter 403.*

(6) **RULES.**—*The department and governing boards of the St. Johns River Water Management District and South Florida Water Management District may adopt rules pursuant to ss. 120.536(1) and 120.54 to implement this section.*

Section 6. Subsection (1) of section 373.501, Florida Statutes, is amended to read:

373.501 Appropriation of funds to water management districts.—

(1) *The department shall transfer ~~may allocate~~ to the water management districts, ~~from~~ funds appropriated to the districts through the department in; such sums as ~~may be~~ deemed necessary to defray the costs of the administrative, regulatory, and other operational activities of the districts. The governing boards shall submit annual budget requests for such purposes to the department, and the department shall consider such budgets in preparing its budget request for the Legislature. The districts shall annually report to the department on the use of the funds.*

Section 7. Present subsections (2) through (8) of section 373.802, Florida Statutes, are redesignated as subsections (3) through (9), respectively, and a new subsection (2) is added to that section, to read:

373.802 Definitions.—As used in this part, the term:

(2) *“Enhanced nutrient-reducing onsite sewage treatment and disposal system” means an onsite sewage treatment and disposal system approved by the department as capable of meeting or exceeding a 50 percent total nitrogen reduction before disposal of wastewater in the drainfield, or at least 65 percent total nitrogen reduction combined from the onsite sewage tank or tanks and drainfield.*

Section 8. Subsections (2) and (3) of section 373.807, Florida Statutes, are amended to read:

373.807 Protection of water quality in Outstanding Florida Springs.—By July 1, 2016, the department shall initiate assessment, pursuant to s. 403.067(3), of Outstanding Florida Springs or spring systems for which an impairment determination has not been made under the numeric nutrient standards in effect for spring vents. Assessments must be completed by July 1, 2018.

(2) By July 1, 2017, each local government, as defined in s. 373.802(3) ~~s. 373.802(2)~~, that has not adopted an ordinance pursuant to

s. 403.9337, shall develop, enact, and implement an ordinance pursuant to that section. It is the intent of the Legislature that ordinances required to be adopted under this subsection reflect the latest scientific information, advancements, and technological improvements in the industry.

(3) As part of a basin management action plan that includes an Outstanding Florida Spring, the department, relevant local governments, and relevant local public and private wastewater utilities shall develop an onsite sewage treatment and disposal system remediation plan for a spring if the department determines onsite sewage treatment and disposal systems within a *basin management action plan priority focus area* contribute at least 20 percent of nonpoint source nitrogen pollution or if the department determines remediation is necessary to achieve the total maximum daily load. The plan ~~must~~ *shall* identify cost-effective and financially feasible projects necessary to reduce the nutrient impacts from onsite sewage treatment and disposal systems and shall be completed and adopted as part of the basin management action plan no later than the first 5-year milestone required by subparagraph (1)(b)8. The department is the lead agency in coordinating the preparation of and the adoption of the plan. The department shall:

(a) Collect and evaluate credible scientific information on the effect of nutrients, particularly forms of nitrogen, on springs and springs systems; and

(b) Develop a public education plan to provide area residents with reliable, understandable information about onsite sewage treatment and disposal systems and springs.

In addition to the requirements in s. 403.067, the plan ~~must~~ *shall* include options for repair, upgrade, replacement, drainfield modification, addition of effective nitrogen reducing features, connection to a central sewerage system, or other action for an onsite sewage treatment and disposal system or group of systems within a *basin management action plan priority focus area* that contribute at least 20 percent of nonpoint source nitrogen pollution or if the department determines remediation is necessary to achieve a total maximum daily load. For these systems, the department shall include in the plan a priority ranking for each system or group of systems that requires remediation and shall award funds to implement the remediation projects contingent on an appropriation in the General Appropriations Act, which may include all or part of the costs necessary for repair, upgrade, replacement, drainfield modification, addition of effective nitrogen reducing features, initial connection to a central sewerage system, or other action. In awarding funds, the department may consider expected nutrient reduction benefit per unit cost, size and scope of project, relative local financial contribution to the project, and the financial impact on property owners and the community. The department may waive matching funding requirements for proposed projects within an area designated as a rural area of opportunity under s. 288.0656.

Section 9. Section 373.811, Florida Statutes, is amended to read:

373.811 Prohibited activities within a *basin management action plan priority focus area*.—The following activities are prohibited within a *basin management action plan priority focus area* in effect for an Outstanding Florida Spring:

(1) New domestic wastewater disposal facilities, including rapid infiltration basins, with permitted capacities of 100,000 gallons per day or more, except for those facilities that meet an advanced wastewater treatment standard of no more than 3 mg/l total nitrogen, expressed as N, on an annual permitted basis, or a more stringent treatment standard if the department determines the more stringent standard is necessary to attain a total maximum daily load for the Outstanding Florida Spring.

(2) New onsite sewage treatment and disposal systems *where connection to a publicly owned or investor-owned sewerage system is available as defined in s. 381.0065(2)(a). On lots of 1 acre or less, if a publicly owned or investor-owned sewerage system is not available, only the installation of enhanced nutrient-reducing onsite sewage treatment and disposal systems or other wastewater treatment systems that achieve at least 65 percent nitrogen reduction are authorized on lots of less than 1 acre, if the addition of the specific systems conflicts with an onsite treatment and disposal system remediation plan incorporated into a basin management action plan in accordance with s. 373.807(3).*

(3) New facilities for the disposal of hazardous waste.

(4) The land application of Class A or Class B domestic wastewater biosolids not in accordance with a department approved nutrient management plan establishing the rate at which all biosolids, soil amendments, and sources of nutrients at the land application site can be applied to the land for crop production while minimizing the amount of pollutants and nutrients discharged to groundwater or waters of the state.

(5) New agriculture operations that do not implement best management practices, measures necessary to achieve pollution reduction levels established by the department, or groundwater monitoring plans approved by a water management district or the department.

Section 10. Subsection (3) of section 375.041, Florida Statutes, is amended to read:

375.041 Land Acquisition Trust Fund.—

(3) Funds distributed into the Land Acquisition Trust Fund pursuant to s. 201.15 shall be applied:

(a) First, to pay debt service or to fund debt service reserve funds, rebate obligations, or other amounts payable with respect to Florida Forever bonds issued under s. 215.618; and pay debt service, provide reserves, and pay rebate obligations and other amounts due with respect to Everglades restoration bonds issued under s. 215.619; and

(b) Of the funds remaining after the payments required under paragraph (a), but before funds may be appropriated, pledged, or dedicated for other uses:

1. A minimum of the lesser of 25 percent or \$200 million shall be appropriated annually for Everglades projects that implement the Comprehensive Everglades Restoration Plan as set forth in s. 373.470, including the Central Everglades Planning Project subject to congressional authorization; the Long-Term Plan as defined in s. 373.4592(2); and the Northern Everglades and Estuaries Protection Program as set forth in s. 373.4595. From these funds, \$32 million shall be distributed each fiscal year through the 2023-2024 fiscal year to the South Florida Water Management District for the Long-Term Plan as defined in s. 373.4592(2). After deducting the \$32 million distributed under this subparagraph, from the funds remaining, a minimum of the lesser of 76.5 percent or \$100 million shall be appropriated each fiscal year through the 2025-2026 fiscal year for the planning, design, engineering, and construction of the Comprehensive Everglades Restoration Plan as set forth in s. 373.470, including the Central Everglades Planning Project, the Everglades Agricultural Area Storage Reservoir Project, the Lake Okeechobee Watershed Project, the C-43 West Basin Storage Reservoir Project, the Indian River Lagoon-South Project, the Western Everglades Restoration Project, and the Picayune Strand Restoration Project. The Department of Environmental Protection and the South Florida Water Management District shall give preference to those Everglades restoration projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2016, for the purposes set forth under this paragraph shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth under this subparagraph.

2. A minimum of the lesser of 7.6 percent or \$50 million shall be appropriated annually for spring restoration, protection, and management projects. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2016, for the purposes set forth under this paragraph shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth under this subparagraph.

3. The sum of \$5 million shall be appropriated annually each fiscal year through the 2025-2026 fiscal year to the St. Johns River Water

Management District for projects dedicated to the restoration of Lake Apopka. This distribution shall be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth in this subparagraph.

4. The sum of \$64 million is appropriated and shall be transferred to the Everglades Trust Fund for the 2018-2019 fiscal year, and each fiscal year thereafter, for the EAA reservoir project pursuant to s. 373.4598. Any funds remaining in any fiscal year shall be made available only for Phase II of the C-51 reservoir project or projects identified in subparagraph 1. and must be used in accordance with laws relating to such projects. Any funds made available for such purposes in a fiscal year are in addition to the amount appropriated under subparagraph 1. This distribution shall be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2017, for the purposes set forth in this subparagraph.

5. The sum of \$50 million shall be appropriated annually to the South Florida Water Management District for the Lake Okeechobee Watershed Restoration Project in accordance with s. 373.4599. This distribution must be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2021, for the purposes set forth in this subparagraph.

6. *The sum of \$100 million shall be appropriated annually to the Department of Environmental Protection for the acquisition of land pursuant to s. 259.105* ~~Notwithstanding subparagraph 3., for the 2022-2023 fiscal year, funds shall be appropriated as provided in the General Appropriations Act. This subparagraph expires July 1, 2023.~~

Section 11. Present paragraphs (f) through (r) of subsection (2) of section 381.0065, Florida Statutes, are redesignated as paragraphs (g) through (s), respectively, a new paragraph (f) is added to that subsection, and paragraph (n) of subsection (4) of that section is amended, to read:

381.0065 Onsite sewage treatment and disposal systems; regulation.—

(2) DEFINITIONS.—As used in ss. 381.0065-381.0067, the term:

(f) *“Enhanced nutrient-reducing onsite sewage treatment and disposal system” means an onsite sewage treatment and disposal system approved by the department as capable of meeting or exceeding a 50 percent total nitrogen reduction before disposal of wastewater in the drainfield, or at least 65 percent total nitrogen reduction combined from the onsite sewage tank or tanks and drainfield.*

(4) PERMITS; INSTALLATION; CONDITIONS.—A person may not construct, repair, modify, abandon, or operate an onsite sewage treatment and disposal system without first obtaining a permit approved by the department. The department may issue permits to carry out this section, except that the issuance of a permit for work seaward of the coastal construction control line established under s. 161.053 shall be contingent upon receipt of any required coastal construction control line permit from the department. A construction permit is valid for 18 months after the date of issuance and may be extended by the department for one 90-day period under rules adopted by the department. A repair permit is valid for 90 days after the date of issuance. An operating permit must be obtained before the use of any aerobic treatment unit or if the establishment generates commercial waste. Buildings or establishments that use an aerobic treatment unit or generate commercial waste shall be inspected by the department at least annually to assure compliance with the terms of the operating permit. The operating permit for a commercial wastewater system is valid for 1 year after the date of issuance and must be renewed annually. The operating permit for an aerobic treatment unit is valid for 2 years after the date of issuance and must be renewed every 2 years. If all information pertaining to the siting, location, and installation conditions or repair of an onsite sewage treatment and disposal system remains the same, a construction or repair permit for the onsite sewage treatment and disposal system may be transferred to another person, if the transferee files, within 60 days after the transfer of ownership, an amended application providing all corrected information and proof of ownership of the property. A fee is not associated with the processing of this supplemental information. A person may not contract to construct, modify, alter, repair, service, abandon, or maintain any portion of an onsite sewage treatment and disposal system without being registered under

part III of chapter 489. A property owner who personally performs construction, maintenance, or repairs to a system serving his or her own owner-occupied single-family residence is exempt from registration requirements for performing such construction, maintenance, or repairs on that residence, but is subject to all permitting requirements. A municipality or political subdivision of the state may not issue a building or plumbing permit for any building that requires the use of an onsite sewage treatment and disposal system unless the owner or builder has received a construction permit for such system from the department. A building or structure may not be occupied and a municipality, political subdivision, or any state or federal agency may not authorize occupancy until the department approves the final installation of the onsite sewage treatment and disposal system. A municipality or political subdivision of the state may not approve any change in occupancy or tenancy of a building that uses an onsite sewage treatment and disposal system until the department has reviewed the use of the system with the proposed change, approved the change, and amended the operating permit.

(n) Evaluations for determining the seasonal high-water table elevations or the suitability of soils for the use of a new onsite sewage treatment and disposal system shall be performed by department personnel, professional engineers registered in the state, or such other persons with expertise, as defined by rule, in making such evaluations. Evaluations for determining mean annual flood lines shall be performed by those persons identified in paragraph (2)(l) ~~(2)(k)~~. The department shall accept evaluations submitted by professional engineers and such other persons as meet the expertise established by this section or by rule unless the department has a reasonable scientific basis for questioning the accuracy or completeness of the evaluation.

Section 12. Subsection (3) is added to section 381.00655, Florida Statutes, to read:

381.00655 Connection of existing onsite sewage treatment and disposal systems to central sewerage system; requirements.—

(3) *Local governmental agencies, as defined in s. 403.1835(2), that receive grants or loans from the department to offset the cost of connecting onsite sewage treatment and disposal systems to publicly owned or investor-owned sewerage systems are encouraged to do all of the following while such funds remain available:*

(a) *Identify the owners of onsite sewage treatment and disposal systems within the jurisdiction of the respective local governmental agency who are eligible to apply for the grant or loan funds and notify such owners of the funding availability.*

(b) *Maintain a publicly available website with information relating to the availability of the grant or loan funds, including the amount of funds available and information on how the owner of an onsite sewage treatment and disposal system may apply for such funds.*

Section 13. Section 403.031, Florida Statutes, is reordered and amended to read:

403.031 Definitions.—In construing this chapter, or rules and regulations adopted pursuant hereto, the following words, phrases, or terms, unless the context otherwise indicates, have the following meanings:

(1) “Contaminant” is any substance which is harmful to plant, animal, or human life.

(2) “Department” means the Department of Environmental Protection.

(3) “Effluent limitations” means any restriction established by the department on quantities, rates, or concentrations of chemical, physical, biological, or other constituents which are discharged from sources into waters of the state.

(5) *“Enhanced nutrient-reducing onsite sewage treatment and disposal system” means an onsite sewage treatment and disposal system approved by the department as capable of meeting or exceeding a 50 percent total nitrogen reduction before disposal of wastewater in the drainfield, or at least 65 percent total nitrogen reduction combined from the onsite sewage tank or tanks and drainfield.*

(6)(4) “Installation” means ~~is~~ any structure, equipment, or facility, or appurtenances thereto, or operation which may emit air or water contaminants in quantities prohibited by rules of the department.

(7) “Nutrient or nutrient-related standards” means water quality standards and criteria established for total nitrogen and total phosphorous, or their organic or inorganic forms; biological variables, such as chlorophyll-a, biomass, or the structure of the phytoplankton, periphyton, or vascular plant community, that respond to a nutrient load or concentration in a predictable and measurable manner; or dissolved oxygen if it is demonstrated for the waterbody that dissolved oxygen conditions result in a biological imbalance and the dissolved oxygen responds to a nutrient load or concentration in a predictable and measurable manner.

(8) “Onsite sewage treatment and disposal system” means a system that contains a standard subsurface, filled, or mound drainfield system; an aerobic treatment unit; a graywater system tank; a laundry wastewater system tank; a septic tank; a grease interceptor; a pump tank; a solids or effluent pump; a waterless, incinerating, or organic waste-composting toilet; or a sanitary pit privy that is installed or proposed to be installed beyond the building sewer on land of the owner or on other land to which the owner has the legal right to install a system. The term includes any item placed within, or intended to be used as a part of or in conjunction with, the system. The term does not include package sewage treatment facilities and other treatment works regulated under chapter 403.

(9)(5) “Person” means the state or any agency or institution thereof, the United States or any agency or institution thereof, or any municipality, political subdivision, public or private corporation, individual, partnership, association, or other entity and includes any officer or governing or managing body of the state, the United States, any agency, any municipality, political subdivision, or public or private corporation.

(10)(6) “Plant” is any unit operation, complex, area, or multiple of unit operations that produce, process, or cause to be processed any materials, the processing of which can, or may, cause air or water pollution.

(11)(7) “Pollution” is the presence in the outdoor atmosphere or waters of the state of any substances, contaminants, noise, or manmade or human-induced impairment of air or waters or alteration of the chemical, physical, biological, or radiological integrity of air or water in quantities or at levels which are or may be potentially harmful or injurious to human health or welfare, animal or plant life, or property or which unreasonably interfere with the enjoyment of life or property, including outdoor recreation unless authorized by applicable law.

(12)(8) “Pollution prevention” means the steps taken by a potential generator of contamination or pollution to eliminate or reduce the contamination or pollution before it is discharged into the environment. The term includes nonmandatory steps taken to use alternative forms of energy, conserve or reduce the use of energy, substitute nontoxic materials for toxic materials, conserve or reduce the use of toxic materials and raw materials, reformulate products, modify manufacturing or other processes, improve in-plant maintenance and operations, implement environmental planning before expanding a facility, and recycle toxic or other raw materials.

(14)(9) “Sewerage system” means pipelines or conduits, pumping stations, and force mains and all other structures, devices, appurtenances, and facilities used for collecting or conducting wastes to an ultimate point for treatment or disposal.

(15)(10) “Source” means ~~is~~ any and all points of origin of a contaminant ~~the item defined in subsection (1),~~ whether privately or publicly owned or operated.

(21)(11) “Treatment works” and “disposal systems” mean any plant or other works used for the purpose of treating, stabilizing, or holding wastes.

(22)(12) “Wastes” means sewage, industrial wastes, and all other liquid, gaseous, solid, radioactive, or other substances which may pollute or tend to pollute any waters of the state.

(23)(13) “Waters” include, but are not limited to, rivers, lakes, streams, springs, impoundments, wetlands, and all other waters or bodies of water, including fresh, brackish, saline, tidal, surface, or underground waters. Waters owned entirely by one person other than the state are included only in regard to possible discharge on other property or water. Underground waters include, but are not limited to, all underground waters passing through pores of rock or soils or flowing through in channels, whether manmade or natural. Solely for purposes of s. 403.0885, waters of the state also include navigable waters or waters of the contiguous zone as used in s. 502 of the Clean Water Act, as amended, 33 U.S.C. ss. 1251 et seq., as in existence on January 1, 1993, except for those navigable waters seaward of the boundaries of the state set forth in s. 1, Art. II of the State Constitution. Solely for purposes of this chapter, waters of the state also include the area bounded by the following:

(a) Commence at the intersection of State Road (SRD) 5 (U.S. 1) and the county line dividing Miami-Dade and Monroe Counties, said point also being the mean high-water line of Florida Bay, located in section 4, township 60 south, range 39 east of the Tallahassee Meridian for the point of beginning. From said point of beginning, thence run northwesterly along said SRD 5 to an intersection with the north line of section 18, township 58 south, range 39 east; thence run westerly to a point marking the southeast corner of section 12, township 58 south, range 37 east, said point also lying on the east boundary of the Everglades National Park; thence run north along the east boundary of the aforementioned Everglades National Park to a point marking the northeast corner of section 1, township 58 south, range 37 east; thence run west along said park to a point marking the northwest corner of said section 1; thence run northerly along said park to a point marking the northwest corner of section 24, township 57 south, range 37 east; thence run westerly along the south lines of sections 14, 15, and 16 to the southwest corner of section 16; thence leaving the Everglades National Park boundary run northerly along the west line of section 16 to the northwest corner of section 16; thence east along the northerly line of section 16 to a point at the intersection of the east one-half and west one-half of section 9; thence northerly along the line separating the east one-half and the west one-half of sections 9, 4, 33, and 28; thence run easterly along the north line of section 28 to the northeast corner of section 28; thence run northerly along the west line of section 22 to the northwest corner of section 22; thence easterly along the north line of section 22 to a point at the intersection of the east one-half and west one-half of section 15; thence run northerly along said line to the point of intersection with the north line of section 15; thence easterly along the north line of section 15 to the northeast corner of section 15; thence run northerly along the west lines of sections 11 and 2 to the northwest corner of section 2; thence run easterly along the north lines of sections 2 and 1 to the northeast corner of section 1, township 56 south, range 37 east; thence run north along the east line of section 36, township 55 south, range 37 east to the northeast corner of section 36; thence run west along the north line of section 36 to the northwest corner of section 36; thence run north along the west line of section 25 to the northwest corner of section 25; thence run west along the north line of section 26 to the northwest corner of section 26; thence run north along the west line of section 23 to the northwest corner of section 23; thence run easterly along the north line of section 23 to the northeast corner of section 23; thence run north along the west line of section 13 to the northwest corner of section 13; thence run east along the north line of section 13 to a point of intersection with the west line of the southeast one-quarter of section 12; thence run north along the west line of the southeast one-quarter of section 12 to the northwest corner of the southeast one-quarter of section 12; thence run east along the north line of the southeast one-quarter of section 12 to the point of intersection with the east line of section 12; thence run east along the south line of the northwest one-quarter of section 7 to the southeast corner of the northwest one-quarter of section 7; thence run north along the east line of the northwest one-quarter of section 7 to the point of intersection with the north line of section 7; thence run northerly along the west line of the southeast one-quarter of section 6 to the northwest corner of the southeast one-quarter of section 6; thence run east along the north lines of the southeast one-quarter of section 6 and the southwest one-quarter of section 5 to the northeast corner of the southwest one-quarter of section 5; thence run northerly along the east line of the northwest one-quarter of section 5 to the point of intersection with the north line of section 5; thence run northerly along the line dividing the east one-half and the west one-half of Lot 5 to a point intersecting the north line of Lot 5; thence run east along the north line of Lot 5 to the northeast

corner of Lot 5, township 54 1/2 south, range 38 east; thence run north along the west line of section 33, township 54 south, range 38 east to a point intersecting the northwest corner of the southwest one-quarter of section 33; thence run easterly along the north line of the southwest one-quarter of section 33 to the northeast corner of the southwest one-quarter of section 33; thence run north along the west line of the northeast one-quarter of section 33 to a point intersecting the north line of section 33; thence run easterly along the north line of section 33 to the northeast corner of section 33; thence run northerly along the west line of section 27 to a point intersecting the northwest corner of the southwest one-quarter of section 27; thence run easterly to the northeast corner of the southwest one-quarter of section 27; thence run northerly along the west line of the northeast one-quarter of section 27 to a point intersecting the north line of section 27; thence run west along the north line of section 27 to the northwest corner of section 27; thence run north along the west lines of sections 22 and 15 to the northwest corner of section 15; thence run easterly along the north lines of sections 15 and 14 to the point of intersection with the L-31N Levee, said intersection located near the southeast corner of section 11, township 54 south, range 38 east; thence run northerly along Levee L-31N crossing SRD 90 (U.S. 41 Tamiami Trail) to an intersection common to Levees L-31N, L-29, and L-30, said intersection located near the southeast corner of section 2, township 54 south, range 38 east; thence run northeasterly, northerly, and northeasterly along Levee L-30 to a point of intersection with the Miami-Dade/Broward Levee, said intersection located near the northeast corner of section 17, township 52 south, range 39 east; thence run due east to a point of intersection with SRD 27 (Krome Ave.); thence run northeasterly along SRD 27 to an intersection with SRD 25 (U.S. 27), said intersection located in section 3, township 52 south, range 39 east; thence run northerly along said SRD 25, entering into Broward County, to an intersection with SRD 84 at Andytown; thence run southeasterly along the aforementioned SRD 84 to an intersection with the southwesterly prolongation of Levee L-35A, said intersection being located in the northeast one-quarter of section 5, township 50 south, range 40 east; thence run northeasterly along Levee L-35A to an intersection of Levee L-36, said intersection located near the southeast corner of section 12, township 49 south, range 40 east; thence run northerly along Levee L-36, entering into Palm Beach County, to an intersection common to said Levees L-36, L-39, and L-40, said intersection located near the west quarter corner of section 19, township 47 south, range 41 east; thence run northeasterly, easterly, and northerly along Levee L-40, said Levee L-40 being the easterly boundary of the Loxahatchee National Wildlife Refuge, to an intersection with SRD 80 (U.S. 441), said intersection located near the southeast corner of section 32, township 43 south, range 40 east; thence run westerly along the aforementioned SRD 80 to a point marking the intersection of said road and the northeasterly prolongation of Levee L-7, said Levee L-7 being the westerly boundary of the Loxahatchee National Wildlife Refuge; thence run southwesterly and southerly along said Levee L-7 to an intersection common to Levees L-7, L-15 (Hillsborough Canal), and L-6; thence run southwesterly along Levee L-6 to an intersection common to Levee L-6, SRD 25 (U.S. 27), and Levee L-5, said intersection being located near the northwest corner of section 27, township 47 south, range 38 east; thence run westerly along the aforementioned Levee L-5 to a point intersecting the east line of range 36 east; thence run northerly along said range line to a point marking the northeast corner of section 1, township 47 south, range 36 east; thence run westerly along the north line of township 47 south, to an intersection with Levee L-23/24 (Miami Canal); thence run northwesterly along the Miami Canal Levee to a point intersecting the north line of section 22, township 46 south, range 35 east; thence run westerly to a point marking the northwest corner of section 21, township 46 south, range 35 east; thence run southerly to the southwest corner of said section 21; thence run westerly to a point marking the northwest corner of section 30, township 46 south, range 35 east, said point also being on the line dividing Palm Beach and Hendry Counties; from said point, thence run southerly along said county line to a point marking the intersection of Broward, Hendry, and Collier Counties, said point also being the northeast corner of section 1, township 49 south, range 34 east; thence run westerly along the line dividing Hendry and Collier Counties and continuing along the prolongation thereof to a point marking the southwest corner of section 36, township 48 south, range 29 east; thence run southerly to a point marking the southwest corner of section 12, township 49 south, range 29 east; thence run westerly to a point marking the southwest corner of section 10, township 49 south, range 29 east; thence run southerly to a point marking the southwest corner of section 15, township 49 south, range 29 east; thence run westerly to a point

marking the northwest corner of section 24, township 49 south, range 28 east, said point lying on the west boundary of the Big Cypress Area of Critical State Concern as described in rule 28-25.001, Florida Administrative Code; thence run southerly along said boundary crossing SRD 84 (Alligator Alley) to a point marking the southwest corner of section 24, township 50 south, range 28 east; thence leaving the aforementioned west boundary of the Big Cypress Area of Critical State Concern run easterly to a point marking the northeast corner of section 25, township 50 south, range 28 east; thence run southerly along the east line of range 28 east to a point lying approximately 0.15 miles south of the northeast corner of section 1, township 52 south, range 28 east; thence run southwesterly 2.4 miles more or less to an intersection with SRD 90 (U.S. 41 Tamiami Trail), said intersection lying 1.1 miles more or less west of the east line of range 28 east; thence run northwesterly and westerly along SRD 90 to an intersection with the west line of section 10, township 52 south, range 28 east; thence leaving SRD 90 run southerly to a point marking the southwest corner of section 15, township 52 south, range 28 east; thence run westerly crossing the Faka Union Canal 0.6 miles more or less to a point; thence run southerly and parallel to the Faka Union Canal to a point located on the mean high-water line of Faka Union Bay; thence run southeasterly along the mean high-water line of the various bays, rivers, inlets, and streams to the point of beginning.

(b) The area bounded by the line described in paragraph (a) generally includes those waters to be known as waters of the state. The landward extent of these waters shall be determined by the delineation methodology ratified in s. 373.4211. Any waters which are outside the general boundary line described in paragraph (a) but which are contiguous thereto by virtue of the presence of a wetland, watercourse, or other surface water, as determined by the delineation methodology ratified in s. 373.4211, shall be a part of this ~~waterbody~~ ~~water body~~. Any areas within the line described in paragraph (a) which are neither a wetland nor surface water, as determined by the delineation methodology ratified in s. 373.4211, shall be excluded therefrom. If the Florida Environmental Regulation Commission designates the waters within the boundaries an Outstanding Florida Water, waters outside the boundaries ~~may shall~~ not be included as part of such designation unless a hearing is held pursuant to notice in each appropriate county and the boundaries of such lands are specifically considered and described for such designation.

(16)(14) "State water resource implementation rule" means the rule authorized by s. 373.036, which sets forth goals, objectives, and guidance for the development and review of programs, rules, and plans relating to water resources, based on statutory policies and directives. The waters of the state are among its most basic resources. Such waters should be managed to conserve and protect water resources and to realize the full beneficial use of these resources.

(17)(15) "Stormwater management program" means the institutional strategy for stormwater management, including urban, agricultural, and other stormwater.

(18)(16) "Stormwater management system" means a system ~~which~~ ~~is~~ designed and constructed or implemented to control discharges ~~that~~ ~~which~~ are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use, or reuse water to prevent or reduce flooding, overdrainage, environmental degradation and water pollution or otherwise affect the quantity and quality of discharges from the system.

(19)(17) "Stormwater utility" means the funding of a stormwater management program by assessing the cost of the program to the beneficiaries based on their relative contribution to its need. It is operated as a typical utility which bills services regularly, similar to water and wastewater services.

(24)(18) "Watershed" means the land area ~~that~~ ~~which~~ contributes to the flow of water into a receiving body of water.

(13)(19) "Regulated air pollutant" means any pollutant regulated under the federal Clean Air Act.

(4)(20) "Electrical power plant" means, for purposes of this part of this chapter, any electrical generating facility that uses any process or fuel and that is owned or operated by an electric utility, as defined in s.

403.503(14), and includes any associated facility that directly supports the operation of the electrical power plant.

(20)(21) “Total maximum daily load” is defined as the sum of the individual wasteload allocations for point sources and the load allocations for nonpoint sources and natural background. Prior to determining individual wasteload allocations and load allocations, the maximum amount of a pollutant that a ~~waterbody~~ ~~water body~~ or water segment can assimilate from all sources without exceeding water quality standards must first be calculated.

Section 14. Paragraphs (a) and (e) of subsection (7) of section 403.067, Florida Statutes, are amended to read:

403.067 Establishment and implementation of total maximum daily loads.—

(7) DEVELOPMENT OF BASIN MANAGEMENT PLANS AND IMPLEMENTATION OF TOTAL MAXIMUM DAILY LOADS.—

(a) *Basin management action plans.*—

1. In developing and implementing the total maximum daily load for a ~~waterbody~~ ~~water body~~, the department, or the department in conjunction with a water management district, may develop a basin management action plan that addresses some or all of the watersheds and basins tributary to the ~~waterbody~~ ~~water body~~. Such plan must integrate the appropriate management strategies available to the state through existing water quality protection programs to achieve the total maximum daily loads and may provide for phased implementation of these management strategies to promote timely, cost-effective actions as provided for in s. 403.151. The plan must establish a schedule implementing the management strategies, establish a basis for evaluating the plan’s effectiveness, and identify feasible funding strategies for implementing the plan’s management strategies. The management strategies may include regional treatment systems or other public works, when appropriate, and voluntary trading of water quality credits to achieve the needed pollutant load reductions.

2. A basin management action plan must equitably allocate, pursuant to paragraph (6)(b), pollutant reductions to individual basins, as a whole to all basins, or to each identified point source or category of nonpoint sources, as appropriate. For nonpoint sources for which best management practices have been adopted, the initial requirement specified by the plan must be those practices developed pursuant to paragraph (c). When appropriate, the plan may take into account the benefits of pollutant load reduction achieved by point or nonpoint sources that have implemented management strategies to reduce pollutant loads, including best management practices, before the development of the basin management action plan. The plan must also identify the mechanisms that will address potential future increases in pollutant loading.

3. The basin management action planning process is intended to involve the broadest possible range of interested parties, with the objective of encouraging the greatest amount of cooperation and consensus possible. In developing a basin management action plan, the department shall assure that key stakeholders, including, but not limited to, applicable local governments, water management districts, the Department of Agriculture and Consumer Services, other appropriate state agencies, local soil and water conservation districts, environmental groups, regulated interests, and affected pollution sources, are invited to participate in the process. The department shall hold at least one public meeting in the vicinity of the watershed or basin to discuss and receive comments during the planning process and shall otherwise encourage public participation to the greatest practicable extent. Notice of the public meeting must be published in a newspaper of general circulation in each county in which the watershed or basin lies at least 5 days, but not more than 15 days, before the public meeting. A basin management action plan does not supplant or otherwise alter any assessment made under subsection (3) or subsection (4) or any calculation or initial allocation.

4. Each new or revised basin management action plan ~~shall~~ *must* include all of the following:

a. The appropriate management strategies available through existing water quality protection programs to achieve total maximum

daily loads, which may provide for phased implementation to promote timely, cost-effective actions as provided for in s. 403.151.;

b. A description of best management practices adopted by rule.;

c. *For the applicable 5-year implementation milestone, a list of projects that will achieve the pollutant load reductions needed to meet the total maximum daily load or the load allocations established pursuant to subsection (6). Each project must include a planning-level cost estimate and an estimated date of completion. ~~A list of projects in priority ranking with a planning level cost estimate and estimated date of completion for each listed project;~~*

d. *A list of projects developed pursuant to paragraph (e), if applicable.*

e. ~~The source and amount of financial assistance to be made available by the department, a water management district, or other entity for each listed project, if applicable.;~~ ~~and~~

f. ~~e. A planning-level estimate of each listed project’s expected load reduction, if applicable.~~

5. The department shall adopt all or any part of a basin management action plan and any amendment to such plan by secretarial order pursuant to chapter 120 to implement this section.

6. The basin management action plan must include 5-year milestones for implementation and water quality improvement, and an associated water quality monitoring component sufficient to evaluate whether reasonable progress in pollutant load reductions is being achieved over time. An assessment of progress toward these milestones shall be conducted every 5 years, and revisions to the plan shall be made as appropriate. *Any entity with a specific pollutant load reduction requirement established in a basin management action plan shall identify the projects or strategies that such entity will undertake to meet current 5-year pollution reduction milestones, beginning with the first 5-year milestone for new basin management action plans, and submit such projects to the department for inclusion in the appropriate basin management action plan. Each project identified must include an estimated amount of nutrient reduction that is reasonably expected to be achieved based on the best scientific information available. Revisions to the basin management action plan shall be made by the department in cooperation with basin stakeholders. Revisions to the management strategies required for nonpoint sources must follow the procedures in subparagraph (c)4. Revised basin management action plans must be adopted pursuant to subparagraph 5.*

7. In accordance with procedures adopted by rule under paragraph (9)(c), basin management action plans, and other pollution control programs under local, state, or federal authority as provided in subsection (4), may allow point or nonpoint sources that will achieve greater pollutant reductions than required by an adopted total maximum daily load or wasteload allocation to generate, register, and trade water quality credits for the excess reductions to enable other sources to achieve their allocation; however, the generation of water quality credits does not remove the obligation of a source or activity to meet applicable technology requirements or adopted best management practices. Such plans must allow trading between NPDES permittees, and trading that may or may not involve NPDES permittees, where the generation or use of the credits involve an entity or activity not subject to department water discharge permits whose owner voluntarily elects to obtain department authorization for the generation and sale of credits.

8. The department’s rule relating to the equitable abatement of pollutants into surface waters do not apply to water bodies or ~~waterbody~~ ~~water body~~ segments for which a basin management plan that takes into account future new or expanded activities or discharges has been adopted under this section.

9. In order to promote resilient wastewater utilities, if the department identifies domestic wastewater treatment facilities or onsite sewage treatment and disposal systems as contributors of at least 20 percent of point source or nonpoint source nutrient pollution or if the department determines remediation is necessary to achieve the total maximum daily load, a basin management action plan for a nutrient total maximum daily load must include the following:

a. A wastewater treatment plan developed by each local government, in cooperation with the department, the water management district, and the public and private domestic wastewater treatment facilities within the jurisdiction of the local government, that addresses domestic wastewater. The wastewater treatment plan must:

(I) Provide for construction, expansion, or upgrades necessary to achieve the total maximum daily load requirements applicable to the domestic wastewater treatment facility.

(II) Include the permitted capacity in average annual gallons per day for the domestic wastewater treatment facility; the average nutrient concentration and the estimated average nutrient load of the domestic wastewater; a projected timeline of the dates by which the construction of any facility improvements will begin and be completed and the date by which operations of the improved facility will begin; the estimated cost of the improvements; and the identity of responsible parties.

The wastewater treatment plan must be adopted as part of the basin management action plan no later than July 1, 2025. A local government that does not have a domestic wastewater treatment facility in its jurisdiction is not required to develop a wastewater treatment plan unless there is a demonstrated need to establish a domestic wastewater treatment facility within its jurisdiction to improve water quality necessary to achieve a total maximum daily load. A local government is not responsible for a private domestic wastewater facility's compliance with a basin management action plan unless such facility is operated through a public-private partnership to which the local government is a party.

b. An onsite sewage treatment and disposal system remediation plan developed by each local government in cooperation with the department, the Department of Health, water management districts, and public and private domestic wastewater treatment facilities.

(I) The onsite sewage treatment and disposal system remediation plan must identify cost-effective and financially feasible projects necessary to achieve the nutrient load reductions required for onsite sewage treatment and disposal systems. To identify cost-effective and financially feasible projects for remediation of onsite sewage treatment and disposal systems, the local government shall:

(A) Include an inventory of onsite sewage treatment and disposal systems based on the best information available;

(B) Identify onsite sewage treatment and disposal systems that would be eliminated through connection to existing or future central domestic wastewater infrastructure in the jurisdiction or domestic wastewater service area of the local government, that would be replaced with or upgraded to enhanced nutrient-reducing onsite sewage treatment and disposal systems, or that would remain on conventional onsite sewage treatment and disposal systems;

(C) Estimate the costs of potential onsite sewage treatment and disposal system connections, upgrades, or replacements; and

(D) Identify deadlines and interim milestones for the planning, design, and construction of projects.

(II) The department shall adopt the onsite sewage treatment and disposal system remediation plan as part of the basin management action plan no later than July 1, 2025, or as required for Outstanding Florida Springs under s. 373.807.

10. *The installation of new onsite sewage treatment and disposal systems constructed within a basin management action plan area adopted under this section, a reasonable assurance plan, or a pollution reduction plan is prohibited where connection to a publicly owned or investor-owned sewerage system is available as defined in s. 381.0065(2)(a). On lots of 1 acre or less within a basin management action plan adopted under this section, a reasonable assurance plan, or a pollution reduction plan where a publicly owned or investor-owned sewerage system is not available, the installation of enhanced nutrient-reducing onsite sewage treatment and disposal systems or other wastewater treatment systems that achieve at least 65 percent nitrogen reduction is required.*

~~11.10.~~ When identifying wastewater projects in a basin management action plan, the department may not require the higher cost option if it achieves the same nutrient load reduction as a lower cost option. A regulated entity may choose a different cost option if it complies with the pollutant reduction requirements of an adopted total maximum daily load and meets or exceeds the pollution reduction requirement of the original project.

12. *Annually, local governments subject to a basin management action plan or located within the basin of a waterbody not attaining nutrient or nutrient-related standards must provide to the department an update on the status of construction of sanitary sewers to serve such areas, in a manner prescribed by the department.*

(e) *Cooperative agricultural regional water quality improvement element.—*

1. The department ~~and~~ the Department of Agriculture and Consumer Services, *in cooperation with* ~~and~~ owners of agricultural operations in the basin, shall develop a cooperative agricultural regional water quality improvement element as part of a basin management action plan *where only if*:

a. ~~Agricultural measures have been adopted by the Department of Agriculture and Consumer Services pursuant to subparagraph (c)2. and have been implemented and the water body remains impaired;~~

b. ~~Agricultural nonpoint sources contribute to at least 20 percent of nonpoint source nutrient discharges; or and~~

b.e. The department determines that additional measures, in combination with state-sponsored regional projects and other management strategies included in the basin management action plan, are necessary to achieve the total maximum daily load.

2. The element will be implemented through the use of *cost-effective and technically and financially practical regional agricultural nutrient reduction cost-sharing projects and*. ~~The element must include a list of such projects submitted to the department by the Department of Agriculture and Consumer Services which, in combination with the best management practices, additional measures, and other management strategies, will achieve the needed pollutant load reductions established for agricultural nonpoint sources cost-effective and technically and financially practical cooperative regional agricultural nutrient reduction projects that can be implemented on private properties on a site specific, cooperative basis. Such cooperative regional agricultural nutrient reduction projects may include, but are not limited to, land acquisition in fee or conservation easements on the lands of willing sellers and site-specific water quality improvement or dispersed water management projects. The list of regional projects included in the cooperative agricultural regional water quality improvement element must include a planning-level cost estimate of each project along with the estimated amount of nutrient reduction that such project will achieve on the lands of project participants.~~

3. To qualify for participation in the cooperative agricultural regional water quality improvement element, the participant must have already implemented and be in compliance with best management practices or other measures adopted by the Department of Agriculture and Consumer Services pursuant to subparagraph (c)2. The element ~~must~~ *may* be included in the basin management action plan as a part of the next 5-year assessment under subparagraph (a)6.

4. The department *or the Department of Agriculture and Consumer Services* may submit a legislative budget request to fund projects developed pursuant to this paragraph. In allocating funds for projects funded pursuant to this paragraph, the department shall provide at least 20 percent of its annual appropriation for projects in subbasins with the highest nutrient concentrations within a basin management action plan. *Projects submitted pursuant to this paragraph are eligible for funding in accordance with s. 403.0673.*

Section 15. Section 403.0673, Florida Statutes, is amended to read:

403.0673 *Water quality improvement Wastewater grant program.— A wastewater grant program is established within the Department of Environmental Protection to address wastewater, stormwater, and agricultural sources of nutrient loading to surface water or groundwater.*

(1) *The purpose of the grant program is to fund projects that will improve the quality of waterbodies that:*

- (a) *Are not attaining nutrient or nutrient-related standards;*
- (b) *Have an established total maximum daily load; or*
- (c) *Are located* ~~Subject to the appropriation of funds by the Legislature, the department may provide grants for the following projects within a basin management action plan area, a reasonable assurance plan area an alternative restoration plan adopted by final order, an accepted alternative restoration plan area, or a rural area of opportunity under s. 288.0656.~~

(2) *The department may provide grants for all of the following types of projects that reduce the amount of nutrients entering those waterbodies identified in subsection (1):*

- (a) *Connecting onsite sewage treatment and disposal systems to central sewer facilities.*
- (b) *Upgrading domestic wastewater treatment facilities to advanced waste treatment or greater.*
- (c) *Repairing, upgrading, expanding, or constructing stormwater treatment facilities that result in improvements to surface water or groundwater quality.*
- (d) *Repairing, upgrading, expanding, or constructing domestic wastewater treatment facilities that result in improvements to surface water or groundwater quality, including domestic wastewater reuse and collection systems.*
- (e) *Projects identified pursuant to s. 403.067(7)(a) or (7)(e).*
- (f) *Projects identified in a wastewater treatment plan or an onsite sewage treatment and disposal system remediation plan developed pursuant to s. 403.067(7)(a)9.a. and b.*
- (g) *Projects listed in a city or county capital improvement element pursuant to s. 163.3177(3)(a)4.b.*

(h) ~~Retrofitting onsite sewage treatment and disposal systems to upgrade such systems to enhanced nutrient-reducing onsite sewage treatment and disposal systems where central sewerage is unavailable which will individually or collectively reduce excess nutrient pollution:~~

- (a) ~~Projects to retrofit onsite sewage treatment and disposal systems to upgrade such systems to enhanced nutrient-reducing onsite sewage treatment and disposal systems.~~
- (b) ~~Projects to construct, upgrade, or expand facilities to provide advanced waste treatment, as defined in s. 403.086(4).~~
- (c) ~~Projects to connect onsite sewage treatment and disposal systems to central sewer facilities.~~

(3)(2) ~~In allocating such funds, priority must be given to projects that subsidize the connection of onsite sewage treatment and disposal systems to wastewater treatment facilities. First priority must be given to subsidize the connection of onsite sewage treatment and disposal systems to existing infrastructure. Second priority must be given to any expansion of a collection or transmission system that promotes efficiency by planning the installation of wastewater transmission facilities to be constructed concurrently with other construction projects occurring within or along a transportation facility right of way. Third priority must be given to all other connections of onsite sewage treatment and disposal systems to wastewater treatment facilities. The department shall consider and prioritize those projects that:~~

- (a) *Have the maximum estimated reduction in nutrient load per project;*
- (b) *Demonstrate project readiness;*
- (c) *Are cost-effective;*
- (d) *Have a cost share identified by the applicant, except for rural areas of opportunity;*

(e) *Have previous state commitment and involvement in the project, considering previously funded phases, the total amount of previous state funding, and previous partial appropriations for the proposed project; or*

(f) ~~Are in a the cost effectiveness of the project; the overall environmental benefit of a project; the location where reductions are needed most to attain the water quality standards of a waterbody not attaining nutrient or nutrient-related standards.~~

*Any project that does not result in reducing nutrient loading to a waterbody identified in subsection (1) is not eligible for funding under this section of a project; the availability of local matching funds; and projected water savings or quantity improvements associated with a project.*

(3) ~~Each grant for a project described in subsection (1) must require a minimum of a 50 percent local match of funds. However, the department may, at its discretion, waive, in whole or in part, this consideration of the local contribution for proposed projects within an area designated as a rural area of opportunity under s. 288.0656.~~

(4) ~~The department shall coordinate annually with each water management district, as necessary, to identify potential projects grant recipients in each district.~~

(5) *The department shall coordinate with local governments and stakeholders to identify the most effective and beneficial water quality improvement projects.*

(6) *The department shall coordinate with the Department of Agriculture and Consumer Services to prioritize the most effective and beneficial agricultural nonpoint source projects identified pursuant to s. 403.067(7)(e).*

(7) *Beginning January 15, 2024* ~~1, 2021~~, and each January

On motion by Senator Brodeur, by two-thirds vote, **CS for CS for HB 1379**, as amended, was read the third time by title, passed, and certified to the House. The vote on passage was:

**House Amendment 1 (207723)**—Remove lines 765-839 and insert: *and a pharmacy benefits plan or program must include, in substantial form, terms that ensure compliance with all of the following requirements and that, except to the extent not allowed by law, shall supersede any contractual terms to the contrary:*

(a) *Use a pass-through pricing model, remaining consistent with the prohibition in paragraph (3)(c).*

(b) *Exclude terms that allow for the direct or indirect engagement in the practice of spread pricing unless the pharmacy benefit manager passes along the entire amount of such difference to the pharmacy benefits plan or program as allowable under paragraph (a).*

(c) *Ensure that funds received in relation to providing services for a pharmacy benefits plan or program or a pharmacy are used or distributed only pursuant to the pharmacy benefit manager's contract with the pharmacy benefits plan or program or with the pharmacy or as otherwise required by applicable law.*

(d) *Require the pharmacy benefit manager to pass 100 percent of all prescription drug manufacturer rebates, including nonresident prescription drug manufacturer rebates, received to the pharmacy benefits plan or program, if the contractual arrangement delegates the negotiation of rebates to the pharmacy benefit manager, for the sole purpose of offsetting defined cost sharing and reducing premiums of covered persons. Any excess rebate revenue after the pharmacy benefit manager and the pharmacy benefits plan or program have taken all actions required under this paragraph must be used for the sole purpose of offsetting copayments and deductibles of covered persons. This paragraph does not apply to contracts involving Medicaid managed care plans.*

(e) *Include network adequacy requirements that meet or exceed Medicare Part D program standards for convenient access to the network pharmacies set forth in 42 C.F.R. s. 423.120(a)(1) and that:*

1. *Do not limit a network to solely include affiliated pharmacies;*
2. *Require a pharmacy benefit manager to offer a provider contract to licensed pharmacies physically located on the physical site of providers that are:*
  - a. *Within the pharmacy benefits plan's or program's geographic service area and that have been specifically designated as essential providers by the Agency for Health Care Administration pursuant to s. 409.975(1)(a);*
  - b. *Designated as cancer centers of excellence under s. 381.925, regardless of the pharmacy benefits plan's or program's geographic service area;*
  - c. *Organ transplant hospitals, regardless of the pharmacy benefits plan's or program's geographic service area;*
  - d. *Hospitals licensed as specialty children's hospitals as defined in s. 395.002; or*
  - e. *Regional perinatal intensive care centers as defined in s. 383.16(2), regardless of the pharmacy benefits plan's or program's geographic service area.*

*Such provider contracts must be solely for the administration or dispensing of covered prescription drugs, including biological products,*

*which are administered through infusions, intravenously injected, or inhaled during a surgical procedure or are covered parenteral drugs, as part of onsite outpatient care;*

3. *Do not require a covered person to receive a prescription drug by United States mail, common carrier, local courier, third-party company or delivery service, or pharmacy direct delivery unless the prescription drug cannot be acquired at any retail pharmacy in the pharmacy benefit manager's network for the covered person's pharmacy benefits plan or program. This subparagraph does not prohibit a pharmacy benefit manager from operating mail order or delivery programs on an opt-in basis at the sole discretion of a covered person, provided that the covered person is not penalized through the imposition of any additional retail cost-sharing obligations or a lower allowed-quantity limit for choosing not to select the mail order or delivery programs;*

4. *For the in-person administration of covered prescription drugs, prohibit requiring a covered person to receive pharmacist services from an affiliated pharmacy or an affiliated health care provider; and*

5. *Prohibit offering or implementing pharmacy networks*

On motion by Senator Brodeur, the Senate concurred in **House Amendment 1 (207723)**.

**CS for CS for SB 1550** passed, as amended, was ordered engrossed and then enrolled. The action of the Senate was certified to the House. The vote on passage was:

## PRAYER

The following prayer was offered in song by Senator Baxley:

Our Father, who art in heaven,  
hallowed be thy name.  
Thy kingdom come,  
Thy will be done,  
on earth as it is in heaven.  
Give us this day our daily bread.  
And forgive us our debts,  
as we forgive our debtors.  
And lead us not into temptation,  
but deliver us from evil.  
For thine is the kingdom,  
and the power, and the glory,  
forever. Amen.

## PLEDGE

Senate Pages, Janiya Early of Jacksonville; Bryan Ferreiro of Miami; and Sandra Jimenez of Monticello, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## DOCTOR OF THE DAY

The President recognized Dr. Maribeth Williams of Gainesville, sponsored by Senator Bradley, as the doctor of the day. Dr. Williams specializes in family medicine.

## INTRODUCTION OF FORMER SENATORS

The President recognized former Senator Rob Bradley who was present in the chamber.

## SPECIAL GUESTS

—a companion measure, was substituted for **CS for SB 1596** and read the second time by title.

Senator Garcia moved the following amendment which was adopted:

**Amendment 1 (483930) (with title amendment)**—Delete lines 116-295 and insert:

Section 3. Present subsection (2) of section 458.328, Florida Statutes, is redesignated as subsection (3), a new subsection (2) is added to that section, and paragraphs (a) and (e) of subsection (1) of that section are amended, to read:

458.328 Office surgeries.—

(1) REGISTRATION.—

(a)1. An office in which a physician performs a liposuction procedure in which more than 1,000 cubic centimeters of supernatant fat is removed, a Level II office surgery, or a Level III office surgery must register with the department unless the office is licensed as a facility under chapter 390 or chapter 395.

2. *The department must complete an inspection of any office seeking registration under this section before the office may be registered.*

(e)1. The department shall inspect a registered office at least annually, including a review of patient records, to ensure that the office is in compliance with this section and rules adopted hereunder unless the office is accredited by a nationally recognized accrediting agency approved by the board. The inspection may be unannounced, except for the inspection of an office that meets the description of a clinic specified in s. 458.3265(1)(a)3.h., and those wholly owned and operated physician offices described in s. 458.3265(1)(a)3.g. which perform procedures referenced in s. 458.3265(1)(a)3.h., which must be announced.

2. *The department must immediately suspend the registration of a registered office that refuses an inspection under subparagraph 1. The office must close during such suspension. The suspension must remain in effect for at least 14 consecutive days and may not terminate until the department issues a written declaration that the office may reopen following the department's completion of an inspection of the office.*

(2) STANDARDS OF PRACTICE.—

(a) *A physician performing a gluteal fat grafting procedure in an office surgery setting shall adhere to standards of practice pursuant to this subsection and rules adopted by the board.*

(b) *Office surgeries may not:*

1. *Be a type of surgery that generally results in blood loss of more than 10 percent of estimated blood volume in a patient with a normal hemoglobin level;*

2. *Require major or prolonged intracranial, intrathoracic, abdominal, or joint replacement procedures, except for laparoscopic procedures;*

3. *Involve major blood vessels and be performed with direct visualization by open exposure of the major blood vessel, except for percutaneous endovascular intervention; or*

4. *Be emergent or life threatening.*

(c)1. *A physician performing a gluteal fat grafting procedure must conduct an in-person examination of the patient while physically present in the same room as the patient no later than the day before the procedure.*

2. *Before a physician may delegate any duties during a gluteal fat grafting procedure, the patient must provide written, informed consent for such delegation. Any duty delegated by a physician during a gluteal fat grafting procedure must be performed under the direct supervision of the physician performing such procedure. Fat extraction and gluteal fat injections must be performed by the physician and may not be delegated.*

3. *Fat may only be injected into the subcutaneous space of the patient and may not cross the fascia overlying the gluteal muscle. Intramuscular or submuscular fat injections are prohibited.*

4. *When the physician performing a gluteal fat grafting procedure injects fat into the subcutaneous space of the patient, the physician must use ultrasound guidance, or guidance with other technology authorized under board rule which equals or exceeds the quality of ultrasound, during the placement and navigation of the cannula to ensure that the fat is injected into the subcutaneous space of the patient above the fascia overlying the gluteal muscle. Such guidance with the use of ultrasound or other technology is not required for other portions of such procedure.*

(d) *If a procedure in an office surgery setting results in hospitalization, the incident must be reported as an adverse incident pursuant to s. 458.351.*

(e) *An office in which a physician performs gluteal fat grafting procedures must at all times maintain a ratio of one physician to one patient during all phases of the procedure, beginning with the administration of anesthesia to the patient and concluding with the extubation of the patient. After a physician has commenced, and while he or she is engaged in, a gluteal fat grafting procedure, the physician may not commence or engage in another gluteal fat grafting procedure or any other procedure with another patient at the same time.*

Section 4. Present subsection (2) of section 459.0138, Florida Statutes, is redesignated as subsection (3), a new subsection (2) is added to that section, and paragraphs (a) and (e) of subsection (1) of that section are amended, to read:

459.0138 Office surgeries.—

(1) REGISTRATION.—

(a)1. An office in which a physician performs a liposuction procedure in which more than 1,000 cubic centimeters of supernatant fat is removed, a Level II office surgery, or a Level III office surgery must register with the department unless the office is licensed as a facility under chapter 390 or chapter 395.

2. *The department must complete an inspection of any office seeking registration under this section before the office may be registered.*

(e)1. The department shall inspect a registered office at least annually, including a review of patient records, to ensure that the office is in compliance with this section and rules adopted hereunder unless the office is accredited by a nationally recognized accrediting agency approved by the board. The inspection may be unannounced, except for the inspection of an office that meets the description of clinic specified in s. 459.0137(1)(a)3.h., and those wholly owned and operated physician offices described in s. 459.0137(1)(a)3.g. which perform procedures referenced in s. 459.0137(1)(a)3.h., which must be announced.

2. *The department must immediately suspend the registration of a registered office that refuses an inspection under subparagraph 1. The office must close during such suspension. The suspension must remain in effect for at least 14 consecutive days and may not terminate until the*

department issues a written declaration that the office may reopen following the department's completion of an inspection of the office.

(2) **STANDARDS OF PRACTICE.**—

(a) A physician performing a gluteal fat grafting procedure in an office surgery setting shall adhere to standards of practice pursuant to this subsection and rules adopted by the board.

(b) Office surgeries may not:

1. Be a type of surgery that generally results in blood loss of more than 10 percent of estimated blood volume in a patient with a normal hemoglobin level;

2. Require major or prolonged intracranial, intrathoracic, abdominal, or joint replacement procedures, except for laparoscopic procedures;

3. Involve major blood vessels and be performed with direct visualization by open exposure of the major blood vessel, except for percutaneous endovascular intervention; or

4. Be emergent or life threatening.

(c)1. A physician performing a gluteal fat grafting procedure must conduct an in-person examination of the patient while physically present in the same room as the patient no later than the day before the procedure.

2. Before a physician may delegate any duties during a gluteal fat grafting procedure, the patient must provide written, informed consent for such delegation. Any duty delegated by a physician during a gluteal fat grafting procedure must be performed under the direct supervision of the physician performing such procedure. Fat extraction and gluteal fat injections must be performed by the physician and may not be delegated.

3. Fat may only be injected into the subcutaneous space of the patient and may not cross the fascia overlying the gluteal muscle. Intramuscular or submuscular fat injections are prohibited.

4. When the physician performing a gluteal fat grafting procedure injects fat into the subcutaneous space of the patient, the physician must use ultrasound guidance, or guidance with other technology authorized under board rule which equals or exceeds the quality of ultrasound, during the placement and navigation of the cannula to ensure that the fat is injected into the subcutaneous space of the patient above the fascia overlying the gluteal muscle. Such guidance with the use of ultrasound or other technology is not required for other portions of such procedure.

(d) If a procedure in an office surgery setting results in hospitalization, the incident must be reported as an adverse incident pursuant to s. 458.351.

(e) An office in which a physician performs gluteal fat grafting procedures must at all times maintain a ratio of one physician to one patient during all phases of the procedure, beginning with the administration of anesthesia to the patient and concluding with the extubation of the patient. After a physician has commenced, and while he or she is engaged in, a gluteal fat grafting procedure, the physician may not commence or engage in another gluteal fat grafting procedure or any other procedure with another patient at the same time.

And the title is amended as follows:

Delete lines 14-23 and insert: complete an inspection of any physician's office seeking registration to perform office surgeries before the office may be registered; requiring immediate suspension of a registration under specified circumstances; requiring such offices to remain closed for the duration of any suspensions; requiring a suspension to remain in effect for a specified timeframe; requiring physicians performing gluteal fat grafting procedures in an office surgery setting to adhere to specified standards of practice; specifying surgeries that may not be performed in an office surgery setting; requiring physicians performing gluteal fat grafting procedures to conduct in-person examinations of the patients; requiring the reporting of specified adverse incidents; providing requirements for the performance of gluteal fat grafting procedures; providing an effective date.

**CS for CS for HB 1259**—A bill to be entitled An act relating to education; amending s. 212.055, F.S.; conforming provisions to changes made by the act; amending s. 1013.62, F.S.; deleting obsolete language; making technical changes; revising charter school eligibility and ineligibility criteria to receive capital outlay funds; revising the calculation methodologies for the distribution of specified funds to eligible charter schools; providing school district requirements for the distribution of capital outlay funds to eligible charter schools; providing requirements for the use of capital outlay funds; providing an effective date.

—a companion measure, was substituted for **CS for CS for SB 1328** and read the second time by title.

Senator Davis moved the following amendment which failed:

**Amendment 1 (308282) (with title amendment)**—Between lines 63 and 64 insert:

Section 2. Subsection (1) of section 1013.31, Florida Statutes, is amended to read:

1013.31 Educational plant survey; localized need assessment; PECO project funding.—

(1) At least every 5 years, each board shall arrange for an educational plant survey, to aid in formulating plans for housing the educational program and student population, faculty, administrators, staff, and auxiliary and ancillary services of the district, *charter school*, or campus, including consideration of the local comprehensive plan. The Department of Education shall document the need for additional career and adult education programs and the continuation of existing programs before facility construction or renovation related to career or adult education may be included in the educational plant survey of a school district, *charter school governing board*, or Florida College System institution that delivers career or adult education programs. Information used by the Department of Education to establish facility needs must include, but need not be limited to, labor market data, needs

analysis, and information submitted by the school district, *charter school governing board*, or Florida College System institution.

(a) *Educational plant survey and localized need assessment for capital outlay purposes.*—A survey recommendation is not required when a district or a *charter school governing board* uses funds from the following sources for educational, auxiliary, and ancillary plant capital outlay purposes:

1. The local capital outlay improvement fund, consisting of funds that come from and are a part of the district's or *charter school governing board's* basic operating budget;
2. A taxpayer-approved bond referendum, to fund construction of an educational, auxiliary, or ancillary plant facility;
3. One-half cent sales surtax revenue;
4. One cent local governmental surtax revenue;
5. Impact fees;
6. Private gifts or donations; and
7. The district school tax levied pursuant to s. 1011.71(2).

(b) *Survey preparation and required data.*—Each survey shall be conducted by the board or an agency employed by the board. Surveys shall be reviewed and approved by the board, and a file copy shall be submitted to the Department of Education or the Chancellor of the State University System, as appropriate. The survey report shall include at least an inventory of existing educational and ancillary plants, including safe access facilities; recommendations for existing educational and ancillary plants; recommendations for new educational or ancillary plants, including the general location of each in coordination with the land use plan and safe access facilities; campus master plan update and detail for Florida College System institutions; the utilization of school plants based on an extended school day or year-round operation; and such other information as may be required by the Department of Education. This report may be amended, if conditions warrant, at the request of the department or commissioner.

(c) *Required need assessment criteria for district, charter school governing board, or Florida College System institution, state university, and Florida School for the Deaf and the Blind plant surveys.*—Educational plant surveys must use uniform data sources and criteria specified in this paragraph. Each revised educational plant survey and each new educational plant survey supersedes previous surveys.

1. The school district's or *charter school governing board's* survey must be submitted as a part of the ~~district~~ educational facilities plan defined in s. 1013.35. To ensure that the data reported to the Department of Education as required by this section is correct, the department shall annually conduct an onsite review of 5 percent of the facilities reported for each school district or *charter school governing board* completing a new survey that year. If the department's review finds the data reported by a district or a *charter school governing board* is less than 95 percent accurate, within 1 year from the time of notification by the department the district or *charter school governing board* must submit revised reports correcting its data. If a district or a *charter school governing board* fails to correct its reports, the commissioner may direct that future fixed capital outlay funds be withheld until such time as the district or *the charter school governing board* has corrected its reports so that they are not less than 95 percent accurate.

2. Each survey of a special facility, joint-use facility, or cooperative career education facility must be based on capital outlay full-time equivalent student enrollment data prepared by the department for school districts, *charter school governing boards*, and Florida College System institutions and by the Chancellor of the State University System for universities. A survey of space needs of a joint-use facility shall be based upon the respective space needs of the school districts, *charter school governing boards*, Florida College System institutions, and universities, as appropriate. Projections of a school district's or *charter school governing board's* facility space needs may not exceed the

norm space and occupant design criteria established by the State Requirements for Educational Facilities.

3. Each Florida College System institution's survey must reflect the capacity of existing facilities as specified in the inventory maintained by the Department of Education. Projections of facility space needs must comply with standards for determining space needs as specified by rule of the State Board of Education. The 5-year projection of capital outlay student enrollment must be consistent with the annual report of capital outlay full-time student enrollment prepared by the Department of Education.

4. Each state university's survey must reflect the capacity of existing facilities as specified in the inventory maintained and validated by the Chancellor of the State University System. Projections of facility space needs must be consistent with standards for determining space needs as specified by regulation of the Board of Governors. The projected capital outlay full-time equivalent student enrollment must be consistent with the 5-year planned enrollment cycle for the State University System approved by the Board of Governors.

5. The ~~district~~ educational facilities plan of a school ~~district~~ and the educational plant survey of a Florida College System institution, state university, or the Florida School for the Deaf and the Blind may include space needs that deviate from approved standards for determining space needs if the deviation is justified by the district, *the charter school governing board*, or the institution and approved by the department or the Board of Governors, as appropriate, as necessary for the delivery of an approved educational program.

(d) *Review and validation.*—The Department of Education shall review and validate the surveys of school districts, *charter school governing boards*, and Florida College System institutions, and the Chancellor of the State University System shall review and validate the surveys of universities, and any amendments thereto for compliance with the requirements of this chapter and shall recommend those in compliance for approval by the State Board of Education or the Board of Governors, as appropriate. Annually, the department shall perform an in-depth analysis of a representative sample of each survey of recommended needs for five districts *and five charter school governing boards* selected by the commissioner from among districts *and charter school governing boards* with the largest need-to-revenue ratio. For the purpose of this subsection, the need-to-revenue ratio is determined by dividing the total 5-year cost of projects listed on the ~~district~~ survey by the total 5-year fixed capital outlay revenue projections from state and local sources as determined by the department. The commissioner may direct fixed capital outlay funds provided from general revenue or from state trust funds to be withheld from districts *and charter school governing boards* until such time as the survey accurately projects facilities needs.

(e) *Periodic update of Florida Inventory of School Houses.*—School districts shall periodically update their inventory of educational facilities as new capacity becomes available and as unsatisfactory space is eliminated. The State Board of Education shall adopt rules to determine the timeframe in which districts must provide a periodic update.

And the title is amended as follows:

Delete line 4 and insert: act; amending s. 1013.31, F.S.; providing that certain provisions relating to educational plant surveys and need assessments apply to charter schools; requiring the Department of Education to review surveys of charter school governing boards in addition to those of other specified institutions; amending s. 1013.62, F.S.; deleting obsolete

SPECIAL ORDER CALENDAR, continued

On motion by Senator Collins—

**CS for CS for CS for HB 1343**—A bill to be entitled An act relating to agricultural lands; amending s. 125.01, F.S.; prohibiting counties from levying specified special assessments on lands classified as agricultural; providing an exception; providing applicability; amending s. 163.3162, F.S.; authorizing construction or installation of housing for seasonal agricultural employees on certain lands; providing requirements for such housing; exempting such housing from certain local government approval; providing conditions under which such housing is subject to specified zoning, land use, and permit provisions; amending s. 193.461, F.S.; prohibiting a county or municipality from requiring the removal or relinquishment of an agricultural land classification for certain lands; requiring landowners to provide a county or municipality with certain written notice regarding such lands; providing an effective date.

—was read the second time by title.

Pursuant to Rule 7.1, there being no objection, consideration of the following late-filed amendment was allowed:

Senator Collins moved the following amendment which was adopted:

**Amendment 1 (645914) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Subsection (5) is added to section 163.3162, Florida Statutes, to read:

163.3162 Agricultural Lands and Practices.—

(5) **AGRICULTURAL EMPLOYEE HOUSING.**—

(a) *The construction or installation of housing for nonimmigrant agricultural employees working in this state pursuant to 8 U.S.C. s. 1188 is authorized on land zoned for agricultural use which is operated as a bona fide farm.*

(b) *Except as authorized by a less restrictive local government ordinance, construction or installation of housing under this subsection:*

1. *Must be located on a parcel of land no less than 50 acres in size;*
2. *Must meet, at a minimum, the criteria set forth in 29 C.F.R. 1910.142 and 64E-14, Florida Administrative Code;*
3. *May not be located within 750 feet of a property line;*

4. *May not exceed three structures per parcel or a maximum of 2,500 square feet per structure which is heated and cooled; and*

5. *Must meet all local and state building standards for securing a residential certificate of occupancy.*

(c) *Construction or installation of housing authorized under this subsection does not require approval by ordinance or resolution of the governmental entity where the land is located.*

(d) *If agricultural operations are discontinued on the property for a minimum of 3 years and the agricultural land classification of the property is no longer valid, housing authorized under this subsection is no longer eligible for the residential uses provided in this subsection unless and until approved by the local jurisdiction under its zoning and land use regulations for the intended nonagricultural use.*

(e) *Notwithstanding this subsection, the construction or installation of housing for seasonal agricultural employees in the Florida Keys Area of Critical State Concern and the City of Key West Area of Critical State Concern is subject to the permit allocation systems of the Florida Keys Area of Critical State Concern and City of Key West Area of Critical State Concern, respectively.*

Section 2. Paragraph (b) of subsection (3) of section 193.461, Florida Statutes, is amended to read:

193.461 Agricultural lands; classification and assessment; mandated eradication or quarantine program; natural disasters.—

(3)

(b) Subject to the restrictions specified in this section, only lands that are used primarily for bona fide agricultural purposes shall be classified as agricultural. The term “bona fide agricultural purposes” means good faith commercial agricultural use of the land.

1. In determining whether the use of the land for agricultural purposes is bona fide, the following factors may be taken into consideration:

- a. The length of time the land has been so used.
- b. Whether the use has been continuous.
- c. The purchase price paid.
- d. Size, as it relates to specific agricultural use, but a minimum acreage may not be required for agricultural assessment.
- e. Whether an indicated effort has been made to care sufficiently and adequately for the land in accordance with accepted commercial agricultural practices, including, without limitation, fertilizing, liming, tilling, mowing, reforestation, and other accepted agricultural practices.
- f. Whether the land is under lease and, if so, the effective length, terms, and conditions of the lease.
- g. Such other factors as may become applicable.

2. Offering property for sale does not constitute a primary use of land and may not be the basis for denying an agricultural classification if the land continues to be used primarily for bona fide agricultural purposes while it is being offered for sale.

3. *A local government may not adopt a land use or zoning restriction, condition, or regulation that requires the termination of an agricultural classification for any property or the surrender of an agricultural classification for any property by the property owner if the property is used for bona fide agricultural purposes as defined in this section. Such restrictions, conditions, or regulations adopted before July 1, 2023, are invalid and unenforceable.*

Section 3. This act shall take effect July 1, 2023.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to agricultural lands; amending s. 163.3162, F.S.; authorizing construction or installation of housing for non-immigrant agricultural employees on certain lands; providing require-

ments for such housing; exempting such housing from certain local government approval; providing conditions under which such housing is subject to specified land use restrictions; providing that such housing in certain areas is subject to certain permit allocation systems; amending s. 193.461, F.S.; prohibiting local governments from adopting land use or zoning restrictions, conditions, or regulations that require termination or surrender of agricultural classifications for certain property; providing that such restrictions, conditions, or regulations adopted before a specified date are invalid and unenforceable; providing an effective date.

—a companion measure, was substituted for **CS for CS for CS for SB 1664** and read the second time by title.

Senator Hooper moved the following amendment which was adopted:

**Amendment 1 (224226) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. (1) *All duties, functions, records, pending issues, existing contracts, administrative authority, administrative rules, and unexpended balances of appropriations, allocations, and other public funds relating to Enterprise Florida, Inc., are transferred by a type two transfer, as defined in s. 20.06, Florida Statutes, to the Department of Commerce, as created by this act.*

(2) *It is the intent of the Legislature that the changes made by this act be accomplished with minimal disruption of services provided to the public and with minimal disruption to employees of any organization. To that end, the Legislature directs all applicable units of state government to contribute to the successful implementation of this act, and the Legislature believes that a transition period between July 1, 2023, and December 1, 2023, is appropriate and warranted.*

(3)(a) *The Department of Commerce, as created by this act, and Enterprise Florida, Inc., shall each coordinate the development and implementation of a transition plan by August 1, 2023, that supports the implementation of this act. The department shall coordinate the submission of any budget amendments, in accordance with chapter 216, Florida Statutes, which may be necessary to implement this act.*

(b) *The Legislature directs that notwithstanding the changes made by this act, Enterprise Florida, Inc., may continue with such powers, duties, functions, records, offices, personnel, property, pending issues, and existing contracts as provided in Florida Statutes 2022 until December 1, 2023, except that the board of directors shall stand repealed on October 1, 2023. The president of Enterprise Florida, Inc., shall continue the operations of the direct-support organization until full implementa-*

*tion of the transition plan or December 1, 2023, whichever occurs first. The transition plan shall provide for transfer of powers, duties, functions, records, offices, personnel, property, pending issues, and existing contracts related to international business development and trade to the direct-support organization created under s. 288.012, Florida Statutes.*

(4) *The transfer of any program, activity, duty, or function under this act includes the transfer of any records and unexpended balances of appropriations, allocations, or other funds related to such program, activity, duty, or function. Unless otherwise provided, the successor organization to any program, activity, duty, or function transferred under this act shall become the custodian of any property of the organization that was responsible for the program, activity, duty, or function immediately prior to the transfer.*

(5) *Any binding contract or interagency agreement existing before December 1, 2023, between Enterprise Florida, Inc., and any other agency, entity, or person shall continue as a binding contract or agreement for the remainder of the term of such contract or agreement on the successor department, agency, or entity responsible for the program, activity, or functions relative to the contract or agreement.*

(6) *Any funds held in trust which were donated to or earned by the Division of International Trade and Business Development, the Division of Sports Industry Development, or the Division of Tourism Marketing of Enterprise Florida, Inc., shall be transferred to the direct-support organization created under s. 288.012, Florida Statutes, the Florida Tourism Industry Marketing Corporation, or the Florida Sports Foundation, as appropriate, for the original purposes of the funds.*

(7) *The department shall submit in a timely manner to the applicable federal departments or agencies any necessary amendments or supplemental information concerning plans which the state or one of the entities is required to submit to the Federal Government in connection with any federal or state program. The department shall seek any waivers from the requirements of federal law or rules which may be necessary to administer the provisions of this act.*

Section 2. *The Legislature recognizes that there is a need to conform the Florida Statutes to the policy decisions reflected in this act and that there is a need to resolve apparent conflicts between any other legislation that has been or may be enacted during the 2023 Regular Session of the Legislature and the transfer of duties made by this act. Therefore, in the interim between this act becoming law and the 2024 Regular Session of the Legislature or an earlier special session addressing this issue, the Division of Law Revision shall provide the relevant substantive committees of the Senate and the House of Representatives with assistance, upon request, to enable such committees to prepare draft legislation to conform the Florida Statutes and any legislation enacted during 2023 to the provisions of this act.*

Section 3. *For programs or corporations established pursuant to s. 220.1899, s. 220.194, s. 288.1045, s. 288.106, s. 288.1081, s. 288.1082, s. 288.1088, s. 288.1089, s. 288.1171, s. 288.95155, s. 288.955, s. 288.9916, or s. 288.9934, Florida Statutes, no new or additional applications or certifications shall be approved, no new letters of certification may be issued, no new contracts or agreements may be executed, and no new awards may be made. All certifications issued under such sections are rescinded except for the certifications of those certified applicants or projects that continue to meet the applicable criteria that was in effect before July 1, 2023. Any existing contracts or agreements authorized under any of these programs shall continue in full force and effect in accordance with the statutory requirements in effect when the contract or agreement was executed or last modified. However, no further modifications, extensions, or waivers may be made or granted relating to such contracts or agreements except computations by the Department of Revenue of the income generated by or arising out of the qualifying project.*

Section 4. (1) *For the 2023-2024 fiscal year, the sum of \$5 million in recurring funds from the Florida International Trade and Promotion Trust Fund is appropriated to the direct-support organization created under s. 288.012, Florida Statutes.*

(2) *For the 2023-2024 fiscal year, 20 full-time equivalent positions with associated salary rate of 1,406,860 are authorized and the sum of \$5 million in recurring funds from the State Economic Enhancement*

and Development Trust Fund is appropriated to the Department of Commerce, as created by this act, to carry-out the provisions of this act.

(3) For the 2023-2024 fiscal year, the sum of \$1 million in non-recurring funds from the State Economic Enhancement and Development Trust Fund is appropriated to the Department of Commerce, as created by this act, to facilitate the transition plan and transfers required by this act. The unexpended balance of funds as of December 31, 2023, shall revert.

Section 5. Paragraph (i) of subsection (3) of section 11.45, Florida Statutes, is amended to read:

11.45 Definitions; duties; authorities; reports; rules.—

(3) AUTHORITY FOR AUDITS AND OTHER ENGAGEMENTS.—The Auditor General may, pursuant to his or her own authority, or at the direction of the Legislative Auditing Committee, conduct audits or other engagements as determined appropriate by the Auditor General of:

~~(i) Enterprise Florida, Inc., including any of its boards, advisory committees, or similar groups created by Enterprise Florida, Inc., and programs. The audit report may not reveal the identity of any person who has anonymously made a donation to Enterprise Florida, Inc., pursuant to this paragraph. The identity of a donor or prospective donor to Enterprise Florida, Inc., who desires to remain anonymous and all information identifying such donor or prospective donor are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution. Such anonymity shall be maintained in the auditor's report.~~

14.32 Office of Chief Inspector General.—

(3) Related to public-private partnerships, the Chief Inspector General:

(a) Shall advise public-private partnerships, ~~including Enterprise Florida, Inc.~~, in their development, utilization, and improvement of internal control measures necessary to ensure fiscal accountability.

Section 7. Section 15.18, Florida Statutes, is amended to read:

15.18 International and cultural relations.—The Divisions of Arts and Culture, Historical Resources, and Library and Information Services of the Department of State promote programs having substantial cultural, artistic, and indirect economic significance that emphasize American creativity. The Secretary of State, as the head administrator of these divisions, shall hereafter be known as “Florida’s Chief Arts and Culture Officer.” As this officer, the Secretary of State is encouraged to initiate and develop relationships between the state and foreign cultural officers, their representatives, and other foreign governmental officials in order to promote Florida as the center of American creativity. The Secretary of State shall coordinate international activities pursuant to this section with ~~the Department of Commerce Enterprise Florida, Inc.~~, and any other organization the secretary deems appropriate. For the accomplishment of this purpose, the Secretary of State shall have the power and authority to:

(1) Disseminate any information pertaining to the State of Florida which promotes the state’s cultural assets.

(2) Plan and carry out activities designed to cause improved cultural and governmental programs and exchanges with foreign countries.

(3) Plan and implement cultural and social activities for visiting foreign heads of state, diplomats, dignitaries, and exchange groups.

(4) Encourage and cooperate with other public and private organizations or groups in their efforts to promote the cultural advantages of Florida.

(5) Serve as the liaison with all foreign consular and ambassadorial corps, as well as international organizations, that are consistent with the purposes of this section.

(6) Provide, arrange, and make expenditures for the achievement of any or all of the purposes specified in this section.

Section 8. Subsection (2) of section 15.182, Florida Statutes, is amended to read:

15.182 International travel by state-funded musical, cultural, or artistic organizations; notification to the Department of State.—

(2) The Department of State, in conjunction with the Department of ~~Commerce Economic Opportunity and Enterprise Florida, Inc.~~, shall act as an intermediary between performing musical, cultural, and artistic organizations and Florida businesses to encourage and coordinate joint undertakings. Such coordination may include, but is not limited to, encouraging business and industry to sponsor cultural events, assistance with travel of such organizations, and coordinating travel schedules of cultural performance groups and international trade missions.

Section 9. Paragraph (a) of subsection (7) of section 20.435, Florida Statutes, is amended to read:

20.435 Department of Health; trust funds.—The following trust funds shall be administered by the Department of Health:

(7) Biomedical Research Trust Fund.

(a) Funds to be credited to the trust fund shall consist of funds appropriated by the Legislature. Funds shall be used for the purposes of the James and Esther King Biomedical Research Program, the Casey DeSantis Cancer Research Program, and the William G. “Bill” Bankhead, Jr., and David Coley Cancer Research Program as specified in ss. 215.5602, ~~288.955~~, 381.915, and 381.922. The trust fund is exempt from the service charges imposed by s. 215.20.

Section 10. Section 20.60, Florida Statutes, is amended to read:

20.60 Department of ~~Commerce Economic Opportunity~~; creation; powers and duties.—

(1) There is created the Department of ~~Commerce Economic Opportunity~~.

(2) The head of the department is the Secretary of ~~Commerce Economic Opportunity~~, who shall be appointed by the Governor, subject to confirmation by the Senate. The secretary shall serve at the pleasure of and report to the Governor *and shall serve as the Governor’s chief negotiator for business recruitment and expansion and economic development*. The secretary may appoint deputy and assistant secretaries as necessary to aid the secretary in fulfilling his or her statutory obligations.

(3)(a) The following divisions and offices of the Department of ~~Commerce Economic Opportunity~~ are established:

1. The Division of ~~Economic Strategic Business~~ Development.

2. The Division of Community Development.

3. The Division of Workforce Services.

4. The Division of Finance and Administration.

5. The Division of Information Technology.

6. The Office of the Secretary.

7. The Office of Economic Accountability and Transparency, which shall:

a. Oversee the department’s critical objectives as determined by the secretary and make sure that the department’s key objectives are clearly communicated to the public.

b. Organize department resources, expertise, data, and research to focus on and solve the complex economic challenges facing the state.

c. Provide leadership for the department’s priority issues that require integration of policy, management, and critical objectives from multiple programs and organizations internal and external to the de-

partment; and organize and manage external communication on such priority issues.

d. Promote and facilitate key department initiatives to address priority economic issues and explore data and identify opportunities for innovative approaches to address such economic issues.

e. Promote strategic planning for the department.

(b) The secretary:

1. May create offices within the Office of the Secretary and within the divisions established in paragraph (a) to promote efficient and effective operation of the department.

2. Shall appoint a director for each division, who shall directly administer his or her division and be responsible to the secretary.

(4) The purpose of the department is to assist the Governor in working with the Legislature, state agencies, business leaders, and economic development professionals to formulate and implement coherent and consistent policies and strategies designed to promote economic opportunities for all Floridians. *The department is the state's chief agency for business recruitment and expansion and economic development.* To accomplish such purposes, the department shall:

(a) Facilitate the direct involvement of the Governor and the Lieutenant Governor in economic development and workforce development projects designed to create, expand, and retain businesses in this state, to recruit business from around the world, *to promote the state as a pro-business location for new investment*, and to facilitate other job-creating efforts.

(b) Recruit new businesses to this state and promote the expansion of existing businesses by expediting permitting and location decisions, worker placement and training, and incentive awards.

(c) Promote viable, sustainable communities by providing technical assistance and guidance on growth and development issues, grants, and other assistance to local communities.

(d) Ensure that the state's goals and policies relating to economic development, workforce development, community planning and development, and affordable housing are fully integrated with appropriate implementation strategies.

(e) Manage the activities of public-private partnerships and state agencies in order to avoid duplication and promote coordinated and consistent implementation of programs in areas including, but not limited to, tourism; international trade and investment; business recruitment, creation, retention, and expansion; minority and small business development; *defense, space, and aerospace development*; rural community development; and the development and promotion of professional and amateur sporting events.

(f) Coordinate with state agencies on the processing of state development approvals or permits to minimize the duplication of information provided by the applicant and the time before approval or disapproval.

(g) *Contract with the Florida Sports Foundation to guide, stimulate, and promote the sports industry in this state, to promote the participation of residents of this state in amateur athletic competition, and to promote this state as a host for national and international amateur athletic competitions.*

(h) *Encourage and oversee the coordination of international trade development efforts of public institutions, business associations, economic development councils, and private industry.*

(i) *Contract with the direct-support organization created in s. 288.012, to assist with coordination described in paragraph (h), provide services through State of Florida international offices, and assist in developing and carrying out the 5-year statewide strategic plan as it relates to foreign investment, international partnerships, and other international business and trade development.*

(j) *Support Florida's defense, space, and aerospace industries, including research and development, and strengthen this state's existing*

*leadership in defense, space, and aerospace activity and economic growth.*

(k) *Assist, promote, and enhance economic opportunities for this state's minority-owned businesses and rural and urban communities.*

(l) *Contract with the Florida Tourism Industry Marketing Corporation to execute tourism promotion and marketing services, functions, and programs for the state and advise the department on the development of domestic and international tourism marketing campaigns featuring this state.*

(5) The divisions within the department have specific responsibilities to achieve the duties, responsibilities, and goals of the department. Specifically:

(a) The Division of ~~Economic Strategic Business~~ Development shall:

1. Analyze and evaluate business prospects identified by the Governor ~~and~~; the secretary, ~~and Enterprise Florida, Inc.~~

2. Administer certain tax refund, tax credit, and grant programs created in law. Notwithstanding any other provision of law, the department may expend interest earned from the investment of program funds deposited in the Grants and Donations Trust Fund to contract for the administration of those programs, or portions of the programs, assigned to the department by law, by the appropriations process, or by the Governor. Such expenditures shall be subject to review under chapter 216.

3. Develop measurement protocols for the state incentive programs and for the contracted entities which will be used to determine their performance and competitive value to the state. Performance measures, benchmarks, and sanctions must be developed in consultation with the legislative appropriations committees and the appropriate substantive committees, and are subject to the review and approval process provided in s. 216.177. The approved performance measures, standards, and sanctions shall be included and made a part of the strategic plan for contracts entered into for delivery of programs authorized by this section.

4. Develop a 5-year statewide strategic plan. The strategic plan must include, but need not be limited to:

a. Strategies for the promotion of business formation, expansion, recruitment, and retention through aggressive marketing, *attraction of venture capital and finance development, domestic trade*, international development, and export assistance, which lead to more and better jobs and higher wages for all geographic regions, disadvantaged communities, and populations of the state, including rural areas, minority businesses, and urban core areas.

b. The development of realistic policies and programs to further the economic diversity of the state, its regions, and their associated industrial clusters.

c. Specific provisions for the stimulation of economic development and job creation in rural areas and midsize cities and counties of the state, including strategies for rural marketing and the development of infrastructure in rural areas.

d. Provisions for the promotion of the successful long-term economic development of the state with increased emphasis in market research and information.

e. Plans for the generation of foreign investment in the state which create jobs paying above-average wages and which result in reverse investment in the state, including programs that establish viable overseas markets, assist in meeting the financing requirements of export-ready firms, broaden opportunities for international joint venture relationships, use the resources of academic and other institutions, coordinate trade assistance and facilitation services, and facilitate availability of and access to education and training programs that assure requisite skills and competencies necessary to compete successfully in the global marketplace.

f. The identification of business sectors that are of current or future importance to the state's economy and to the state's global business

image, and development of specific strategies to promote the development of such sectors.

g. Strategies for talent development necessary in the state to encourage economic development growth, taking into account factors such as the state's talent supply chain, education and training opportunities, and available workforce.

h. *Strategies and plans to support this state's defense, space, and aerospace industries and the emerging complementary business activities and industries that support the development and growth of defense, space, and aerospace in this state.*

5. Update the strategic plan every 5 years.

6. Involve ~~Enterprise Florida, Inc.~~; CareerSource Florida, Inc.; *direct-support organizations of the department*; local governments; the general public; local and regional economic development organizations; other local, state, and federal economic, international, and workforce development entities; the business community; and educational institutions to assist with the strategic plan.

7. *Coordinate with the Florida Tourism Industry Marketing Corporation in the development of the 4-year marketing plan pursuant to s. 288.1226(13).*

8. *Administer and manage relationships, as appropriate, with the entities and programs created pursuant to the Florida Capital Formation Act, ss. 288.9621-288.96255.*

(b) The Division of Community Development shall:

1. Assist local governments and their communities in finding creative planning solutions to help them foster vibrant, healthy communities, while protecting the functions of important state resources and facilities.

2. Administer state and federal grant programs as provided by law to provide community development and project planning activities to maintain viable communities, revitalize existing communities, and expand economic development and employment opportunities, including:

- a. The Community Services Block Grant Program.
- b. The Community Development Block Grant Program in chapter 290.
- c. The Low-Income Home Energy Assistance Program in chapter 409.
- d. The Weatherization Assistance Program in chapter 409.
- e. The Neighborhood Stabilization Program.
- f. The local comprehensive planning process and the development of regional impact process.

g. The Front Porch Florida Initiative through the Office of Urban Opportunity, which is created within the division. The purpose of the office is to administer the Front Porch Florida initiative, a comprehensive, community-based urban core redevelopment program that enables urban core residents to craft solutions to the unique challenges of each designated community.

3. Assist in developing the 5-year statewide strategic plan required by this section.

(c) The Division of Workforce Services shall:

1. Prepare and submit a unified budget request for workforce development in accordance with chapter 216 for, and in conjunction with, the state board as defined in s. 445.002.

2. Ensure that the state appropriately administers federal and state workforce funding by administering plans and policies of the state board as defined in s. 445.002. The operating budget and midyear amendments thereto must be part of such contract.

a. All program and fiscal instructions to local workforce development boards shall emanate from the Department of ~~Commerce~~

~~Economic Opportunity~~ pursuant to plans and policies of the state board as defined in s. 445.002, which shall be responsible for all policy directions to the local workforce development boards.

b. Unless otherwise provided by agreement with the state board as defined in s. 445.002, administrative and personnel policies of the Department of ~~Commerce~~ ~~Economic Opportunity~~ apply.

3. Implement the state's reemployment assistance program. The Department of ~~Commerce~~ ~~Economic Opportunity~~ shall ensure that the state appropriately administers the reemployment assistance program pursuant to state and federal law.

4. Assist in developing the 5-year statewide strategic plan required by this section, *including identifying education and training programs to ensure that the state has the skilled and competent workforce necessary to attract and grow business in this state and allow them to compete successfully in domestic and global markets.*

(6)(a) The Department of ~~Commerce~~ ~~Economic Opportunity~~ is the administrative agency designated for receipt of federal workforce development grants and other federal funds. The department shall administer the duties and responsibilities assigned by the Governor under each federal grant assigned to the department. The department shall expend each revenue source as provided by federal and state law and as provided in plans developed by and agreements with the state board as defined in s. 445.002. The department may serve as the contract administrator for contracts entered into by the state board under s. 445.004(5).

(b) The Department of ~~Commerce~~ ~~Economic Opportunity~~ shall serve as the designated agency for purposes of each federal workforce development grant assigned to it for administration. The department shall carry out the duties assigned to it by the Governor, under the terms and conditions of each grant. The department shall have the level of authority and autonomy necessary to be the designated recipient of each federal grant assigned to it and shall disburse such grants pursuant to the plans and policies of the state board as defined in s. 445.002. The secretary may, upon delegation from the Governor and pursuant to agreement with the state board, sign contracts, grants, and other instruments as necessary to execute functions assigned to the department. Notwithstanding other provisions of law, the department shall administer other programs funded by federal or state appropriations, as determined by the Legislature in the General Appropriations Act or other law.

(7) The department may provide or contract for training for employees of administrative entities and case managers of any contracted providers to ensure they have the necessary competencies and skills to provide adequate administrative oversight and delivery of the full array of client services.

(8) The Reemployment Assistance Appeals Commission, authorized by s. 443.012, is not subject to control, supervision, or direction by the department in the performance of its powers and duties but shall receive any and all support and assistance from the department which is required for the performance of its duties.

(9) The secretary shall:

(a) Manage all activities and responsibilities of the department.

(b) Serve as the manager for the state with respect to contracts with ~~Enterprise Florida, Inc., and~~ all applicable direct-support organizations. To accomplish the provisions of this section and applicable provisions of chapter 288, and notwithstanding the provisions of part I of chapter 287, the secretary shall enter into specific contracts with ~~Enterprise Florida, Inc., and other~~ appropriate direct-support organizations. Such contracts may be for multiyear terms and must include specific performance measures for each year. For purposes of this section, ~~the Florida Tourism Industry Marketing Corporation and the Institute for Commercialization of Florida Technology is~~ ~~are~~ not an appropriate direct-support organization ~~organizations~~.

(c) Serve as a member of the board of directors of the Florida Development Finance Corporation. The secretary may designate an employee of the department to serve in this capacity.

(10) The department, ~~with assistance from Enterprise Florida, Inc.~~, shall, by November 1 of each year, submit an annual report to the Governor, the President of the Senate, and the Speaker of the House of Representatives on the condition of the business climate and economic development in the state.

(a) The report must include the identification of problems and a prioritized list of recommendations.

(b) *The department shall collect and maintain data on the development and utilization of the international trade development program for inclusion in the report.*

(c) The report must incorporate annual reports of other programs, including:

~~1. Information provided by the Department of Revenue under s. 290.014.~~

~~2. Information provided by enterprise zone development agencies under s. 290.0056 and an analysis of the activities and accomplishments of each enterprise zone.~~

~~3. The Economic Gardening Business Loan Pilot Program established under s. 288.1081 and the Economic Gardening Technical Assistance Pilot Program established under s. 288.1082.~~

1.4. A detailed report of the performance of the Black Business Loan Program and a cumulative summary of quarterly report data required under s. 288.714.

2.5. The Rural Economic Development Initiative established under s. 288.0656.

3.6. The Florida Unique Abilities Partner Program.

4.7. A detailed report of the performance of the Florida Development Finance Corporation and a summary of the corporation's report required under s. 288.9610.

(11) The department shall establish annual performance standards for ~~Enterprise Florida, Inc.~~; CareerSource Florida, Inc.; the Florida Tourism Industry Marketing Corporation; Space Florida; ~~and~~ the Florida Development Finance Corporation; *and any other direct-support organization of the department* and report annually on how these performance measures are being met in the annual report required under subsection (10).

(12) The department shall have an official seal by which its records, orders, and proceedings are authenticated. The seal shall be judicially noticed.

(13) The department shall administer the role of state government under part I of chapter 421, relating to public housing; chapter 422, relating to housing cooperation law; and chapter 423, tax exemption of housing authorities. The department is the agency of state government responsible for the state's role in housing and urban development.

Section 11. *Section 20.601, Florida Statutes, is repealed.*

Section 12. Subsection (11) of section 159.803, Florida Statutes, is amended to read:

159.803 Definitions.—As used in this part, the term:

(11) “Florida First Business project” means any project which is certified by the Department of ~~Commerce~~ **Economic Opportunity** as eligible to receive an allocation from the Florida First Business allocation pool established pursuant to s. 159.8083. The Department of ~~Commerce~~ **Economic Opportunity** may certify those projects *proposed by a business which qualify as a target industry business as defined in s. 288.005 meeting the criteria set forth in s. 288.106(4)(b) or any project providing a substantial economic benefit to this state. The department shall develop measurement protocols and performance measures to determine what competitive value a project by a target industry business will bring to the state pursuant to ss. 20.60(5)(a)3. and 288.061(2).*

Section 13. Section 189.033, Florida Statutes, is amended to read:

189.033 Independent special district services in disproportionately affected county; rate reduction for providers providing economic benefits.—If the governing body of an independent special district that provides water, wastewater, and sanitation services in a disproportionately affected county, ~~as defined in s. 288.106(8)~~, determines that a new user or the expansion of an existing user of one or more of its utility systems will provide a significant benefit to the community in terms of increased job opportunities, economies of scale, or economic development in the area, the governing body may authorize a reduction of its rates, fees, or charges for that user for a specified period of time. A governing body that exercises this power must do so by resolution that states the anticipated economic benefit justifying the reduction as well as the period of time that the reduction will remain in place. *As used in this section, the term “disproportionally affected county” means Bay County, Escambia County, Franklin County, Gulf County, Okaloosa County, Santa Rosa County, Walton County, or Wakulla County.*

Section 14. Paragraph (a) of subsection (14) of section 196.012, Florida Statutes, is amended to read:

196.012 Definitions.—For the purpose of this chapter, the following terms are defined as follows, except where the context clearly indicates otherwise:

(14) “New business” means:

(a)1. A business or organization establishing 10 or more new jobs to employ 10 or more full-time employees in this state, paying an average wage for such new jobs that is above the average wage in the area, which principally engages in any one or more of the following operations:

a. Manufactures, processes, compounds, fabricates, or produces for sale items of tangible personal property at a fixed location and which comprises an industrial or manufacturing plant; or

b. Is a target industry business as defined in s. 288.005 ~~s. 288.106(2)(q)~~;

2. A business or organization establishing 25 or more new jobs to employ 25 or more full-time employees in this state, the sales factor of which, as defined by s. 220.15(5), for the facility with respect to which it requests an economic development ad valorem tax exemption is less than 0.50 for each year the exemption is claimed; or

3. An office space in this state owned and used by a business or organization newly domiciled in this state; provided such office space houses 50 or more full-time employees of such business or organization; provided that such business or organization office first begins operation on a site clearly separate from any other commercial or industrial operation owned by the same business or organization.

Section 15. Paragraphs (j) and (q) of subsection (5) of section 212.08, Florida Statutes, are amended to read:

212.08 Sales, rental, use, consumption, distribution, and storage tax; specified exemptions.—The sale at retail, the rental, the use, the consumption, the distribution, and the storage to be used or consumed in this state of the following are hereby specifically exempt from the tax imposed by this chapter.

(5) EXEMPTIONS; ACCOUNT OF USE.—

(j) *Machinery and equipment used in semiconductor, defense, or space technology production.—*

1.a. Industrial machinery and equipment used in semiconductor technology facilities certified under subparagraph 5. to manufacture, process, compound, or produce semiconductor technology products for sale or for use by these facilities are exempt from the tax imposed by this chapter. For purposes of this paragraph, industrial machinery and equipment includes molds, dies, machine tooling, other appurtenances or accessories to machinery and equipment, testing equipment, test beds, computers, and software, whether purchased or self-fabricated, and, if self-fabricated, includes materials and labor for design, fabrication, and assembly.

b. Industrial machinery and equipment used in defense or space technology facilities certified under subparagraph 5. to design, manu-

ufacture, assemble, process, compound, or produce defense technology products or space technology products for sale or for use by these facilities are exempt from the tax imposed by this chapter.

2. Building materials purchased for use in manufacturing or expanding clean rooms in semiconductor-manufacturing facilities are exempt from the tax imposed by this chapter.

3. In addition to meeting the criteria mandated by subparagraph 1. or subparagraph 2., a business must be certified by the Department of Commerce ~~Economic Opportunity~~ in order to qualify for exemption under this paragraph.

4. For items purchased tax-exempt pursuant to this paragraph, possession of a written certification from the purchaser, certifying the purchaser's entitlement to the exemption, relieves the seller of the responsibility of collecting the tax on the sale of such items, and the department shall look solely to the purchaser for recovery of the tax if it determines that the purchaser was not entitled to the exemption.

5.a. To be eligible to receive the exemption provided by subparagraph 1. or subparagraph 2., a qualifying business entity shall initially apply to the Department of Commerce ~~Enterprise Florida, Inc.~~ The original certification is valid for a period of 2 years. In lieu of submitting a new application, the original certification may be renewed biennially by submitting to the Department of Commerce ~~Economic Opportunity~~ a statement, certified under oath, that there has not been a material change in the conditions or circumstances entitling the business entity to the original certification. The initial application and the certification renewal statement shall be developed by the Department of Commerce ~~Economic Opportunity~~.

b. The Division of ~~Economic Strategic Business~~ Development of the Department of Commerce ~~Economic Opportunity~~ shall review each submitted initial application and determine whether or not the application is complete within 5 working days. Once complete, the division shall, within 10 working days, evaluate the application and recommend approval or disapproval to the Department of Commerce ~~Economic Opportunity~~.

c. Upon receipt of the initial application and recommendation from the division or upon receipt of a certification renewal statement, the Department of Commerce ~~Economic Opportunity~~ shall certify within 5 working days those applicants who are found to meet the requirements of this section and notify the applicant of the original certification or certification renewal. If the Department of Commerce ~~Economic Opportunity~~ finds that the applicant does not meet the requirements, it shall notify the applicant and ~~Enterprise Florida, Inc.~~, within 10 working days that the application for certification has been denied and the reasons for denial. The Department of Commerce ~~Economic Opportunity~~ has final approval authority for certification under this section.

d. The initial application and certification renewal statement must indicate, for program evaluation purposes only, the average number of full-time equivalent employees at the facility over the preceding calendar year, the average wage and benefits paid to those employees over the preceding calendar year, the total investment made in real and tangible personal property over the preceding calendar year, and the total value of tax-exempt purchases and taxes exempted during the previous year. The department shall assist the Department of Commerce ~~Economic Opportunity~~ in evaluating and verifying information provided in the application for exemption.

e. The Department of Commerce ~~Economic Opportunity~~ may use the information reported on the initial application and certification renewal statement for evaluation purposes only.

6. A business certified to receive this exemption may elect to designate one or more state universities or community colleges as recipients of up to 100 percent of the amount of the exemption. To receive these funds, the institution must agree to match the funds with equivalent cash, programs, services, or other in-kind support on a one-to-one basis for research and development projects requested by the certified business. The rights to any patents, royalties, or real or intellectual property must be vested in the business unless otherwise agreed to by the business and the university or community college.

7. As used in this paragraph, the term:

a. "Semiconductor technology products" means raw semiconductor wafers or semiconductor thin films that are transformed into semiconductor memory or logic wafers, including wafers containing mixed memory and logic circuits; related assembly and test operations; active-matrix flat panel displays; semiconductor chips; semiconductor lasers; optoelectronic elements; and related semiconductor technology products as determined by the Department of Commerce ~~Economic Opportunity~~.

b. "Clean rooms" means manufacturing facilities enclosed in a manner that meets the clean manufacturing requirements necessary for high-technology semiconductor-manufacturing environments.

c. "Defense technology products" means products that have a military application, including, but not limited to, weapons, weapons systems, guidance systems, surveillance systems, communications or information systems, munitions, aircraft, vessels, or boats, or components thereof, which are intended for military use and manufactured in performance of a contract with the United States Department of Defense or the military branch of a recognized foreign government or a subcontract thereunder which relates to matters of national defense.

d. "Space technology products" means products that are specifically designed or manufactured for application in space activities, including, but not limited to, space launch vehicles, space flight vehicles, missiles, satellites or research payloads, avionics, and associated control systems and processing systems and components of any of the foregoing. The term does not include products that are designed or manufactured for general commercial aviation or other uses even though those products may also serve an incidental use in space applications.

~~(q) Entertainment industry tax credit; authorization; eligibility for credits.—The credits against the state sales tax authorized pursuant to s. 288.1254 shall be deducted from any sales and use tax remitted by the dealer to the department by electronic funds transfer and may only be deducted on a sales and use tax return initiated through electronic data interchange. The dealer shall separately state the credit on the electronic return. The net amount of tax due and payable must be remitted by electronic funds transfer. If the credit for the qualified expenditures is larger than the amount owed on the sales and use tax return that is eligible for the credit, the unused amount of the credit may be carried forward to a succeeding reporting period as provided in s. 288.1254(4)(c). A dealer may only obtain a credit using the method described in this subparagraph. A dealer is not authorized to obtain a credit by applying for a refund.~~

Section 16. Paragraph (a) of subsection (1) of section 212.098, Florida Statutes, is amended to read:

212.098 Rural Job Tax Credit Program.—

(1) As used in this section, the term:

(a) "Eligible business" means any sole proprietorship, firm, partnership, or corporation that is located in a qualified county and is predominantly engaged in, or is headquarters for a business predominantly engaged in, activities usually provided for consideration by firms classified within the following standard industrial classifications: SIC 01-SIC 09 (agriculture, forestry, and fishing); SIC 20-SIC 39 (manufacturing); SIC 422 (public warehousing and storage); SIC 70 (hotels and other lodging places); SIC 7391 (research and development); SIC 781 (motion picture production and allied services); SIC 7992 (public golf courses); and SIC 7996 (amusement parks); ~~and a targeted industry eligible for the qualified target industry business tax refund under s. 288.106.~~ A call center or similar customer service operation that services a multistate market or an international market is also an eligible business. In addition, the Department of Commerce ~~Economic Opportunity~~ may, as part of its final budget request submitted pursuant to s. 216.023, recommend additions to or deletions from the list of standard industrial classifications used to determine an eligible business, and the Legislature may implement such recommendations. Excluded from eligible receipts are receipts from retail sales, except such receipts for hotels and other lodging places classified in SIC 70, public golf courses in SIC 7992, and amusement parks in SIC 7996. For purposes of this paragraph, the term "predominantly" means that more than 50 percent of the business's gross receipts from all sources is generated by those activities usually provided for consideration by firms in the specified

standard industrial classification. The determination of whether the business is located in a qualified county and the tier ranking of that county must be based on the date of application for the credit under this section. Commonly owned and controlled entities are to be considered a single business entity.

Section 17. Paragraph (d) of subsection (6) of section 212.20, Florida Statutes, is amended to read:

212.20 Funds collected, disposition; additional powers of department; operational expense; refund of taxes adjudicated unconstitutionally collected.—

(6) Distribution of all proceeds under this chapter and ss. 202.18(1)(b) and (2)(b) and 203.01(1)(a)3. is as follows:

(d) The proceeds of all other taxes and fees imposed pursuant to this chapter or remitted pursuant to s. 202.18(1)(b) and (2)(b) shall be distributed as follows:

1. In any fiscal year, the greater of \$500 million, minus an amount equal to 4.6 percent of the proceeds of the taxes collected pursuant to chapter 201, or 5.2 percent of all other taxes and fees imposed pursuant to this chapter or remitted pursuant to s. 202.18(1)(b) and (2)(b) shall be deposited in monthly installments into the General Revenue Fund.

2. After the distribution under subparagraph 1., 8.9744 percent of the amount remitted by a sales tax dealer located within a participating county pursuant to s. 218.61 shall be transferred into the Local Government Half-cent Sales Tax Clearing Trust Fund. Beginning July 1, 2003, the amount to be transferred shall be reduced by 0.1 percent, and the department shall distribute this amount to the Public Employees Relations Commission Trust Fund less \$5,000 each month, which shall be added to the amount calculated in subparagraph 3. and distributed accordingly.

3. After the distribution under subparagraphs 1. and 2., 0.0966 percent shall be transferred to the Local Government Half-cent Sales Tax Clearing Trust Fund and distributed pursuant to s. 218.65.

4. After the distributions under subparagraphs 1., 2., and 3., 2.0810 percent of the available proceeds shall be transferred monthly to the Revenue Sharing Trust Fund for Counties pursuant to s. 218.215.

5. After the distributions under subparagraphs 1., 2., and 3., 1.3653 percent of the available proceeds shall be transferred monthly to the Revenue Sharing Trust Fund for Municipalities pursuant to s. 218.215. If the total revenue to be distributed pursuant to this subparagraph is at least as great as the amount due from the Revenue Sharing Trust Fund for Municipalities and the former Municipal Financial Assistance Trust Fund in state fiscal year 1999-2000, no municipality shall receive less than the amount due from the Revenue Sharing Trust Fund for Municipalities and the former Municipal Financial Assistance Trust Fund in state fiscal year 1999-2000. If the total proceeds to be distributed are less than the amount received in combination from the Revenue Sharing Trust Fund for Municipalities and the former Municipal Financial Assistance Trust Fund in state fiscal year 1999-2000, each municipality shall receive an amount proportionate to the amount it was due in state fiscal year 1999-2000.

6. Of the remaining proceeds:

a. In each fiscal year, the sum of \$29,915,500 shall be divided into as many equal parts as there are counties in the state, and one part shall be distributed to each county. The distribution among the several counties must begin each fiscal year on or before January 5th and continue monthly for a total of 4 months. If a local or special law required that any moneys accruing to a county in fiscal year 1999-2000 under the then-existing provisions of s. 550.135 be paid directly to the district school board, special district, or a municipal government, such payment must continue until the local or special law is amended or repealed. The state covenants with holders of bonds or other instruments of indebtedness issued by local governments, special districts, or district school boards before July 1, 2000, that it is not the intent of this subparagraph to adversely affect the rights of those holders or relieve local governments, special districts, or district school boards of the duty to meet their obligations as a result of previous pledges or assignments or trusts entered into which obligated funds received from the dis-

tribution to county governments under then-existing s. 550.135. This distribution specifically is in lieu of funds distributed under s. 550.135 before July 1, 2000.

b. The department shall distribute \$166,667 monthly to each applicant certified as a facility for a new or retained professional sports franchise pursuant to s. 288.1162. Up to \$41,667 shall be distributed monthly by the department to each certified applicant as defined in s. 288.11621 for a facility for a spring training franchise. However, not more than \$416,670 may be distributed monthly in the aggregate to all certified applicants for facilities for spring training franchises. Distributions begin 60 days after such certification and continue for not more than 30 years, except as otherwise provided in s. 288.11621. A certified applicant identified in this sub-subparagraph may not receive more in distributions than expended by the applicant for the public purposes provided in s. 288.1162(5) or s. 288.11621(3).

~~e. Beginning 30 days after notice by the Department of Economic Opportunity to the Department of Revenue that an applicant has been certified as the professional golf hall of fame pursuant to s. 288.1168 and is open to the public, \$166,667 shall be distributed monthly, for up to 300 months, to the applicant.~~

~~d. Beginning 30 days after notice by the Department of Economic Opportunity to the Department of Revenue that the applicant has been certified as the International Game Fish Association World Center facility pursuant to s. 288.1169, and the facility is open to the public, \$83,333 shall be distributed monthly, for up to 168 months, to the applicant. This distribution is subject to reduction pursuant to s. 288.1169.~~

c.e. The department shall distribute up to \$83,333 monthly to each certified applicant as defined in s. 288.11631 for a facility used by a single spring training franchise, or up to \$166,667 monthly to each certified applicant as defined in s. 288.11631 for a facility used by more than one spring training franchise. Monthly distributions begin 60 days after such certification or July 1, 2016, whichever is later, and continue for not more than 20 years to each certified applicant as defined in s. 288.11631 for a facility used by a single spring training franchise or not more than 25 years to each certified applicant as defined in s. 288.11631 for a facility used by more than one spring training franchise. A certified applicant identified in this sub-subparagraph may not receive more in distributions than expended by the applicant for the public purposes provided in s. 288.11631(3).

d.f. The Department shall distribute \$15,333 monthly to the State Transportation Trust Fund.

e.g.(I) On or before July 25, 2021, August 25, 2021, and September 25, 2021, the department shall distribute \$324,533,334 in each of those months to the Unemployment Compensation Trust Fund, less an adjustment for refunds issued from the General Revenue Fund pursuant to s. 443.131(3)(e)3. before making the distribution. The adjustments made by the department to the total distributions shall be equal to the total refunds made pursuant to s. 443.131(3)(e)3. If the amount of refunds to be subtracted from any single distribution exceeds the distribution, the department may not make that distribution and must subtract the remaining balance from the next distribution.

(II) Beginning July 2022, and on or before the 25th day of each month, the department shall distribute \$90 million monthly to the Unemployment Compensation Trust Fund.

(III) If the ending balance of the Unemployment Compensation Trust Fund exceeds \$4,071,519,600 on the last day of any month, as determined from United States Department of the Treasury data, the Office of Economic and Demographic Research shall certify to the department that the ending balance of the trust fund exceeds such amount.

(IV) This sub-subparagraph is repealed, and the department shall end monthly distributions under sub-sub-subparagraph (II), on the date the department receives certification under sub-sub-subparagraph (III).

7. All other proceeds must remain in the General Revenue Fund.

Section 18. Section 212.205, Florida Statutes, is amended to read:

212.205 Sales tax distribution reporting.—By March 15 of each year, each person who received a distribution pursuant to s. 212.20(6)(d)

6.b. and c. ~~s. 212.20(6)(d)6.b.-c.~~ in the preceding calendar year shall report to the Office of Economic and Demographic Research the following information:

(1) An itemized accounting of all expenditures of the funds distributed in the preceding calendar year, including amounts spent on debt service.

(2) A statement indicating what portion of the distributed funds have been pledged for debt service.

(3) The original principal amount and current debt service schedule of any bonds or other borrowing for which the distributed funds have been pledged for debt service.

Section 19. Paragraph (aa) of subsection (8) of section 213.053, Florida Statutes, is amended to read:

213.053 Confidentiality and information sharing.—

(8) Notwithstanding any other provision of this section, the department may provide:

(aa) Information relating to tax credits taken under *former* s. 220.194 to Space Florida.

Disclosure of information under this subsection shall be pursuant to a written agreement between the executive director and the agency. Such agencies, governmental or nongovernmental, shall be bound by the same requirements of confidentiality as the Department of Revenue. Breach of confidentiality is a misdemeanor of the first degree, punishable as provided by s. 775.082 or s. 775.083.

Section 20. Subsection (3) of section 218.64, Florida Statutes, is amended to read:

218.64 Local government half-cent sales tax; uses; limitations.—

(3) Subject to ordinances enacted by the majority of the members of the county governing authority and by the majority of the members of the governing authorities of municipalities representing at least 50 percent of the municipal population of such county, counties may use up to \$3 million annually of the local government half-cent sales tax allocated to that county for any of the following purposes:

(a) Funding a certified applicant as a facility for a new or retained professional sports franchise under s. 288.1162 or a certified applicant as defined in s. 288.11621 for a facility for a spring training franchise. It is the Legislature's intent that the provisions of s. 288.1162, including, but not limited to, the evaluation process by the Department of ~~Commerce~~ ~~Economic Opportunity~~ except for the limitation on the number of certified applicants or facilities as provided in that section and the restrictions set forth in s. 288.1162(8), shall apply to an applicant's facility to be funded by local government as provided in this subsection.

(b) Funding ~~an a certified~~ applicant *certified before July 1, 2023*, as a "motorsport entertainment complex," as provided for in *former* s. 288.1171. Funding for each franchise or motorsport complex shall begin 60 days after certification and shall continue for not more than 30 years.

Section 21. Subsection (8) of section 220.02, Florida Statutes, is amended to read:

220.02 Legislative intent.—

(8) It is the intent of the Legislature that credits against either the corporate income tax or the franchise tax be applied in the following order: those enumerated in s. 631.828, those enumerated in s. 220.191, those enumerated in s. 220.181, those enumerated in s. 220.183, those enumerated in s. 220.182, those enumerated in s. 220.1895, those enumerated in s. 220.195, those enumerated in s. 220.184, those enumerated in s. 220.186, those enumerated in s. 220.1845, those enumerated in s. 220.19, those enumerated in s. 220.185, those enumerated in s. 220.1875, those enumerated in s. 220.1876, those enumerated in s. 220.1877, those enumerated in s. 220.193, those enumerated in *former* s. 288.9916, those enumerated in *former* s. 220.1899, those enumerated in *former* s. 220.194, those enumerated in s. 220.196, those enumerated in s. 220.198, and those enumerated in s. 220.1915.

Section 22. Paragraphs (a) and (b) of subsection (1) of section 220.13, Florida Statutes, are amended to read:

220.13 "Adjusted federal income" defined.—

(1) The term "adjusted federal income" means an amount equal to the taxpayer's taxable income as defined in subsection (2), or such taxable income of more than one taxpayer as provided in s. 220.131, for the taxable year, adjusted as follows:

(a) *Additions*.—There shall be added to such taxable income:

1.a. The amount of any tax upon or measured by income, excluding taxes based on gross receipts or revenues, paid or accrued as a liability to the District of Columbia or any state of the United States which is deductible from gross income in the computation of taxable income for the taxable year.

b. Notwithstanding sub-subparagraph a., if a credit taken under s. 220.1875, s. 220.1876, or s. 220.1877 is added to taxable income in a previous taxable year under subparagraph 11. and is taken as a deduction for federal tax purposes in the current taxable year, the amount of the deduction allowed shall not be added to taxable income in the current year. The exception in this sub-subparagraph is intended to ensure that the credit under s. 220.1875, s. 220.1876, or s. 220.1877 is added in the applicable taxable year and does not result in a duplicate addition in a subsequent year.

2. The amount of interest which is excluded from taxable income under s. 103(a) of the Internal Revenue Code or any other federal law, less the associated expenses disallowed in the computation of taxable income under s. 265 of the Internal Revenue Code or any other law, excluding 60 percent of any amounts included in alternative minimum taxable income, as defined in s. 55(b)(2) of the Internal Revenue Code, if the taxpayer pays tax under s. 220.11(3).

3. In the case of a regulated investment company or real estate investment trust, an amount equal to the excess of the net long-term capital gain for the taxable year over the amount of the capital gain dividends attributable to the taxable year.

4. That portion of the wages or salaries paid or incurred for the taxable year which is equal to the amount of the credit allowable for the taxable year under s. 220.181. This subparagraph shall expire on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

5. That portion of the ad valorem school taxes paid or incurred for the taxable year which is equal to the amount of the credit allowable for the taxable year under s. 220.182. This subparagraph shall expire on the date specified in s. 290.016 for the expiration of the Florida Enterprise Zone Act.

6. The amount taken as a credit under s. 220.195 which is deductible from gross income in the computation of taxable income for the taxable year.

7. That portion of assessments to fund a guaranty association incurred for the taxable year which is equal to the amount of the credit allowable for the taxable year.

8. In the case of a nonprofit corporation which holds a pari-mutuel permit and which is exempt from federal income tax as a farmers' cooperative, an amount equal to the excess of the gross income attributable to the pari-mutuel operations over the attributable expenses for the taxable year.

9. The amount taken as a credit for the taxable year under s. 220.1895.

10. Up to nine percent of the eligible basis of any designated project which is equal to the credit allowable for the taxable year under s. 220.185.

11. Any amount taken as a credit for the taxable year under s. 220.1875, s. 220.1876, or s. 220.1877. The addition in this subparagraph is intended to ensure that the same amount is not allowed for the tax purposes of this state as both a deduction from income and a credit

against the tax. This addition is not intended to result in adding the same expense back to income more than once.

12. The amount taken as a credit for the taxable year under s. 220.193.

~~13. Any portion of a qualified investment, as defined in s. 288.9913, which is claimed as a deduction by the taxpayer and taken as a credit against income tax pursuant to s. 288.9916.~~

~~14. The costs to acquire a tax credit pursuant to s. 288.1254(5) that are deducted from or otherwise reduce federal taxable income for the taxable year.~~

~~15. The amount taken as a credit for the taxable year pursuant to s. 220.194.~~

16. The amount taken as a credit for the taxable year under s. 220.196. The addition in this subparagraph is intended to ensure that the same amount is not allowed for the tax purposes of this state as both a deduction from income and a credit against the tax. The addition is not intended to result in adding the same expense back to income more than once.

~~14.17.~~ The amount taken as a credit for the taxable year pursuant to s. 220.198.

~~15.18.~~ The amount taken as a credit for the taxable year pursuant to s. 220.1915.

(b) *Subtractions.*—

1. There shall be subtracted from such taxable income:

a. The net operating loss deduction allowable for federal income tax purposes under s. 172 of the Internal Revenue Code for the taxable year, ~~except that any net operating loss that is transferred pursuant to s. 220.194(6) may not be deducted by the seller,~~

b. The net capital loss allowable for federal income tax purposes under s. 1212 of the Internal Revenue Code for the taxable year,

c. The excess charitable contribution deduction allowable for federal income tax purposes under s. 170(d)(2) of the Internal Revenue Code for the taxable year, and

d. The excess contributions deductions allowable for federal income tax purposes under s. 404 of the Internal Revenue Code for the taxable year.

However, a net operating loss and a capital loss shall never be carried back as a deduction to a prior taxable year, but all deductions attributable to such losses shall be deemed net operating loss carryovers and capital loss carryovers, respectively, and treated in the same manner, to the same extent, and for the same time periods as are prescribed for such carryovers in ss. 172 and 1212, respectively, of the Internal Revenue Code.

2. There shall be subtracted from such taxable income any amount to the extent included therein the following:

a. Dividends treated as received from sources without the United States, as determined under s. 862 of the Internal Revenue Code.

b. All amounts included in taxable income under s. 78, s. 951, or s. 951A of the Internal Revenue Code.

However, any amount subtracted under this subparagraph is allowed only to the extent such amount is not deductible in determining federal taxable income. As to any amount subtracted under this subparagraph, there shall be added to such taxable income all expenses deducted on the taxpayer's return for the taxable year which are attributable, directly or indirectly, to such subtracted amount. Further, no amount shall be subtracted with respect to dividends paid or deemed paid by a Domestic International Sales Corporation.

3. In computing "adjusted federal income" for taxable years beginning after December 31, 1976, there shall be allowed as a deduction the amount of wages and salaries paid or incurred within this state for the

taxable year for which no deduction is allowed pursuant to s. 280C(a) of the Internal Revenue Code (relating to credit for employment of certain new employees).

4. There shall be subtracted from such taxable income any amount of nonbusiness income included therein.

5. There shall be subtracted any amount of taxes of foreign countries allowable as credits for taxable years beginning on or after September 1, 1985, under s. 901 of the Internal Revenue Code to any corporation which derived less than 20 percent of its gross income or loss for its taxable year ended in 1984 from sources within the United States, as described in s. 861(a)(2)(A) of the Internal Revenue Code, not including credits allowed under ss. 902 and 960 of the Internal Revenue Code, withholding taxes on dividends within the meaning of sub-subparagraph 2.a., and withholding taxes on royalties, interest, technical service fees, and capital gains.

6. Notwithstanding any other provision of this code, except with respect to amounts subtracted pursuant to subparagraphs 1. and 3., any increment of any apportionment factor which is directly related to an increment of gross receipts or income which is deducted, subtracted, or otherwise excluded in determining adjusted federal income shall be excluded from both the numerator and denominator of such apportionment factor. Further, all valuations made for apportionment factor purposes shall be made on a basis consistent with the taxpayer's method of accounting for federal income tax purposes.

Section 23. Subsection (5) of section 220.16, Florida Statutes, is amended to read:

220.16 Allocation of nonbusiness income.—Nonbusiness income shall be allocated as follows:

~~(5) The amount of payments received in exchange for transferring a net operating loss authorized by s. 220.194 is allocable to the state.~~

Section 24. *Section 220.1899, Florida Statutes, is repealed.*

Section 25. Present paragraphs (a) through (g) of subsection (1) of section 220.191, Florida Statutes, are redesignated as paragraphs (b) through (h), respectively, a new paragraph (a) is added to that subsection, and present paragraph (g) of subsection (1), paragraph (a) of subsection (3), and subsections (5) and (6) of that section are amended, to read:

220.191 Capital investment tax credit.—

(1) DEFINITIONS.—For purposes of this section:

(a) "Average private sector wage in the area" means the statewide private sector average wage or the average of all private sector wages and salaries in the county or in the standard metropolitan area in which a business is located.

~~(h)(g)~~ "Qualifying project" means a facility in this state meeting one or more of the following criteria:

1. A new or expanding facility in this state which creates at least 100 new jobs in this state and is in one of the high-impact sectors identified and designated by Enterprise Florida, Inc., and certified by the Department of Commerce Economic Opportunity pursuant to s. 288.108(6), including, but not limited to, aviation, aerospace, automotive, and silicon technology industries. However, between July 1, 2011, and June 30, 2014, the requirement that a facility be in a high-impact sector is waived for any otherwise eligible business from another state which locates all or a portion of its business to a Disproportionally Affected County. For purposes of this section, the term "Disproportionally Affected County" means Bay County, Escambia County, Franklin County, Gulf County, Okaloosa County, Santa Rosa County, Walton County, or Wakulla County.

2. A new or expanded facility in this state which is engaged in a target industry designated pursuant to the procedure specified in s. 288.005(7) ~~s. 288.106(2)~~ and which is induced by this credit to create or retain at least 1,000 jobs in this state, provided that at least 100 of those jobs are new, pay an annual average wage of at least 130 percent of the average private sector wage in the area ~~as defined in s. 288.106(2)~~, and make a cumulative capital investment of at least \$100 million. Jobs may

be considered retained only if there is significant evidence that the loss of jobs is imminent. Notwithstanding subsection (2), annual credits against the tax imposed by this chapter may not exceed 50 percent of the increased annual corporate income tax liability or the premium tax liability generated by or arising out of a project qualifying under this subparagraph. A facility that qualifies under this subparagraph for an annual credit against the tax imposed by this chapter may take the tax credit for a period not to exceed 5 years.

3. A new or expanded headquarters facility in this state which locates in an enterprise zone and brownfield area and is induced by this credit to create at least 1,500 jobs which on average pay at least 200 percent of the statewide average annual private sector wage, as published by the Department of ~~Commerce Economic Opportunity~~, and which new or expanded headquarters facility makes a cumulative capital investment in this state of at least \$250 million.

(3)(a) Notwithstanding subsection (2), an annual credit against the tax imposed by this chapter shall be granted to a qualifying business which establishes a qualifying project pursuant to subparagraph (1)(h) 3. ~~(1)(g)~~, in an amount equal to the lesser of \$15 million or 5 percent of the eligible capital costs made in connection with a qualifying project, for a period not to exceed 20 years beginning with the commencement of operations of the project. The tax credit shall be granted against the corporate income tax liability of the qualifying business and as further provided in paragraph (c). The total tax credit provided pursuant to this subsection shall be equal to no more than 100 percent of the eligible capital costs of the qualifying project.

(5) Applications shall be reviewed and certified pursuant to s. 288.061. The Department of ~~Commerce Economic Opportunity~~, ~~upon a recommendation by Enterprise Florida, Inc.~~, shall first certify a business as eligible to receive tax credits pursuant to this section prior to the commencement of operations of a qualifying project, and such certification shall be transmitted to the Department of Revenue. Upon receipt of the certification, the Department of Revenue shall enter into a written agreement with the qualifying business specifying, at a minimum, the method by which income generated by or arising out of the qualifying project will be determined.

(6) The Department of ~~Commerce Economic Opportunity~~, ~~in consultation with Enterprise Florida, Inc.~~, is authorized to develop the necessary guidelines and application materials for the certification process described in subsection (5).

Section 26. *Section 220.194, Florida Statutes, is repealed.*

Section 27. Paragraph (b) of subsection (1) and paragraph (a) of subsection (2) of section 220.196, Florida Statutes, are amended to read:

220.196 Research and development tax credit.—

(1) DEFINITIONS.—As used in this section, the term:

(b) “Business enterprise” means any corporation as defined in s. 220.03 which meets the definition of a target industry business as defined in s. 288.005 ~~s. 288.106~~.

(2) TAX CREDIT.—

(a) As provided in this section, a business enterprise is eligible for a credit against the tax imposed by this chapter if it:

1. Has qualified research expenses in this state in the taxable year exceeding the base amount;

2. Claims and is allowed a research credit for such qualified research expenses under 26 U.S.C. s. 41 for the same taxable year as subparagraph 1.; and

3. Is a qualified target industry business as defined in *former s. 288.106(2)(n), Florida Statutes 2022*. Only qualified target industry businesses in the manufacturing, life sciences, information technology, aviation and aerospace, homeland security and defense, cloud information technology, marine sciences, materials science, and nanotechnology industries may qualify for a tax credit under this section. A business applying for a credit pursuant to this section shall include a letter from the Department of ~~Commerce Economic Opportunity~~ certifying whether the business meets the requirements of this sub-

paragraph with its application for credit. The Department of ~~Commerce Economic Opportunity~~ shall provide such a letter upon receiving a request.

Section 28. Section 272.11, Florida Statutes, is amended to read:

272.11 Capitol information center.—~~The Florida Tourism Industry Marketing Corporation Enterprise Florida, Inc.~~, shall establish, maintain, and operate a Capitol information center somewhere within the area of the Capitol Center and employ personnel or enter into contracts to maintain same.

Section 29. Paragraph (f) of subsection (1) of section 287.0947, Florida Statutes, is amended to read:

287.0947 Florida Advisory Council on Small and Minority Business Development; creation; membership; duties.—

(1) The Secretary of Management Services may create the Florida Advisory Council on Small and Minority Business Development with the purpose of advising and assisting the secretary in carrying out the secretary’s duties with respect to minority businesses and economic and business development. It is the intent of the Legislature that the membership of such council include practitioners, laypersons, financiers, and others with business development experience who can provide invaluable insight and expertise for this state in the diversification of its markets and networking of business opportunities. The council shall initially consist of 19 persons, each of whom is or has been actively engaged in small and minority business development, either in private industry, in governmental service, or as a scholar of recognized achievement in the study of such matters. Initially, the council shall consist of members representing all regions of the state and shall include at least one member from each group identified within the definition of “minority person” in s. 288.703(4), considering also gender and nationality subgroups, and shall consist of the following:

(f) ~~The Secretary of Commerce or his or her designee~~ ~~A member from the board of directors of Enterprise Florida, Inc.~~

A candidate for appointment may be considered if eligible to be certified as an owner of a minority business enterprise, or if otherwise qualified under the criteria above. Vacancies may be filled by appointment of the secretary, in the manner of the original appointment.

Section 30. Paragraph (e) of subsection (1) of section 287.137, Florida Statutes, is amended to read:

287.137 Antitrust violations; denial or revocation of the right to transact business with public entities; denial of economic benefits.—

(1) As used in this section, the term:

(e) “Economic incentives” means state grants, cash grants, tax exemptions, tax refunds, tax credits, state funds, and other state incentives under chapter 288 or administered by ~~the Department of Commerce Enterprise Florida, Inc.~~

Section 31. Subsections (2) and (4) of section 288.0001, Florida Statutes, are amended to read:

(4) Pursuant to the schedule established in subsection (2), OPPAGA shall evaluate each program over the previous 3 years for its effectiveness and value to the taxpayers of this state and include recommendations on each program for consideration by the Legislature. The analysis may include relevant economic development reports or analyses prepared by the department of Economic Opportunity, Enterprise Florida, Inc., or local or regional economic development organizations; interviews with the parties involved; or any other relevant data.

Section 32. Paragraph (b) of subsection (4) of section 288.001, Florida Statutes, is amended to read:

288.001 The Florida Small Business Development Center Network.—

(4) STATEWIDE ADVISORY BOARD.—

(b) The statewide advisory board shall consist of 19 members from across the state. At least 12 members must be representatives of the private sector who are knowledgeable of the needs and challenges of small businesses. The members must represent various segments and industries of the economy in this state and must bring knowledge and skills to the statewide advisory board which would enhance the board's collective knowledge of small business assistance needs and challenges. Minority and gender representation must be considered when making appointments to the board. The board must include the following members:

1. Three members appointed from the private sector by the President of the Senate.

2. Three members appointed from the private sector by the Speaker of the House of Representatives.

3. Three members appointed from the private sector by the Governor.

4. Three members appointed from the private sector by the network's statewide director.

5. One member appointed by the host institution.

6. The ~~Secretary of Commerce~~ ~~President of Enterprise Florida, Inc.,~~ or his or her designee.

7. The Chief Financial Officer or his or her designee.

8. The President of the Florida Chamber of Commerce or his or her designee.

9. The Small Business Development Center Project Officer from the U.S. Small Business Administration at the South Florida District Office or his or her designee.

10. The executive director of the National Federation of Independent Businesses, Florida, or his or her designee.

11. The executive director of the Florida United Business Association or his or her designee.

Section 33. Present subsections (1), (3), (4), and (5) of section 288.005, Florida Statutes, are redesignated as subsections (3), (4), (5), and (6), respectively, and a new subsection (1) and subsections (7), (8), and (9) are added to that section, to read:

288.005 Definitions.—As used in this chapter, the term:

(1) "County destination marketing organization" means a public or private agency that is funded by local option tourist development tax revenues under s. 125.0104, or local option convention development tax revenues under s. 212.0305, and is officially designated by a county commission to market and promote the area for tourism or convention business or, in any county that has not levied such taxes, a public or private agency that is officially designated by the county commission to market and promote the area for tourism or convention business.

(7) "Target industry business" means a corporate headquarters business or any business that is engaged in one of the target industries identified pursuant to the following criteria developed by the Department of Commerce:

(a) Future growth.—The industry forecast indicates strong expectation for future growth in employment and output, according to the most recent available data. Special consideration should be given to businesses that export goods to, or provide services in, international markets and businesses that onshore business operations to replace domestic and international imports of goods or services.

(b) *Stability.*—The industry is not subject to periodic layoffs, whether due to seasonality or sensitivity to volatile economic variables such as weather. The industry is also relatively resistant to recession, so that the demand for products of this industry is not typically subject to decline during an economic downturn.

(c) *High wage.*—The industry pays relatively high wages compared to statewide or area averages.

(d) *Market and resource independent.*—The industry business location is not dependent on markets or resources in the state as indicated by industry analysis, except for businesses in the renewable energy industry.

(e) *Industrial base diversification and strengthening.*—The industry contributes toward expanding or diversifying the state's or area's economic base, as indicated by analysis of employment and output shares compared to national and regional trends. Special consideration should be given to industries that strengthen regional economies by adding value to basic products or building regional industrial clusters as indicated by industry analysis. Special consideration should also be given to the development of strong industrial clusters that include defense and homeland security businesses.

(f) *Positive economic impact.*—The industry has strong positive economic impacts on or benefits to the state or regional economies. Special consideration should be given to industries that facilitate the development of the state as a hub for domestic and global trade and logistics.

The term does not include any business engaged in retail industry activities; any electrical utility company as defined in s. 366.02(4); any phosphate or other solid minerals severance, mining, or processing operation; any oil or gas exploration or production operation; or any business subject to regulation by the Division of Hotels and Restaurants of the Department of Business and Professional Regulation. Any business within NAICS code 5611 or 5614, office administrative services and business support services, respectively, may be considered a target industry business only after the local governing body and the Department of Commerce determine that the community in which the business may locate has conditions affecting the fiscal and economic viability of the local community or area, including, but not limited to, low per capita income, high unemployment, high underemployment, and a lack of year-round stable employment opportunities, and such conditions may be improved by the business locating in such community. By January 1 of every 3rd year, beginning January 1, 2011, the Department of Commerce, in consultation with economic development organizations, the State University System, local governments, employee and employer organizations, market analysts, and economists, shall review and, as appropriate, revise the list of target industries and submit the list to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(8) “Tourism marketing” means any effort exercised to attract domestic and international visitors from outside the state to destinations in this state and to stimulate Florida resident tourism to areas within the state.

(9) “Tourist” means any person who participates in trade or recreation activities outside the county of his or her permanent residence or who rents or leases transient living quarters or accommodations as described in s. 125.0104(3)(a).

Section 34. Section 288.012, Florida Statutes, is amended to read:

288.012 State of Florida international offices; *direct-support organization.*—The Legislature finds that the expansion of international trade and tourism is vital to the overall health and growth of the economy of this state. This expansion is hampered by the lack of technical and business assistance, financial assistance, and information services for businesses in this state. The Legislature finds that these businesses could be assisted by providing these services at State of Florida international offices. The Legislature further finds that the accessibility and provision of services at these offices can be enhanced through cooperative agreements or strategic alliances between private businesses and state, local, and international governmental entities.

(1) The department is authorized to:

(a) Establish and operate offices in other countries for the purpose of promoting trade and economic development opportunities of the state, and promoting the gathering of trade data information and research on trade opportunities in specific countries.

(b) Enter into agreements with governmental and private sector entities to establish and operate offices in other countries which contain provisions that may conflict with the general laws of the state pertaining to the purchase of office space, employment of personnel, and contracts for services. When agreements pursuant to this section are made which set compensation in another country's currency, such agreements shall be subject to the requirements of s. 215.425, but the purchase of another country's currency by the department to meet such obligations shall be subject only to s. 216.311.

(2) Each international office shall have in place an operational plan approved by the participating boards or other governing authority, a copy of which shall be provided to the department. These operating plans shall be reviewed and updated each fiscal year and shall include, at a minimum, the following:

(a) Specific policies and procedures encompassing the entire scope of the operation and management of each office.

(b) A comprehensive, commercial strategic plan identifying marketing opportunities and industry sector priorities for the country in which an international office is located.

(c) Provisions for access to information for Florida businesses related to trade leads and inquiries.

(d) Identification of new and emerging market opportunities for Florida businesses. This information shall be provided either free of charge or on a fee basis with fees set only to recover the costs of providing the information.

(e) Provision of access for Florida businesses to international trade assistance services provided by state and local entities, seaport and airport information, and other services identified by the department.

(f) Qualitative and quantitative performance measures for each office, including, but not limited to, the number of businesses assisted, the number of trade leads and inquiries generated, the number of international buyers and importers contacted, and the amount and type of marketing conducted.

(3) Each international office shall annually submit to the department ~~Enterprise Florida, Inc.,~~ a complete and detailed report on its activities and accomplishments during the previous fiscal year. ~~for inclusion in the annual report required under s. 288.906. In the format and by the annual date prescribed by Enterprise Florida, Inc.,~~ The report must set forth information on:

(a) The number of Florida companies assisted.

(b) The number of inquiries received about investment opportunities in this state.

(c) The number of trade leads generated.

(d) The number of investment projects announced.

(e) The estimated U.S. dollar value of sales confirmations.

(f) The number of representation agreements.

(g) The number of company consultations.

(h) Barriers or other issues affecting the effective operation of the office.

(i) Changes in office operations which are planned for the current fiscal year.

(j) Marketing activities conducted.

(k) Strategic alliances formed with organizations in the country in which the office is located.

(l) Activities conducted with Florida's other international offices.

(m) Any other information that the office believes would contribute to an understanding of its activities.

(4) The Department of Commerce ~~Economic Opportunity~~, in connection with the establishment, operation, and management of any of its offices located in another country, is exempt from the provisions of ss. 255.21, 255.25, and 255.254 relating to leasing of buildings; ss. 283.33 and 283.35 relating to bids for printing; ss. 287.001-287.20 relating to purchasing and motor vehicles; and ss. 282.003-282.00515 and 282.702-282.7101 relating to communications, and from all statutory provisions relating to state employment.

(a) The department may exercise such exemptions only upon prior approval of the Governor.

(b) If approval for an exemption under this section is granted as an integral part of a plan of operation for a specified international office, such action shall constitute continuing authority for the department to exercise the exemption, but only in the context and upon the terms originally granted. Any modification of the approved plan of operation with respect to an exemption contained therein must be resubmitted to the Governor for his or her approval. An approval granted to exercise an exemption in any other context shall be restricted to the specific instance for which the exemption is to be exercised.

(c) As used in this subsection, the term "plan of operation" means the plan developed pursuant to subsection (2).

(d) Upon final action by the Governor with respect to a request to exercise the exemption authorized in this subsection, the department shall report such action, along with the original request and any modifications thereto, to the President of the Senate and the Speaker of the House of Representatives within 30 days.

(5) Where feasible and appropriate, international offices established and operated under this section may provide one-stop access to the economic development, trade, and tourism information, services, and programs of the state. Where feasible and appropriate, such offices may also be collocated with other international offices of the state.

(6)(a) *The department shall establish and contract with a direct-support organization, organized as a nonprofit under chapter 617 and recognized under s. 501(c)(3) of the Internal Revenue Code, to carry out the provisions of this section, assist with the coordination of international trade development efforts, and assist in development and planning related to foreign investment, international partnerships, and other international business and trade development. The organization is exempt from paying fees under s. 617.0122.*

(b) *The direct-support organization shall act as the international trade and travel mission organization for the state, utilizing private sector and public sector expertise in collaboration with the department. The direct-support organization shall provide assistance and promotional support for international offices, trade and promotion, development and planning related to foreign investment, international partnerships, and other international business and trade development in conjunction with the department. The direct-support organization may coordinate and plan international trade missions, including setting up travel, arranging for participation by Florida businesses, and tracking data related to outcomes of the trade missions on behalf of the department. The organization shall comply with the per diem and travel expense provisions of s. 112.061.*

(c)1. *The direct-support organization shall be governed by a board of directors. The Secretary of Commerce, or his or her designee, shall serve as the ex officio, nonvoting executive director of the board. The Secretary of Commerce, or his or her designee, shall appoint seven board members, including a chair of the board. Appointed members must represent and reflect the state's interest in international trade and development efforts and have experience or knowledge that will assist in development and planning related to foreign investment, international partnerships, and other international business and trade development. All appointments must be made by December 1, 2023.*

2. *Appointed members shall serve for a term of 4 years. A vacancy shall be filled for the remainder of the unexpired term in the same manner as the initial appointment. All members of the board are eligible for reappointment.*

3. *Members of the board of directors shall serve without compensation; however, the members may be reimbursed for reasonable, necessary, and actual travel expenses pursuant to s. 112.061.*

4. *The board of directors shall meet at least quarterly and at other times upon the call of the chair, and may use any method of telecommunications to conduct, or establish a quorum at, its meetings or the meetings of a subcommittee or other subdivision if the public is given proper notice of the telecommunications meeting and provided reasonable access to observe and, if appropriate, to participate. A majority of the total current membership of the board of directors constitutes a quorum of the board.*

(d) *The senior managers and members of the board of directors of the organization are subject to ss. 112.313(1)-(8), (10), (12), and (15); 112.3135; and 112.3143(2). For purposes of applying ss. 112.313(1)-(8), (10), (12), and (15); 112.3135; and 112.3143(2) to activities of the president and staff, those persons shall be considered public officers or employees and the corporation shall be considered their agency. The exemption set forth in s. 112.313(12) for advisory boards applies to the members of board of directors. Further, each member of the board of directors who is not otherwise required to file financial disclosures pursuant to s. 8, Art. II of the State Constitution or s. 112.3144, shall file disclosure of financial interests pursuant to s. 112.3145.*

(e) *The Legislature determines it is in the public interest and reflects the state's public policy that the direct-support organization operate in the most open and accessible manner consistent with its public purposes. As such, its divisions, boards, and advisory councils, or similar entities created or managed by the organization are subject to the provisions of chapter 119 relating to public records and those provisions of chapter 286 relating to public meetings and records.*

(f) *The department and the direct-support organization must enter into a performance-based contract, pursuant to s. 20.60, that includes:*

1. *Specification of the approval of the department, the powers and duties of the direct-support organization, and rules with which the direct-support organization must comply. The department must approve the articles of incorporation and bylaws of the direct-support organization.*

2. *Authorization by the department, without charge, for appropriate use of property, facilities, and personnel of the department by the direct-support organization for approved purposes. The contract must prescribe the conditions with which the organization must comply in order to use property, facilities, or personnel of the department. Such conditions must provide for budget and audit review and oversight by the department. However, the department may not authorize the use of property, facilities, or personnel of the department by the direct-support organization that does not provide equal employment opportunities to all persons regardless of race, color, religion, sex, age, or national origin.*

3. *Conditions for termination of the contract by the department, at any time, if the department determines that the direct-support organization no longer meets the objectives of this section.*

(g) *The direct-support organization may conduct programs and activities; raise funds; request and receive grants, gifts, and bequests of money; acquire, receive, hold, invest, and administer, in its own name, securities, funds, objects of value, or other property, real or personal; and make expenditures to or for the direct or indirect benefit of the organization if such furthers the duties and mission of the organization and is in the best interests of this state.*

(h) *The direct-support organization may accept grants or other donations in order to facilitate trade missions and conduct other related international activities. Funds of the organization must be held in a separate depository account in the name of the organization, subject to the provisions of the contract with the department, and must be used in a manner consistent with the goals of the organization. Any funds and property held by the organization shall revert to the department if the organization is no longer approved to operate by the department, fails to maintain its tax-exempt status, or ceases to exist.*

(i) *The department must determine and annually certify that the direct-support organization is complying with the terms of the contract and is doing so consistent with the goals and purposes of the organiza-*

tion and in the best interests of the state. The organization is required to annually submit to the department its federal Internal Revenue Service Application for Recognition of Exemption form (Form 1023) and federal Internal Revenue Service Return of Organization Exempt from Income Tax form (Form 990); an annual budget for approval by the department; an annual financial audit in accordance with s. 215.981; and an annual itemized accounting of the total amount of travel and entertainment expenses.

(j) The fiscal year of the direct-support organization begins on July 1 of each year and ends on June 30 of the following year. By August 15 of each fiscal year, the department shall submit a proposed operating budget for the direct-support organization, including amounts to be expended on international offices, trade missions, events, other operating capital outlay, salaries and benefits for each employee, and contributions and expenditures, to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(k) This subsection is repealed October 1, 2028, unless reviewed and saved from repeal by the Legislature. ~~The department is authorized to make and to enter into contracts with Enterprise Florida, Inc., to carry out the provisions of this section. The authority, duties, and exemptions provided in this section apply to Enterprise Florida, Inc., to the same degree and subject to the same conditions as applied to the department. To the greatest extent possible, such contracts shall include provisions for cooperative agreements or strategic alliances between private businesses and state, international, and local governmental entities to operate international offices.~~

Section 35. Section 288.017, Florida Statutes, is amended to read:

288.017 Cooperative advertising matching grants program.—

(1) ~~The Florida Tourism Industry Marketing Corporation Enterprise Florida, Inc.,~~ is authorized to establish a cooperative advertising matching grants program and, pursuant thereto, to make expenditures and enter into contracts with local governments and nonprofit corporations for the purpose of publicizing the tourism advantages of the state. The department, based on recommendations from ~~the corporation Enterprise Florida, Inc.,~~ shall have final approval of grants awarded through this program. ~~Enterprise Florida, Inc., may contract with its direct support organization to administer the program.~~

(2) The total annual allocation of funds for this grant program may not exceed \$40,000. Each grant awarded under the program shall be limited to no more than \$2,500 and shall be matched by nonstate dollars. All grants shall be restricted to local governments and nonprofit corporations serving and located in municipalities having a population of 50,000 persons or less or in counties with an unincorporated area having a population of 200,000 persons or less.

(3) ~~The Florida Tourism Marketing Corporation Enterprise Florida, Inc.,~~ shall conduct an annual competitive selection process for the award of grants under the program. In determining its recommendations for the grant awards, ~~the corporation commission~~ shall consider the demonstrated need of the applicant for advertising assistance, the feasibility and projected benefit of the applicant's proposal, the amount of nonstate funds that will be leveraged, and such other criteria as the ~~department commission~~ deems appropriate. In evaluating grant applications, the department shall consider recommendations from ~~the corporation Enterprise Florida, Inc.~~ The department, however, has final approval authority for any grant under this section.

Section 36. Subsection (4) of section 288.018, Florida Statutes, is amended to read:

288.018 Regional Rural Development Grants Program.—

(4) The department may expend up to \$750,000 each fiscal year from funds appropriated to the Rural Community Development Revolving Loan Fund for the purposes outlined in this section. ~~The department may contract with Enterprise Florida, Inc., for the administration of the purposes specified in this section. Funds released to Enterprise Florida, Inc., for this purpose shall be released quarterly and shall be calculated based on the applications in process.~~

Section 37. Subsections (1), (9), and (10) of section 288.047, Florida Statutes, are amended to read:

288.047 Quick-response training for economic development.—

(1) The Quick-Response Training Program is created to meet the workforce-skill needs of existing, new, and expanding industries. The program shall be administered by CareerSource Florida, Inc., in conjunction with ~~Enterprise Florida, Inc.,~~ and the Department of Education. CareerSource Florida, Inc., shall adopt guidelines for the administration of this program, shall provide technical services, and shall identify businesses that seek services through the program. ~~CareerSource Florida, Inc., may contract with Enterprise Florida, Inc., or administer this program directly, if it is determined that such an arrangement maximizes the amount of the Quick Response grant going to direct services.~~

~~(9) Notwithstanding any other provision of law, eligible matching contributions received under this section from the Quick Response Training Program may be counted toward the private sector support of Enterprise Florida, Inc., under s. 288.904.~~

~~(10) CareerSource Florida, Inc., and Enterprise Florida, Inc., shall coordinate and cooperate in administering this section so that any division of responsibility between the two organizations which relates to marketing or administering the Quick Response Training Program is not apparent to a business that inquires about or applies for funding under this section. A business shall be provided with a single point of contact for information and assistance.~~

Section 38. Subsections (1) and (4) of section 288.061, Florida Statutes, are amended to read:

288.061 Economic development incentive application process.—

(1) Upon receiving a submitted economic development incentive application, the Division of ~~Economic Strategic Business~~ Development of the department of ~~Economic Opportunity and designated staff of Enterprise Florida, Inc.,~~ shall review the application to ensure that the application is complete, whether and what type of state and local permits may be necessary for the applicant's project, whether it is possible to waive such permits, and what state incentives and amounts of such incentives may be available to the applicant. The department shall recommend to the Secretary of Commerce ~~Economic Opportunity~~ to approve or disapprove an applicant business. If review of the application demonstrates that the application is incomplete, the secretary shall notify the applicant business within the first 5 business days after receiving the application.

(4) The department shall validate contractor performance and report such validation in the annual incentives report required under s. ~~288.0065 s. 288.907.~~

Section 39. Paragraph (e) of subsection (2) and subsections (3) and (4) of section 288.0655, Florida Statutes, are amended to read:

288.0655 Rural Infrastructure Fund.—

(2)

(e) To enable local governments to access the resources available pursuant to s. ~~403.973(17) s. 403.973(18),~~ the department may award grants for surveys, feasibility studies, and other activities related to the identification and preclearance review of land which is suitable for preclearance review. Authorized grants under this paragraph may not exceed \$75,000 each, except in the case of a project in a rural area of opportunity, in which case the grant may not exceed \$300,000. Any funds awarded under this paragraph must be matched at a level of 50 percent with local funds, except that any funds awarded for a project in a rural area of opportunity must be matched at a level of 33 percent with local funds. If an application for funding is for a catalyst site, as defined in s. 288.0656, the requirement for local match may be waived pursuant to the process in s. 288.06561. In evaluating applications under this paragraph, the department shall consider the extent to which the application seeks to minimize administrative and consultant expenses.

(3) The department, in consultation with ~~Enterprise Florida, Inc.,~~ the Florida Tourism Industry Marketing Corporation, the Department of Environmental Protection, and the Florida Fish and Wildlife Conservation Commission, as appropriate, shall review and certify applications pursuant to s. 288.061. The review shall include an evaluation of

the economic benefit of the projects and their long-term viability. The department shall have final approval for any grant under this section.

~~(4) By September 1, 2021, the department shall, in consultation with the organizations listed in subsection (3), and other organizations, reevaluate existing guidelines and criteria governing submission of applications for funding, review and evaluation of such applications, and approval of funding under this section. The department shall consider factors including, but not limited to, the project's potential for enhanced job creation or increased capital investment, the demonstration and level of local public and private commitment, whether the project is located in a community development corporation service area, or in an urban high-crime area as designated under s. 212.097, the unemployment rate of the county in which the project would be located, and the poverty rate of the community.~~

Section 40. Paragraph (a) of subsection (6) and paragraphs (a) and (c) of subsection (7) of section 288.0656, Florida Statutes, are amended to read:

288.0656 Rural Economic Development Initiative.—

(6)(a) By August 1 of each year, the head of each of the following agencies and organizations shall designate a deputy secretary or higher-level staff person from within the agency or organization to serve as the REDI representative for the agency or organization:

1. The Department of Transportation.
2. The Department of Environmental Protection.
3. The Department of Agriculture and Consumer Services.
4. The Department of State.
5. The Department of Health.
6. The Department of Children and Families.
7. The Department of Corrections.
8. The Department of Education.
9. The Department of Juvenile Justice.
10. The Fish and Wildlife Conservation Commission.
11. Each water management district.
12. ~~Enterprise Florida, Inc.~~
- ~~13.~~ CareerSource Florida, Inc.
- ~~13.14.~~ VISIT Florida.
- ~~14.15.~~ The Florida Regional Planning Council Association.
- ~~15.16.~~ The Agency for Health Care Administration.
- ~~16.17.~~ The Institute of Food and Agricultural Sciences (IFAS).

An alternate for each designee shall also be chosen, and the names of the designees and alternates shall be sent to the Secretary of *Commerce Economic Opportunity*.

(7)

(a) REDI may recommend to the Governor up to three rural areas of opportunity. The Governor may by executive order designate up to three rural areas of opportunity which will establish these areas as priority assignments for REDI as well as to allow the Governor, acting through REDI, to waive criteria, requirements, or similar provisions of any economic development incentive. Such incentives shall include, but are not limited to, ~~the Qualified Target Industry Tax Refund Program under s. 288.106,~~ the Quick Response Training Program under s. 288.047, the Quick Response Training Program for participants in the welfare transition program under s. 288.047(8), transportation projects under s. 339.2821, the brownfield redevelopment bonus refund under s. 288.107, and the rural job tax credit program under ss. 212.098 and 220.1895.

(c) Each rural area of opportunity may designate catalyst projects, provided that each catalyst project is specifically recommended by REDI, ~~identified as a catalyst project by Enterprise Florida, Inc.,~~ and confirmed as a catalyst project by the department. All state agencies and departments shall use all available tools and resources to the extent permissible by law to promote the creation and development of each catalyst project and the development of catalyst sites.

Section 41. Section 288.0658, Florida Statutes, is amended to read:

288.0658 Nature-based recreation; promotion and other assistance by Fish and Wildlife Conservation Commission.—The Florida Fish and Wildlife Conservation Commission is directed to assist ~~Enterprise Florida, Inc.;~~ the Florida Tourism Industry Marketing Corporation, doing business as VISIT Florida; convention and visitor bureaus; tourist development councils; economic development organizations; and local governments through the provision of marketing advice, technical expertise, promotional support, and product development related to nature-based recreation and sustainable use of natural resources. In carrying out this responsibility, the Florida Fish and Wildlife Conservation Commission shall focus its efforts on fostering nature-based recreation in rural communities and regions encompassing rural communities. As used in this section, the term “nature-based recreation” means leisure activities related to the state’s lands, waters, and fish and wildlife resources, including, but not limited to, wildlife viewing, fishing, hiking, canoeing, kayaking, camping, hunting, backpacking, and nature photography.

Section 42. Subsection (6) of section 288.075, Florida Statutes, is amended to read:

288.075 Confidentiality of records.—

(6) ECONOMIC INCENTIVE PROGRAMS.—

(a) The following information held by an economic development agency pursuant to the administration of an economic incentive program for qualified businesses is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution for a period not to exceed the duration of the incentive agreement, including an agreement authorizing a tax refund or tax credit, or upon termination of the incentive agreement:

1. The percentage of the business’s sales occurring outside this state ~~and, for businesses applying under s. 288.1045, the percentage of the business’s gross receipts derived from Department of Defense contracts during the 5 years immediately preceding the date the business’s application is submitted.~~

2. An individual employee’s personal identifying information that is held as evidence of the achievement or nonachievement of the wage requirements of the tax refund, tax credit, or incentive agreement programs or of the job creation requirements of such programs.

3. The amount of:

- a. Taxes on sales, use, and other transactions paid pursuant to chapter 212;
- b. Corporate income taxes paid pursuant to chapter 220;
- c. Intangible personal property taxes paid pursuant to chapter 199;
- d. Insurance premium taxes paid pursuant to chapter 624;
- e. Excise taxes paid on documents pursuant to chapter 201;
- f. Ad valorem taxes paid, as defined in s. 220.03(1); or
- g. State communications services taxes paid pursuant to chapter 202.

However, an economic development agency may disclose in the annual incentives report required under s. 288.0065 ~~s. 288.907~~ the aggregate amount of each tax identified in this subparagraph and paid by all businesses participating in each economic incentive program.

~~(b) The following information held by an economic development agency relating to a specific business participating in an economic in-~~

centive program is no longer confidential or exempt 180 days after a final project order for an economic incentive agreement is issued, until a date specified in the final project order, or if the information is otherwise disclosed, whichever occurs first:

- 1.a. The name of the qualified business.
- 2.b. The total number of jobs the business committed to create or retain.
- 3.e. The total number of jobs created or retained by the business.
- 4.d. Notwithstanding s. 213.053(2), the amount of tax refunds, tax credits, or incentives awarded to, claimed by, or, if applicable, refunded to the state by the business.
- 5.e. The anticipated total annual wages of employees the business committed to hire or retain.

~~2. For a business applying for certification under s. 288.1045 which is based on obtaining a new Department of Defense contract, the total number of jobs expected and the amount of tax refunds claimed may not be released until the new Department of Defense contract is awarded.~~

Section 43. Paragraphs (a) and (c) of subsection (1), paragraph (e) of subsection (3), and subsections (6), (7), and (8) of section 288.076, Florida Statutes, are amended to read:

288.076 Return on investment reporting for economic development programs.—

(1) As used in this section, the term:

(a) “Jobs” means full-time equivalent positions, including, but not limited to, positions obtained from a temporary employment agency or employee leasing company or through a union agreement or coemployment under a professional employer organization agreement, that result directly from a project in this state. The term does not include temporary construction jobs involved with the construction of facilities for the project or any jobs previously included in any application for tax refunds ~~has the same meaning as provided in s. 288.106(2)(i).~~

(c) “Project” means the creation of a new business or expansion of an existing business ~~has the same meaning as provided in s. 288.106(2)(m).~~

(3) Within 48 hours after expiration of the period of confidentiality for project information deemed confidential and exempt pursuant to s. 288.075, the department shall publish the following information pertaining to each project:

(e) *Project performance goals.*—

1. The incremental direct jobs attributable to the project, identifying the number of jobs generated and the number of jobs retained.

2. The number of jobs generated and the number of jobs retained by the project, and ~~for projects commencing after October 1, 2013,~~ the average annual wage of persons holding such jobs.

3. The incremental direct capital investment in the state generated by the project.

(6) Annually, the department shall publish information relating to the progress of Quick Action Closing Fund projects, awarded under former s. 288.1088, until all contracts are complete or terminated ~~including the average number of days between the date the department receives a completed application and the date on which the application is approved.~~

~~(7)(a)~~ Within 48 hours after expiration of the period of confidentiality provided under s. 288.075, the department shall publish the contract or agreement described in s. 288.061, redacted to protect the participant business from disclosure of information that remains confidential or exempt by law.

~~(b) Within 48 hours after submitting any report of findings and recommendations made pursuant to s. 288.106(7)(d) concerning a business's failure to complete a tax refund agreement pursuant to the~~

~~tax refund program for qualified target industry businesses, the department shall publish such report.~~

~~(8) For projects completed before October 1, 2013, the department shall compile and, by October 1, 2014, shall publish the information described in subsections (3), (4), and (5), to the extent such information is available and applicable.~~

Section 44. Section 288.095, Florida Statutes, is amended to read:

288.095 Economic Development Trust Fund.—

(1) The Economic Development Trust Fund is created within the department of ~~Economic Opportunity~~. Moneys deposited into the fund must be used only to support the authorized activities and operations of the department.

(2) There is created, within the Economic Development Trust Fund, the Economic Development Incentives Account. The Economic Development Incentives Account consists of moneys appropriated to the account for purposes of the tax incentives programs authorized under s. 288.107 and former s. 288.106 ~~ss. 288.1045 and 288.106~~, and local financial support provided under former s. 288.106 ~~ss. 288.1045 and 288.106~~. Moneys in the Economic Development Incentives Account shall be subject to the provisions of s. 216.301(1)(a).

~~(3)(a) The department may approve applications for certification pursuant to ss. 288.1045(3) and 288.106. However,~~ The total state share of tax refund payments may not exceed \$35 million.

(b) The total amount of tax refund claims approved for payment by the department based on actual project performance may not exceed the amount appropriated to the Economic Development Incentives Account for such purposes for the fiscal year. Claims for tax refunds under s. 288.107 and former ss. 288.1045 and 288.106 shall be paid in the order the claims are approved by the department. In the event the Legislature does not appropriate an amount sufficient to satisfy the tax refunds under s. 288.107 and former s. 288.106 ~~ss. 288.1045 and 288.106~~ in a fiscal year, the department shall pay the tax refunds from the appropriation for the following fiscal year. By March 1 of each year, the department shall notify the legislative appropriations committees of the Senate and House of Representatives of any anticipated shortfall in the amount of funds needed to satisfy claims for tax refunds from the appropriation for the current fiscal year.

(c) Moneys in the Economic Development Incentives Account may be used only to pay tax refunds and make other payments authorized under ~~s. 288.1045, s. 288.106, or s. 288.107 or in agreements authorized under former s. 288.106. The department shall report within 10 days after the end of each quarter to the Office of Policy and Budget in the Executive Office of the Governor, the chair of the Senate Appropriations Committee or its successor, and the chair of the House of Representatives Appropriations Committee or its successor regarding the status of payments made for all economic development programs administered by the department under this chapter, including s. 288.107 and former ss. 288.106 and 288.108.~~

~~(d) The department may adopt rules necessary to carry out the provisions of this subsection, including rules providing for the use of moneys in the Economic Development Incentives Account and for the administration of the Economic Development Incentives Account.~~

(4) *The department shall create a separate account for funds transferred from the former Enterprise Florida, Inc., held for payments for agreements under the Quick Action Closing Fund under former s. 288.1088 or the Innovation Incentive Program under former s. 288.1089. The department shall report within 10 days after the end of each quarter to the Office of Policy and Budget in the Executive Office of the Governor, the chair of the Senate Appropriations Committee or its successor, and the chair of the House of Representatives Appropriations Committee or its successor regarding all escrow activity relating to both programs, including payments made pursuant to confirmed performance under the remaining contracts, payments returned to the state due to non-compliance, and contracts terminated due to noncompliance. The department must transfer to the General Revenue Fund any payments returned to the state, either returned by the recipient or through action by the department to administratively or otherwise legally obtain repayment of funds, and any funds associated with terminated contracts.*

Section 45. Subsection (2) and paragraph (c) of subsection (3) of section 288.101, Florida Statutes, as amended by chapter 2023-17, Laws of Florida, are amended to read:

288.101 Florida Job Growth Grant Fund.—

(2) The department and Enterprise Florida, Inc., may identify projects, solicit proposals, and make funding recommendations to the Governor, who is authorized to approve:

- (a) State or local public infrastructure projects to promote:
  1. Economic recovery in specific regions of this state;
  2. Economic diversification; or
  3. Economic enhancement in a targeted industry.

(b) State or local public infrastructure projects to facilitate the development or construction of affordable housing. This paragraph is repealed July 1, 2033.

~~(c) Infrastructure funding to accelerate the rehabilitation of the Herbert Hoover Dike. The department or the South Florida Water Management District may enter into agreements, as necessary, with the United States Army Corps of Engineers to implement this paragraph.~~

~~(d) Workforce training grants to support programs at state colleges and state technical centers that provide participants with transferable, sustainable workforce skills applicable to more than a single employer, and for equipment associated with these programs. The department shall work with CareerSource Florida, Inc., to ensure programs are offered to the public based on criteria established by the state college or state technical center and do not exclude applicants who are unemployed or underemployed.~~

(3) For purposes of this section:

(c) “Targeted industry” means any industry identified in the most recent list provided to the Governor, the President of the Senate, and the Speaker of the House of Representatives in accordance with s. 288.005 ~~s. 288.106(2)(g)~~.

Section 46. *Section 288.1045, Florida Statutes, is repealed.*

Section 47. *Section 288.106, Florida Statutes, is repealed.*

Section 48. Paragraphs (d) and (f) of subsection (1), subsection (2), paragraph (b) of subsection (3), subsection (4), and paragraph (b) of subsection (5) of section 288.107, Florida Statutes, are amended, and paragraph (c) is added to subsection (5) of that section, to read:

288.107 Brownfield redevelopment bonus refunds.—

(1) DEFINITIONS.—As used in this section:

(d) “Eligible business” means:

- ~~1. A qualified target industry business as defined in s. 288.106(2); or~~
- ~~2. a business that can demonstrate a fixed capital investment of at least \$2 million in mixed-use business activities, including multiunit housing, commercial, retail, and industrial in brownfield areas eligible for bonus refunds, and that provides benefits to its employees.~~

(f) “Project” means the creation of a new business or the expansion of an existing business ~~as defined in s. 288.106~~.

(2) BROWNFIELD REDEVELOPMENT BONUS REFUND.—Bonus refunds shall be approved by the department as specified in the final order and allowed from the account as follows:

~~(a) A bonus refund of \$2,500 shall be allowed to any qualified target industry business as defined in s. 288.106 for each new Florida job created in a brownfield area eligible for bonus refunds which is claimed on the qualified target industry business’s annual refund claim authorized in s. 288.106(6).~~

~~(b) a bonus refund of up to \$2,500 shall be allowed to any other eligible business as defined in subparagraph (1)(d)2, for each new Florida job created in a brownfield area eligible for bonus refunds which is claimed under an annual claim procedure similar to the annual refund claim authorized in former s. 288.106(6). The amount of the refund shall be equal to 20 percent of the average annual wage for the jobs created.~~

(3) CRITERIA.—The minimum criteria for participation in the brownfield redevelopment bonus refund are:

(b) The completion of a fixed capital investment of at least \$2 million in mixed-use business activities, including multiunit housing, commercial, retail, and industrial in brownfield areas eligible for bonus refunds, by an eligible business applying for a refund under *subsection (2) paragraph (2)(b)* which provides benefits to its employees.

(4) PAYMENT OF BROWNFIELD REDEVELOPMENT BONUS REFUNDS.—

(a) To be eligible to receive a bonus refund for new Florida jobs created in a brownfield area eligible for bonus refunds, a business must have been certified as *an a qualified target industry business under s. 288.106* or eligible business as defined in paragraph (1)(d) and must have indicated on the *qualified target industry business* tax refund application form submitted to the department in accordance with *s. 288.106(4)* or other similar agreement for other eligible business as defined in *paragraph (1)(d)* that the project for which the application is submitted is or will be located in a brownfield area eligible for bonus refunds and that the business is applying for certification as a qualified brownfield business under this section, and must have signed a *qualified target industry business* tax refund agreement with the department that indicates that the business has been certified as *a qualified target industry business* located in a brownfield area eligible for bonus refunds and specifies the schedule of brownfield redevelopment bonus refunds that the business may be eligible to receive in each fiscal year.

(b) To be considered to receive an eligible brownfield redevelopment bonus refund payment, the business meeting the requirements of paragraph (a) must submit a claim once each fiscal year on a claim form approved by the department which indicates the location of the brownfield site for which a rehabilitation agreement with the Department of Environmental Protection or a local government delegated by the Department of Environmental Protection has been executed under s. 376.80, the address of the business facility’s brownfield location, the name of the brownfield in which it is located, the number of jobs created, and the average wage of the jobs created by the business within the brownfield *as defined in s. 288.106* or other eligible business as defined in *paragraph (1)(d)* and the administrative rules and policies for that *section*.

~~(c) The bonus refunds shall be available on the same schedule as the qualified target industry tax refund payments scheduled in the qualified target industry tax refund agreement authorized in s. 288.106 or other similar agreement for other eligible businesses as defined in paragraph (1)(e).~~

~~(d) After entering into a tax refund agreement as provided in s. 288.106 or other similar agreement for other eligible businesses as defined in paragraph (1)(e), an eligible business may receive brownfield redevelopment bonus refunds from the account:~~

~~1. For both of the following taxes due and paid by that business beginning with the first taxable year of the business that begins after entering into the agreement:~~

- ~~a. Corporate income taxes under chapter 220.~~
- ~~b. Insurance premium tax under s. 624.509.~~

~~2. For all of the following taxes due and paid by that business after entering into the agreement:~~

- ~~a. Taxes on sales, use, and other transactions under chapter 212.~~
- ~~b. Intangible personal property taxes under chapter 199.~~
- ~~c. Excise taxes on documents under chapter 201.~~

d. *Ad valorem taxes paid, as defined in s. 220.03(1).*

e. *State communications services taxes administered under chapter 202. This provision does not apply to the gross receipts tax imposed under chapter 203 and administered under chapter 202 or the local communications services tax authorized under s. 202.19 pursuant to s. 288.106(3)(d).*

(d)(e) An eligible business that fraudulently claims a refund under this section:

1. Is liable for repayment of the amount of the refund to the account, plus a mandatory penalty in the amount of 200 percent of the tax refund, which shall be deposited into the General Revenue Fund.

2. Commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(e)(f) Applications shall be reviewed and certified pursuant to s. 288.061 *before the business has made a decision to locate or expand a facility in this state.* The department shall review all applications submitted under s. 288.106 or other similar application forms for other eligible businesses as defined in paragraph (1)(d) which indicate that the proposed project will be located in a brownfield area eligible for bonus refunds and determine, with the assistance of the Department of Environmental Protection, that the project location is within a brownfield area eligible for bonus refunds as provided in this act.

(f)(g) The department shall approve all claims for a brownfield redevelopment bonus refund payment that are found to meet the requirements of this section paragraphs (b) and (d).

(g)(h) The department, with such assistance as may be required from the Department of Environmental Protection, shall specify by written final order the amount of the brownfield redevelopment bonus refund that is authorized for the ~~qualified target industry~~ business for the fiscal year within 30 days after the date that the claim for the annual tax refund is received by the department.

(h)(i) The total amount of the bonus refunds approved by the department under this section in any fiscal year must not exceed the total amount appropriated to the Economic Development Incentives Account for this purpose for the fiscal year. In the event that the Legislature does not appropriate an amount sufficient to satisfy projections by the department for brownfield redevelopment bonus refunds under this section in a fiscal year, the department shall, not later than July 15 of such year, determine the proportion of each brownfield redevelopment bonus refund claim which shall be paid by dividing the amount appropriated for tax refunds for the fiscal year by the projected total of brownfield redevelopment bonus refund claims for the fiscal year. The amount of each claim for a brownfield redevelopment bonus tax refund shall be multiplied by the resulting quotient. If, after the payment of all such refund claims, funds remain in the Economic Development Incentives Account for brownfield redevelopment tax refunds, the department shall recalculate the proportion for each refund claim and adjust the amount of each claim accordingly.

(i)(j) Upon approval of the brownfield redevelopment bonus refund, payment shall be made for the amount specified in the final order. If the final order is appealed, payment may not be made for a refund to the ~~qualified target industry~~ business until the conclusion of all appeals of that order.

#### (5) ADMINISTRATION.—

(b) To facilitate the process of monitoring and auditing applications made under this program, the department may provide a list of ~~qualified target industry~~ businesses to the Department of Revenue, to the Department of Environmental Protection, or to any local government authority. The department may request the assistance of those entities with respect to monitoring the payment of the taxes listed in *paragraph (3)(c) s. 288.106(3).*

(c) *The department may adopt rules, including an application form, to administer this section.*

Section 49. Paragraph (c) of subsection (2) and subsection (6) of section 288.108, Florida Statutes, are amended to read:

288.108 High-impact business.—

(2) DEFINITIONS.—As used in this section, the term:

(c) “Eligible high-impact business” means a business in one of the designated high-impact sectors identified by ~~Enterprise Florida, Inc., and certified by the department~~ as provided in subsection (5), which is making a cumulative investment in the state of at least \$50 million and creating at least 50 new full-time equivalent jobs in the state or a research and development facility making a cumulative investment of at least \$25 million and creating at least 25 new full-time equivalent jobs. Such investment and employment must be achieved in a period not to exceed 3 years after the date the business is certified as a qualified high-impact business.

#### (6) SELECTION AND DESIGNATION OF HIGH-IMPACT SECTORS.—

(a) ~~The department Enterprise Florida, Inc.,~~ shall, by January 1, of every third year, beginning January 1, 2011, initiate the process of reviewing and, if appropriate, selecting a new high-impact sector for designation or recommending the deactivation of a designated high-impact sector. The process of reviewing designated high-impact sectors or recommending the deactivation of a designated high-impact sector shall be in consultation with ~~the department,~~ economic development organizations, the State University System, local governments, employee and employer organizations, market analysts, and economists.

(b) The department has authority, after *meeting the requirements of this subsection* ~~recommendation from Enterprise Florida, Inc.,~~ to designate a high-impact sector or to deauthorize a designated high-impact sector.

(c) To begin the process of selecting and designating a new high-impact sector, ~~the department Enterprise Florida, Inc.,~~ shall undertake a thorough study of the proposed sector. This study must consider the definition of the sector, including the types of facilities which characterize the sector that might qualify for a high-impact performance grant and whether a powerful incentive like the high-impact performance grant is needed to induce major facilities in the sector to locate or grow in this state; the benefits that major facilities in the sector have or could have on the state's economy and the relative significance of those benefits; the needs of the sector and major sector facilities, including natural, public, and human resources and benefits and costs with regard to these resources; the sector's current and future markets; the current fiscal and potential fiscal impacts of the sector, to both the state and its communities; any geographic opportunities or limitations with regard to the sector, including areas of the state most likely to benefit from the sector and areas unlikely to benefit from the sector; the state's advantages or disadvantages with regard to the sector; and the long-term expectations for the industry on a global level and in the state. If ~~the department Enterprise Florida, Inc.,~~ finds favorable conditions for the designation of the sector as a high-impact sector, it shall include in the study recommendations for a complete and comprehensive sector strategy, including appropriate marketing and workforce strategies for the entire sector and any recommendations ~~that Enterprise Florida, Inc., may have~~ for statutory or policy changes needed to improve the state's business climate and to attract and grow Florida businesses, particularly small businesses, in the proposed sector. The study shall reflect the finding of the sector-business network specified in paragraph (d).

(d) In conjunction with the study required in paragraph (c), ~~the department Enterprise Florida, Inc.,~~ shall develop and consult with a network of sector businesses. While this network may include non-Florida businesses, it must include any businesses currently within the state. If the number of Florida businesses in the sector is large, a representative cross-section of Florida sector businesses may form the core of this network.

(e) The study and its findings and recommendations and the recommendations gathered from the sector-business network must be discussed and considered during at least one meeting per calendar year of leaders in business, government, education, workforce development, and economic development called by the Governor to address the business climate in the state, develop a common vision for the economic future of the state, and identify economic development efforts to fulfill that vision.

(f) If after consideration of the completed study required in paragraph (c) and the input derived from consultation with the sector-business network in paragraph (d) and the meeting as required in paragraph (e), the ~~department board of directors of Enterprise Florida, Inc.~~, finds that the sector will have exceptionally large and widespread benefits to the state and its citizens, relative to any public costs; that the sector is characterized by the types of facilities that require exceptionally large investments and provide employment opportunities to a relatively large number of workers in high-quality, high-income jobs that might qualify for a high-impact performance grant; and that given the competition for such businesses it may be necessary for the state to be able to offer a large inducement, such as a high-impact performance grant, to attract such a business to the state or to encourage businesses to continue to grow in the state, ~~the board of directors of Enterprise Florida, Inc., may recommend that the department may designate consider the designation of the sector as a high-impact business sector or may:~~

~~(g) Upon receiving a recommendation from the board of directors of Enterprise Florida, Inc., together with the study required in paragraph (e) and a summary of the findings and recommendations of the sector-business network required in paragraph (d), including a list of all meetings of the sector network and participants in those meetings and the findings and recommendations from the meeting as required in paragraph (e), the department shall after a thorough evaluation of the study and accompanying materials report its findings and either concur in the recommendation of Enterprise Florida, Inc., and designate the sector as a high impact business sector or notify Enterprise Florida, Inc., that it does not concur and deny the board's request for designation or return the recommendation and study to Enterprise Florida, Inc., for further evaluation. In any case, the department's decision must be in writing and justify the reasons for the decision.~~

~~(g)(h) If the department designates the sector as a high-impact sector, it shall, within 30 days, notify the Governor, the President of the Senate, and the Speaker of the House of Representatives of its decision and provide a complete report on its decision, including copies of the material compiled in the evaluation, studies, and meetings required under this subsection provided by Enterprise Florida, Inc., and the department's evaluation and comment on any statutory or policy changes recommended by Enterprise Florida, Inc.~~

~~(h)(i) For the purposes of this subsection, a high-impact sector consists of the silicon technology sector that Enterprise Florida, Inc., has found to be focused around the type of high-impact businesses for which the incentive created in this subsection is required and will create the kinds of sector and economy wide benefits that justify the use of state resources to encourage these investments and require substantial inducements to compete with the incentive packages offered by other states and nations.~~

Section 50. *Section 288.1081, Florida Statutes, is repealed.*

Section 51. *Section 288.1082, Florida Statutes, is repealed.*

Section 52. *Section 288.1088, Florida Statutes, is repealed.*

Section 53. *Section 288.1089, Florida Statutes, is repealed.*

Section 54. Section 288.111, Florida Statutes, is amended to read:

288.111 Information concerning local manufacturing development programs.—The department shall develop materials that identify each local government that establishes a local manufacturing development program under s. 163.3252. The materials, which the department may elect to develop and maintain in electronic format or in any other format deemed by the department to provide public access, must be updated at least annually. ~~Enterprise Florida, Inc., shall, and other State agencies may, distribute the materials to prospective, new, expanding, and relocating businesses seeking to conduct business in this state.~~

Section 55. Subsection (7) of section 288.11621, Florida Statutes, is amended to read:

288.11621 Spring training baseball franchises.—

(7) STRATEGIC PLANNING.—The department shall request assistance from ~~Enterprise Florida, Inc., and the Florida Grapefruit League Association to develop a comprehensive strategic plan to:~~

(a) Finance spring training facilities.

(b) Monitor and oversee the use of state funds awarded to applicants.

(c) Identify the financial impact that spring training has on the state and ways in which to maintain or improve that impact.

(d) Identify opportunities to develop public-private partnerships to engage in marketing activities and advertise spring training baseball.

(e) Identify efforts made by other states to maintain or develop partnerships with baseball spring training teams.

(f) Develop recommendations for the Legislature to sustain or improve this state's spring training tradition.

Section 56. Paragraph (c) of subsection (2) and paragraphs (a), (c), and (d) of subsection (3) of section 288.11631, Florida Statutes, are amended to read:

288.11631 Retention of Major League Baseball spring training baseball franchises.—

(2) CERTIFICATION PROCESS.—

(c) Each applicant certified on or after July 1, 2013, shall enter into an agreement with the department which:

1. Specifies the amount of the state incentive funding to be distributed. The amount of state incentive funding per certified applicant may not exceed \$20 million. However, if a certified applicant's facility is used by more than one spring training franchise, the maximum amount may not exceed \$50 million, and the Department of Revenue shall make distributions to the applicant pursuant to *s. 212.20(6)(d)6.c.* ~~§ 212.20(6)(d)6.e.~~

2. States the criteria that the certified applicant must meet in order to remain certified. These criteria must include a provision stating that the spring training franchise must reimburse the state for any funds received if the franchise does not comply with the terms of the contract. If bonds were issued to construct or renovate a facility for a spring training franchise, the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date the franchise violates the agreement with the applicant through the final maturity of the bonds.

3. States that the certified applicant is subject to decertification if the certified applicant fails to comply with this section or the agreement.

4. States that the department may recover state incentive funds if the certified applicant is decertified.

5. Specifies the information that the certified applicant must report to the department.

6. Includes any provision deemed prudent by the department.

(3) USE OF FUNDS.—

(a) A certified applicant may use funds provided under *s. 212.20(6)(d)6.c.* ~~§ 212.20(6)(d)6.e.~~ only to:

1. Serve the public purpose of constructing or renovating a facility for a spring training franchise.

2. Pay or pledge for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the construction or renovation of such facility, or for the reimbursement of such costs or the refinancing of bonds issued for such purposes.

(c) The Department of Revenue may not distribute funds under *s. 212.20(6)(d)6.c.* ~~§ 212.20(6)(d)6.e.~~ until July 1, 2016. Further, the Department of Revenue may not distribute funds to an applicant certified on or after July 1, 2013, until it receives notice from the department that:

1. The certified applicant has encumbered funds under either subparagraph (a)1. or subparagraph (a)2.; and
2. If applicable, any existing agreement with a spring training franchise for the use of a facility has expired.

(d)1. All certified applicants shall place unexpended state funds received pursuant to s. 212.20(6)(d)6.c. ~~s. 212.20(6)(d)6.e.~~ in a trust fund or separate account for use only as authorized in this section.

2. Section 60. Section 288.122, Florida Statutes, is amended to read:

288.122 Tourism Promotional Trust Fund.—There is created within the department the Tourism Promotional Trust Fund. Moneys deposited in the Tourism Promotional Trust Fund shall only be used to support the authorized activities and operations and the tourism promotion and marketing activities, services, functions, and programs administered by the department ~~Enterprise Florida, Inc.~~, through a contract with the direct-support organization created under s. 288.1226.

Section 61. Present subsection (13) of section 288.1226, Florida Statutes, as amended by chapter 2023-20, Laws of Florida, is redesignated as subsection (15), a new subsection (13) and subsection (14) are added to that section, and subsections (2), (3), and (4), paragraphs (a), (c), (g), (h), (i), and (k) of subsection (5), and subsections (7) and (8) of that section are amended, to read:

288.1226 Florida Tourism Industry Marketing Corporation; use of property; board of directors; duties; audit.—

(2) ESTABLISHMENT.—The Florida Tourism Industry Marketing Corporation is a direct-support organization of the department ~~Enterprise Florida, Inc.~~

(a) The Florida Tourism Industry Marketing Corporation is a corporation not for profit, as defined in s. 501(c)(6) of the Internal Revenue Code of 1986, as amended, that is incorporated under the provisions of chapter 617 and approved by the Department of State.

(b) The corporation is organized and operated exclusively to request, receive, hold, invest, and administer property and to manage and make expenditures for the operation of the activities, services, functions, and programs of this state which relate to the statewide, national, and international promotion and marketing of tourism.

(c)1. The corporation is not an agency for the purposes of chapters 120, 216, and 287; ss. 255.21, 255.25, and 255.254, relating to leasing of buildings; ss. 283.33 and 283.35, relating to bids for printing; s. 215.31; and parts I, II, and IV-VIII of chapter 112. However, the corporation shall comply with the per diem and travel expense provisions of s. 112.061.

2. It is not a violation of s. 112.3143(2) or (4) for the officers or members of the board of directors of the corporation to:

a. Vote on the 4-year marketing plan required under *subsection (13)* ~~s. 288.023~~ or vote on any individual component of or amendment to the plan.

b. Participate in the establishment or calculation of payments related to the private match requirements of subsection (6). The officer or member must file an annual disclosure describing the nature of his or her interests or the interests of his or her principals, including corporate parents and subsidiaries of his or her principal, in the private match requirements. This annual disclosure requirement satisfies the disclosure requirement of s. 112.3143(4). This disclosure must be placed on the corporation's website or included in the minutes of each meeting of the corporation's board of directors at which the private match requirements are discussed or voted upon.

(d) The corporation is subject to the provisions of chapter 119, relating to public meetings, and those provisions of chapter 286 relating to public meetings and records.

(3) USE OF PROPERTY.—~~The department Enterprise Florida, Inc.~~

(a) Is authorized to permit the use of property and facilities of the department ~~Enterprise Florida, Inc.~~, by the corporation, subject to the provisions of this section.

(b) Shall prescribe conditions with which the corporation must comply in order to use property and facilities of the department ~~Enterprise Florida, Inc.~~ Such conditions shall provide for budget and audit review and for oversight by the department ~~Enterprise Florida, Inc.~~

(c) May not permit the use of property and facilities of the department ~~Enterprise Florida, Inc.~~, if the corporation does not provide equal employment opportunities to all persons, regardless of race, color, national origin, sex, age, or religion.

(4) BOARD OF DIRECTORS.—The board of directors of the corporation shall be composed of 32 tourism-industry-related members, appointed by ~~Enterprise Florida, Inc.~~, in conjunction with the department. Board members shall serve without compensation, but are entitled to receive reimbursement for per diem and travel expenses pursuant to s. 112.061. Such expenses must be paid out of funds of the corporation. The board shall be composed of all of the following members:

(a) Sixteen members, appointed in such a manner as to equitably represent all geographic areas of this state, with no fewer than two members from any of the following regions:

1. Region 1, composed of Bay, Calhoun, Escambia, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Leon, Liberty, Okaloosa, Santa Rosa, Wakulla, Walton, and Washington Counties.

2. Region 2, composed of Alachua, Baker, Bradford, Clay, Columbia, Dixie, Duval, Flagler, Gilchrist, Hamilton, Lafayette, Levy, Madison, Marion, Nassau, Putnam, St. Johns, Suwannee, Taylor, and Union Counties.

4. Region 4, composed of Citrus, Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk, and Sarasota Counties.

5. Region 5, composed of Charlotte, Collier, DeSoto, Glades, Hardee, Hendry, Highlands, and Lee Counties.

6. Region 6, composed of Broward, Martin, Miami-Dade, Monroe, and Palm Beach Counties.

(b) The following industry and organization representatives: 1 representative from the statewide rental car industry; 7 representatives from tourist-related statewide associations, including those that represent hotels, campgrounds, county destination marketing organizations, museums, restaurants, retail, and attractions; 3 representatives from county destination marketing organizations; 1 representative from the cruise industry; 1 representative from an automobile and travel services membership organization that has at least 2.8 million members in Florida; 1 representative from the airline industry; 1 representative from the nature-based tourism industry; and 1 representative from the space tourism industry, who will each serve for a term of 2 years.

(5) POWERS AND DUTIES.—The corporation, in the performance of its duties:

(a) May make and enter into contracts and assume such other functions as are necessary to carry out the provisions of the 4-year marketing plan required by *subsection (13) s. 288.923*, and the corporation's contract with *the department Enterprise Florida, Inc.*, which are not inconsistent with this or any other provision of law. A proposed contract with a total cost of \$750,000 or more is subject to the notice and review procedures of s. 216.177. If the chair and vice chair of the Legislative Budget Commission, or the President of the Senate and the Speaker of the House of Representatives, timely advise the corporation in writing that such proposed contract is contrary to legislative policy and intent, the corporation may not execute such proposed contract. The corporation may not enter into multiple related contracts to avoid the requirements of this paragraph.

(c) May establish a cooperative marketing program with other public and private entities which allows the use of the VISIT Florida logo in tourism promotion campaigns which meet the standards of *the department Enterprise Florida, Inc.*, for which the corporation may charge a reasonable fee.

(g) Shall hire and establish salaries and personnel and employee benefit programs for such permanent and temporary employees as are necessary to carry out the provisions of the 4-year marketing plan and the corporation's contract with *the department Enterprise Florida, Inc.*, which are not inconsistent with this or any other provision of law. However, an employee may not receive public compensation for employment that exceeds the salary and benefits authorized to be paid to the Governor. Any public payments of performance bonuses or severance pay to employees of the corporation are prohibited unless specifically authorized by law.

(h) May adopt, change, amend, and repeal bylaws, not inconsistent with law or its articles of incorporation, for the administration of the provisions of the 4-year marketing plan and the corporation's contract with *the department Enterprise Florida, Inc.*

(i) May conduct its affairs, carry on its operations, and have offices and exercise the powers granted by this act in any state, territory, district, or possession of the United States or any foreign country. Where feasible, appropriate, and recommended by the 4-year marketing plan developed by the *corporation in consultation with the department Division of Tourism Promotion of Enterprise Florida, Inc.*, the corporation may collocate the programs of foreign tourism offices in cooperation with any foreign office operated by any agency of this state.

(k) May request or accept any grant, payment, or gift, of funds or property made by this state or by the United States or any department or agency thereof or by any individual, firm, corporation, municipality, county, or organization for any or all of the purposes of the 4-year marketing plan and the corporation's contract with *the department Enterprise Florida, Inc.*, that are not inconsistent with this or any other provision of law. Such funds shall be deposited in a bank account established by the corporation's board of directors. The corporation may expend such funds in accordance with the terms and conditions of any such grant, payment, or gift, in the pursuit of its administration or in support of the programs it administers. The corporation shall separately account for the public funds and the private funds deposited into the corporation's bank account.

(7) ANNUAL AUDIT.—The corporation shall provide for an annual financial audit in accordance with s. 215.981. The annual audit report shall be submitted to the Auditor General; the Office of Program Policy Analysis and Government Accountability; *Enterprise Florida, Inc.*; and the department for review. The Office of Program Policy Analysis and Government Accountability; *Enterprise Florida, Inc.*; the department; and the Auditor General have the authority to require and receive from the corporation or from its independent auditor any detail or supplemental data relative to the operation of the corporation. The department shall annually certify whether the corporation is operating in a manner and achieving the objectives that are consistent with the policies and goals of *the department Enterprise Florida, Inc.*, and its long-range marketing plan. The identity of a donor or prospective donor to the corporation who desires to remain anonymous and all information identifying such donor or prospective donor are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution. Such anonymity shall be maintained in the auditor's report.

(8) REPORT.—The corporation shall provide to *the department* a quarterly report *that to Enterprise Florida, Inc., which shall:*

(a) ~~Measures Measure~~ the current vitality of the visitor industry of this state as compared to the vitality of such industry for the year to date and for comparable quarters of past years. (13) FOUR-YEAR MARKETING PLAN.—

(a) *The corporation shall, in collaboration with the department, develop a 4-year marketing plan. At a minimum, the marketing plan must discuss the following:*

1. *Continuation of overall tourism growth in this state.*
2. *Expansion to new or under-represented tourist markets.*
3. *Maintenance of traditional and loyal tourist markets.*
4. *Coordination of efforts with county destination marketing organizations, other local government marketing groups, privately owned attractions and destinations, and other private sector partners to create a seamless, four-season advertising campaign for the state and its regions.*
5. *Development of innovative techniques or promotions to build repeat visitation by targeted segments of the tourist population.*
6. *Consideration of innovative sources of state funding for tourism marketing.*
7. *Promotion of nature-based tourism, including, but not limited to, promotion of the Florida Greenways and Trails System as described under s. 260.014 and the Florida Shared-Use Nonmotorized Trail Network as described under s. 339.81.*
8. *Coordination of efforts with the Office of Greenways and Trails of the Department of Environmental Protection and the department to promote and assist local communities, including, but not limited to, communities designated as trail towns by the Office of Greenways and Trails, to maximize use of nearby trails as economic assets, including specific promotion of trail-based tourism.*
9. *Promotion of heritage tourism.*
10. *Development of a component to address emergency response to natural and manmade disasters from a marketing standpoint.*

(b) *The plan must be annual in construction and ongoing in nature. Any annual revisions of the plan must carry forward the concepts of the remaining 3-year portion of the plan and consider a continuum portion to preserve the 4-year timeframe of the plan. The plan also must include recommendations for specific performance standards and measurable outcomes for the corporation. The department shall base the actual performance metrics on these recommendations.*

(c) *The plan shall be annually reviewed and approved by the board of directors of the corporation.*

(14) ANNUAL REPORT.—*The corporation shall draft and submit to the department, the Governor, the President of the Senate, and the*

Section 68. *Section 288.1254, Florida Statutes, is repealed.*

Section 69. Section 288.1258, Florida Statutes, is amended to read:

288.1258 Entertainment industry qualified production companies; application procedure; categories; duties of the Department of Revenue; records and reports.—

(1) PRODUCTION COMPANIES AUTHORIZED TO APPLY.—

(a) Any production company engaged in this state in the production of motion pictures, made-for-TV motion pictures, television series, commercial advertising, music videos, or sound recordings may submit an application to the Department of Revenue to be approved by the ~~department Office of Film and Entertainment~~ as a qualified production company for the purpose of receiving a sales and use tax certificate of exemption from the Department of Revenue.

(b) For the purposes of this section, “qualified production company” means any production company that has submitted a properly completed application to the Department of Revenue and that is subsequently qualified by the ~~department Office of Film and Entertainment~~.

(2) APPLICATION PROCEDURE.—

(a) The Department of Revenue will review all submitted applications for the required information. Within 10 working days after the receipt of a properly completed application, the Department of Revenue will forward the completed application to the ~~department Office of Film and Entertainment~~ for approval.

(b)1. The ~~department Office of Film and Entertainment~~ shall establish a process by which an entertainment industry production company may be approved by the ~~department office~~ as a qualified production company and may receive a certificate of exemption from the Department of Revenue for the sales and use tax exemptions under ss. 212.031, 212.06, and 212.08.

2. Upon determination by the ~~department Office of Film and Entertainment~~ that a production company meets the established approval criteria and qualifies for exemption, the ~~department Office of Film and Entertainment~~ shall return the approved application or application renewal or extension to the Department of Revenue, which shall issue a certificate of exemption.

3. The ~~department Office of Film and Entertainment~~ shall deny an application or application for renewal or extension from a production company if it determines that the production company does not meet the established approval criteria.

(c) The ~~department Office of Film and Entertainment~~ shall develop, with the cooperation of the Department of Revenue and local government entertainment industry promotion agencies, a standardized application form for use in approving qualified production companies.

1. The application form shall include, but not be limited to, production-related information on employment, proposed budgets, planned purchases of items exempted from sales and use taxes under ss. 212.031, 212.06, and 212.08, a signed affirmation from the applicant that any items purchased for which the applicant is seeking a tax exemption are intended for use exclusively as an integral part of entertainment industry preproduction, production, or postproduction activities engaged in primarily in this state, and a signed affirmation from the ~~department Office of Film and Entertainment~~ that the information on the application form has been verified and is correct. In lieu of information on projected employment, proposed budgets, or planned purchases of exempted items, a production company seeking a 1-year certificate of exemption may submit summary historical data on employment, production budgets, and purchases of exempted items related to production activities in this state. Any information gathered from production companies for the purposes of this section shall be considered confidential taxpayer information and shall be disclosed only as provided in s. 213.053.

2. The application form may be distributed to applicants by the ~~department Office of Film and Entertainment~~ or local film commissions.

(d) All applications, renewals, and extensions for designation as a qualified production company shall be processed by the ~~department Office of Film and Entertainment~~.

(e) In the event that the Department of Revenue determines that a production company no longer qualifies for a certificate of exemption, or has used a certificate of exemption for purposes other than those authorized by this section and chapter 212, the Department of Revenue shall revoke the certificate of exemption of that production company, and any sales or use taxes exempted on items purchased or leased by the production company during the time such company did not qualify for a certificate of exemption or improperly used a certificate of exemption shall become immediately due to the Department of Revenue, along with interest and penalty as provided by s. 212.12. In addition to the other penalties imposed by law, any person who knowingly and willfully falsifies an application, or uses a certificate of exemption for purposes other than those authorized by this section and chapter 212, commits a felony of the third degree, punishable as provided in ss. 775.082, 775.083, and 775.084.

(3) CATEGORIES.—

(a)1. A production company may be qualified for designation as a qualified production company for a period of 1 year if the company has

operated a business in Florida at a permanent address for a period of 12 consecutive months. Such a qualified production company shall receive a single 1-year certificate of exemption from the Department of Revenue for the sales and use tax exemptions under ss. 212.031, 212.06, and 212.08, which certificate shall expire 1 year after issuance or upon the cessation of business operations in the state, at which time the certificate shall be surrendered to the Department of Revenue.

2. The ~~department Office of Film and Entertainment~~ shall develop a method by which a qualified production company may annually renew a 1-year certificate of exemption for a period of up to 5 years without requiring the production company to resubmit a new application during that 5-year period.

3. Any qualified production company may submit a new application for a 1-year certificate of exemption upon the expiration of that company's certificate of exemption.

(b)1. A production company may be qualified for designation as a qualified production company for a period of 90 days. Such production company shall receive a single 90-day certificate of exemption from the Department of Revenue for the sales and use tax exemptions under ss. 212.031, 212.06, and 212.08, which certificate shall expire 90 days after issuance, with extensions contingent upon approval of the ~~department Office of Film and Entertainment~~. The certificate shall be surrendered to the Department of Revenue upon its expiration.

2. Any production company may submit a new application for a 90-day certificate of exemption upon the expiration of that company's certificate of exemption.

#### (4) DUTIES OF THE DEPARTMENT OF REVENUE.—

(a) The Department of Revenue shall review the initial application and notify the applicant of any omissions and request additional information if needed. An application shall be complete upon receipt of all requested information. The Department of Revenue shall forward all complete applications to the ~~department Office of Film and Entertainment~~ within 10 working days.

(b) The Department of Revenue shall issue a numbered certificate of exemption to a qualified production company within 5 working days of the receipt of an approved application, application renewal, or application extension from the ~~department Office of Film and Entertainment~~.

(c) The Department of Revenue may promulgate such rules and shall prescribe and publish such forms as may be necessary to effectuate the purposes of this section or any of the sales tax exemptions which are reasonably related to the provisions of this section.

(d) The Department of Revenue is authorized to establish audit procedures in accordance with the provisions of ss. 212.12, 212.13, and 213.34 which relate to the sales tax exemption provisions of this section.

(5) RELATIONSHIP OF TAX EXEMPTIONS AND INCENTIVES TO INDUSTRY GROWTH; REPORT TO THE LEGISLATURE.—The ~~department Office of Film and Entertainment~~ shall keep annual records from the information provided on taxpayer applications for tax exemption certificates. These records also must reflect a ratio of the annual amount of sales and use tax exemptions under this section, ~~plus the incentives awarded pursuant to s. 288.1254~~ to the estimated amount of funds expended by certified productions. In addition, the ~~department office~~ shall maintain data showing annual growth in Florida-based entertainment industry companies and entertainment industry employment and wages. ~~The employment information must include an estimate of the full time equivalent positions created by each production that received tax credits pursuant to s. 288.1254. (3) A local government entity shall notify the Governor *and*, the Department of ~~Commerce Economic Opportunity, and Enterprise Florida, Inc.~~, when one or more of the conditions specified in subsection (2) have occurred or will occur if action is not taken to assist the local governmental entity or the affected community.

(4) Upon notification that one or more of the conditions described in subsection (2) exist, the Governor or his or her designee shall contact the local governmental entity to determine what actions have been taken by the local governmental entity or the affected community to resolve the economic emergency. The Governor may waive the eligibility criteria of any program or activity administered by the Department of ~~Commerce Economic Opportunity or Enterprise Florida, Inc.~~, to provide economic relief to the affected community by granting participation in such programs or activities. The Governor shall consult with the President of the Senate and the Speaker of the House of Representatives and shall take other action, as necessary, to resolve the economic emergency in the most expedient manner possible. All actions taken pursuant to this section shall be within current appropriations and shall have no annualized impact beyond normal growth.

Section 123. Paragraph (d) of subsection (3) and subsection (4) of section 295.22, Florida Statutes, are amended to read:

295.22 Veterans Employment and Training Services Program.—

(3) ADMINISTRATION.—Florida Is For Veterans, Inc., shall administer the Veterans Employment and Training Services Program and perform all of the following functions:

(d) Create a grant program to provide funding to assist veterans in meeting the workforce-skill needs of businesses seeking to hire, promote, or generally improve specialized skills of veterans, establish criteria for approval of requests for funding, and maximize the use of funding for this program. Grant funds may be used only in the absence of available veteran-specific federally funded programs. Grants may fund specialized training specific to a particular business.

1. If grant funds are used to provide a technical certificate, a licensure, or a degree, funds may be allocated only upon a review that

includes, but is not limited to, documentation of accreditation and licensure. Instruction funded through the program terminates when participants demonstrate competence at the level specified in the request but may not exceed 12 months. Preference shall be given to target industry businesses, as defined in s. 288.005 ~~s. 288.106~~, and to businesses in the defense supply, cloud virtualization, or commercial aviation manufacturing industries.

2. Costs and expenditures shall be limited to \$8,000 per veteran trainee. Qualified businesses must cover the entire cost for all of the training provided before receiving reimbursement from the corporation equal to 50 percent of the cost to train a veteran who is a permanent, full-time employee. Eligible costs and expenditures include:

- a. Tuition and fees.
- b. Books and classroom materials.
- c. Rental fees for facilities.

3. Before funds are allocated for a request pursuant to this section, the corporation shall prepare a grant agreement between the business requesting funds and the corporation. Such agreement must include, but need not be limited to:

- a. Identification of the personnel necessary to conduct the instructional program, instructional program description, and any vendors used to conduct the instructional program.
- b. Identification of the estimated duration of the instructional program.
- c. Identification of all direct, training-related costs.
- d. Identification of special program requirements that are not otherwise addressed in the agreement.

e. Permission to access aggregate information specific to the wages and performance of participants upon the completion of instruction for evaluation purposes. The agreement must specify that any evaluation published subsequent to the instruction may not identify the employer or any individual participant.

4. A business may receive a grant under the Quick-Response Training Program created under s. 288.047 and a grant under this section for the same veteran trainee. If a business receives funds under both programs, one grant agreement may be entered into with CareerSource Florida, Inc., as the grant administrator.

~~(4) DUTIES OF ENTERPRISE FLORIDA, INC.—Enterprise Florida, Inc., shall provide information about the corporation and its services to prospective, new, expanding, and relocating businesses seeking to conduct business in this state. Enterprise Florida, Inc., shall, to the greatest extent possible, collaborate with the corporation to meet the employment needs, including meeting the job creation requirements, of any business receiving assistance or services from Enterprise Florida, Inc.~~

Section 124. Paragraph (a) of subsection (6), paragraph (b) of subsection (9), paragraph (a) of subsection (34), subsection (57), and paragraph (b) of subsection (61) of section 320.08058, Florida Statutes, are amended to read:

320.08058 Specialty license plates.—

(6) FLORIDA UNITED STATES OLYMPIC COMMITTEE LICENSE PLATES.—

(a) Because the United States Olympic Committee has selected this state to participate in a combined fundraising program that provides for one-half of all money raised through volunteer giving to stay in this state and be administered by ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, to support amateur sports, and because the United States Olympic Committee and ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, are nonprofit organizations dedicated to providing athletes with support and training and preparing athletes of all ages and skill levels for sports competition, and because ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, assists in the bidding for sports competitions that provide significant impact to the economy of this

state, and the Legislature supports the efforts of the United States Olympic Committee and ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, the Legislature establishes a Florida United States Olympic Committee license plate for the purpose of providing a continuous funding source to support this worthwhile effort. Florida United States Olympic Committee license plates must contain the official United States Olympic Committee logo and must bear a design and colors that are approved by the department. The word "Florida" must be centered at the top of the plate.

(9) FLORIDA PROFESSIONAL SPORTS TEAM LICENSE PLATES.—

(b) The license plate annual use fees are to be annually distributed as follows:

1. Fifty-five percent of the proceeds from the Florida Professional Sports Team plate must be deposited into the Professional Sports Development Trust Fund within the Department of ~~Commerce Economic Opportunity~~. These funds must be used solely to attract and support major sports events in this state. As used in this subparagraph, the term "major sports events" means, but is not limited to, championship or all-star contests of Major League Baseball, the National Basketball Association, the National Football League, the National Hockey League, Major League Soccer, the men's and women's National Collegiate Athletic Association Final Four basketball championship, or a horse-racing or dogracing Breeders' Cup. All funds must be used to support and promote major sporting events, and the uses must be approved by the Department of ~~Commerce Economic Opportunity~~.

2. The remaining proceeds of the Florida Professional Sports Team license plate must be allocated to ~~the Florida Sports Foundation Enterprise Florida, Inc.~~ These funds must be deposited into the Professional Sports Development Trust Fund within the Department of ~~Commerce Economic Opportunity~~. These funds must be used by ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, to promote the economic development of the sports industry; to distribute licensing and royalty fees to participating professional sports teams; to promote education programs in Florida schools that provide an awareness of the benefits of physical activity and nutrition standards; to partner with the Department of Education and the Department of Health to develop a program that recognizes schools whose students demonstrate excellent physical fitness or fitness improvement; to institute a grant program for communities bidding on minor sporting events that create an economic impact for the state; to distribute funds to Florida-based charities designated by ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, and the participating professional sports teams; and to fulfill the sports promotion responsibilities of the Department of ~~Commerce Economic Opportunity~~.

3. ~~The Florida Sports Foundation Enterprise Florida, Inc.~~ shall provide an annual financial audit in accordance with s. 215.981 of its financial accounts and records by an independent certified public accountant pursuant to the contract established by the Department of ~~Commerce as specified in s. 288.1229(5) Economic Opportunity~~. The auditor shall submit the audit report to the Department of ~~Commerce Economic Opportunity~~ for review and approval. If the audit report is approved, the Department of ~~Commerce Economic Opportunity~~ shall certify the audit report to the Auditor General for review.

4. Notwithstanding the provisions of subparagraphs 1. and 2., proceeds from the Professional Sports Development Trust Fund may also be used for operational expenses of ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, and financial support of the Sunshine State Games.

(34) FLORIDA GOLF LICENSE PLATES.—

(a) The Department of Highway Safety and Motor Vehicles shall develop a Florida Golf license plate as provided in this section. The word "Florida" must appear at the bottom of the plate. The Dade Amateur Golf Association, following consultation with ~~the Florida Sports Foundation, the PGA TOUR, Enterprise Florida, Inc., the LPGA, and the PGA of America~~, may submit a revised sample plate for consideration by the department.

(57) FLORIDA NASCAR LICENSE PLATES.—

(a) The department shall develop a Florida NASCAR license plate as provided in this section. Florida NASCAR license plates must bear the colors and design approved by the department. The word "Florida" must appear at the top of the plate, and the term "NASCAR" must appear at the bottom of the plate. The National Association for Stock Car Auto Racing, following consultation with ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, may submit a sample plate for consideration by the department.

(b) The license plate annual use fees shall be distributed to ~~the Florida Sports Foundation Enterprise Florida, Inc.~~ The license plate annual use fees shall be annually allocated as follows:

1. Up to 5 percent of the proceeds from the annual use fees may be used by ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, for the administration of the NASCAR license plate program.

2. The National Association for Stock Car Auto Racing shall receive up to \$60,000 in proceeds from the annual use fees to be used to pay startup costs, including costs incurred in developing and issuing the plates. Thereafter, 10 percent of the proceeds from the annual use fees shall be provided to the association for the royalty rights for the use of its marks.

3. The remaining proceeds from the annual use fees shall be distributed to ~~the Florida Sports Foundation Enterprise Florida, Inc.~~ ~~The Florida Sports Foundation Enterprise Florida, Inc.~~, will retain 15 percent to support its regional grant program, attracting sporting events to Florida; 20 percent to support the marketing of motorsports-related tourism in the state; and 50 percent to be paid to the NASCAR Foundation, a s. 501(c)(3) charitable organization, to support Florida-based charitable organizations.

(c) ~~The Florida Sports Foundation Enterprise Florida, Inc.~~ shall provide an annual financial audit in accordance with s. 215.981 of its financial accounts and records by an independent certified public accountant pursuant to the contract established by the Department of ~~Commerce as specified in s. 288.1229(5) Economic Opportunity~~. The auditor shall submit the audit report to the Department of ~~Commerce Economic Opportunity~~ for review and approval. If the audit report is approved, the Department of ~~Commerce Economic Opportunity~~ shall certify the audit report to the Auditor General for review.

(61) FLORIDA TENNIS LICENSE PLATES.—

(b) The department shall distribute the annual use fees to ~~the Florida Sports Foundation Enterprise Florida, Inc.~~ The license plate annual use fees shall be annually allocated as follows:

1. Up to 5 percent of the proceeds from the annual use fees may be used by ~~the Florida Sports Foundation Enterprise Florida, Inc.~~, to administer the license plate program.

2. The United States Tennis Association Florida Section Foundation shall receive the first \$60,000 in proceeds from the annual use fees to reimburse it for startup costs, administrative costs, and other costs it incurs in the development and approval process.

3. Up to 5 percent of the proceeds from the annual use fees may be used for promoting and marketing the license plates. The remaining proceeds shall be available for grants by the United States Tennis Association Florida Section Foundation to nonprofit organizations to operate youth tennis programs and adaptive tennis programs for special populations of all ages, and for building, renovating, and maintaining public tennis courts.

Section 125. Paragraph (a) of subsection (1) of section 339.2821, Florida Statutes, is amended to read:

339.2821 Economic development transportation projects.—

(1)(a) The department, in consultation with the Department of ~~Commerce Economic Opportunity and Enterprise Florida, Inc.~~, may make and approve expenditures and contract with the appropriate governmental body for the direct costs of transportation projects. The Department of ~~Commerce Economic Opportunity~~ and the Department of Environmental Protection may formally review and comment on recommended transportation projects, although the department has final approval authority for any project authorized under this section.

Section 126. Paragraph (h) of subsection (2) of section 377.703, Florida Statutes, is amended to read:

377.703 Additional functions of the Department of Agriculture and Consumer Services.—

(2) DUTIES.—The department shall perform the following functions, unless as otherwise provided, consistent with the development of a state energy policy:

(h) The department shall promote the development and use of renewable energy resources, in conformance with chapter 187 and s. 377.601, by:

1. Establishing goals and strategies for increasing the use of renewable energy in this state.

2. Aiding and promoting the commercialization of renewable energy resources, in cooperation with the Florida Energy Systems Consortium, the Florida Solar Energy Center, ~~Enterprise Florida, Inc.~~, and any other federal, state, or local governmental agency that may seek to promote research, development, and the demonstration of renewable energy equipment and technology.

3. Identifying barriers to greater use of renewable energy resources in this state, and developing specific recommendations for overcoming identified barriers, with findings and recommendations to be submitted annually in the report to the Governor and Legislature required under paragraph (f).

4. In cooperation with the Department of Environmental Protection, the Department of Transportation, the Department of ~~Commerce Economic Opportunity, Enterprise Florida, Inc.~~, the Florida Energy Systems Consortium, the Florida Solar Energy Center, and the Florida Solar Energy Industries Association, investigating opportunities, pursuant to the national Energy Policy Act of 1992, the Housing and Community Development Act of 1992, and any subsequent federal legislation, for renewable energy resources, electric vehicles, and other renewable energy manufacturing, distribution, installation, and financing efforts that enhance this state's position as the leader in renewable energy research, development, and use.

5. Undertaking other initiatives to advance the development and use of renewable energy resources in this state.

In the exercise of its responsibilities under this paragraph, the department shall seek the assistance of the renewable energy industry in this state and other interested parties and may enter into contracts, retain professional consulting services, and expend funds appropriated by the Legislature for such purposes.

Section 127. Subsection (5) of section 377.804, Florida Statutes, is amended to read:

377.804 Renewable Energy and Energy-Efficient Technologies Grants Program.—

(5) The department shall solicit the expertise of state agencies, ~~Enterprise Florida, Inc.~~, and state universities, and may solicit the expertise of other public and private entities it deems appropriate, in evaluating project proposals. State agencies shall cooperate with the department and provide such assistance as requested.

Section 128. Paragraph (a) of subsection (4) of section 377.809, Florida Statutes, is amended to read:

377.809 Energy Economic Zone Pilot Program.—

(4)(a) Beginning July 1, 2012, all the incentives and benefits provided for enterprise zones pursuant to state law shall be available to the energy economic zones designated pursuant to this section on or before July 1, 2010. In order to provide incentives, by March 1, 2012, each local governing body that has jurisdiction over an energy economic zone must, by local ordinance, establish the boundary of the energy economic zone, specify applicable energy-efficiency standards, and determine eligibility criteria for the application of state and local incentives and benefits in the energy economic zone. ~~However, in order to receive benefits provided under s. 288.106, a business must be a qualified target industry business under s. 288.106 for state purposes.~~ An energy eco-

nomie zone's boundary may be revised by local ordinance. Such incentives and benefits include those in ss. 212.08, 212.096, 220.181, 220.182, 220.183, ~~288.106~~, and 624.5105 and the public utility discounts provided in s. 290.007(8). The exemption provided in s. 212.08(5)(c) shall be for renewable energy as defined in s. 377.803. For purposes of this section, any applicable requirements for employee residency for higher refund or credit thresholds must be based on employee residency in the energy economic zone or an enterprise zone. A business in an energy economic zone may also be eligible for funding under ss. 288.047 and 445.003, and a transportation project in an energy economic zone shall be provided priority in funding under s. 339.2821. Other projects shall be given priority ranking to the extent practicable for grants administered under state energy programs.

Section 129. Subsections (1) and (5) of section 380.0657, Florida Statutes, are amended to read:

380.0657 Expedited permitting process for economic development projects.—

(1) The Department of Environmental Protection and, as appropriate, the water management districts created under chapter 373 shall adopt programs to expedite the processing of wetland resource and environmental resource permits for economic development projects that have been identified by a municipality or county as meeting the definition of target industry businesses under s. 288.005 ~~s. 288.106~~, or any intermodal logistics center receiving or sending cargo to or from Florida ports, with the exception of those projects requiring approval by the Board of Trustees of the Internal Improvement Trust Fund.

(5) Notwithstanding the provisions of this section, permit applications for projects to be located in a charter county that has a population of 1.2 million or more and has entered into a delegation agreement with the Department of Environmental Protection or the applicable water management district to process environmental resource permits, wetland resource management permits, or surface water management permits pursuant to chapter 373 are eligible for expedited permitting under this section only upon designation by resolution of the charter county's governing board. Before the governing board decides that a project is eligible for expedited permitting, it may require the county's economic development agency, or such other agency that provides advice to the governing board on economic matters, to review and recommend whether the project meets the definition of a target industry business as defined in s. 288.005 ~~s. 288.106~~ and to identify the tangible benefits and impacts of the project. The governing board's decision shall be made without consideration of the project's geographic location within the charter county. If the governing board designates the project as a target industry business, the permit application for the project shall be approved or denied within the timeframe provided in subsection (4).

Section 130. Subsection (5) of section 403.7032, Florida Statutes, is amended to read:

403.7032 Recycling.—

(5) The Department of Environmental Protection shall create the Recycling Business Assistance Center by December 1, 2010. In carrying out its duties under this subsection, the department shall consult with state agency personnel appointed to serve as economic development liaisons under s. 288.021 ~~and seek technical assistance from Enterprise Florida, Inc.~~, to ensure the Recycling Business Assistance Center is positioned to succeed. The purpose of the center shall be to serve as the mechanism for coordination among state agencies and the private sector in order to coordinate policy and overall strategic planning for developing new markets and expanding and enhancing existing markets for recyclable materials in this state, other states, and foreign countries. The duties of the center must include, at a minimum:

(a) Identifying and developing new markets and expanding and enhancing existing markets for recyclable materials.

(b) Pursuing expanded end uses for recycled materials.

(c) Targeting materials for concentrated market development efforts.

(d) Developing proposals for new incentives for market development, particularly focusing on targeted materials.

(e) Providing guidance on issues such as permitting, finance options for recycling market development, site location, research and development, grant program criteria for recycled materials markets, recycling markets education and information, and minimum content.

(f) Coordinating the efforts of various governmental entities having market development responsibilities in order to optimize supply and demand for recyclable materials.

(g) Evaluating source-reduced products as they relate to state procurement policy. The evaluation shall include, but is not limited to, the environmental and economic impact of source-reduced product purchases to the state. For the purposes of this paragraph, the term “source-reduced” means any method, process, product, or technology that significantly or substantially reduces the volume or weight of a product while providing, at a minimum, equivalent or generally similar performance and service to and for the users of such materials.

(h) Providing evaluation of solid waste management grants, pursuant to s. 403.7095, to reduce the flow of solid waste to disposal facilities and encourage the sustainable recovery of materials from Florida’s waste stream.

(i) Providing below-market financing for companies that manufacture products from recycled materials or convert recyclable materials into raw materials for use in manufacturing pursuant to the Florida Recycling Loan Program as administered by the Florida First Capital Finance Corporation.

(j) Maintaining a continuously updated online directory listing the public and private entities that collect, transport, broker, process, or remanufacture recyclable materials in the state.

(k) Providing information on the availability and benefits of using recycled materials to private entities and industries in the state.

(l) Distributing any materials prepared in implementing this subsection to the public, private entities, industries, governmental entities, or other organizations upon request.

(m) Coordinating with the Department of ~~Commerce Economic Opportunity~~ and its partners to provide job placement and job training services to job seekers through the state’s workforce services programs.

Section 131. Paragraphs (f) through (h) of subsection (3) and subsections (16) through (19) of section 403.973, Florida Statutes, are redesignated as paragraphs (e) through (g) of subsection (3) and subsections (15) through (18), respectively, and present paragraph (e) of subsection (3), paragraph (b) of subsection (14), and present subsections (15) and (17) of that section are amended, to read:

403.973 Expedited permitting; amendments to comprehensive plans.—

(3)

~~(c) Projects that are part of the state-of-the-art biomedical research institution and campus to be established in this state by the grantee under s. 288.955 are eligible for the expedited permitting process, if the projects are designated as part of the institution or campus by the board of county commissioners of the county in which the institution and campus are established.~~

(14)

~~(b) Projects identified in paragraphs (3)(e), (f), and (g) (3)(f) (h) or challenges to state agency action in the expedited permitting process for establishment of a state-of-the-art biomedical research institution and campus in this state by the grantee under s. 288.955 are subject to the same requirements as challenges brought under paragraph (a), except that, notwithstanding s. 120.574, summary proceedings must be conducted within 30 days after a party files the motion for summary hearing, regardless of whether the parties agree to the summary proceeding.~~

~~(15) The Department of Economic Opportunity, working with the agencies providing cooperative assistance and input regarding the memoranda of agreement, shall review sites proposed for the location of facilities that the Department of Economic Opportunity has certified to be eligible for the Innovation Incentive Program under s. 288.1089. Within 20 days after the request for the review by the Department of Economic Opportunity, the agencies shall provide to the Department of Economic Opportunity a statement as to each site’s necessary permits under local, state, and federal law and an identification of significant permitting issues, which if unresolved, may result in the denial of an agency permit or approval or any significant delay caused by the permitting process.~~

~~(16)(17) The Department of Commerce Economic Opportunity shall be responsible for certifying a business as eligible for undergoing expedited review under this section. Enterprise Florida, Inc., A county or municipal government, or the Rural Economic Development Initiative may recommend to the Department of Commerce Economic Opportunity that a project meeting the minimum job creation threshold undergo expedited review.~~

Section 132. Paragraph (c) of subsection (1) of section 443.091, Florida Statutes, is amended to read:

443.091 Benefit eligibility conditions.—

(1) An unemployed individual is eligible to receive benefits for any week only if the Department of ~~Commerce Economic Opportunity~~ finds that:

(c) To make continued claims for benefits, she or he is reporting to the department in accordance with this paragraph and department rules. Department rules may not conflict with s. 443.111(1)(b), which requires that each claimant continue to report regardless of any pending appeal relating to her or his eligibility or disqualification for benefits.

1. For each week of unemployment claimed, each report must, at a minimum, include the name and address of each prospective employer contacted, or the date the claimant reported to a one-stop career center, pursuant to paragraph (d). For the purposes of this subparagraph, the term “address” means a website address, a physical address, or an e-mail address.

2. The department shall offer an online assessment aimed at identifying an individual’s skills, abilities, and career aptitude. The skills assessment must be voluntary, and the department shall allow a claimant to choose whether to take the skills assessment. The online assessment shall be made available to any person seeking services from a local workforce development board or a one-stop career center.

a. If the claimant chooses to take the online assessment, the outcome of the assessment shall be made available to the claimant, local workforce development board, and one-stop career center. The department, local workforce development board, or one-stop career center shall use the assessment to develop a plan for referring individuals to training and employment opportunities. Aggregate data on assessment outcomes may be made available to CareerSource Florida, Inc., ~~and Enterprise Florida, Inc.~~, for use in the development of policies related to education and training programs that will ensure that businesses in this state have access to a skilled and competent workforce.

b. Individuals shall be informed of and offered services through the one-stop delivery system, including career counseling, the provision of skill match and job market information, and skills upgrade and other training opportunities, and shall be encouraged to participate in such services at no cost to the individuals. The department shall coordinate with CareerSource Florida, Inc., the local workforce development boards, and the one-stop career centers to identify, develop, and use best practices for improving the skills of individuals who choose to participate in skills upgrade and other training opportunities. The department may contract with an entity to create the online assessment in accordance with the competitive bidding requirements in s. 287.057. The online assessment must work seamlessly with the Reemployment Assistance Claims and Benefits Information System.

Section 133. Paragraph (h) of subsection (1) of section 443.191, Florida Statutes, is amended to read:

443.191 Unemployment Compensation Trust Fund; establishment and control.—

(1) There is established, as a separate trust fund apart from all other public funds of this state, an Unemployment Compensation Trust Fund, which shall be administered by the Department of *Commerce Economic Opportunity* exclusively for the purposes of this chapter. The fund must consist of:

(h) All money deposited in this account as a distribution pursuant to s. 212.20(6)(d)6.e. ~~s. 212.20(6)(d)6.g.~~

Except as otherwise provided in s. 443.1313(4), all moneys in the fund must be mingled and undivided.

**House Amendment 1 (342313)**—Remove lines 776-1736 and insert: a *turnover inspection report in compliance with s. 718.301(4)(p) and (q) structural integrity reserve study completed* for each building on the condominium property that is three stories or higher in height.

6.3. Associations existing on or before July 1, 2022, which are controlled by unit owners other than the developer, must have a structural integrity reserve study completed by December 31, 2024, for each building on the condominium property that is three stories or higher in height. *An association that is required to complete a milestone inspection in accordance with s. 553.899 on or before December 31, 2026, may complete the structural integrity reserve study simultaneously with the milestone inspection. In no event may the structural integrity reserve study be completed after December 31, 2026.*

7. *If the milestone inspection required by s. 553.899, or an inspection completed for a similar local requirement, was performed within the past 5 years and meets the requirements of this paragraph, such inspection may be used in place of the visual inspection portion of the structural integrity reserve study.*

8.4. *If the officers or directors of an association willfully and knowingly fail to complete a structural integrity reserve study pursuant to this paragraph, such failure is a breach of an officer's and director's fiduciary relationship to the unit owners under s. 718.111(1).*

(h) *Mandatory milestone inspections.*—If an association is required to have a milestone inspection performed pursuant to s. 553.899, the association must arrange for the milestone inspection to be performed and is responsible for ensuring compliance with the requirements of s. 553.899. The association is responsible for all costs associated with the milestone inspection attributable to the portions of the building which the association is responsible for maintaining under the governing documents of the association. If the officers or directors of an association willfully and knowingly fail to have a milestone inspection performed pursuant to s. 553.899, such failure is a breach of the officers' and directors' fiduciary relationship to the unit owners under s. 718.111(1)(a). *Within 14 days after receipt of a written notice from the local enforcement agency that a milestone inspection is required, the association must notify the unit owners of the required milestone inspection and provide the date by which the milestone inspection must be completed. Such notice may be given by electronic submission to unit owners who consent to receive notice by electronic submission or by posting on the association's website. Within 45 days after receiving Upon completion of a phase one or phase two milestone inspection and receipt of the inspector-prepared summary of the inspection report from the architect or engineer who performed the inspection, the association must distribute a copy of the inspector-prepared summary of the inspection report to each unit owner, regardless of the findings or recommendations in the report, by United States mail or personal delivery at the mailing address, property address, or any other address of the owner provided to fulfill the association's notice requirements under this chapter and by electronic transmission to the e-mail address or facsimile number provided to fulfill the association's notice requirements to unit owners who previously consented to receive notice by electronic transmission; must post a copy of the inspector-prepared summary in a conspicuous place on the condominium property; and must publish the full report and inspector-prepared summary on the association's website, if the association is required to have a website.*

Section 7. Effective July 1, 2027, subsection (5) of section 718.1255, Florida Statutes, is amended, and paragraph (d) is added to subsection (1) of that section, to read:

718.1255 Alternative dispute resolution; mediation; nonbinding arbitration; applicability.—

(1) DEFINITIONS.—As used in this section, the term "dispute" means any disagreement between two or more parties that involves:

(d) *The failure of a board of administration, when required by this chapter or an association document, to:*

1. *Obtain the milestone inspection required under s. 553.899.*
2. *Obtain a structural integrity reserve study required under s. 718.112(2)(g).*
3. *Fund reserves as required for an item identified in s. 718.112(2)(g).*
4. *Make or provide necessary maintenance or repairs of condominium property recommended by a milestone inspection or a structural integrity reserve study.*

"Dispute" does not include any disagreement that primarily involves: title to any unit or common element; the interpretation or enforcement of any warranty; the levy of a fee or assessment, or the collection of an assessment levied against a party; the eviction or other removal of a tenant from a unit; alleged breaches of fiduciary duty by one or more directors; or claims for damages to a unit based upon the alleged failure of the association to maintain the common elements or condominium property.

(5) PRESUIT MEDIATION.—In lieu of the initiation of nonbinding arbitration as provided in subsections (1)-(4), a party may submit a dispute to presuit mediation in accordance with s. 720.311; however, election and recall disputes are not eligible for mediation and such disputes must be arbitrated by the division or filed in a court of competent jurisdiction. *Disputes identified in paragraph (1)(d) are not subject to nonbinding arbitration under subsection (4) and must be submitted to presuit mediation in accordance with s. 720.311.*

Section 8. Subsection (1) of section 718.113, Florida Statutes, is amended to read:

718.113 Maintenance; limitation upon improvement; display of flag; hurricane shutters and protection; display of religious decorations.—

(1) Maintenance of the common elements is the responsibility of the association, *except for any maintenance responsibility for limited common elements assigned to the unit owner by the declaration. The association shall provide for the maintenance, repair, and replacement of the condominium property for which it bears responsibility pursuant to the declaration of condominium. After turnover of control of the association to the unit owners, the association must perform any required maintenance identified by the developer pursuant to s. 718.301(4)(p) and (q) until the association obtains new maintenance protocols from a licensed professional engineer or architect or a person certified as a reserve specialist or professional reserve analyst by the Community Associations Institute or the Association of Professional Reserve Analysts.* The declaration may provide that certain limited common elements shall be maintained by those entitled to use the limited common elements or that the association shall provide the maintenance, either as a common expense or with the cost shared only by those entitled to use the limited common elements. If the maintenance is to be by the association at the expense of only those entitled to use the limited common elements, the declaration shall describe in detail the method of apportioning such costs among those entitled to use the limited common elements, and the association may use the provisions of s. 718.116 to enforce payment of the shares of such costs by the unit owners entitled to use the limited common elements.

Section 9. Present paragraphs (q) and (r) of subsection (4) of section 718.301, Florida Statutes, are redesignated as paragraphs (r) and (s), respectively, a new paragraph (q) is added to that subsection, and paragraph (p) of that subsection is amended, to read:

718.301 Transfer of association control; claims of defect by association.—

(4) At the time that unit owners other than the developer elect a majority of the members of the board of administration of an association, the developer shall relinquish control of the association, and the unit owners shall accept control. Simultaneously, or for the purposes of paragraph (c) not more than 90 days thereafter, the developer shall deliver to the association, at the developer's expense, all property of the unit owners and of the association which is held or controlled by the developer, including, but not limited to, the following items, if applicable, as to each condominium operated by the association:

(p) Notwithstanding when the certificate of occupancy was issued or the height of the building, ~~a turnover inspection report a milestone inspection report in compliance with s. 553.899~~ included in the official records, under seal of an architect or engineer authorized to practice in this state or a person certified as a reserve specialist or professional reserve analyst by the Community Associations Institute or the Association of Professional Reserve Analysts, and attesting to required maintenance, condition, useful life, and replacement costs of the following applicable condominium property ~~comprising a turnover inspection report:~~

Section 10. Paragraph (b) of subsection (1) and paragraph (a) of subsection (2) of section 718.503, Florida Statutes, are amended, and

paragraph (d) is added to subsection (1) and paragraph (e) is added to subsection (2) of that section, to read:

718.503 Developer disclosure prior to sale; nondeveloper unit owner disclosure prior to sale; voidability.—

(1) DEVELOPER DISCLOSURE.—

(b) *Copies of documents to be furnished to prospective buyer or lessee.*—Until such time as the developer has furnished the documents listed below to a person who has entered into a contract to purchase a residential unit or lease it for more than 5 years, the contract may be voided by that person, entitling the person to a refund of any deposit together with interest thereon as provided in s. 718.202. The contract may be terminated by written notice from the proposed buyer or lessee delivered to the developer within 15 days after the buyer or lessee receives all of the documents required by this section. The developer may not close for 15 days after the execution of the agreement and delivery of the documents to the buyer as evidenced by a signed receipt for documents unless the buyer is informed in the 15-day voidability period and agrees to close before the expiration of the 15 days. The developer shall retain in his or her records a separate agreement signed by the buyer as proof of the buyer's agreement to close before the expiration of the voidability period. The developer must retain such proof for a period of 5 years after the date of the closing of the transaction. The documents to be delivered to the prospective buyer are the prospectus or disclosure statement with all exhibits, if the development is subject to s. 718.504, or, if not, then copies of the following which are applicable:

1. The question and answer sheet described in s. 718.504, and declaration of condominium, or the proposed declaration if the declaration has not been recorded, which shall include the certificate of a surveyor approximately representing the locations required by s. 718.104.
2. The documents creating the association.
3. The bylaws.
4. The ground lease or other underlying lease of the condominium.
5. The management contract, maintenance contract, and other contracts for management of the association and operation of the condominium and facilities used by the unit owners having a service term in excess of 1 year, and any management contracts that are renewable.
6. The estimated operating budget for the condominium and a schedule of expenses for each type of unit, including fees assessed pursuant to s. 718.113(1) for the maintenance of limited common elements where such costs are shared only by those entitled to use the limited common elements.
7. The lease of recreational and other facilities that will be used only by unit owners of the subject condominium.
8. The lease of recreational and other common facilities that will be used by unit owners in common with unit owners of other condominiums.
9. The form of unit lease if the offer is of a leasehold.
10. Any declaration of servitude of properties serving the condominium but not owned by unit owners or leased to them or the association.
11. If the development is to be built in phases or if the association is to manage more than one condominium, a description of the plan of phase development or the arrangements for the association to manage two or more condominiums.
12. If the condominium is a conversion of existing improvements, the statements and disclosure required by s. 718.616.
13. The form of agreement for sale or lease of units.
14. A copy of the floor plan of the unit and the plot plan showing the location of the residential buildings and the recreation and other common areas.

15. A copy of all covenants and restrictions that will affect the use of the property and are not contained in the foregoing.

16. If the developer is required by state or local authorities to obtain acceptance or approval of any dock or marina facilities intended to serve the condominium, a copy of any such acceptance or approval acquired by the time of filing with the division under s. 718.502(1), or a statement that such acceptance or approval has not been acquired or received.

17. Evidence demonstrating that the developer has an ownership, leasehold, or contractual interest in the land upon which the condominium is to be developed.

18. A copy of the inspector-prepared summary of the milestone inspection report as described in s. 553.899, or a statement in conspicuous type indicating that the required milestone inspection described in s. 553.899 has not been completed or that a milestone inspection is not required, as applicable ~~ss. 553.899 and 718.301(4)(p)~~.

19. A copy of the association's most recent structural integrity reserve study, or a statement in conspicuous type indicating that ~~the association has not completed~~ a required structural integrity reserve study has not been completed or that a structural integrity reserve study is not required, as applicable.

20. A copy of the turnover inspection report described in s. 718.301(4)(p) and (q) or a statement in conspicuous type indicating that a turnover inspection report has not been completed, as applicable.

(d) *Milestone inspection, turnover inspection report, or structural integrity reserve study.*—If the association is required to have completed a milestone inspection as described in s. 553.899, a turnover inspection report for a turnover inspection performed on or after July 1, 2023, or a structural integrity reserve study, and the association has not completed the milestone inspection, the turnover inspection report, or the structural integrity reserve study, each contract entered into after December 31, 2024, for the sale of a residential unit shall contain in conspicuous type a statement indicating that the association is required to have a milestone inspection, a turnover inspection report, or a structural integrity reserve study and has not completed such inspection, report, or study, as appropriate. If the association is not required to have a milestone inspection as described in s. 553.899 or a structural integrity reserve study, each contract entered into after December 31, 2024, for the sale of a residential unit shall contain in conspicuous type a statement indicating that the association is not required to have a milestone inspection or a structural integrity reserve study, as appropriate. If the association has completed a milestone inspection as described in s. 553.899, a turnover inspection report for a turnover inspection performed on or after July 1, 2023, or a structural integrity reserve study, each contract entered into after December 31, 2024, for the sale of a residential unit shall contain in conspicuous type:

1. 2. A clause which states: **THIS AGREEMENT IS VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN 15 DAYS, EXCLUDING SATURDAYS, SUNDAYS, AND LEGAL HOLIDAYS, AFTER THE DATE OF EXECUTION OF THIS AGREEMENT BY THE BUYER AND RECEIPT BY BUYER OF A CURRENT COPY OF THE INSPECTOR-PREPARED SUMMARY OF THE MILESTONE INSPECTION REPORT AS DESCRIBED IN SECTION 553.899, FLORIDA STATUTES, IF APPLICABLE; A COPY OF THE TURNOVER INSPECTION REPORT DESCRIBED IN SECTION 718.301(4)(p) AND (q), FLORIDA STATUTES, IF APPLICABLE; AND A COPY OF THE ASSOCIATION'S MOST RECENT STRUCTURAL INTEGRITY RESERVE**

*STUDY DESCRIBED IN SECTIONS 718.103(26) AND 718.112(2)(g), FLORIDA STATUTES, IF APPLICABLE. ANY PURPORTED WAIVER OF THESE VOIDABILITY RIGHTS SHALL BE OF NO EFFECT. BUYER MAY EXTEND THE TIME FOR CLOSING FOR A PERIOD OF NOT MORE THAN 15 DAYS, EXCLUDING SATURDAYS, SUNDAYS, AND LEGAL HOLIDAYS, AFTER THE BUYER RECEIVES A CURRENT COPY OF THE INSPECTOR-PREPARED SUMMARY OF THE MILESTONE INSPECTION REPORT AS DESCRIBED IN SECTION 553.899, FLORIDA STATUTES; A COPY OF THE TURN-OVER INSPECTION REPORT DESCRIBED IN SECTION 718.301(4)(p) AND (q), FLORIDA STATUTES; OR A COPY OF THE ASSOCIATION'S MOST RECENT STRUCTURAL INTEGRITY RESERVE STUDY DESCRIBED IN SECTIONS 718.103(26) AND 718.112(2)(g), FLORIDA STATUTES, IF REQUESTED IN WRITING. BUYER'S RIGHT TO VOID THIS AGREEMENT SHALL TERMINATE AT CLOSING.*

*A contract that does not conform to the requirements of this paragraph is voidable at the option of the purchaser prior to closing.*

(2) NONDEVELOPER DISCLOSURE.—

(a) Each unit owner who is not a developer as defined by this chapter must comply with this subsection before the sale of his or her unit. Each prospective purchaser who has entered into a contract for the purchase of a condominium unit is entitled, at the seller's expense, to a current copy of all of the following:

1. The declaration of condominium.
2. Articles of incorporation of the association.
3. Bylaws and rules of the association.
4. Financial information required by s. 718.111.
5. A copy of the inspector-prepared summary of the milestone inspection report as described in s. 553.899 ~~ss. 553.899 and 718.301(4)(p)~~, if applicable.
6. The association's most recent structural integrity reserve study or a statement that the association has not completed a structural integrity reserve study.
7. *A copy of the inspection report described in s. 718.301(4)(p) and (q) for a turnover inspection performed on or after July 1, 2023.*
8. The document entitled "Frequently Asked Questions and Answers" required by s. 718.504.

(e) *If the association is required to have completed a milestone inspection as described in s. 553.899, a turnover inspection report for a turnover inspection performed on or after July 1, 2023, or a structural integrity reserve study, and the association has not completed the milestone inspection, the turnover inspection report, or the structural integrity reserve study, each contract entered into after December 31, 2024, for the sale of a residential unit shall contain in conspicuous type a statement indicating that the association is required to have a milestone inspection, a turnover inspection report, or a structural integrity reserve study and has not completed such inspection, report, or study, as appropriate. If the association is not required to have a milestone inspection as described in s. 553.899 or a structural integrity reserve study, each contract entered into after December 31, 2024, for the sale of a residential unit shall contain in conspicuous type a statement indicating that the association is not required to have a milestone inspection or a structural integrity reserve study, as appropriate. If the association has completed a milestone inspection as described in s. 553.899, a turnover inspection report for a turnover inspection performed on or after July 1, 2023, or a structural integrity reserve study, each contract entered into after December 31, 2024, for the resale of a residential unit shall contain in conspicuous type:*

*1. A clause which states: THE BUYER HEREBY ACKNOWLEDGES THAT BUYER HAS BEEN PROVIDED A CURRENT COPY OF THE INSPECTOR-PREPARED SUMMARY OF THE MILESTONE INSPECTION REPORT AS DESCRIBED IN SECTION 553.899, FLORIDA STATUTES, IF APPLICABLE; A COPY OF THE TURN-OVER INSPECTION REPORT DESCRIBED IN SECTION 718.301(4)(p) AND (q), FLORIDA STATUTES, IF APPLICABLE; AND*

*A COPY OF THE ASSOCIATION'S MOST RECENT STRUCTURAL INTEGRITY RESERVE STUDY DESCRIBED IN SECTIONS 718.103(26) AND 718.112(2)(g), FLORIDA STATUTES, IF APPLICABLE, MORE THAN 3 DAYS, EXCLUDING SATURDAYS, SUNDAYS, AND LEGAL HOLIDAYS, PRIOR TO EXECUTION OF THIS CONTRACT; and*

*2. A clause which states: THIS AGREEMENT IS VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN 3 DAYS, EXCLUDING SATURDAYS, SUNDAYS, AND LEGAL HOLIDAYS, AFTER THE DATE OF EXECUTION OF THIS AGREEMENT BY THE BUYER AND RECEIPT BY BUYER OF A CURRENT COPY OF THE INSPECTOR-PREPARED SUMMARY OF THE MILESTONE INSPECTION REPORT AS DESCRIBED IN SECTION 553.899, FLORIDA STATUTES, IF APPLICABLE; A COPY OF THE TURN-OVER INSPECTION REPORT DESCRIBED IN SECTION 718.301(4)(p) AND (q), FLORIDA STATUTES, IF APPLICABLE; AND A COPY OF THE ASSOCIATION'S MOST RECENT STRUCTURAL INTEGRITY RESERVE STUDY DESCRIBED IN SECTIONS 718.103(26) AND 718.112(2)(g), FLORIDA STATUTES, IF APPLICABLE. ANY PURPORTED WAIVER OF THESE VOIDABILITY RIGHTS SHALL BE OF NO EFFECT. BUYER MAY EXTEND THE TIME FOR CLOSING FOR A PERIOD OF NOT MORE THAN 3 DAYS, EXCLUDING SATURDAYS, SUNDAYS, AND LEGAL HOLIDAYS, AFTER THE BUYER RECEIVES A CURRENT COPY OF THE INSPECTOR-PREPARED SUMMARY OF THE MILESTONE INSPECTION REPORT AS DESCRIBED IN SECTION 553.899, FLORIDA STATUTES; A COPY OF THE TURN-OVER INSPECTION REPORT DESCRIBED IN SECTION 718.301(4)(p) AND (q), FLORIDA STATUTES; OR A COPY OF THE ASSOCIATION'S MOST RECENT STRUCTURAL INTEGRITY RESERVE STUDY DESCRIBED IN SECTIONS 718.103(26) AND 718.112(2)(g), FLORIDA STATUTES, IF REQUESTED IN WRITING. BUYER'S RIGHT TO VOID THIS AGREEMENT SHALL TERMINATE AT CLOSING.*

*A contract that does not conform to the requirements of this paragraph is voidable at the option of the purchaser prior to closing.*

Section 11. Paragraph (a) of subsection (7) and paragraph (c) of subsection (21) of section 718.504, Florida Statutes, are amended to read:

718.504 Prospectus or offering circular.—Every developer of a residential condominium which contains more than 20 residential units, or which is part of a group of residential condominiums which will be served by property to be used in common by unit owners of more than 20 residential units, shall prepare a prospectus or offering circular and file it with the Division of Florida Condominiums, Timeshares, and Mobile Homes prior to entering into an enforceable contract of purchase and sale of any unit or lease of a unit for more than 5 years and shall furnish a copy of the prospectus or offering circular to each buyer. In addition to the prospectus or offering circular, each buyer shall be furnished a separate page entitled "Frequently Asked Questions and Answers," which shall be in accordance with a format approved by the division and a copy of the financial information required by s. 718.111. This page shall, in readable language, inform prospective purchasers regarding their voting rights and unit use restrictions, including restrictions on the leasing of a unit; shall indicate whether and in what amount the unit owners or the association is obligated to pay rent or land use fees for recreational or other commonly used facilities; shall contain a statement identifying that amount of assessment which, pursuant to the budget, would be levied upon each unit type, exclusive of any special assessments, and which shall further identify the basis upon which assessments are levied, whether monthly, quarterly, or otherwise; shall state and identify any court cases in which the association is currently a party of record in which the association may face liability in excess of \$100,000; and which shall further state whether membership in a recreational facilities association is mandatory, and if so, shall identify the fees currently charged per unit type. The division shall by rule require such other disclosure as in its judgment will assist prospective purchasers. The prospectus or offering circular may include more than one condominium, although not all such units are being offered for sale as of the date of the prospectus or offering circular. The prospectus or offering circular must contain the following information:

(7) A description of the recreational and other facilities that will be used in common with other condominiums, community associations, or

planned developments which require the payment of the maintenance and expenses of such facilities, directly or indirectly, by the unit owners. The description shall include, but not be limited to, the following:

(a) Each building and facility committed to be built *and a summary description of the structural integrity of each building for which reserves are required pursuant to s. 718.112(2)(g).*

Descriptions shall include location, areas, capacities, numbers, volumes, or sizes and may be stated as approximations or minimums.

(21) An estimated operating budget for the condominium and the association, and a schedule of the unit owner's expenses shall be attached as an exhibit and shall contain the following information:

(c) The estimated items of expenses of the condominium and the association, except as excluded under paragraph (b), including, but not limited to, the following items, which shall be stated as an association expense collectible by assessments or as unit owners' expenses payable to persons other than the association:

1. Expenses for the association and condominium:
  - a. Administration of the association.
  - b. Management fees.
  - c. Maintenance.
  - d. Rent for recreational and other commonly used facilities.
  - e. Taxes upon association property.
  - f. Taxes upon leased areas.
  - g. Insurance.
  - h. Security provisions.
  - i. Other expenses.
  - j. Operating capital.
  - k. Reserves *for all applicable items referenced in s. 718.112(2)(g).*
    1. Fees payable to the division.
2. Expenses for a unit owner:
  - a. Rent for the unit, if subject to a lease.
  - b. Rent payable by the unit owner directly to the lessor or agent under any recreational lease or lease for the use of commonly used facilities, which use and payment is a mandatory condition of ownership and is not included in the common expense or assessments for common maintenance paid by the unit owners to the association.

Section 12. Subsection (24) of section 719.103, Florida Statutes, is amended to read:

719.103 Definitions.—As used in this chapter:

(24) "Structural integrity reserve study" means a study of the reserve funds required for future major repairs and replacement of the *cooperative property performed as required under s. 719.106(1)(k) common areas based on a visual inspection of the common areas. A structural integrity reserve study may be performed by any person qualified to perform such study. However, the visual inspection portion of the structural integrity reserve study must be performed by an engineer licensed under chapter 471 or an architect licensed under chapter 481. At a minimum, a structural integrity reserve study must identify the common areas being visually inspected, state the estimated remaining useful life and the estimated replacement cost or deferred maintenance expense of the common areas being visually inspected, and provide a recommended annual reserve amount that achieves the estimated replacement cost or deferred maintenance expense of each common area being visually inspected by the end of the estimated remaining useful life of each common area.*

Section 13. Present subsections (5) through (11) of section 719.104, Florida Statutes, are redesignated as subsections (6) through (12), respectively, a new subsection (5) is added to that section, and paragraph (c) of subsection (2) of that section is amended, to read:

719.104 Cooperatives; access to units; records; financial reports; assessments; purchase of leases.—

(2) OFFICIAL RECORDS.—

(c) The official records of the association are open to inspection by any association member *and any person authorized by an association member as a* ~~or the authorized~~ representative of such member at all reasonable times. The right to inspect the records includes the right to make or obtain copies, at the reasonable expense, if any, of the association member *and of the person authorized by the association member as a representative of such member.* A renter of a unit has a right to inspect and copy only the association's bylaws and rules and the inspection reports described in ss. 553.899 and 719.301(4)(p). The association may adopt reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and copying, but may not require a member to demonstrate any purpose or state any reason for the inspection. The failure of an association to provide the records within 10 working days after receipt of a written request creates a rebuttable presumption that the association willfully failed to comply with this paragraph. A member who is denied access to official records is entitled to the actual damages or minimum damages for the association's willful failure to comply. The minimum damages are \$50 per calendar day for up to 10 days, beginning on the 11th working day after receipt of the written request. The failure to permit inspection entitles any person prevailing in an enforcement action to recover reasonable attorney fees from the person in control of the records who, directly or indirectly, knowingly denied access to the records. Any person who knowingly or intentionally defaces or destroys accounting records that are required by this chapter to be maintained during the period for which such records are required to be maintained, or who knowingly or intentionally fails to create or maintain accounting records that are required to be created or maintained, with the intent of causing harm to the association or one or more of its members, is personally subject to a civil penalty under s. 719.501(1)(d). The association shall maintain an adequate number of copies of the declaration, articles of incorporation, bylaws, and rules, and all amendments to each of the foregoing, as well as the question and answer sheet as described in s. 719.504 and year-end financial information required by the department, on the cooperative property to ensure their availability to members and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the same. An association shall allow a member or his or her authorized representative to use a portable device, including a smartphone, tablet, portable scanner, or any other technology capable of scanning or taking photographs, to make an electronic copy of the official records in lieu of the association providing the member or his or her authorized representative with a copy of such records. The association may not charge a member or his or her authorized representative for the use of a portable device. Notwithstanding this paragraph, the following records shall not be accessible to members:

1. Any record protected by the lawyer-client privilege as described in s. 90.502 and any record protected by the work-product privilege, including any record prepared by an association attorney or prepared at the attorney's express direction which reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the association, and which was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings, or which was prepared in anticipation of such litigation or proceedings until the conclusion of the litigation or proceedings.

2. Information obtained by an association in connection with the approval of the lease, sale, or other transfer of a unit.

3. Personnel records of association or management company employees, including, but not limited to, disciplinary, payroll, health, and insurance records. For purposes of this subparagraph, the term "personnel records" does not include written employment agreements with an association employee or management company, or budgetary or financial records that indicate the compensation paid to an association employee.

4. Medical records of unit owners.

5. Social security numbers, driver license numbers, credit card numbers, e-mail addresses, telephone numbers, facsimile numbers, emergency contact information, addresses of a unit owner other than as provided to fulfill the association's notice requirements, and other personal identifying information of any person, excluding the person's name, unit designation, mailing address, property address, and any address, e-mail address, or facsimile number provided to the association to fulfill the association's notice requirements. Notwithstanding the restrictions in this subparagraph, an association may print and distribute to unit owners a directory containing the name, unit address, and all telephone numbers of each unit owner. However, an owner may exclude his or her telephone numbers from the directory by so requesting in writing to the association. An owner may consent in writing to the disclosure of other contact information described in this subparagraph. The association is not liable for the inadvertent disclosure of information that is protected under this subparagraph if the information is included in an official record of the association and is voluntarily provided by an owner and not requested by the association.

6. Electronic security measures that are used by the association to safeguard data, including passwords.

7. The software and operating system used by the association which allow the manipulation of data, even if the owner owns a copy of the same software used by the association. The data is part of the official records of the association.

8. All affirmative acknowledgments made pursuant to s. 719.108(3)(b)3.

(5) *MAINTENANCE.*—*Maintenance of the common elements is the responsibility of the association, except for any maintenance responsibility for limited common elements assigned to the unit owner by the declaration. The association shall provide for the maintenance, repair, and replacement of the cooperative property for which it bears responsibility pursuant to the declaration of cooperative. After turnover of control of the association to the unit owners, the association must perform any required maintenance identified by the developer pursuant to s. 719.301(4)(p) and (q) until the association obtains new maintenance protocols from a licensed professional engineer or architect or a person certified as a reserve specialist or professional reserve analyst by the Community Associations Institute or the Association of Professional Reserve Analysts. The declaration may provide that certain limited common elements shall be maintained by those entitled to use the limited common elements or that the association shall provide the maintenance, either as a common expense or with the cost shared only by those entitled to use the limited common elements. If the maintenance is to be by the association at the expense of only those entitled to use the limited common elements, the declaration shall describe in detail the method of apportioning such costs among those entitled to use the limited common elements, and the association may use the provisions of s. 719.108 to enforce payment of the shares of such costs by the unit owners entitled to use the limited common elements.*

Section 14. Paragraphs (e), (j), (k), and (l) of subsection (1) of section 719.106, Florida Statutes, are amended to read:

719.106 Bylaws; cooperative ownership.—

(1) **MANDATORY PROVISIONS.**—The bylaws or other cooperative documents shall provide for the following, and if they do not, they shall be deemed to include the following:

(e) *Budget procedures.*—

1. The board of administration shall mail, hand deliver, or electronically transmit to each unit owner at the address last furnished to the association, a meeting notice and copies of the proposed annual budget of common expenses to the unit owners not less than 14 days prior to the meeting at which the budget will be considered. Evidence of compliance with this 14-day notice must be made by an affidavit executed by an officer of the association or the manager or other person providing notice of the meeting and filed among the official records of the association. The meeting must be open to the unit owners.

2. If an adopted budget requires assessment against the unit owners in any fiscal or calendar year which exceeds 115 percent of the assessments for the preceding year, the board upon written application of 10 percent of the voting interests to the board, shall call a special meeting of the unit owners within 30 days, upon not less than 10 days' written notice to each unit owner. At the special meeting, unit owners shall consider and enact a budget. Unless the bylaws require a larger vote, the adoption of the budget requires a vote of not less than a majority of all the voting interests.

3. The board of administration may, in any event, propose a budget to the unit owners at a meeting of members or by writing, and if the budget or proposed budget is approved by the unit owners at the meeting or by a majority of all voting interests in writing, the budget is adopted. If a meeting of the unit owners has been called and a quorum is not attained or a substitute budget is not adopted by the unit owners, the budget adopted by the board of directors goes into effect as scheduled.

4. In determining whether assessments exceed 115 percent of similar assessments for prior years, any authorized provisions for reasonable reserves for repair or replacement of cooperative property, anticipated expenses by the association which are not anticipated to be incurred on a regular or annual basis, *insurance premiums*, or assessments for betterments to the cooperative property must be excluded from computation. However, as long as the developer is in control of the board of administration, the board may not impose an assessment for any year greater than 115 percent of the prior fiscal or calendar year's assessment without approval of a majority of all voting interests.

(j) *Annual budget.*—

1. The proposed annual budget of common expenses must be detailed and must show the amounts budgeted by accounts and expense classifications, including, if applicable, but not limited to, those expenses listed in s. 719.504(20). The board of administration shall adopt the annual budget at least 14 days before the start of the association's fiscal year. In the event that the board fails to timely adopt the annual budget a second time, it is deemed a minor violation and the prior year's budget shall continue in effect until a new budget is adopted.

2. In addition to annual operating expenses, the budget must include reserve accounts for capital expenditures and deferred maintenance. These accounts must include, but not be limited to, roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and for any other items for which the deferred maintenance expense or replacement cost exceeds \$10,000. The amount to be reserved for an item is determined by the association's most recent structural integrity reserve study that must be completed by December 31, 2024. If the amount to be reserved for an item is not in the association's initial or most recent structural integrity reserve study or the association has not completed a structural integrity reserve study, the amount must be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of the reserve item. *In a budget adopted by an association that is required to obtain a structural integrity reserve study, reserves must be maintained for the items identified in paragraph (k) for which the association is responsible pursuant to the declaration, and the reserve amount for such items must be based on the findings and recommendations of the association's most recent structural integrity reserve study. With respect to items for which an estimate of useful life is not readily ascertainable or with an estimated remaining useful life of greater than 25 years, an association is not required to reserve replacement costs for such items, but an association must reserve the amount of deferred maintenance expense, if any, which is recommended by the structural integrity reserve study for such items.* The association may adjust replacement reserve assessments annually to take into account an inflation adjustment and any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. The members of a unit-owner-controlled association may determine, by a majority vote of the total voting interests at a duly called meeting of the association, for a fiscal year to provide no reserves or reserves less adequate than required by this subsection. Before turnover of control of an association by a developer to unit owners other than a developer under s. 719.301, the developer-controlled association may not vote to waive the reserves or reduce funding of the reserves. *For a budget adopted on or after Effective December 31, 2024, a unit-owner-con-*

trolled association *that must obtain a structural integrity reserve study* may not determine to provide no reserves or reserves less adequate than required by this paragraph for items listed in paragraph (k). If a meeting of the unit owners has been called to determine to provide no reserves, or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget shall go into effect.

3. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and shall be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a vote of the majority of the *total* voting interests, ~~voting in person or by limited proxy at a duly called meeting~~ of the association. Before turnover of control of an association by a developer to unit owners other than the developer under s. 719.301, the developer may not vote to use reserves for purposes other than that for which they were intended. *For a budget adopted on or after Effective December 31, 2024, members of a unit-owner-controlled association that must obtain a structural integrity reserve study may not vote to use reserve funds, or any interest accruing thereon, that are reserved for items listed in paragraph (k) for purposes other than the replacement or deferred maintenance costs of the components listed in paragraph (k) their intended purpose.*

(k) *Structural integrity reserve study.*—

1. A residential cooperative ~~An~~ association must have a structural integrity reserve study completed at least every 10 years for each building on the cooperative property that is three stories or higher in height as determined by the Florida Building Code that includes, at a minimum, a study of the following items as related to the structural integrity and safety of the building:

- a. Roof.
- b. *Structure, including load-bearing walls and ~~or~~ other primary structural members and primary structural systems as those terms are defined in s. 627.706.*
- c. ~~Floor.~~
- d. ~~Foundation.~~
- e. Fireproofing and fire protection systems.
- d.f. Plumbing.
- e.g. Electrical systems.
- f.h. Waterproofing and exterior painting.
- g.i. Windows and exterior doors.
- h.j. Any other item that has a deferred maintenance expense or replacement cost that exceeds \$10,000 and the failure to replace or maintain such item negatively affects the items listed in ~~sub-paragraphs a.-g. sub-paragraphs a.-i.~~, as determined by the ~~licensed engineer or architect performing the~~ visual inspection portion of the structural integrity reserve study.

2. A structural integrity reserve study is based on a visual inspection of the cooperative property. A structural integrity reserve study may be performed by any person qualified to perform such study. However, the visual inspection portion of the structural integrity reserve study must be performed or verified by an engineer licensed under chapter 471, an architect licensed under chapter 481, or a person certified as a reserve specialist or professional reserve analyst by the Community Associations Institute or the Association of Professional Reserve Analysts.

3. At a minimum, a structural integrity reserve study must identify each item of the cooperative property being visually inspected, state the estimated remaining useful life and the estimated replacement cost or deferred maintenance expense of each item of the cooperative property being visually inspected, and provide a reserve funding schedule with a recommended annual reserve amount that achieves the estimated replacement cost or deferred maintenance expense of each item of cooperative property being visually inspected by the end of the estimated remaining useful life of the item. The structural integrity reserve study may recommend that reserves do not need to be maintained for any item

for which an estimate of useful life and an estimate of replacement cost cannot be determined, or the study may recommend a deferred maintenance expense amount for such item. The structural integrity reserve study may recommend that reserves for replacement costs do not need to be maintained for any item with an estimated remaining useful life of greater than 25 years, but the study may recommend a deferred maintenance expense amount for such item.

4. *This paragraph does not apply to buildings less than three stories in height; single-family, two-family, or three-family dwellings with three or fewer habitable stories above ground; any portion or component of a building that has not been submitted to the cooperative form of ownership; or any portion or component of a building that is maintained by a party other than the association.*

5. Before a developer turns over control of an association to unit owners other than the developer, the developer must have a turnover inspection report in compliance with s. 719.301(4)(p) and (q) ~~structural integrity reserve study completed~~ for each building on the cooperative property that is three stories or higher in height.

6. ~~Associations existing on or before July 1, 2022, which are controlled by unit owners other than the developer, must have a structural integrity reserve study completed by December 31, 2024, for each building on the cooperative property that is three stories or higher in height. An association that is required to complete a milestone inspection on or before December 31, 2026, in accordance with s. 553.899 may complete the structural integrity reserve study simultaneously with the milestone inspection. In no event may the structural integrity reserve study be completed after December 31, 2026.~~

7. *If the milestone inspection required by s. 553.899, or an inspection completed for a similar local requirement, was performed within the past 5 years and meets the requirements of this paragraph, such inspection may be used in place of the visual inspection portion of the structural integrity reserve study.*

8. ~~If the officers or directors of an association willfully and knowingly fail fails to complete a structural integrity reserve study pursuant to this paragraph, such failure is a breach of an officer's and director's fiduciary relationship to the unit owners under s. 719.104(9) ~~or~~ 719.104(8).~~

(1) *Mandatory milestone inspections.*—If an association is required to have a milestone inspection performed pursuant to s. 553.899, the association must arrange for the milestone inspection to be performed and is responsible for ensuring compliance with the requirements of s. 553.899. The association is responsible for all costs associated with the milestone inspection attributable to the portions of the building which the association is responsible for maintaining under the governing documents of the association. If the officers or directors of an association willfully and knowingly fail to have a milestone inspection performed pursuant to s. 553.899, such failure is a breach of the officers' and directors' fiduciary relationship to the unit owners under s. 719.104(9)(a) ~~s. 719.104(8)(a).~~ Within 14 days after receipt of a written notice from the local enforcement agency that a milestone inspection is required, the association must notify the unit owners of the required milestone inspection and provide the date by which the milestone inspection must be completed. Such notice may be given by electronic submission to unit owners who consent to receive notice by electronic submission or by posting on the association's website. Within 45 days after receiving ~~Upon completion of a phase one or phase two milestone inspection and receipt of the inspector prepared summary of the inspection report from the architect or engineer who performed the inspection, the association must distribute a copy of the inspector-prepared summary of the inspection report to each unit owner, regardless of the findings or recommendations in the report, by United States mail or personal delivery at the mailing address, property address, or any other address of the owner provided to fulfill the association's notice requirements under this chapter and by electronic transmission to the e-mail address or facsimile number provided to fulfill the association's notice requirements to unit owners who previously consented to receive notice by electronic transmission; must post a copy of the inspector-prepared summary in a conspicuous place on the cooperative property; and must publish the full report and inspector-prepared summary on the association's website, if the association is required to have a website.~~

Section 15. Present paragraph (q) of subsection (4) of section 719.301, Florida Statutes, is redesignated as paragraph (r), a new paragraph (q) is added to that subsection, and paragraph (p) of that subsection is amended, to read:

719.301 Transfer of association control.—

(4) When unit owners other than the developer elect a majority of the members of the board of administration of an association, the developer shall relinquish control of the association, and the unit owners shall accept control. Simultaneously, or for the purpose of paragraph (c) not more than 90 days thereafter, the developer shall deliver to the association, at the developer's expense, all property of the unit owners and of the association held or controlled by the developer, including, but not limited to, the following items, if applicable, as to each cooperative operated by the association:

(p) Notwithstanding when the certificate of occupancy was issued or the height of the building, a turnover inspection report milestone inspection report in compliance with s. 553.899 included in the official records, under seal of an architect or engineer authorized to practice in this state or a person certified as a reserve specialist or professional reserve analyst by the Community Associations Institute or the Association of Professional Reserve Analysts, attesting to required maintenance, condition, useful life, and replacement costs of the following applicable cooperative property comprising a turnover inspection report:

**SB 662**—A bill to be entitled An act relating to student online personal information protection; providing a short title; creating s. 1006.1494, F.S.; defining terms; prohibiting operators from knowingly engaging in specified activities relating to students' covered information; providing an exception; specifying the duties of an operator; providing circumstances under which an operator may disclose students' covered information; providing construction; providing for enforcement under the Florida Deceptive and Unfair Trade Practices Act; authorizing the State Board of Education to adopt rules; providing an effective date.

**House Amendment 1 (166975) (with title amendment)**—Remove lines 148-226 and insert: is no longer enrolled in a school within the district, upon notice by the school district.

(4) An operator may use or disclose covered information of a student under any of the following circumstances:

(a) If federal or state law requires the operator to disclose the information, and the operator complies with federal or state law, as applicable, in protecting and disclosing that information.

(b) If the covered information is disclosed to a state educational agency or the student's local educational agency for K-12 school purposes, as allowed under state or federal law.

(c) If the covered information is disclosed to a state or local educational agency, including K-12 schools and school districts, for K-12 school purposes, as allowed under state or federal law.

(5) This section does not prohibit an operator from doing any of the following:

(a) Using covered information to improve educational products, if that information is not associated with an identified student within the operator's site, service, or application, or other sites, services, or applications owned by the operator.

(b) Using covered information that is not associated with an identified student to demonstrate the effectiveness of the operator's products or services, including use in their marketing.

(c) Sharing covered information that is not associated with an identified student for the development and improvement of educational sites, services, or applications.

(d) Using recommendation engines to recommend to a student any of the following:

1. Additional content relating to an educational, an employment, or any other learning opportunity purpose within an online site, service, or application, if the recommendation is not determined in whole or in part by payment or other consideration from a third party.

2. Additional services relating to an educational, an employment, or any other learning opportunity purpose within an online site, service, or application, if the recommendation is not determined in whole or in part by payment or other consideration from a third party.

(e) Responding to a student's request for information or feedback without the information or response being determined in whole or in part by payment or other consideration from a third party.

(6) This section does not do any of the following:

(a) Limit the authority of a law enforcement agency to obtain any content or information from an operator as authorized by law or under a court order.

(b) Limit the ability of an operator to use student data, including covered information, for adaptive learning or customized student learning purposes.

(c) Apply to general audience Internet websites, general audience online services, general audience online applications, or general audience mobile applications, even if login credentials created for an operator's site, service, or application may be used to access those general audience sites, services, or applications.

(d) Limit service providers from providing Internet connectivity to schools or students and their families.

(e) Prohibit an operator of an Internet website, online service, online application, or mobile application from marketing educational products directly to parents, if such marketing did not result from the use of covered information obtained by the operator through the provision of services covered under this section.

(f) Impose a duty upon a provider of an electronic store, gateway, marketplace, or other means of purchasing or downloading software or applications to review or enforce compliance with this section on such software or applications.

(g) Impose a duty upon a provider of an interactive computer service to review or enforce compliance with this section by third-party content providers.

(h) Prohibit students from downloading, exporting, transferring, saving, or maintaining their own student data or documents.

(i) Limit the retention of covered information by an operator for the purposes of assessments and college and career planning in accordance with general law.

(7) Any violation of this section is a deceptive and unfair trade practice and constitutes a violation of the Florida Deceptive and Unfair Trade Practices Act, part II of chapter 501. Notwithstanding the provisions of part II of chapter 501, the Department of Legal Affairs is the sole entity authorized to bring an enforcement action against an entity that violates this section.

And the title is amended as follows:

Between lines 11 and 12, insert: providing that the Department of Legal Affairs is the sole entity authorized to bring specified actions;

~~20.24. Any other persons who are identified and invited by the review team and who have knowledge regarding fatal incidents of elder abuse, vulnerable adult abuse, domestic violence, or sexual violence, or suicide, including knowledge of research, policy, law, and other matters connected with such incidents involving elders and vulnerable adults, or who are recommended for inclusion by the review team.~~

~~(4)(a)(e) Participation in a review team is voluntary. Members of a review team shall serve without compensation and may not be reimbursed for per diem or travel expenses. A review team in existence on July 1, 2023, may continue to exist and must comply with the requirements of this section. Members shall serve for terms of 2 years, to be staggered as determined by the co chairs.~~

~~(b)1.(d) The entity initiating the review team shall state attorney may call the first organizational meeting of the team.~~

~~2. A representative of the entity initiating the review team, who is chosen by that entity, shall serve as a co-chair of the review team. At the initial meeting, members of a review team shall elect a member choose two members to serve as an additional co-chair. The co-chair elected by the review team shall serve a 2-year term and co chairs. Chairs may be reelected by a majority vote of a review team for not more than two consecutive terms.~~

~~3. At the initial meeting, members of a review team shall establish a schedule for future meetings. Each review team shall meet at least once each fiscal year.~~

~~(c)(e) Except as provided in subsection (1) and paragraph (4)(b), each review team shall determine its structure, local operations, and including, but not limited to, the process for case selection, including, but not limited to, the number and type of incidents it chooses to review. The state attorney shall refer cases to be reviewed by each team. Reviews must be limited to closed cases in which an elderly person's death was caused by, or related to, abuse or neglect. All identifying information concerning the elderly person must be redacted by the state attorney in documents received for review. As used in this paragraph, the term "closed case" means a case that does not involve information considered active as defined in s. 119.011(3)(d).~~

~~(d)(f) Administrative costs of operating the review team must be borne by the team members or entities they represent.~~

~~(e)1. Each member of a review team shall sign a written acknowledgment that the member is obligated to comply with the applicable provisions of chapter 119 and s. 24(a), Art. I of the State Constitution and may not knowingly disclose or reveal information or records produced, acquired, or discussed by the review team which are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. The written acknowledgment must reference applicable criminal penalties for such disclosures and clearly identify the records for which such penalties apply.~~

~~2. The entity initiating the review team shall provide the acknowledgment form to be signed by each review team member and shall provide training to review team members on the requirements regarding records that are exempt or confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.~~

~~(2) An elder abuse fatality review team in existence on July 1, 2020, may continue to exist and must comply with the requirements of this section.~~

~~(5)(3) A ~~An elder abuse fatality~~ review team must shall do all of the following:~~

~~(a) Review incidents deaths of abuse, exploitation, or neglect of elders and vulnerable adults in the review team's geographic service area elderly persons in its judicial circuit which are believed found to have been caused or contributed to the death of such person by, or related to, abuse or neglect.~~

~~(b) Take into consideration the events leading up to a fatal incident, available community resources, current law and policies, and the actions taken by systems or individuals related to the fatal incident, and any information considered relevant by the team, including, but not~~

limited to, a review of public records and records for which a public records exemption is granted.

(c) Identify potential gaps, deficiencies, or problems in the delivery of services to *elders and vulnerable adults* ~~elderly persons~~ by public and private agencies which may be related to *incidents* ~~deaths~~ reviewed by the team.

(d) Whenever possible, develop communitywide approaches to address the causes of, and contributing factors to, *incidents* ~~deaths~~ reviewed by the team.

(e) Develop recommendations and potential changes in law, rules, and policies to support the care of *elders and vulnerable adults* ~~elderly persons~~ and to prevent *abuse of such persons* ~~elder abuse deaths~~.

~~(6)(a)(4)(a)~~ A review team may share with other review teams in this state any relevant information that pertains to *incidents identified or reviewed by the team* ~~the review of the death of an elderly person~~.

(b)1. A review team member may not contact, interview, or obtain information by request directly from a *family member of a person whose case is subject to review by the review team as part of the review unless:*

a. ~~the deceased elder's family as part of the review unless~~ A team member is authorized to do so in the course of his or her employment duties; or

b. *Such contact, interview, or request is necessary for the review team to complete its review and determine findings and such information is not obtainable through any other means.*

2. *A family member of a person whose case is subject to review by the review team* ~~the deceased elder's family~~ may voluntarily provide information or any record to a review team but must be informed that such information or any record is subject to public disclosure unless a public records exemption applies.

~~(7)(a)(5)(a)~~ Annually by September 1, each ~~elder abuse fatality~~ review team shall submit a summary report to the Department of Elderly Affairs which includes, but is not limited to:

1. Descriptive statistics regarding cases reviewed by the team, including, *at a minimum*, demographic information on victims, ~~and~~ the causes and nature of their deaths, *and the incidents of abuse, exploitation, or neglect associated with their deaths.*;

2. Current policies, procedures, rules, or statutes the review team has identified as contributing to the incidence of *elder and vulnerable adult* abuse and *abuse-related* ~~elder~~ deaths, and recommendations for system improvements and needed resources, training, or information dissemination to address such identified issues. ~~and~~

3. Any other recommendations to prevent *fatal incidents of* ~~deaths from~~ *elder* abuse, *exploitation, or neglect of elders and vulnerable adults*, based on an analysis of the data and information presented in the report.

(b) Annually by November 1, the Department of Elderly Affairs shall prepare a summary report of the review team information submitted under paragraph (a). The department shall submit its summary report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Department of Children and Families.

~~(8)(a)(6)~~ There is no monetary liability on the part of, and a cause of action for damages may not arise against, any member of a ~~an elder abuse fatality~~ review team, or any person acting as a witness to, incident reporter to, or investigator for a review team, for any act or proceeding taken or performed within the scope and functions of the team, ~~due to the performance of his or her duties as a review team member in regard to any discussions by, or deliberations or recommendations of, the team or the member unless such person member acted in bad faith, with wanton and willful disregard of human rights, safety, or property.~~

(b) *This subsection does not affect the requirements of s. 768.28.*

(9)(a) *Oral or written communications, information, and records produced or acquired by the review team are not subject to discovery and*

*may not be introduced into evidence in any civil, criminal, administrative, or disciplinary proceeding if the communications, information, or records arose out of matters that are the subject of evaluation and review by the review team. Information, documents, and records otherwise available from sources other than the review team are not immune from discovery or introduction into evidence solely because the information, documents, or records were presented to or reviewed by a review team.*

(b) *A person who attends a meeting or other authorized activity of a review team may not testify in any civil, criminal, administrative, or disciplinary proceedings as to any communications, records, or information produced or presented to the review team during its meetings or other activities authorized by this section.*

(c) *This subsection does not prohibit:*

1. *A person who testifies before a review team or is a member of a review team from testifying in a civil, criminal, administrative, or disciplinary proceeding to matters otherwise within his or her knowledge; or*

2. *A member of a review team from testifying in a policy-related hearing or matter, as long as the member of the review team does not disclose communications, records, or information that would identify the victim or victim's family or any other confidential or exempt records or information pertaining to a matter reviewed by the review team.*

Section 2. This act shall take effect July 1, 2023.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to elder and vulnerable adult abuse fatality review teams; amending s. 415.1103, F.S.; authorizing the establishment of elder and vulnerable adult abuse fatality review teams for certain purposes; authorizing certain persons and entities to initiate a review team; requiring the initiating entity to determine the geographic area to be served by the review team; providing a requirement for such geographic area; revising the definition of the term "elder and vulnerable adult"; revising review team membership; authorizing continuance for review teams in existence on a certain date; requiring the entity that initiated the review team to call its first meeting; specifying certain members to be co-chairs of the review team; authorizing a review team to determine the number and types of incidents to review; removing provisions relating to state attorney requirements; requiring members of a review team to sign a written acknowledgment of public records requirements; requiring such acknowledgment to reference applicable criminal penalties for certain disclosures; requiring the initiating entity to provide the acknowledgment form and certain training; revising review team requirements to conform to changes made by the act; modifying the prohibition from contacting, interviewing, or obtaining information from the family of a victim; expanding immunity from monetary liability to certain persons; providing construction; providing that communications, information, and records produced or acquired by a review team are not subject to discovery or introduction into evidence in certain proceedings under certain circumstances; providing that a person who attends a meeting or other authorized activity of a review team may not testify in certain proceedings as to certain records or information; providing exceptions; providing an effective date.

On motion by Senator Garcia, the Senate concurred in **House Amendment 1 (255691)**.

**House Substitute Amendment 3 (378465)**—Remove lines 118-296 and insert:

(7) Consideration of the proposed county ordinance or county resolution at a properly noticed meeting may be continued to a subsequent meeting if, at the scheduled meeting, the date, time, and place of the subsequent meeting is publicly stated. No further publication, mailing, or posted notice as required under this section is required, except that the continued consideration must be listed in an agenda or similar communication produced for the subsequent meeting. This subsection is remedial in nature, is intended to clarify existing law, and shall apply retroactively.

Section 3. Present subsections (3) through (7) of section 125.66, Florida Statutes, as amended by this act, are redesignated as subsections (4) through (8), respectively, a new subsection (3) is added to that section, and paragraph (a) of subsection (2) of that section is amended, to read:

125.66 Ordinances; enactment procedure; emergency ordinances; rezoning or change of land use ordinances or resolutions.—

(2)(a) The regular enactment procedure ~~is shall be~~ as follows: The board of county commissioners at any regular or special meeting may enact or amend any ordinance, except as provided in subsection (5) ~~(4)~~, if notice of intent to consider such ordinance is given at least 10 days before such meeting by publication as provided in chapter 50. A copy of such notice ~~must shall~~ be kept available for public inspection during the regular business hours of the office of the clerk of the board of county commissioners. The notice of proposed enactment ~~must shall~~ state the date, time, and place of the meeting; the title or titles of proposed ordinances; and the place or places within the county where such proposed ordinances may be inspected by the public. The notice ~~must shall~~ also advise that interested parties may appear at the meeting and be heard with respect to the proposed ordinance.

(3)(a) Before the enactment of a proposed ordinance, the board of county commissioners shall prepare or cause to be prepared a business impact estimate in accordance with this subsection. The business impact estimate must be posted on the county's website no later than the date the notice of proposed enactment is published pursuant to paragraph (2)(a) and must include all of the following:

1. A summary of the proposed ordinance, including a statement of the public purpose to be served by the proposed ordinance, such as serving the public health, safety, morals, and welfare of the county.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the county, including the following, if any:

a. An estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted.

b. Identification of any new charge or fee on businesses subject to the proposed ordinance or for which businesses will be financially responsible.

c. An estimate of the county's regulatory costs, including an estimate of revenues from any new charges or fees that will be imposed on businesses to cover such costs.

3. A good faith estimate of the number of businesses likely to be impacted by the ordinance.

4. Any additional information the board determines may be useful.

(b) This subsection may not be construed to require a county to procure an accountant or other financial consultant to prepare the business impact estimate required by this subsection.

(c) This subsection does not apply to:

1. Ordinances required for compliance with federal or state law or regulation;

2. Ordinances relating to the issuance or refinancing of debt;

3. Ordinances relating to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;

4. Ordinances required to implement a contract or an agreement, including, but not limited to, any federal, state, local, or private grant, or other financial assistance accepted by a county government;

5. Emergency ordinances;

6. Ordinances relating to procurement; or

7. Ordinances enacted to implement the following:

a. Part II of chapter 163, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements, and development permits;

b. Sections 190.005 and 190.046;

c. Section 553.73, relating to the Florida Building Code; or

d. Section 633.202, relating to the Florida Fire Prevention Code.

Section 4. Section 125.675, Florida Statutes, is created to read:

125.675 Legal challenges to certain recently enacted ordinances.—

(1) A county must suspend enforcement of an ordinance that is the subject of an action challenging the ordinance's validity on the grounds that it is expressly preempted by the State Constitution or by state law or is arbitrary or unreasonable if:

(a) The action was filed with the court no later than 90 days after the adoption of the ordinance;

(b) The plaintiff requests suspension in the initial complaint or petition, citing this section; and

(c) The county has been served with a copy of the complaint or petition.

(2) When the plaintiff appeals a final judgment finding that an ordinance is valid and enforceable, the county may enforce the ordinance 45 days after the entry of the order unless the plaintiff obtains a stay of the lower court's order.

(3) The court shall give cases in which the enforcement of an ordinance is suspended under this section priority over other pending cases and shall render a preliminary or final decision on the validity of the ordinance as expeditiously as possible.

(4) The signature of an attorney or a party constitutes a certificate that he or she has read the pleading, motion, or other paper and that, to the best of his or her knowledge, information, and belief formed after reasonable inquiry, it is not interposed for any improper purpose, such as to harass or to cause unnecessary delay, or for economic advantage, competitive reasons, or frivolous purposes or needless increase in the cost of litigation. If a pleading, motion, or other paper is signed in violation of these requirements, the court, upon its own initiative or upon favorably ruling on a party's motion for sanctions, must impose upon the person who signed it, a represented party, or both, an appropriate sanction, which may include an order to pay to the other party or parties the amount of reasonable expenses incurred because of the filing of the pleading, motion, or other paper, including reasonable attorney fees.

(5) This section does not apply to:

(a) Ordinances required for compliance with federal or state law or regulation;

(b) Ordinances relating to the issuance or refinancing of debt;

(c) Ordinances relating to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;

(d) Ordinances required to implement a contract or an agreement, including, but not limited to, any federal, state, local, or private grant, or other financial assistance accepted by a county government;

(e) Emergency ordinances;

(f) Ordinances relating to procurement; or

(g) Ordinances enacted to implement the following:

1. Part II of chapter 163, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements, and development permits;
  2. Sections 190.005 and 190.046;
  3. Section 553.73, relating to the Florida Building Code; or
  4. Section 633.202, relating to the Florida Fire Prevention Code.
- (6) The court may award attorney fees and costs and damages as provided in s. 57.112.

Section 5. Effective upon becoming a law, paragraph (d) is added to subsection (3) of section 166.041, Florida Statutes, and paragraph (a) of that subsection is amended, to read:

166.041 Procedures for adoption of ordinances and resolutions.—

(3)(a) Except as provided in paragraphs ~~paragraph~~ (c) and (d), a proposed ordinance may be read by title, or in full, on at least 2 separate days and shall, at least 10 days prior to adoption, be noticed once in a newspaper of general circulation in the municipality. The notice of proposed enactment shall state the date, time, and place of the meeting; the title or titles of proposed ordinances; and the place or places within the municipality where such proposed ordinances may be inspected by the public. The notice shall also advise that interested parties may appear at the meeting and be heard with respect to the proposed ordinance.

(d) Consideration of the proposed municipal ordinance at a meeting properly noticed pursuant to this subsection may be continued to a subsequent meeting if, at the meeting, the date, time, and place of the subsequent meeting is publicly stated. No further publication, mailing, or posted notice as required under this subsection is required, except that the continued consideration must be listed in an agenda or similar communication produced for the subsequent meeting. This paragraph is remedial in nature, is intended to clarify existing law, and shall apply retroactively.

Section 3. Paragraph (a) of subsection (1), paragraphs (a) and (b) of subsection (3), and paragraphs (a) and (b) of subsection (4) of section 435.07, Florida Statutes, are amended to read:

435.07 Exemptions from disqualification.—Unless otherwise provided by law, the provisions of this section apply to exemptions from disqualification for disqualifying offenses revealed pursuant to background screenings required under this chapter, regardless of whether those disqualifying offenses are listed in this chapter or other laws.

(1)(a) The head of the appropriate agency *or qualified entity* may grant to any employee *or person with an affiliation* otherwise disqualified from employment an exemption from disqualification for:

1. Felonies for which at least 3 years have elapsed since the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court for the disqualifying felony;

2. Misdemeanors prohibited under any of the statutes cited in this chapter or under similar statutes of other jurisdictions for which the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court;

3. Offenses that were felonies when committed but that are now misdemeanors and for which the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court; or

4. Findings of delinquency. For offenses that would be felonies if committed by an adult and the record has not been sealed or expunged, the exemption may not be granted until at least 3 years have elapsed since the applicant for the exemption has completed or been lawfully released from confinement, supervision, or nonmonetary condition imposed by the court for the disqualifying offense.

For the purposes of this subsection, the term “felonies” means both felonies prohibited under any of the statutes cited in this chapter or under similar statutes of other jurisdictions.

(3)(a) In order for the head of an agency *or qualified entity* to grant an exemption to an ~~any~~ employee *or a person with an affiliation*, the employee *or person with an affiliation* must demonstrate by clear and convincing evidence that the employee *or person with an affiliation* should not be disqualified from employment. Employees *or persons with an affiliation* seeking an exemption have the burden of setting forth clear and convincing evidence of rehabilitation, including, but not limited to, the circumstances surrounding the criminal incident for which an exemption is sought, the time period that has elapsed since the incident, the nature of the harm caused to the victim, and the history of the employee *or person with an affiliation* since the incident, or any other evidence or circumstances indicating that the employee *or person with an affiliation* will not present a danger if employment, *affiliation*, or continued employment *or continued affiliation* is allowed.

(b) The agency may consider as part of its deliberations of the ~~employee's~~ *employee's* rehabilitation *of the employee or person with an affiliation* the fact that the employee *or person with an affiliation* has, subsequent to

the conviction for the disqualifying offense for which the exemption is being sought, been arrested for or convicted of another crime, even if that crime is not a disqualifying offense.

(4)(a) Disqualification from employment *or affiliation* under this chapter may not be removed from, nor may an exemption be granted to, any personnel who is found guilty of, regardless of adjudication, or who has entered a plea of *nolo contendere* or guilty to, any felony covered by s. 435.03 or s. 435.04 solely by reason of any pardon, executive clemency, or restoration of civil rights.

(b) Disqualification from employment *or affiliation* under this chapter may not be removed from, nor may an exemption be granted to, any person who is a:

1. Sexual predator as designated pursuant to s. 775.21;
2. Career offender pursuant to s. 775.261; or
3. Sexual offender pursuant to s. 943.0435, unless the requirement to register as a sexual offender has been removed pursuant to s. 943.04354.

Section 4. Effective upon this act becoming a law, subsections (1) and (2) and paragraph (a) of subsection (3) of section 435.12, Florida Statutes, are amended to read:

#### 435.12 Care Provider Background Screening Clearinghouse.—

(1) The Agency for Health Care Administration in consultation with the Department of Law Enforcement shall create a secure web-based system, which shall be known as the “Care Provider Background Screening Clearinghouse” or “clearinghouse;” ~~and which shall be implemented to the full extent practicable no later than September 30, 2013, subject to the specified agencies being funded and equipped to participate in such program.~~ The clearinghouse ~~must~~ shall allow the results of criminal history checks provided to the specified agencies *and, beginning January 1, 2026, or a later date as determined by the Agency for Health Care Administration, to qualified entities participating in the clearinghouse* for screening of persons qualified as care providers under s. 943.0542 to be shared among the specified agencies *and qualified entities* when a person has applied to volunteer, be employed, be licensed, ~~or enter into a contract, or has an affiliation that allows or that~~ requires a state and national fingerprint-based criminal history check. *Beginning January 1, 2025, or a later date as determined by the Agency for Health Care Administration, the Agency for Health Care Administration shall review and determine eligibility for all criminal history checks submitted to the clearinghouse for the Department of Education. The clearinghouse shall share eligibility determinations with the Department of Education and the qualified entities.* The Agency for Health Care Administration and the Department of Law Enforcement may adopt rules to create forms or implement procedures needed to carry out this section.

(2)(a) To ensure that the information in the clearinghouse is current, the fingerprints of ~~a person an employee required to be screened by a specified agency and~~ included in the clearinghouse must be:

1. Retained by the Department of Law Enforcement pursuant to s. 943.05(2)(g) and (h) and (3), and the Department of Law Enforcement must report the results of searching those fingerprints against state incoming arrest fingerprint submissions to the Agency for Health Care Administration for inclusion in the clearinghouse.
2. Retained by the Federal Bureau of Investigation in the national retained print arrest notification program as soon as the Department of Law Enforcement begins participation in such program. Arrest prints will be searched against retained prints at the Federal Bureau of Investigation and notification of arrests will be forwarded to the Florida Department of Law Enforcement and reported to the Agency for Health Care Administration for inclusion in the clearinghouse.
3. Resubmitted for a Federal Bureau of Investigation national criminal history check every 5 years until such time as the fingerprints are retained by the Federal Bureau of Investigation.
4. Subject to retention on a 5-year renewal basis with fees collected at the time of initial submission or resubmission of fingerprints.

5. Submitted with a photograph of the person taken at the time the fingerprints are submitted.

(b) Until such time as the fingerprints are enrolled in the national retained print arrest notification program at the Federal Bureau of Investigation:

1. ~~A person, an employee~~ with a break in service of more than 90 days from a position that requires screening by a specified agency must submit to a national screening if the person returns to a position that requires screening by a specified agency.

2. *Effective January 1, 2026, or a later date as determined by the Agency for Health Care Administration, for the participation of qualified entities in the clearinghouse under s. 435.12, a person with a break in service of more than 90 days from a position for which screening is conducted by a qualified entity participating in the clearinghouse must submit to a national screening if the person returns to a position for which screening is conducted by a qualified entity.*

(c) An employer of persons subject to screening *or a qualified entity participating in the clearinghouse* ~~by a specified agency~~ must register with the clearinghouse and maintain the employment *or affiliation* status of all persons included in ~~employees within~~ the clearinghouse.

1. ~~Before January 1, 2024, initial employment~~ status and any changes in status must be reported within 10 business days *after a person receives his or her initial status or after a change in the person's status has been made.*

2. *Effective January 1, 2024, initial status and any changes in status must be reported within 5 business days after a person receives his or her initial status or after a change in the person's status has been made.*

(d) An employer *or a qualified entity participating in the clearinghouse* must register with and initiate all criminal history checks through the clearinghouse before referring an employee or potential employee *or a person with a current or potential affiliation with a qualified entity* for electronic fingerprint submission to the Department of Law Enforcement. The registration must include the ~~person's~~ *employee's* full first name, middle initial, and last name; social security number; date of birth; mailing address; sex; and race. Individuals, persons, applicants, and controlling interests that cannot legally obtain a social security number must provide an individual taxpayer identification number.

(3)(a) Employees of each district unit under s. 1001.30, special district units under s. 1011.24, the Florida School for the Deaf and the Blind under s. 1002.36, the Florida Virtual School under s. 1002.37, virtual instruction programs under s. 1002.45, charter schools under s. 1002.33, hope operators under s. 1002.333, private schools participating in an educational scholarship program established pursuant to chapter 1002, and alternative schools under s. 1008.341 must be rescreened in compliance with the following schedule:

1. Employees for whom the last screening was conducted on or before June 30, 2021 ~~2019~~, must be rescreened by June 30, 2025 ~~2024~~.
2. Employees for whom the last screening was conducted between July 1, 2021 ~~2019~~, and June 30, 2022 ~~2021~~, must be rescreened by June 30, 2026 ~~2025~~.
3. Employees for whom the last screening was conducted between July 1, 2022 ~~2021~~, and December 31, 2023 ~~2022~~, must be rescreened by June 30, 2027 ~~2026~~.

Section 5. Paragraph (a) of subsection (1), paragraphs (a) and (b) of subsection (2), and subsection (4) of section 943.0438, Florida Statutes, are amended to read:

943.0438 Athletic coaches for independent sanctioning authorities.—

(1) As used in this section, the term:

(a) “Athletic coach” means a person who:

1. Is authorized by an independent sanctioning authority to work as a coach, assistant coach, *manager*, or referee ~~for 20 or more hours~~

within a calendar year, whether for compensation or as a volunteer, for a youth athletic team based in this state; and

2. Has direct contact with one or more minors on the youth athletic team.

(2) An independent sanctioning authority shall:

~~(a)1. Conduct a level 2 1 background screening under s. 435.04 pursuant to s. 435.03 of each current and prospective athletic coach. The authority may not delegate this responsibility to an individual team and may not authorize any person to act as an athletic coach unless a level 2 1 background screening is conducted and does not result in disqualification under paragraph (b). Level 1 background screenings shall be conducted annually for each athletic coach. For purposes of this section, a background screening shall include a search of the athletic coach's name or other identifying information against state and federal registries of sexual predators and sexual offenders, which are available to the public on Internet sites provided by:~~

~~a. The Department of Law Enforcement under s. 943.043; and~~

~~b. The Attorney General of the United States under 42 U.S.C. s. 16920.~~

~~2. For purposes of this section, a background screening conducted by a commercial consumer reporting agency in compliance with the federal Fair Credit Reporting Act using the identifying information referenced in subparagraph 1. that includes a level 1 background screening and a search of that information against the sexual predator and sexual offender Internet sites listed in sub-subparagraphs 1.a. and b. shall be deemed to satisfy the requirements of this paragraph.~~

~~(b)1. Before January 1, 2026, or a later date as determined by the Agency for Health Care Administration for the participation of qualified entities in the Care Provider Background Screening Clearinghouse under s. 435.12, disqualify any person from acting as an athletic coach as provided in s. 435.04 s. 435.03 or if he or she is identified on a registry described in paragraph (a). The authority may allow a person disqualified under this subparagraph paragraph to act as an athletic coach if it determines that the person meets the requirements for an exemption from disqualification under s. 435.07.~~

~~2. On or after January 1, 2026, or a later date as determined by the Agency for Health Care Administration, not allow any person to act as an athletic coach if he or she does not pass the background screening qualifications in s. 435.04. The authority may allow a person disqualified under this subparagraph to act as an athletic coach if the person has successfully completed the exemption from the disqualification process under s. 435.07.~~

~~(4) The Legislature encourages Independent sanctioning authorities for youth athletic teams must to participate in the Volunteer and Employee Criminal History System, as authorized by the National Child Protection Act of 1993 and s. 943.0542.~~

Section 6. Paragraph (h) of subsection (2) of section 943.05, Florida Statutes, is amended, and paragraph (i) is added to that subsection, to read:

943.05 Criminal Justice Information Program; duties; crime reports.—

(2) The program shall:

(h) For each *specified* agency, as defined in s. 435.02, each *qualified entity participating in the Care Provider Background Screening Clearinghouse under s. 435.12, or any other agency or qualified entity* that officially requests retention of fingerprints or for which retention is otherwise required by law, search all arrest fingerprint submissions received under s. 943.051 against the fingerprints retained in the statewide automated biometric identification system under paragraph (g).

1. Any arrest record that is identified with the retained fingerprints of a person subject to background screening as provided in paragraph (g) ~~shall~~ be reported to the appropriate agency or qualified entity.

2. To participate in this search process, agencies or qualified entities must notify each person fingerprinted that his or her fingerprints will be retained, pay an annual fee to the department unless otherwise provided by law, and inform the department of any change in the affiliation, employment, or contractual status of each person whose fingerprints are retained under paragraph (g) if such change removes or eliminates the agency or qualified entity's basis or need for receiving reports of any arrest of that person, so that the agency or qualified entity is not obligated to pay the upcoming annual fee for the retention and searching of that person's fingerprints to the department. The department shall adopt a rule setting the amount of the annual fee to be imposed upon each participating agency or qualified entity for performing these searches and establishing the procedures for the retention of fingerprints and the dissemination of search results. The fee may be borne by the agency, qualified entity, or person subject to fingerprint retention or as otherwise provided by law. Consistent with the recognition of criminal justice agencies expressed in s. 943.053(3), these services ~~must shall~~ be provided to criminal justice agencies for criminal justice purposes free of charge. Qualified entities that elect to participate in the fingerprint retention and search process are required to timely remit the fee to the department by a payment mechanism approved by the department. If requested by the qualified entity, and with the approval of the department, such fees may be timely remitted to the department by a qualified entity upon receipt of an invoice for such fees from the department. Failure of a qualified entity to pay the amount due on a timely basis or as invoiced by the department may result in the refusal by the department to permit the qualified entity to continue to participate in the fingerprint retention and search process until all fees due and owing are paid.

3. Agencies that participate in the fingerprint retention and search process may adopt rules pursuant to ss. 120.536(1) and 120.54 to require employers to keep the agency informed of any change in the affiliation, employment, or contractual status of each person whose fingerprints are retained under paragraph (g) if such change removes or eliminates the agency's basis or need for receiving reports of any arrest of that person, so that the agency is not obligated to pay the upcoming annual fee for the retention and searching of that person's fingerprints to the department.

(i) *Develop, for federal approval, a method for identifying or verifying a person through automated biometrics.*

Section 7. Subsections (2) through (6) of section 943.0542, Florida Statutes, are amended to read:

943.0542 Access to criminal history information provided by the department to qualified entities.—

(2)(a) A qualified entity *conducting background criminal history checks under this section* must:

1. Register with the department before submitting a request for screening under this section. Each such request must be voluntary and conform to the requirements established in the National Child Protection Act of 1993, as amended. As a part of the registration, the qualified entity must agree to comply with state and federal law and must so indicate by signing an agreement approved by the department. The department ~~shall may~~ periodically audit qualified entities to ensure compliance with federal law and this section.

2. *Before January 1, 2026, or a later date as determined by the Agency for Health Care Administration,*

~~(b) A qualified entity shall~~ submit to the department, and effective January 1, 2026, or a later date as determined by the Agency for Health Care Administration, submit to the agency a request for screening an employee or volunteer or person applying to be an employee or volunteer by submitting fingerprints, or the request may be submitted electronically. The qualified entity must maintain a signed waiver allowing the release of the state and national criminal history record information to the qualified entity.

~~(b)(e)~~ Each ~~such~~ request for screening must be accompanied by payment of a fee for a statewide criminal history check by the department established by s. 943.053, plus the amount currently prescribed by the Federal Bureau of Investigation for the national criminal history check in compliance with the National Child Protection Act of 1993, as

amended. Payments must be made in the manner prescribed by the department or agency by rule.

(c)(~~d~~) Any current or prospective employee or volunteer who is subject to a request for screening must indicate to the qualified entity submitting the request the name and address of each qualified entity that has submitted a previous request for screening regarding that employee or volunteer.

(d) *Effective January 1, 2026, or a later date as determined by the Agency for Health Care Administration, a qualified entity initiating a background criminal history check under this section must comply with s. 435.12, and all fingerprints received pursuant to this section must be entered into the clearinghouse as provided in s. 435.12.*

(3) *Through December 31, 2025, or a later date as determined by the Agency for Health Care Administration, the department shall provide directly to the qualified entity the state criminal history records that are not exempt from disclosure under chapter 119 or otherwise confidential under law. A person who is the subject of a state criminal history record may challenge the record only as provided in s. 943.056. Effective January 1, 2026, or a later date as determined by the Agency for Health Care Administration, the Care Provider Background Screening Clearinghouse may provide such records to the qualified entity only if the person challenges the record as provided in this subsection.*

(4) The national criminal history data is available to qualified entities to use only for the purpose of screening employees and volunteers or persons applying to be an employee or volunteer with a qualified entity. *Through December 31, 2026, or a later date as determined by the Agency for Health Care Administration, the department shall provide this national criminal history record information directly to the qualified entity as authorized by the written waiver required for submission of a request to the department. Effective January 1, 2026, or a later date as determined by the Agency for Health Care Administration, the Care Provider Background Screening Clearinghouse may provide such record information to the qualified entity only if the person requests an exemption from the qualified entity under s. 435.07.*

(5) *The entity making the determination regarding screening shall apply the criteria under s. 435.04(2) to the state and national criminal history record information received from the department for those persons subject to screening. The determination whether the criminal history record shows that the employee or volunteer has not been arrested for and is awaiting final disposition of, regardless of adjudication, or entered a plea of nolo contendere or guilty to, or has been adjudicated delinquent and the record has not been sealed or expunged for, any offense listed under s. 435.02(2) convicted of or is under pending indictment for any crime that bears upon the fitness of the employee or volunteer to have responsibility for the safety and well being of children, the elderly, or disabled persons shall solely be made by the qualified entity through December 31, 2025, or a later date as determined by the Agency for Health Care Administration. Beginning January 1, 2026, or a later date as determined by the Agency for Health Care Administration, the Agency for Health Care Administration shall determine the eligibility of the employee or volunteer of a qualified entity. This section does not require the department to make such a determination on behalf of any qualified entity.*

(6) *The qualified entity or, effective January 1, 2026, or a later date as determined by the Agency for Health Care Administration, the Care Provider Background Screening Clearinghouse must notify in writing the person of his or her right to obtain a copy of any background screening report, including the criminal history records, if any, contained in the report, and of the person's right to challenge the accuracy and completeness of any information contained in any such report and to obtain a determination as to the validity of such challenge before a final determination regarding the person is made by the qualified entity reviewing the criminal history information. A qualified entity that is required by law to apply screening criteria, including any right to contest or request an exemption from disqualification, shall apply such screening criteria to the state and national criminal history record information received from the department for those persons subject to the required screening.*

1012.315 Screening standards.—A person is ineligible for educator certification or employment in any position that requires direct contact with students in a district school system, a charter school, or a private school that participates in a state scholarship program under chapter 1002 if the person:

(1) Is on the disqualification list maintained by the department under ~~pursuant to~~ s. 1001.10(4)(b);;

(2) Is registered as a sex offender as described in 42 U.S.C. s. 9858f(c)(1)(C);;

(3) *Is ineligible based on a security background investigation under s. 435.04(2). Beginning January 1, 2025, or a later date as determined by the Agency for Health Care Administration, the Agency for Health Care Administration shall determine the eligibility of employees in any position that requires direct contact with students in a district school system, a charter school, or a private school that participates in a state scholarship program under chapter 1002;*

(4) ~~Would be ineligible for an exemption under s. 435.07(4)(c); or, or has been convicted or found guilty of, has had adjudication withheld for, or has pled guilty or nolo contendere to:~~

1012.467 Noninstructional contractors who are permitted access to school grounds when students are present; background screening requirements.—

(2)(a) A fingerprint-based criminal history check *must shall* be performed on each noninstructional contractor who is permitted access to school grounds when students are present, whose performance of the contract with the school or school board is not anticipated to result in direct contact with students, and for whom any unanticipated contact would be infrequent and incidental using the process described in s. 1012.32(3). The results of each criminal history check *must shall* be reported to the school district in which the individual is seeking access and entered into the shared system described in subsection (7). The school district shall screen the results using the disqualifying offenses in paragraph (b). *Beginning January 1, 2025, or a later date as determined by the Agency for Health Care Administration, the Agency for Health Care Administration shall determine the eligibility of a non-instructional contractor.* The cost of the criminal history check may be borne by the district school board, the school, or the contractor.

(7)(a) The Department of Law Enforcement shall implement a system that allows for the results of a criminal history check provided to a school district to be shared with other school districts through a secure Internet website or other secure electronic means. School districts must accept reciprocity of level 2 screenings for Florida High School Athletic Association officials. *Beginning January 1, 2025, or a later date as determined by the Agency for Health Care Administration, the background screening must be conducted through the Care Provider Background Screening Clearinghouse under s. 435.12.*

Section 10. Paragraph (a) of subsection (10) of section 1012.56, Florida Statutes, is amended to read:

1012.56 Educator certification requirements.—

(10) BACKGROUND SCREENING REQUIRED, INITIALLY AND PERIODICALLY.—

(a) Each person who seeks certification under this chapter must be fingerprinted and screened in accordance with s. 1012.32 and must not be ineligible for such certification under s. 1012.315. A person who has been screened in accordance with s. 1012.32 by a district school board or the Department of Education within 12 months before the date the person initially obtains certification under this chapter, the results of which are submitted to the district school board or to the Department of Education, is not required to repeat the screening under this paragraph. *Beginning January 1, 2025, or a later date as determined by the Agency for Health Care Administration, the background screening must be conducted through the Care Provider Background Screening Clearinghouse under s. 435.12.*

*Section 11. (1) Sections 1001.10, 1001.42, 1001.51, 1002.33, 1002.333, 1002.421, 1012.32, 1012.56, 1012.795, and 1012.796, Florida Statutes, are reenacted for the purpose of incorporating the amendments made by this act to s. 1012.315, Florida Statutes, in references thereto.*

*(2) Section 1012.468, Florida Statutes, is reenacted for the purpose of incorporating the amendments made by this act to s. 1012.467, Florida Statutes, in a reference thereto.*

Section 12. *The changes made to s. 435.12, Florida Statutes, by this act must be implemented by January 1, 2025, or a later date as determined by the Agency for Health Care Administration.*

Section 13. (1) *For the 2023-2024 fiscal year, the sums of \$400,000 in recurring funds from the Health Care Trust Fund and \$4 million in nonrecurring funds from the Health Care Trust Fund are appropriated to the Agency for Health Care Administration.*

(2) *This section shall take effect July 1, 2023.*

Section 14. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2024.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to level 2 background screenings; amending s. 435.02, F.S.; revising and providing definitions; amending s. 435.04, F.S.; requiring persons with an affiliation to certain qualified entities to undergo security background investigations; expanding authorized records that may be checked during a level 2 background screening; adding additional disqualifying offenses to level 2 background screening requirements; removing obsolete language; amending s. 435.07, F.S.; authorizing the head of a qualified entity to grant a person with an affiliation an exemption from disqualification under certain circumstances; conforming provisions to changes made by the act; amending s. 435.12, F.S.; authorizing certain qualified entities to participate in the Care Provider Background Screening Clearinghouse beginning on a specified date; requiring the Agency for Health Care Administration to perform certain actions beginning on a specified date; requiring the clearinghouse to share eligibility determinations with certain entities; requiring certain persons with a certain break in service from a position with a qualified entity to submit to a national screening beginning on a specified date; revising the timeframe for certain reporting requirements; revising deadlines for rescreening certain employees; removing obsolete language; conforming provisions to changes made by the act; amending s. 943.0438, F.S.; revising the definition of the term “athletic coach”; requiring level 2, instead of level 1, background screenings for current and prospective athletic coaches; providing timeframes for independent sanctioning authorities to disqualify certain persons from acting as an athletic coach for certain reasons; requiring independent sanctioning authorities to participate in a specified system; conforming provisions to changes made by the act; amending s. 943.05, F.S.; expanding the agencies and entities which may use the Criminal Justice Information Program; requiring the program to develop, for federal approval, a specified method for identifying or verifying an individual; amending s. 943.0542, F.S.; requiring qualified entities to submit a request for screening to the Department of Law Enforcement or, after a specified date, the Agency for Health Care Administration; specifying how payments for a statewide criminal history check are to be made; providing requirements for certain qualified entities; specifying when the clearinghouse may provide certain records to a qualified entity; requiring entities making determinations regarding screening to apply certain criteria; revising standards for determinations of whether a criminal history record shows certain information; requiring the agency to make certain determinations regarding the eligibility of certain employees or volunteers beginning on a specified date; requiring the clearinghouse to provide certain notifications beginning on a specified date; conforming provisions to changes made by the act; amending s. 1012.315, F.S.; revising screening requirements for specified individuals; requiring the agency to make certain determinations regarding the eligibility of certain employees beginning on a specified date; conforming provisions to changes made by the act; amending s. 1012.467, F.S.; requiring the agency to make certain determinations regarding the eligibility of certain noninstructional contractors beginning on a specified date; requiring background screenings to be conducted by the clearinghouse beginning on a specified date; amending s. 1012.56, F.S.; requiring the records of a person applying for educator certification to be referred to the agency beginning on a specified date; requiring background screening to be conducted by the clearinghouse beginning on a specified date; reenacting ss. 1001.10, 1001.42, 1001.51, 1002.33, 1002.333, 1002.421, 1012.32, 1012.56, 1012.795, and 1012.796, F.S., to incorporate the amendments made by this act to s. 1012.315, F.S., in references thereto; reenacting s. 1012.468, F.S., to incorporate the amendments made by this act to s. 1012.467, F.S., in a reference thereto; providing an appropriation; requiring that certain provisions be

implemented by the later of a specified date or a date determined by the agency; providing effective dates.

The Honorable Kathleen Passidomo, President

I am directed to inform the Senate that the House of Representatives has passed SB 1210, with 1 amendment, by the required constitutional two-thirds vote of the members voting.

*Jeff Takacs, Clerk*

**SB 1210**—A bill to be entitled An act relating to public records; amending s. 943.0583, F.S.; expanding an existing public records exemption relating to human trafficking victims seeking expunction of certain records related to an offense listed in s. 775.084(1)(b)1., F.S.; providing for future review and repeal of the expanded exemption; providing for the reversion of specified provisions if the exemption is not saved from repeal; providing that a petition for human trafficking victim expunction and all pleadings and documents related to the petition are confidential and exempt from public records requirements; providing for future legislative review and repeal of the exemption; providing a statement of public necessity; providing a contingent effective date; providing effective dates.

**House Amendment 1 (134165) (with title amendment)**—Remove everything after the enacting clause and insert:

Section 1. Subsection (12) is added to section 943.0583, Florida Statutes, to read:

943.0583 Human trafficking victim expunction.—

(12)(a) *A petition filed under this section and all pleadings and documents related to the petition are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.*

(b) *This subsection is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and is repealed on October 2, 2028, unless reviewed and saved from repeal through reenactment by the Legislature.*

Section 2. *The Legislature finds that it is a public necessity that a petition filed under s. 943.0583, Florida Statutes, and all pleadings and documents related to the petition be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. Persons who are victims of human trafficking and who have been arrested, charged, or convicted of offenses committed, or reported to*

have been committed, as a result of being trafficked are themselves victims of crimes. These victims face barriers to employment and loss of other life opportunities, and the fact that the victims are seeking expungement, as well as the information contained in related pleadings and documents, would expose these victims to possible discrimination due to details of their past lives becoming public knowledge. Therefore, it is necessary that these petitions, pleadings, and related documents be made confidential in order for human trafficking victims to have the chance to rebuild their lives and reenter society.

Section 3. This act shall take effect July 1, 2023.

And the title is amended as follows:

Remove everything before the enacting clause and insert: A bill to be entitled An act relating to public records; amending s. 943.0583, F.S.; providing that a petition for human trafficking victim expunction and all pleadings and documents related to the petition are confidential and exempt from public records requirements; providing for future legislative review and repeal under the Open Government Sunset Review Act; providing a statement of public necessity; providing an effective date.

**SPECIAL ORDER CALENDAR, continued**

On motion by Senator Brodeur—

**CS for CS for HB 387**—A bill to be entitled An act relating to physician certifications for the medical use of marijuana; amending s. 381.986, F.S.; authorizing qualified physicians to perform patient examinations and evaluations through telehealth for renewals of physician certifications for the medical use of marijuana under certain circumstances; authorizing the Department of Health to suspend the registration of a qualified physician in the medical marijuana use registry for a specified timeframe under certain circumstances; providing an effective date.

—was read the second time by title.

Senators Rouson and Davis moved the following amendment which was adopted:

**Amendment 1 (261896) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Paragraphs (a), (g), and (i) of subsection (4) of section 381.986, Florida Statutes, are amended to read:

381.986 Medical use of marijuana.—

(4) PHYSICIAN CERTIFICATION.—

(a) A qualified physician may issue a physician certification only if the qualified physician:

1. Conducted ~~an a physical examination of while physically present in the same room as~~ the patient and a full assessment of the medical history of the patient. *Before issuing an initial certification to a patient, the qualified physician must conduct an in-person physical examination of the patient. For certification renewals, a qualified physician who has issued a certification to a patient after conducting an in-person physical examination may conduct subsequent examinations of that patient through telehealth as defined in s. 456.47. For the purposes of this subparagraph, the term “in-person physical examination” means an examination conducted by a qualified physician while the physician is physically present in the same room as the patient.*

2. Diagnosed the patient with at least one qualifying medical condition.

3. Determined that the medical use of marijuana would likely outweigh the potential health risks for the patient, and such determination must be documented in the patient’s medical record. If a patient is younger than 18 years of age, a second physician must concur with this determination, and such concurrence must be documented in the patient’s medical record.

4. Determined whether the patient is pregnant and documented such determination in the patient’s medical record. A physician may not issue a physician certification, except for low-THC cannabis, to a patient who is pregnant.

5. Reviewed the patient’s controlled drug prescription history in the prescription drug monitoring program database established pursuant to s. 893.055.

6. Reviews the medical marijuana use registry and confirmed that the patient does not have an active physician certification from another qualified physician.

7. Registers as the issuer of the physician certification for the named qualified patient on the medical marijuana use registry in an electronic manner determined by the department, and:

a. Enters into the registry the contents of the physician certification, including the patient’s qualifying condition and the dosage not to exceed the daily dose amount determined by the department, the amount and forms of marijuana authorized for the patient, and any types of marijuana delivery devices needed by the patient for the medical use of marijuana.

b. Updates the registry within 7 days after any change is made to the original physician certification to reflect such change.

c. Deactivates the registration of the qualified patient and the patient’s caregiver when the physician no longer recommends the medical use of marijuana for the patient.

8. Obtains the voluntary and informed written consent of the patient for medical use of marijuana each time the qualified physician issues a physician certification for the patient, which shall be maintained in the patient’s medical record. The patient, or the patient’s parent or legal guardian if the patient is a minor, must sign the informed consent acknowledging that the qualified physician has sufficiently explained its content. The qualified physician must use a standardized informed consent form adopted in rule by the Board of Medicine and the Board of Osteopathic Medicine, which must include, at a minimum, information related to:

a. The Federal Government’s classification of marijuana as a Schedule I controlled substance.

b. The approval and oversight status of marijuana by the Food and Drug Administration.

c. The current state of research on the efficacy of marijuana to treat the qualifying conditions set forth in this section.

d. The potential for addiction.

e. The potential effect that marijuana may have on a patient’s coordination, motor skills, and cognition, including a warning against operating heavy machinery, operating a motor vehicle, or engaging in activities that require a person to be alert or respond quickly.

f. The potential side effects of marijuana use, including the negative health risks associated with smoking marijuana.

g. The risks, benefits, and drug interactions of marijuana.

h. That the patient’s deidentified health information contained in the physician certification and medical marijuana use registry may be used for research purposes.

(g) A qualified physician must evaluate an existing qualified patient at least once every 30 weeks before issuing a new physician certification. *A qualified physician who has issued a certification to the patient after conducting an in-person physical examination as defined in subparagraph (a)1. may conduct the evaluation through telehealth as defined in s. 456.47. A physician must:*

1. Determine if the patient still meets the requirements to be issued a physician certification under paragraph (a).

2. Identify and document in the qualified patient’s medical records whether the qualified patient experienced either of the following related to the medical use of marijuana:

a. An adverse drug interaction with any prescription or non-prescription medication; or

b. A reduction in the use of, or dependence on, other types of controlled substances as defined in s. 893.02.

3. Submit a report with the findings required pursuant to subparagraph 2. to the department. The department shall submit such reports to the Consortium for Medical Marijuana Clinical Outcomes Research established pursuant to s. 1004.4351.

(i) The department shall monitor physician registration in the medical marijuana use registry and the issuance of physician certifications for practices that could facilitate unlawful diversion or misuse of marijuana or a marijuana delivery device and shall take disciplinary action as appropriate. *The department may suspend the registration of a qualified physician in the medical marijuana use registry for a period of up to 2 years if the qualified physician:*

1. *Fails to comply with this section; or*

2. *Provides, advertises, or markets telehealth services before July 1, 2023.*

Section 2. (1) *Notwithstanding any provision of s. 381.986(8)(a) 2.b., Florida Statutes, to the contrary, the Department of Health shall, as soon as practicable, license all applicants that applied for licensure during the application window created by the department to accept applications for licensure pursuant to s. 381.986(8)(a)2.b., Florida Statutes, and received:*

(a) *A notice from the department regarding the applicant’s application for licensure indicating the department’s intent to approve or deny the application which did not cite any deficiencies with the application, regardless of the applicant’s final score; or*

(b) *A final determination from the department as a result of a challenge to the application process, initiated pursuant to s. 120.569, Florida Statutes, determining that the applicant met all requirements for licensure pursuant to s. 381.986(8)(a)2.b., Florida Statutes, and applicable rules, regardless of the applicant’s final score.*

(2) *Upon this section becoming a law, the department shall grant each applicant referenced in subsection (1) 90 days to cure, pursuant to the errors and omissions process established in department Form DH8035-OMMU-10/2021 as incorporated by the department in Rule*

64ER21-16, F.A.C., any deficiencies cited in a notice referenced in paragraph (1)(a). If such applicant cures the deficiencies within that 90-day timeframe, the department shall issue a license to the applicant.

(3) If an applicant who was alive at the time he or she received the notice referred to in paragraph (1)(a) dies during the challenge referred to in paragraph (1)(b), the death of the applicant may not be a reason to deny the challenge. In such a case and in the event of a successful challenge pursuant to paragraph (1)(b), the department must issue the license to the estate of the applicant.

(4) The number of licenses made available for issuance under s. 381.986(8)(a)4., Florida Statutes, must be reduced by the number of licenses awarded under this section, except that the number of licenses awarded under this section may not be deducted from the number of licenses available for the application window held between April 24, 2023, and April 28, 2023.

(5) This section shall take effect upon becoming a law.

Section 3. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2023.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to the medical use of marijuana; amending s. 381.986, F.S.; requiring qualified physicians to perform in-person physical patient examinations before issuing initial physician certifications for the medical use of marijuana; authorizing such qualified physicians to perform patient examinations and evaluations through telehealth for renewals of physician certifications for the medical use of marijuana under certain circumstances; defining the term “in-person physical examination”; authorizing the Department of Health to suspend the registration of a qualified physician in the medical marijuana use registry for a specified timeframe under certain circumstances; requiring the department to issue medical marijuana treatment center licenses to certain applicants as soon as practicable; requiring the department to grant certain applicants a specified timeframe to cure cited deficiencies; requiring the department to issue a license to such applicants if the deficiencies are cured within the specified timeframe; requiring the department to issue such licenses to the estate of certain applicants under certain circumstances; requiring a specified number of available licenses to be reduced by the award of such licenses; providing effective dates.

Pursuant to Rule 4.19, **CS for CS for HB 387**, as amended, was placed on the calendar of Bills on Third Reading.

## MOTIONS

## PRAYER

The following prayer was offered by Pastor Kyle Peddie, Corinth Baptist Church, Hosford:

Good morning, Lord. As our Florida Senate is winding down a great session of decision making for our great state, we pause just a moment and thank you for your watchcare over my hometown of Hosford in Liberty County last Thursday. Thank you for your protection of our citizens as the tornado came through town. Thank you for protecting our children at Hosford School. Please be with those folks that lost their homes. Be their strong foundation as they rebuild that which is broken. Most of all, we are thankful for no loss of life. You are still a good, good father even in the midst of tough times.

We are grateful today for the opportunity to call on you on the National Day of Prayer for great discernment as this session is coming to a close. I am personally grateful for our leadership in this great chamber today who have taken the time to listen to the needs of the people they represent. Help us always to remember your word says you set up the governments and institutions of man. Help us always to never forget about your divine presence in this process today. I ask a special blessing upon each Senator, their family, and their home while they are here serving their constituents and serving our state. Please grant them the wisdom and discernment they desire to make those most important decisions regarding laws and the state budget. We are also told in scripture to pray for those in leadership over us, so help us to always be

found faithful in that endeavor. So today, we pray for our President Joe Biden and Vice President Kamala Harris. We pray for our Senators, Rick Scott and Marco Rubio. We pray for our Governor Ron DeSantis and Lieutenant Governor Jeanette Nuñez. We pray for our Speaker of the House, Paul Renner, and we pray for our Senate President, Kathleen Passidomo. Give them the wisdom of your son in making decisions today as they serve the great people of our state and nation in their leadership roles.

Father, we ask for a lot of things every time we pray. You tell us in your word to ask, but I just want to stop and say, "Thank you." Thank you for your love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, and temperance. May we demonstrate this fruit in our daily lives of leadership and citizenship. Thank you for allowing us the breath of life as we acknowledge today that you do not owe us one thing. Bless the Lord, O my soul, and all that is within me bless his holy name—the wonderful matchless name of Jesus, in whose name I pray. Amen.

## PLEDGE

Senate Pages, Daniel Bednar of Boca Raton; Emmie Giles of Pensacola, granddaughter of Senator Broxson; and Reagan Mullins of Tarpon Springs, led the Senate in the Pledge of Allegiance to the flag of the United States of America.

## DOCTOR OF THE DAY

The President recognized Dr. Diane Day of Newberry, sponsored by Senator Perry, as the doctor of the day. Dr. Day specializes in family medicine.

## SPECIAL RECOGNITION

Senator DiCeglie recognized this day as his twenty-first wedding anniversary to his wife, Erica.

Senator Book recognized Senator Polsky who was celebrating her birthday this day.

May 4, 2023

Dear President Passidomo:

The following executive appointment was referred to the Senate Committee on Governmental Oversight and Accountability and the Senate Committee on Ethics and Elections for action pursuant to Rule 12.7 of the Rules of the Florida Senate:

### Office and Appointment

Director and Chief Judge, Division of Administrative Hearings

Appointee: Newman, Brian

For Term  
Ending

Pleasure of  
Admin  
Commission

As required by Rule 12.7, the committees conducted an inquiry into the qualifications, experience, and general suitability of the above-named appointee for appointment to the office indicated. In aid of such inquiry, the committees held public hearings which members of the public were invited to attend and to offer evidence concerning the qualifications, experience, and general suitability of the appointee. After due consideration of the findings of such inquiry and the evidence adduced at the public hearings, the referenced committees respectfully advise and recommend that in accordance with s. 114.05(1)(c), F.S.:

(1) the executive appointment of the above-named appointee, to the office and for the term indicated, be confirmed by the Senate;

(2) Senate action on said appointment be taken prior to the adjournment of the 2023 Regular Session; and

(3) there is no necessity known to the committees for the deliberations on said appointment to be held in executive session.

Respectfully submitted,  
Danny Burgess, Chair

On motion by Senator Burgess, the report was adopted and the Senate confirmed the appointment identified in the foregoing report of the committee to the office and for the term indicated in accordance with the recommendation of the committee.

## MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Kathleen Passidomo, President

I am directed to inform the Senate that the House of Representatives has passed CS/CS/SB 230, with 1 amendment, and requests the concurrence of the Senate.

Jeff Takacs, Clerk

**CS for CS for SB 230**—A bill to be entitled An act relating to health care practitioner titles and designations; creating s. 456.0651, F.S.; defining terms; providing that, for specified purposes, the use of specified titles or designations in connection with one's name constitutes the practice of medicine or the practice of osteopathic medicine; providing exceptions; amending s. 456.072, F.S.; revising grounds for disciplinary action relating to a practitioner's use of such titles or designations in identifying himself or herself to patients or in advertisements for health care services; revising applicability; requiring certain health care practitioners to prominently display a copy of their license in a conspicuous area of their practice; requiring that the copy of the license be a specified size; requiring such health care practitioners to also verbally identify themselves in a specified manner to new patients; requiring, rather than authorizing, certain boards, or the Department of Health if there is no board, to adopt certain rules; providing an effective date.

**House Amendment 1 (699797)**—Between lines 157 and 158, insert:

*(g) An optometrist licensed under chapter 463 may use the following titles and abbreviations as applicable to his or her license, specialty, and certification: "doctor of optometry," "optometric physician," and other titles or abbreviations authorized under his or her practice act.*

On motion by Senator Harrell, the Senate refused to concur in **House Amendment 1 (699797)** to **CS for CS for SB 230** and the House was requested to recede. The action of the Senate was certified to the House.

The Honorable Kathleen Passidomo, President

I am directed to inform the Senate that the House of Representatives has passed CS/SB 254, with 1 amendment (256341), and requests the concurrence of the Senate.

Jeff Takacs, Clerk

**CS for SB 254**—A bill to be entitled An act relating to treatments for sex reassignment; amending s. 61.517, F.S.; granting courts of this state temporary emergency jurisdiction over a child present in this state if the child has been subjected to or is threatened with being subjected to sex-reassignment prescriptions or procedures; amending s. 61.534, F.S.; providing that, for purposes of warrants to take physical custody of a child in certain child custody enforcement proceedings, serious physical harm to the child includes, but is not limited to, being subjected to sex-reassignment prescriptions or procedures; creating s. 286.31, F.S.; defining the term "governmental entity"; prohibiting certain public entities from expending state funds for the provision of sex-reassignment prescriptions or procedures; amending s. 395.003, F.S.; requiring certain licensed facilities, by a specified date and as a condition of licensure thereafter, to provide a signed attestation of specified information to the Agency for Health Care Administration; requiring the agency to revoke a facility's license for failure to provide such attestation, subject to the due process procedures of ch. 120, F.S.; amending s. 456.001, F.S.; defining the terms "sex" and "sex-reassignment prescriptions or procedures"; creating s. 456.52, F.S.; prohibiting sex-reassignment prescriptions and procedures for patients younger than 18 years of age; providing an exception; requiring the Board of Medicine and the Board of Osteopathic Medicine to adopt certain emergency rules within a specified timeframe; requiring that such prescriptions and procedures for patients older than 18 years of age be prescribed, administered, or performed only with the voluntary and informed consent of the patient;

providing criteria for what constitutes voluntary and informed consent; providing that only a physician may prescribe, administer, or perform such prescriptions and procedures; defining the term "physician"; providing applicability; providing for disciplinary action; providing criminal penalties; requiring the Board of Medicine and the Board of Osteopathic Medicine to adopt certain emergency rules; providing that such emergency rules remain in effect until they are replaced by non-emergency rules; amending s. 456.074, F.S.; requiring the department to immediately suspend the license of a health care practitioner who is arrested for committing or attempting, soliciting, or conspiring to commit specified violations related to sex-reassignment prescriptions or procedures for a patient younger than 18 years of age; amending ss. 458.328 and 459.0138, F.S.; requiring registered physicians' offices to provide a signed attestation of specified information to the department by a specified date; beginning on a specified date, requiring physicians' offices seeking such registration to provide the signed attestation as a condition of registration; providing grounds for disciplinary action; creating s. 766.318, F.S.; creating a cause of action to recover damages for personal injury or death resulting from the provision of sex-reassignment prescriptions or procedures to a minor; providing that certain limitations on punitive damages do not apply to such actions; specifying the timeframe within which such actions may be commenced; providing construction and applicability; providing severability; providing a directive to the Division of Law Revision; providing an effective date.

**House Amendment 1 (256341) (with title amendment)**—Remove lines 83-370 and insert: *being subjected to gender clinical interventions, as defined in s. 456.52(1).*

Section 2. Subsection (1) of section 61.534, Florida Statutes, is amended to read:

61.534 Warrant to take physical custody of child.—

(1) Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of a warrant to take physical custody of the child if the child is likely to imminently suffer serious physical harm or removal from this state. *Serious physical harm includes, but is not limited to, being subjected to gender clinical interventions, as defined in s. 456.52(1).*

Section 3. Section 381.991, Florida Statutes, is created to read:

*381.991 Public expenditures for gender clinical interventions; prohibition.—A state agency, political subdivision, public postsecondary institution as defined in 1000.04, or person providing services to or on behalf of any such agency, subdivision, or institution by contract or other agreement or relationship, may not expend funds to provide or reimburse for gender clinical interventions as defined in s. 456.52(1).*

Section 4. Paragraph (f) is added subsection (1) of section 382.016, Florida Statutes, read:

382.016 Amendment of records.—The department, upon receipt of the fee prescribed in s. 382.0255; documentary evidence, as specified by rule, of any misstatement, error, or omission occurring in any birth, death, or fetal death record; and an affidavit setting forth the changes to be made, shall amend or replace the original certificate as necessary.

(1) CERTIFICATE OF LIVE BIRTH AMENDMENT.—

*(f) The sex recorded on a birth certificate must be the person's biological sex at birth. The sex recorded on the birth certificate may only be changed in the case of a scrivener's error or in the case of a person born with external biological sex characteristics that were unresolvably ambiguous at the time of birth. The sex recorded on a birth certificate may not be changed for the purpose of affirming a person's perception of his or her sex if that perception is inconsistent with the person's sex at birth. The department may change the sex recorded on a birth certificate under this paragraph upon the written request of a health care practitioner, as defined in s. 456.001, stating and providing evidence establishing the basis for the correction. Misrepresenting or providing fraudulent evidence in such a request is grounds for disciplinary action under s. 456.072 and any applicable practice act.*

Section 5. Paragraphs (c) through (gg) of subsection (5) of section 456.074, Florida Statutes, are redesignated as paragraphs (d) through

(hh), respectively, and a new paragraph (c) is added to that subsection, to read:

456.074 Certain health care practitioners; immediate suspension of license.—

(5) The department shall issue an emergency order suspending the license of any health care practitioner who is arrested for committing or attempting, soliciting, or conspiring to commit any act that would constitute a violation of any of the following criminal offenses in this state or similar offenses in another jurisdiction:

(c) Section 456.52(6), relating to providing gender clinical interventions to a minor.

Section 6. Section 456.52, Florida Statutes, is created to read:

456.52 Prohibition on gender clinical interventions for minors; physician requirements.—

(1) For the purposes of this section, “gender clinical interventions” means procedures or therapies that alter internal or external physical traits for the purpose of affirming a person’s perception of his or her sex if that perception is inconsistent with the person’s sex at birth.

(a) The term includes, but is not limited to:

1. Sex reassignment surgeries or any other surgical procedures that alter primary or secondary sexual characteristics.

2. Puberty blocking, hormone, and hormone antagonistic therapies.

(b) The term does not include:

1. Treatment provided by a physician who, in his or her good faith clinical judgment, performs procedures upon, or provides therapies to, a minor born with a medically verifiable genetic disorder of sexual development, including the following:

a. External biological sex characteristics that are unresolvably ambiguous.

b. A disorder of sexual development, in which the physician has determined through genetic or biochemical testing that the minor does not have normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or female.

2. Treatment of any infection, injury, disease, or disorder caused or exacerbated by the performance of gender clinical interventions regardless of whether such interventions were performed in accordance with state or federal law.

(2)(a) Gender clinical interventions may only be provided by a physician licensed under chapter 458 or chapter 459 or a physician practicing medicine or osteopathic medicine in the employment of the Federal Government.

(b) A physician may not provide gender clinical interventions to a minor, except that a minor who was prescribed gender clinical interventions described in (1)(a)2. on or before January 1, 2023, and continuously received such therapies through July 1, 2023, may continue to receive such therapies through December 31, 2023, solely for the purpose of gradual discontinuation of such therapies.

(3) Notwithstanding ss. 458.320(5) and 459.0085(5), a physician who provides gender clinical interventions for adults must obtain and maintain professional liability coverage in the amounts established in ss. 458.320(2)(b) and 459.0085(2)(b), as applicable.

(4)(a) A physician must, while physically present in the same room as an adult patient, obtain informed written consent from the patient each time the physician provides gender clinical interventions. The physician must sign the consent and maintain the consent in the medical record. The patient must sign the informed consent acknowledging that the physician has sufficiently explained its content. The physician must use an informed consent form adopted in rule by the Board of Medicine and the Board of Osteopathic Medicine, which must include, at a minimum, information related to the current state of research of:

1. The long-term and short-term effects of gender clinical interventions.

2. The impact of gender clinical interventions on physical and mental health.

(b) The Board of Medicine and the Board of Osteopathic Medicine, as applicable, shall adopt emergency rules to implement this section.

(c) Any emergency rules adopted under this section are exempt from s. 120.54(4)(c) and shall remain in effect until replaced by rules adopted under the nonemergency rulemaking procedures of the Administrative Procedure Act.

(5) A board, or the department if there is no board, must revoke the license of a health care practitioner if the board, or the department if there is no board, determines that the health care practitioner violated this section.

(6)(a) A health care practitioner who willfully or actively participates in a violation of (2)(b) commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) A health care practitioner who willfully or actively participates in a violation of (4)(a) commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Section 7. Section 627.6411, Florida Statutes, is created to read:

627.6411 Coverage of certain treatment.—A health insurance policy may not provide coverage for gender clinical interventions as defined in s. 456.52(1).

Section 8. Subsection (48) is added to section 641.31, Florida Statutes, to read:

641.31 Health maintenance contracts.—

(48) A health maintenance contract may not include coverage for gender clinical interventions as defined in s. 456.52(1).

Section 9. Section 766.318, Florida Statutes, is created to read:

766.318 Gender clinical interventions; liability.—

(1) A physician who provides gender clinical interventions, as defined in s. 456.52, to a person is liable to the person for any physical, psychological, emotional, or physiological injury resulting from the gender clinical intervention.

(2) A person who receives a gender clinical intervention from a physician may bring a civil action against such practitioner in a court of competent jurisdiction for:

(a) Declaratory or injunctive relief.

(b) Economic damages.

(c) Noneconomic damages.

(d) Punitive damages.

(e) Attorney fees and costs.

(3) In an action brought under this section, the limitations on punitive damages in s. 768.73, or any other provision of law that seeks to limit punitive damages, do not apply.

(4) The estate of, or a legal guardian on behalf of, a person who received a gender clinical intervention from a physician, when the death of that person was caused by such gender clinical intervention, may bring a civil action against such practitioner in a court of competent jurisdiction for all of the following:

(a) All remedies available under subsection (2).

(b) All remedies available under s. 766.102.

(c) Treble damages.

(5) *Notwithstanding s. 95.11, an action brought under subsection (2) must be commenced within 20 years after the date of the gender clinical interventions.*

(6) *An action brought under subsection (4) must be commenced within 5 years after the date of the person's death or the discovery of the person's death, whichever is later.*

Section 10. *If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.*

And the title is amended as follows:

Remove lines 6-67 and insert: to or is threatened with being subjected to gender clinical interventions; amending s. 61.534, F.S.; providing that, for purposes of warrants to take physical custody of a child in certain child custody enforcement proceedings, serious physical harm to the child includes, but is not limited to, being subjected to gender clinical interventions; creating s. 381.991, F.S.; prohibiting certain persons and entities from expending funds for reimbursement for specified clinical interventions; amending s. 382.016, F.S.; prohibiting a person's biological sex from being changed on a birth certificate; providing an exception; providing for disciplinary actions; amending s. 456.074, F.S.; requiring the department to immediately suspend the license of a health care practitioner who is arrested for committing or attempting, soliciting, or conspiring to commit specified violations related to gender clinical interventions for a minor; creating s. 456.52, F.S.; providing a definition for the term "gender clinical interventions"; prohibiting gender clinical interventions for minors; providing exceptions; requiring a physician to maintain specified professional liability coverage; requiring a physician to obtain informed written consent from a patient under certain circumstances; providing requirements for the informed consent form; authorizing certain persons to refuse to participate in gender clinical interventions; providing liability and penalties; creating s. 627.6411, F.S.; prohibiting a health insurance policy from providing coverage for gender clinical interventions; amending s. 641.31, F.S.; prohibiting a health maintenance contract from including coverage for gender clinical interventions; creating s. 766.318, F.S.; providing for physician liability; providing penalties for injuries and wrongful death caused by gender clinical interventions; authorizing the award of specified damages and attorney fees and costs; providing statute of limitations periods; providing severability; providing

Senator Yarborough moved the following amendment to **House Amendment 1 (256341)** which was adopted:

**Senate Amendment 1 (738500) (with title amendment) to House Amendment 1 (256341)**—Delete lines 5-197 and insert: *being subjected to sex-reassignment prescriptions or procedures, as defined in s. 456.001.*

Section 2. Subsection (1) of section 61.534, Florida Statutes, is amended to read:

61.534 Warrant to take physical custody of child.—

(1) Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of a warrant to take physical custody of the child if the child is likely to imminently suffer serious physical harm or removal from this state. *Serious physical harm includes, but is not limited to, being subjected to sex-reassignment prescriptions or procedures as defined in s. 456.001.*

Section 3. Section 286.31, Florida Statutes, is created to read:

286.31 *Prohibited use of state funds.—*

(1) *As used in this section, the term "governmental entity" means the state or any political subdivision thereof, including the executive, legislative, and judicial branches of government; the independent establishments of the state, counties, municipalities, districts, authorities, boards, or commissions; and any agencies that are subject to chapter 286.*

(2) *A governmental entity, a public postsecondary educational institution as described in s. 1000.04, the state group health insurance*

*program, a managing entity as defined in s. 394.9082, or a managed care plan providing services under part IV of chapter 409 may not expend state funds as described in s. 215.31 for sex-reassignment prescriptions or procedures as defined in s. 456.001.*

Section 4. Subsections (8) and (9) are added to section 456.001, Florida Statutes, to read:

456.001 Definitions.—As used in this chapter, the term:

(8) *"Sex" means the classification of a person as either male or female based on the organization of the human body of such person for a specific reproductive role, as indicated by the person's sex chromosomes, naturally occurring sex hormones, and internal and external genitalia present at birth.*

(9)(a) *"Sex-reassignment prescriptions or procedures" means:*

1. *The prescription or administration of puberty blockers for the purpose of attempting to stop or delay normal puberty in order to affirm a person's perception of his or her sex if that perception is inconsistent with the person's sex as defined in subsection (8).*

2. *The prescription or administration of hormones or hormone antagonists to affirm a person's perception of his or her sex if that perception is inconsistent with the person's sex as defined in subsection (8).*

3. *Any medical procedure, including a surgical procedure, to affirm a person's perception of his or her sex if that perception is inconsistent with the person's sex as defined in subsection (8).*

(b) *The term does not include:*

1. *Treatment provided by a physician who, in his or her good faith clinical judgment, performs procedures upon or provides therapies to a minor born with a medically verifiable genetic disorder of sexual development, including any of the following:*

a. *External biological sex characteristics that are unresolvably ambiguous.*

b. *A disorder of sexual development in which the physician has determined through genetic or biochemical testing that the patient does not have a normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or female, as applicable.*

2. *Prescriptions or procedures to treat an infection, an injury, a disease, or a disorder that has been caused or exacerbated by the performance of any sex-reassignment prescription or procedure, regardless of whether such prescription or procedure was performed in accordance with state or federal law.*

3. *Prescriptions or procedures provided to a patient for the treatment of a physical disorder, physical injury, or physical illness that would, as certified by a physician licensed under chapter 458 or chapter 459, place the individual in imminent danger of death or impairment of a major bodily function without the prescription or procedure.*

Section 5. Section 456.52, Florida Statutes, is created to read:

456.52 *Sex-reassignment prescriptions and procedures; prohibitions; informed consent.—*

(1) *Sex-reassignment prescriptions and procedures are prohibited for patients younger than 18 years of age, except that:*

(a) *The Board of Medicine and the Board of Osteopathic Medicine shall, within 60 days after the effective date of this act, adopt emergency rules pertaining to standards of practice under which a patient younger than 18 years of age may continue to be treated with a prescription consistent with those referenced under s. 456.001(9)(a)1. or 2. if such treatment for sex reassignment was commenced before, and is still active on, the effective date of this act. In developing rules under this paragraph, the boards shall consider requirements for physicians to obtain informed consent from such patient's parent or legal guardian, consistent with the parameters of informed consent under subsections (2) and (4), for such prescription treatment, and shall consider the provision of professional counseling services for such patient by a board-certified psychiatrist licensed under chapter 458 or chapter 459 or a psychologist*

licensed under chapter 490 in conjunction with such prescription treatment.

(b) A patient meeting the criteria of paragraph (a) may continue to be treated by a physician with such prescriptions according to rules adopted under paragraph (a) or nonemergency rules adopted under paragraph (6)(b).

(2) If sex-reassignment prescriptions or procedures are prescribed for or administered or performed on patients 18 years of age or older, consent must be voluntary, informed, and in writing on forms adopted in rule by the Board of Medicine and the Board of Osteopathic Medicine. Consent to sex-reassignment prescriptions or procedures is voluntary and informed only if the physician who is to prescribe or administer the pharmaceutical product or perform the procedure has, at a minimum, while physically present in the same room:

(a) Informed the patient of the nature and risks of the prescription or procedure in order for the patient to make a prudent decision;

(b) Provided the informed consent form, as adopted in rule by the Board of Medicine and the Board of Osteopathic Medicine, to the patient; and

(c) Received the patient's written acknowledgment, before the prescription or procedure is prescribed, administered, or performed, that the information required to be provided under this subsection has been provided.

(3) Sex-reassignment prescriptions or procedures may not be prescribed, administered, or performed except by a physician. For the purposes of this section, the term "physician" is defined as a physician licensed under chapter 458 or chapter 459 or a physician practicing medicine or osteopathic medicine in the employment of the Federal Government.

(4) Consent required under subsection (2) does not apply to renewals of prescriptions consistent with those referenced under s. 456.001(9)(a)1. and 2. if a physician and his or her patient have met the requirements for consent for the initial prescription or renewal. However, separate consent is required for any new prescription for a pharmaceutical product not previously prescribed to the patient.

(5)(a) Violation of this section constitutes grounds for disciplinary action under this chapter and chapter 458 or chapter 459, as applicable.

(b) Any health care practitioner who willfully or actively participates in a violation of subsection (1) commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(c) Any health care practitioner who violates subsection (2), subsection (3), or subsection (4) commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6)(a) The Board of Medicine and the Board of Osteopathic Medicine shall adopt emergency rules to implement this section.

(b) Any emergency rules adopted under this section are exempt from s. 120.54(4)(c) and shall remain in effect until replaced by rules adopted under the nonemergency rulemaking procedures of the Administrative Procedure Act.

Section 6. Present paragraphs (c) through (gg) of subsection (5) of section 456.074, Florida Statutes, are redesignated as paragraphs (d) through (hh), respectively, and a new paragraph (c) is added to that subsection, to read:

456.074 Certain health care practitioners; immediate suspension of license.—

(5) The department shall issue an emergency order suspending the license of any health care practitioner who is arrested for committing or attempting, soliciting, or conspiring to commit any act that would constitute a violation of any of the following criminal offenses in this state or similar offenses in another jurisdiction:

(c) Section 456.52(5)(b), relating to prescribing, administering, or performing sex-reassignment prescriptions or procedures for a patient younger than 18 years of age.

Section 7. Section 766.318, Florida Statutes, is created to read:

766.318 Civil liability for provision of sex-reassignment prescriptions or procedures to minors.—

(1) A cause of action exists to recover damages for personal injury or death resulting from the provision of sex-reassignment prescriptions or procedures, as defined in s. 456.001, to a person younger than 18 years of age which are prohibited by s. 456.52(1).

(2) The limitations on punitive damages in s. 768.73(1) do not apply to actions brought under this section.

(3) An action brought under this section:

(a) May be commenced within 20 years after the cessation or completion of the sex-reassignment prescription or procedure.

(b) Is in addition to any other remedy authorized by law.

(4) The cause of action created by this section does not apply to:

(a) Treatment with sex-reassignment prescriptions if such treatment is consistent with s. 456.001(9)(a)1. or 2. and was commenced on or before, and is still active on, the effective date of this act.

(b) Sex-reassignment prescriptions or procedures that were ceased or completed on or before the effective date of this act.

Section 8. If any provision of this act or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Section 9. The Division of Law Revision is directed to replace the phrase "the effective date of this act" wherever it occurs in this act with the date this act becomes a law.

And the title is amended as follows:

Delete lines 202-241 and insert: to or is threatened with being subjected to sex-reassignment prescriptions or procedures; amending s. 61.534, F.S.; providing that, for purposes of warrants to take physical custody of a child in certain child custody enforcement proceedings, serious physical harm to the child includes, but is not limited to, being subjected to sex-reassignment prescriptions or procedures; creating s. 286.31, F.S.; defining the term "governmental entity"; prohibiting certain public entities from expending state funds for the provision of sex-reassignment prescriptions or procedures; amending s. 456.001, F.S.; defining the terms "sex" and "sex-reassignment prescriptions or procedures"; creating s. 456.52, F.S.; prohibiting sex-reassignment prescriptions and procedures for patients younger than 18 years of age; providing an exception; requiring the Board of Medicine and the Board of Osteopathic Medicine to adopt certain emergency rules within a specified timeframe; requiring the boards to consider specified factors in developing such rules; requiring that such prescriptions and procedures for patients older than 18 years of age be prescribed, administered, or performed only with the voluntary and informed consent of the patient; providing criteria for what constitutes voluntary and informed consent; providing that only a physician may prescribe, administer, or perform such prescriptions and procedures; defining the term "physician"; providing applicability; providing for disciplinary action; providing criminal penalties; requiring the Board of Medicine and the Board of Osteopathic Medicine to adopt certain emergency rules; providing that such emergency rules remain in effect until they are replaced by non-emergency rules; amending s. 456.074, F.S.; requiring the department to immediately suspend the license of a health care practitioner who is arrested for committing or attempting, soliciting, or conspiring to commit specified violations related to sex-reassignment prescriptions or procedures for a patient younger than 18 years of age; creating s. 766.318, F.S.; creating a cause of action to recover damages for personal injury or death resulting from the provision of sex-reassignment prescriptions or procedures to a minor; providing that certain limitations on punitive damages do not apply to such actions; specifying the timeframe within which such actions may be commenced; providing construction and applicability; providing severability; providing a directive to the Division of Law Revision;

—a companion measure, was substituted for **CS for SB 7062** and read the second time by title.

Senator Ingolia moved the following amendment:

**Amendment 1 (641882) (with title amendment)**—Delete everything after the enacting clause and insert:

Section 1. Paragraph (r) of subsection (1) of section 125.01, Florida Statutes, is amended to read:

125.01 Powers and duties.—

(1) The legislative and governing body of a county shall have the power to carry on county government. To the extent not inconsistent with general or special law, this power includes, but is not restricted to, the power to:

(r) Levy and collect taxes, both for county purposes and for the providing of municipal services within any municipal service taxing unit, and special assessments; borrow and expend money; and issue bonds, revenue certificates, and other obligations of indebtedness, which power shall be exercised in such manner, and subject to such limitations, as may be provided by general law. There shall be no referendum required for the levy by a county of ad valorem taxes, both for county purposes and for the providing of municipal services within any municipal service taxing unit.

1. Notwithstanding any other provision of law, a county may not levy special assessments ~~for the provision of fire protection services~~ on lands classified as agricultural lands under s. 193.461 unless the revenue from such assessments has been pledged for debt service and is necessary to meet obligations of bonds or certificates issued by the county which remain outstanding on July 1, 2023, including refundings thereof for debt service savings where the maturity of the debt is not extended. For bonds or certificates issued after July 1, 2023, special assessments securing such bonds may not be levied on lands classified as agricultural under s. 193.461.

2. The provisions of subparagraph 1. do not apply to residential structures and their curtilage ~~land contains a residential dwelling or nonresidential farm building, with the exception of an agricultural pole barn, provided the nonresidential farm building exceeds a just value of \$10,000. Such special assessments must be based solely on the special benefit accruing to that portion of the land consisting of the residential dwelling and curtilage, and qualifying nonresidential farm buildings. As used in this paragraph, the term “agricultural pole barn” means a nonresidential farm building in which 70 percent or more of the perimeter walls are permanently open and allow free ingress and egress.~~

Section 2. Paragraphs (d), (l), (m), and (n) of subsection (3), subsection (4), paragraph (c) of subsection (5), and subsection (6) of section 125.0104, Florida Statutes, are amended to read:

125.0104 Tourist development tax; procedure for levying; authorized uses; referendum; enforcement.—

(3) TAXABLE PRIVILEGES; EXEMPTIONS; LEVY; RATE.—

(d) In addition to any 1-percent or 2-percent tax imposed under paragraph (c), the governing board of the county may levy, impose, and set an additional 1 percent of each dollar above the tax rate set under paragraph (c) ~~by the extraordinary vote of the governing board~~ for the purposes set forth in subsection (5) ~~or by referendum of approval by the registered electors within the county or subcounty special district pursuant to subsection (6). A No county may not shall~~ levy, impose, and set the tax authorized under this paragraph unless the county has imposed the 1-percent or 2-percent tax authorized under paragraph (c) for a minimum of 3 years ~~before prior to~~ the effective date of the levy and imposition of the tax authorized by this paragraph. Revenues raised by the additional tax authorized under this paragraph ~~may shall~~ not be used for debt service on or refinancing of existing facilities as specified in subparagraph (5)(a)1. unless approved by ~~resolution adopted by an extraordinary majority of the total membership of the governing board of the county.~~ *referendum pursuant to subsection (6) a resolution adopted by an extraordinary majority of the total membership of the governing board of the county.* If the 1-percent

or 2-percent tax authorized in paragraph (c) is levied within a subcounty special taxing district, the additional tax authorized in this paragraph shall only be levied therein. The provisions of paragraphs (4)(a)-(d) shall not apply to the adoption of the additional tax authorized in this paragraph. The effective date of the levy and imposition of the tax authorized under this paragraph ~~is shall be~~ the first day of the second month following approval of the ordinance by ~~referendum the governing board~~ or the first day of any subsequent month ~~as may be~~ specified in the ordinance. A certified copy of such ordinance shall be furnished by the county to the Department of Revenue within 10 days after approval of such ordinance.

(l) In addition to any other tax which is imposed pursuant to this section, a county may impose up to an additional 1-percent tax on the exercise of the privilege described in paragraph (a) by *ordinance approved by referendum pursuant to subsection (6)* ~~majority vote of the governing board of the county in order to:~~

1. Pay the debt service on bonds issued to finance the construction, reconstruction, or renovation of a professional sports franchise facility, or the acquisition, construction, reconstruction, or renovation of a retained spring training franchise facility, either publicly owned and operated, or publicly owned and operated by the owner of a professional sports franchise or other lessee with sufficient expertise or financial capability to operate such facility, and to pay the planning and design costs incurred prior to the issuance of such bonds.

2. Pay the debt service on bonds issued to finance the construction, reconstruction, or renovation of a convention center, and to pay the planning and design costs incurred prior to the issuance of such bonds.

3. Pay the operation and maintenance costs of a convention center for a period of up to 10 years. Only counties that have elected to levy the tax for the purposes authorized in subparagraph 2. may use the tax for the purposes enumerated in this subparagraph. Any county that elects to levy the tax for the purposes authorized in subparagraph 2. after July 1, 2000, may use the proceeds of the tax to pay the operation and maintenance costs of a convention center for the life of the bonds.

4. Promote and advertise tourism in the State of Florida and nationally and internationally; however, if tax revenues are expended for an activity, service, venue, or event, the activity, service, venue, or event shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue, or event to tourists.

The provision of paragraph (b) which prohibits any county authorized to levy a convention development tax pursuant to s. 212.0305 from levying more than the 2-percent tax authorized by this section, and the provisions of paragraphs (4)(a)-(d), shall not apply to the additional tax authorized in this paragraph. The effective date of the levy and imposition of the tax authorized under this paragraph ~~is shall be~~ the first day of the second month following approval of the ordinance by ~~referendum the governing board~~ or the first day of any subsequent month ~~as may be~~ specified in the ordinance. A certified copy of such ordinance shall be furnished by the county to the Department of Revenue within 10 days after approval of such ordinance.

(m)1. In addition to any other tax which is imposed pursuant to this section, a high tourism impact county may impose an additional 1-percent tax on the exercise of the privilege described in paragraph (a) by *ordinance approved by referendum pursuant to subsection (6)* ~~extraordinary vote of the governing board of the county~~. The tax revenues received pursuant to this paragraph shall be used for one or more of the authorized uses pursuant to subsection (5).

2. A county is considered to be a high tourism impact county after the Department of Revenue has certified to such county that the sales subject to the tax levied pursuant to this section exceeded \$600 million during the previous calendar year, or were at least 18 percent of the county's total taxable sales under chapter 212 where the sales subject to the tax levied pursuant to this section were a minimum of \$200 million, except that no county authorized to levy a convention development tax pursuant to s. 212.0305 shall be considered a high tourism impact county. Once a county qualifies as a high tourism impact county, it shall retain this designation for the period the tax is levied pursuant to this paragraph.

3. The provisions of paragraphs (4)(a)-(d) shall not apply to the adoption of the additional tax authorized in this paragraph. The effective date of the levy and imposition of the tax authorized under this paragraph ~~is shall be~~ the first day of the second month following approval of the ordinance by ~~referendum the governing board~~ or the first day of any subsequent month ~~as may be~~ specified in the ordinance. A certified copy of such ordinance shall be furnished by the county to the Department of Revenue within 10 days after approval of such ordinance.

(n) In addition to any other tax that is imposed under this section, a county that has imposed the tax under paragraph (l) may impose an additional tax that is no greater than 1 percent on the exercise of the privilege described in paragraph (a) by *ordinance approved by referendum pursuant to subsection (6)* ~~a majority plus one vote of the membership of the board of county commissioners in order to:~~

1. Pay the debt service on bonds issued to finance:

a. The construction, reconstruction, or renovation of a facility either publicly owned and operated, or publicly owned and operated by the owner of a professional sports franchise or other lessee with sufficient expertise or financial capability to operate such facility, and to pay the planning and design costs incurred prior to the issuance of such bonds for a new professional sports franchise as defined in s. 288.1162.

b. The acquisition, construction, reconstruction, or renovation of a facility either publicly owned and operated, or publicly owned and operated by the owner of a professional sports franchise or other lessee with sufficient expertise or financial capability to operate such facility, and to pay the planning and design costs incurred prior to the issuance of such bonds for a retained spring training franchise.

2. Promote and advertise tourism in the State of Florida and nationally and internationally; however, if tax revenues are expended for an activity, service, venue, or event, the activity, service, venue, or event shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue, or event to tourists.

A county that imposes the tax authorized in this paragraph may not expend any ad valorem tax revenues for the acquisition, construction, reconstruction, or renovation of a facility for which tax revenues are used pursuant to subparagraph 1. The provision of paragraph (b) which prohibits any county authorized to levy a convention development tax pursuant to s. 212.0305 from levying more than the 2-percent tax authorized by this section shall not apply to the additional tax authorized by this paragraph in counties which levy convention development taxes pursuant to s. 212.0305(4)(a). Subsection (4) does not apply to the adoption of the additional tax authorized in this paragraph. The effective date of the levy and imposition of the tax authorized under this paragraph is the first day of the second month following approval of the ordinance by ~~referendum the board of county commissioners~~ or the first day of any subsequent month specified in the ordinance. A certified copy of such ordinance shall be furnished by the county to the Department of Revenue within 10 days after approval of the ordinance.

(4) ORDINANCE LEVY TAX; PROCEDURE.—

(a) The tourist development tax shall be levied and imposed pursuant to an ordinance containing the county tourist development plan prescribed under paragraph (c), enacted by the governing board of the county. The ordinance levying and imposing the tourist development tax shall not be effective unless the electors of the county or the electors in the subcounty special district in which the tax is to be levied approve the ordinance authorizing the levy and imposition of the tax, in accordance with subsection (6). The effective date of the levy and imposition of the tax ~~is shall be~~ the first day of the second month following approval of the ordinance by referendum, ~~as prescribed in subsection (6)~~, or the first day of any subsequent month ~~as may be~~ specified in the ordinance. A certified copy of the ordinance shall be furnished by the county to the Department of Revenue within 10 days after approval of such ordinance. The governing authority of any county levying such tax shall notify the department, within 10 days after approval of the ordinance by referendum, of the time period during which the tax will be levied.

(b) At least 60 days ~~before~~ prior to the enactment or renewal of the ordinance levying the tax, the governing board of the county shall adopt a resolution establishing and appointing the members of the county tourist development council, as prescribed in paragraph (e), and indicating the intention of the county to consider the enactment or renewal of an ordinance levying and imposing the tourist development tax.

(c) ~~Before a referendum to enact or renew~~ Prior to enactment of the ordinance levying and imposing the tax, the county tourist development council shall prepare and submit to the governing board of the county for its approval a plan for tourist development. The plan shall set forth the anticipated net tourist development tax revenue to be derived by the county for the 24 months following the levy of the tax; the tax district in which the enactment or renewal of the ordinance levying and imposing the tourist development tax is proposed; and a list, in the order of priority, of the proposed uses of the tax revenue by specific project or special use as the same are authorized under subsection (5). The plan shall include the approximate cost or expense allocation for each specific project or special use.

(d) The governing board of the county shall adopt the county plan for tourist development as part of the ordinance levying the tax. After enactment or renewal of the ordinance levying and imposing the tax, the plan of tourist development may not be substantially amended except by ordinance enacted by an affirmative vote of a majority plus one additional member of the governing board.

(e) The governing board of each county which levies and imposes a tourist development tax under this section shall appoint an advisory council to be known as the “~~\_\_\_\_\_~~ (name of county) Tourist Development Council.” The council shall be established by ordinance and composed of nine members who shall be appointed by the governing board. The chair of the governing board of the county or any other member of the governing board as designated by the chair shall serve on the council. Two members of the council shall be elected municipal officials, at least one of whom shall be from the most populous municipality in the county or subcounty special taxing district in which the tax is levied. Six members of the council shall be persons who are involved in the tourist industry and who have demonstrated an interest in tourist development, of which members, not less than three nor more than four shall be owners or operators of motels, hotels, recreational vehicle parks, or other tourist accommodations in the county and subject to the tax. All members of the council shall be electors of the county. The governing board of the county shall have the option of designating the chair of the council or allowing the council to elect a chair. The chair shall be appointed or elected annually and may be reelected or reappointed. The members of the council shall serve for staggered terms of 4 years. The terms of office of the original members shall be prescribed in the resolution required under paragraph (b). The council shall meet at least once each quarter and, from time to time, shall make recommendations to the county governing board for the effective operation of the special projects or for uses of the tourist development tax revenue and perform such other duties as may be prescribed by county ordinance or resolution. The council shall continuously review expenditures of revenues from the tourist development trust fund and shall receive, at least quarterly, expenditure reports from the county governing board or its designee. Expenditures which the council believes to be unauthorized shall be reported to the county governing board and the Department of Revenue. The governing board and the department shall review the findings of the council and take appropriate administrative or judicial action to ensure compliance with this section. The changes in the composition of the membership of the tourist development council mandated by chapter 86-4, Laws of Florida, and this act shall not cause the interruption of the current term of any person who is a member of a council on October 1, 1996.

(5) AUTHORIZED USES OF REVENUE.—

(c) A county located adjacent to the Gulf of Mexico or the Atlantic Ocean, except a county that receives revenue from taxes levied pursuant to s. 125.0108, which meets the following criteria may use up to 10 percent of the tax revenue received pursuant to this section to reimburse expenses incurred in providing public safety services, including emergency medical services as defined in s. 401.107(3), and law enforcement services, which are needed to address impacts related to increased tourism and visitors to an area. However, if taxes collected pursuant to this section are used to reimburse emergency medical

services or public safety services for tourism or special events, the governing board of a county or municipality may not use such taxes to supplant the normal operating expenses of an emergency medical services department, a fire department, a sheriff's office, or a police department. To receive reimbursement, the county must:

1.a. Generate a minimum of \$10 million in annual proceeds from any tax, or any combination of taxes, authorized to be levied pursuant to this section;

~~b.2.~~ Have at least three municipalities; and

~~c.3.~~ Have an estimated population of less than 275,000 ~~225,000~~, according to the most recent population estimate prepared pursuant to s. 186.901, excluding the inmate population; or

2. Be a fiscally constrained county as described in s. 218.67(1).

The board of county commissioners must by majority vote approve reimbursement made pursuant to this paragraph upon receipt of a recommendation from the tourist development council.

(6) REFERENDUM.—

(a) ~~An~~ ~~no~~ ordinance enacted or renewed by a ~~any~~ county levying the tax authorized by this section may not ~~paragraphs (3)(b) and (c) shall~~ take effect until the ordinance levying and imposing the tax has been approved in a referendum held at a general election, as defined in s. 97.021, by a majority of the electors voting in such election in the county or by a majority of the electors voting in the subcounty special tax district affected by the tax.

(b) The governing board of the county levying the tax shall arrange to place a question on the ballot at a general election, as defined in s. 97.021, to be held within the county, which question shall be in substantially the following form:

....FOR the Tourist Development Tax

....AGAINST the Tourist Development Tax.

(c) If a majority of the electors voting on the question approve the levy, the ordinance shall be deemed to be in effect.

(d) In any case where ~~an ordinance a referendum~~ levying and imposing the tax has been approved by referendum pursuant to this section and 15 percent of the electors in the county or 15 percent of the electors in the subcounty special district in which the tax is levied file a petition with the board of county commissioners for a referendum to repeal the tax, the board of county commissioners shall cause an election to be held for the repeal of the tax which election shall be subject only to the outstanding bonds for which the tax has been pledged. However, the repeal of the tax shall not be effective with respect to any portion of taxes initially levied in November 1989, which has been pledged or is being used to support bonds under paragraph (3)(d) or paragraph (3)(l) until the retirement of those bonds.

*(e) A referendum to reenact an expiring tourist development tax must be held at a general election occurring within the 48-month period immediately preceding the effective date of the reenacted tax, and the referendum may appear on the ballot only once within the 48-month period.*

Section 3. Subsection (5) of section 125.0108, Florida Statutes, is amended to read:

125.0108 Areas of critical state concern; tourist impact tax.—

(5) The tourist impact tax authorized by this section shall take effect only upon express approval by a majority vote of those qualified electors in the area or areas of critical state concern in the county seeking to levy such tax, voting in a referendum to be held in conjunction with a general election, as defined in s. 97.021. However, if the area or areas of critical state concern are greater than 50 percent of the land area of the county and the tax is to be imposed throughout the entire county, the tax shall take effect only upon express approval of a majority of the qualified electors of the county voting in such a referendum. *A referendum to reenact an expiring tourist impact tax must be held at a general election occurring within the 48-month period immediately preceding the effective date of the tax.*

tive date of the reenacted tax, and the referendum may appear on the ballot only once within the 48-month period.

Section 4. Subsection (1) of section 125.901, Florida Statutes, is amended to read:

125.901 Children's services; independent special district; council; powers, duties, and functions; public records exemption.—

(1) Each county may by ordinance create an independent special district, as defined in ss. 189.012 and 200.001(8)(e), to provide funding for children's services throughout the county in accordance with this section. The boundaries of such district shall be coterminous with the boundaries of the county. The county governing body shall obtain approval at a general election, as defined in s. 97.021, by a majority vote of those electors voting on the question, to annually levy ad valorem taxes which shall not exceed the maximum millage rate authorized by this section. Any district created pursuant to the provisions of this subsection shall be required to levy and fix millage subject to the provisions of s. 200.065. Once such millage is approved by the electorate, the district shall not be required to seek approval of the electorate in future years to levy the previously approved millage. *However, a referendum to increase the millage rate previously approved by the electors must be held at a general election, and the referendum may be held only once during the 48-month period preceding the effective date of the increased millage.*

(a) The governing body of the district shall be a council on children's services, which may also be known as a juvenile welfare board or similar name as established in the ordinance by the county governing body. Such council shall consist of 10 members, including the superintendent of schools; a local school board member; the district administrator from the appropriate district of the Department of Children and Families, or his or her designee who is a member of the Senior Management Service or of the Selected Exempt Service; one member of the county governing body; and the judge assigned to juvenile cases who shall sit as a voting member of the board, except that said judge shall not vote or participate in the setting of ad valorem taxes under this section. If there is more than one judge assigned to juvenile cases in a county, the chief judge shall designate one of said juvenile judges to serve on the board. The remaining five members shall be appointed by the Governor, and shall, to the extent possible, represent the demographic diversity of the population of the county. After soliciting recommendations from the public, the county governing body shall submit to the Governor the names of at least three persons for each vacancy occurring among the five members appointed by the Governor, and the Governor shall appoint members to the council from the candidates nominated by the county governing body. The Governor shall make a selection within a 45-day period or request a new list of candidates. All members appointed by the Governor shall have been residents of the county for the previous 24-month period. Such members shall be appointed for 4-year terms, except that the length of the terms of the initial appointees shall be adjusted to stagger the terms. The Governor may remove a member for cause or upon the written petition of the county governing body. If any of the members of the council required to be appointed by the Governor under the provisions of this subsection shall resign, die, or be removed from office, the vacancy thereby created shall, as soon as practicable, be filled by appointment by the Governor, using the same method as the original appointment, and such appointment to fill a vacancy shall be for the unexpired term of the person who resigns, dies, or is removed from office.

(b) However, any county as defined in s. 125.011(1) may instead have a governing body consisting of 33 members, including the superintendent of schools, or his or her designee; two representatives of public postsecondary education institutions located in the county; the county manager or the equivalent county officer; the district administrator from the appropriate district of the Department of Children and Families, or the administrator's designee who is a member of the Senior Management Service or the Selected Exempt Service; the director of the county health department or the director's designee; the state attorney for the county or the state attorney's designee; the chief judge assigned to juvenile cases, or another juvenile judge who is the chief judge's designee and who shall sit as a voting member of the board, except that the judge may not vote or participate in setting ad valorem taxes under this section; an individual who is selected by the board of the local United Way or its equivalent; a member of a locally recognized faith-based coalition, selected by that coalition; a member of the local chamber of commerce, selected by that chamber or, if more than one

chamber exists within the county, a person selected by a coalition of the local chambers; a member of the early learning coalition, selected by that coalition; a representative of a labor organization or union active in the county; a member of a local alliance or coalition engaged in cross-system planning for health and social service delivery in the county, selected by that alliance or coalition; a member of the local Parent-Teachers Association/Parent-Teacher-Student Association, selected by that association; a youth representative selected by the local school system's student government; a local school board member appointed by the chair of the school board; the mayor of the county or the mayor's designee; one member of the county governing body, appointed by the chair of that body; a member of the state Legislature who represents residents of the county, selected by the chair of the local legislative delegation; an elected official representing the residents of a municipality in the county, selected by the county municipal league; and 4 members-at-large, appointed to the council by the majority of sitting council members. The remaining 7 members shall be appointed by the Governor in accordance with procedures set forth in paragraph (a), except that the Governor may remove a member for cause or upon the written petition of the council. Appointments by the Governor must, to the extent reasonably possible, represent the geographic and demographic diversity of the population of the county. Members who are appointed to the council by reason of their position are not subject to the length of terms and limits on consecutive terms as provided in this section. The remaining appointed members of the governing body shall be appointed to serve 2-year terms, except that those members appointed by the Governor shall be appointed to serve 4-year terms, and the youth representative and the legislative delegate shall be appointed to serve 1-year terms. A member may be reappointed; however, a member may not serve for more than three consecutive terms. A member is eligible to be appointed again after a 2-year hiatus from the council.

(c) This subsection does not prohibit a county from exercising such power as is provided by general or special law to provide children's services or to create a special district to provide such services.

Section 5. Subsection (1) of section 194.036, Florida Statutes, is amended to read:

194.036 Appeals.—Appeals of the decisions of the board shall be as follows:

(1) If the property appraiser disagrees with the decision of the board, he or she may appeal the decision to the circuit court if one or more of the following criteria are met:

(a) The property appraiser determines and affirmatively asserts in any legal proceeding that there is a specific constitutional or statutory violation, or a specific violation of administrative rules, in the decision of the board, except that nothing herein shall authorize the property appraiser to institute any suit to challenge the validity of any portion of the constitution or of any duly enacted legislative act of this state.;

(b) There is a variance from the property appraiser's assessed value in excess of the following: ~~20~~ ~~15~~ percent variance from any assessment of ~~\$250,000~~ ~~\$50,000~~ or less; ~~15~~ ~~10~~ percent variance from any assessment in excess of ~~\$250,000~~ ~~\$50,000~~ but not in excess of ~~\$1 million~~ ~~\$500,000~~; ~~10~~ ~~7.5~~ percent variance from any assessment in excess of ~~\$1 million~~ ~~\$500,000~~ but not in excess of ~~\$2.5~~ ~~\$1~~ million; or 5 percent variance from any assessment in excess of ~~\$2.5~~ ~~\$1~~ million. ~~;~~ ~~or~~

(c) There is an assertion by the property appraiser to the Department of Revenue that there exists a consistent and continuous violation of the intent of the law or administrative rules by the value adjustment board in its decisions. The property appraiser shall notify the department of those portions of the tax roll for which the assertion is made. The department shall thereupon notify the clerk of the board who shall, within 15 days of the notification by the department, send the written decisions of the board to the department. Within 30 days of the receipt of the decisions by the department, the department shall notify the property appraiser of its decision relative to further judicial proceedings. If the department finds upon investigation that a consistent and continuous violation of the intent of the law or administrative rules by the board has occurred, it shall so inform the property appraiser, who may thereupon bring suit in circuit court against the value adjustment board for injunctive relief to prohibit continuation of the violation of the law or administrative rules and for a mandatory injunction to restore

the tax roll to its just value in such amount as determined by judicial proceeding. However, when a final judicial decision is rendered as a result of an appeal filed pursuant to this paragraph which alters or changes an assessment of a parcel of property of any taxpayer not a party to such procedure, such taxpayer shall have 60 days from the date of the final judicial decision to file an action to contest such altered or changed assessment pursuant to s. 194.171(1), and the provisions of s. 194.171(2) shall not bar such action.

Section 6. Effective upon this act becoming a law, paragraph (b) of subsection (1), subsection (3), paragraph (b) of subsection (4), and paragraph (b) of subsection (6) of section 196.081, Florida Statutes, are amended to read:

196.081 Exemption for certain permanently and totally disabled veterans and for surviving spouses of veterans; exemption for surviving spouses of first responders who die in the line of duty.—

(1)

(b) If legal or beneficial title to property is acquired between January 1 and November 1 of any year by a veteran or his or her surviving spouse receiving an exemption under this section on another property for that tax year, the veteran or his or her surviving spouse *is entitled to* ~~may receive~~ a refund, prorated as of the date of transfer, of the ad valorem taxes paid for the newly acquired property if he or she applies for and receives an exemption under this section for the newly acquired property in the next tax year. If the property appraiser finds that the applicant is entitled to an exemption under this section for the newly acquired property, the property appraiser shall immediately make such entries upon the tax rolls of the county that are necessary to allow the prorated refund of taxes for the previous tax year.

(3) If the totally and permanently disabled veteran predeceases his or her spouse and if, upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides thereon as specified in s. 196.031, the exemption from taxation carries over to the benefit of the veteran's spouse until such time as he or she remarries or sells or otherwise disposes of the property. If the spouse sells the property, *the spouse may transfer* an exemption not to exceed the amount granted from the most recent ad valorem tax roll ~~may be transferred~~ to his or her new residence, as long as it is used as his or her primary residence and he or she does not remarry.

(4) Any real estate that is owned and used as a homestead by the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and for whom a letter from the United States Government or United States Department of Veterans Affairs or its predecessor has been issued certifying that the veteran who died from service-connected causes while on active duty is exempt from taxation if the veteran was a permanent resident of this state on January 1 of the year in which the veteran died.

(b) The tax exemption carries over to the benefit of the veteran's surviving spouse as long as the spouse holds the legal or beneficial title to the homestead, permanently resides thereon as specified in s. 196.031, and does not remarry. If the surviving spouse sells the property, *the spouse may transfer* an exemption not to exceed the amount granted under the most recent ad valorem tax roll ~~may be transferred~~ to his or her new residence as long as it is used as his or her primary residence and he or she does not remarry.

(6) Any real estate that is owned and used as a homestead by the surviving spouse of a first responder who died in the line of duty while employed by the state or any political subdivision of the state, including authorities and special districts, and for whom a letter from the state or appropriate political subdivision of the state, or other authority or special district, has been issued which legally recognizes and certifies that the first responder died in the line of duty while employed as a first responder is exempt from taxation if the first responder and his or her surviving spouse were permanent residents of this state on January 1 of the year in which the first responder died.

(b) The tax exemption applies as long as the surviving spouse holds the legal or beneficial title to the homestead, permanently resides thereon as specified in s. 196.031, and does not remarry. If the surviving spouse sells the property, *the spouse may transfer* an exemption not to

exceed the amount granted under the most recent ad valorem tax roll ~~may be transferred~~ to his or her new residence if it is used as his or her primary residence and he or she does not remarry.

Section 7. (1) *The amendments made by section 6 of this act to s. 196.081, Florida Statutes, are remedial and clarifying in nature and do not provide a basis for an assessment of any tax or create a right to a refund of any tax paid before the date this act becomes a law.*

(2) *This section takes effect upon becoming a law.*

Section 8. Paragraph (b) of subsection (1) and subsections (4) and (6) of section 196.081, Florida Statutes, as amended by this act, are amended to read:

196.081 Exemption for certain permanently and totally disabled veterans and for surviving spouses of veterans; exemption for surviving spouses of first responders who die in the line of duty.—

(1)

(b)1. If legal or beneficial title to property is acquired between January 1 and November 1 of any year by a veteran or his or her surviving spouse receiving an exemption under this section on another property for that tax year, the veteran or his or her surviving spouse is entitled to a refund, prorated as of the date of transfer, of the ad valorem taxes paid for the newly acquired property if he or she applies for and receives an exemption under this section for the newly acquired property in the next tax year. If the property appraiser finds that the applicant is entitled to an exemption under this section for the newly acquired property, the property appraiser shall immediately make such entries upon the tax rolls of the county that are necessary to allow the prorated refund of taxes for the previous tax year.

2. *If legal or beneficial title to property is acquired between January 1 and November 1 of any year by a veteran or his or her surviving spouse who is not receiving an exemption under this section on another property for that tax year, and as of January 1 of that tax year, the veteran was honorably discharged with a service-connected total and permanent disability and for whom a letter from the United States Government or United States Department of Veterans Affairs or its predecessor has been issued certifying that the veteran is totally and permanently disabled, the veteran or his or her surviving spouse is entitled to a refund, prorated as of the date of transfer, of the ad valorem taxes paid for the newly acquired property if he or she applies for and receives an exemption under this section for the newly acquired property in the next tax year. If the property appraiser finds that the applicant is entitled to an exemption under this section for the newly acquired property, the property appraiser shall immediately make such entries upon the tax rolls of the county that are necessary to allow the prorated refund of taxes for the previous tax year.*

(4) Any real estate that is owned and used as a homestead by the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and for whom a letter from the United States Government or United States Department of Veterans Affairs or its predecessor has been issued certifying that the veteran who died from service-connected causes while on active duty is exempt from taxation ~~if the veteran was a permanent resident of this state on January 1 of the year in which the veteran died.~~

(a) The production of the letter by the surviving spouse which attests to the veteran's death while on active duty is prima facie evidence that the surviving spouse is entitled to the exemption.

(b) The tax exemption carries over to the benefit of the veteran's surviving spouse as long as the spouse holds the legal or beneficial title to the homestead, permanently resides thereon as specified in s. 196.031, and does not remarry. If the surviving spouse sells the property, the spouse may transfer an exemption not to exceed the amount granted under the most recent ad valorem tax roll to his or her new residence as long as it is used as his or her primary residence and he or she does not remarry.

(6) Any real estate that is owned and used as a homestead by the surviving spouse of a first responder who died in the line of duty while employed by *the United States Government, the state, or any political*

subdivision of the state, including authorities and special districts, and for whom a letter from the United States Government, the state, or appropriate political subdivision of the state, or other authority or special district, has been issued which legally recognizes and certifies that the first responder died in the line of duty while employed as a first responder is exempt from taxation ~~if the first responder and his or her surviving spouse were permanent residents of this state on January 1 of the year in which the first responder died.~~

(a) The production of the letter by the surviving spouse which attests to the first responder's death in the line of duty is prima facie evidence that the surviving spouse is entitled to the exemption.

(b) The tax exemption applies as long as the surviving spouse holds the legal or beneficial title to the homestead, permanently resides thereon as specified in s. 196.031, and does not remarry. If the surviving spouse sells the property, the spouse may transfer an exemption not to exceed the amount granted under the most recent ad valorem tax roll to his or her new residence if it is used as his or her primary residence and he or she does not remarry.

(c) As used in this subsection only, and not applicable to the payment of benefits under s. 112.19 or s. 112.191, the term:

1. "First responder" means a federal law enforcement officer as defined in s. 901.1505(1), a law enforcement officer or correctional officer as defined in s. 943.10, a firefighter as defined in s. 633.102, or an emergency medical technician or paramedic as defined in s. 401.23 who is a full-time paid employee, part-time paid employee, or unpaid volunteer.

2. "In the line of duty" means:

- a. While engaging in law enforcement;
- b. While performing an activity relating to fire suppression and prevention;
- c. While responding to a hazardous material emergency;
- d. While performing rescue activity;
- e. While providing emergency medical services;
- f. While performing disaster relief activity;
- g. While otherwise engaging in emergency response activity; or
- h. While engaging in a training exercise related to any of the events or activities enumerated in this subparagraph if the training has been authorized by the employing entity.

A heart attack or stroke that causes death or causes an injury resulting in death must occur within 24 hours after an event or activity enumerated in this subparagraph and must be directly and proximately caused by the event or activity in order to be considered as having occurred in the line of duty.

Section 9. *The amendments made by section 8 of this act to s. 196.081, Florida Statutes, first apply to the 2024 ad valorem tax roll.*

Section 10. Subsection (3) of section 196.196, Florida Statutes, is amended, and subsection (6) is added to that section, to read:

196.196 Determining whether property is entitled to charitable, religious, scientific, or literary exemption.—

(3) Property owned by an exempt organization is used for a religious purpose if the institution has taken affirmative steps to prepare the property for use as a house of public worship. The term "affirmative steps" means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate a commitment of the property to a religious use as a house of public worship. For purposes of this ~~section~~ subsection, the term "public worship" means religious worship services and those other activities that are incidental to religious worship services, such as educational activities, parking, recreation, partaking of meals, and fellowship.

(6) *Property that is used as a parsonage, burial grounds, or tomb and is owned by an exempt organization that owns a house of public worship is used for a religious purpose.*

Section 11. *The amendments made by this act to s. 196.196, Florida Statutes, are remedial and clarifying in nature and do not provide a basis for an assessment of any tax or create a right to a refund of any tax paid before July 1, 2023.*

Section 12. Section 196.198, Florida Statutes, is amended to read:

196.198 Educational property exemption.—Educational institutions within this state and their property used by them or by any other exempt entity or educational institution exclusively for educational purposes are exempt from taxation. Sheltered workshops providing rehabilitation and retraining of individuals who have disabilities and exempted by a certificate under s. (d) of the federal Fair Labor Standards Act of 1938, as amended, are declared wholly educational in purpose and are exempt from certification, accreditation, and membership requirements set forth in s. 196.012. Those portions of property of college fraternities and sororities certified by the president of the college or university to the appropriate property appraiser as being essential to the educational process are exempt from ad valorem taxation. The use of property by public fairs and expositions chartered by chapter 616 is presumed to be an educational use of such property and is exempt from ad valorem taxation to the extent of such use. Property used exclusively for educational purposes shall be deemed owned by an educational institution if the entity owning 100 percent of the educational institution is owned by the identical persons who own the property, or if the entity owning 100 percent of the educational institution and the entity owning the property are owned by the identical natural persons, or if the educational institution is a lessee that owns the leasehold interest in a bona fide lease for a nominal amount per year having an original term of 98 years or more. Land, buildings, and other improvements to real property used exclusively for educational purposes shall be deemed owned by an educational institution if the entity owning 100 percent of the land is a nonprofit entity and the land is used, under a ground lease or other contractual arrangement, by an educational institution that owns the buildings and other improvements to the real property, is a nonprofit entity under s. 501(c)(3) of the Internal Revenue Code, and provides education limited to students in pre-kindergarten through grade 8. Land, buildings, and other improvements to real property used exclusively for educational purposes are deemed owned by an educational institution if the educational institution that currently uses the land, buildings, and other improvements for educational purposes received the exemption under this section on the same property in any 10 consecutive prior years, or, is an educational institution described in s. 212.0602, and, under a lease, the educational institution is responsible for any taxes owed and for ongoing maintenance and operational expenses for the land, buildings, and other improvements. For such leasehold properties, the educational institution shall receive the full benefit of the exemption. The owner of the property shall disclose to the educational institution the full amount of the benefit derived from the exemption and the method for ensuring that the educational institution receives the benefit. Notwithstanding ss. 196.195 and 196.196, property owned by a house of public worship and used by an educational institution for educational purposes limited to students in preschool through grade 8 shall be exempt from ad valorem taxes. If legal title to property is held by a governmental agency that leases the property to a lessee, the property shall be deemed to be owned by the governmental agency and used exclusively for educational purposes if the governmental agency continues to use such property exclusively for educational purposes pursuant to a sublease or other contractual agreement with that lessee. If the title to land is held by the trustee of an irrevocable inter vivos trust and if the trust grantor owns 100 percent of the entity that owns an educational institution that is using the land exclusively for educational purposes, the land is deemed to be property owned by the educational institution for purposes of this exemption. Property owned by an educational institution shall be deemed to be used for an educational purpose if the institution has taken affirmative steps to prepare the property for educational use. The term "affirmative steps" means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate commitment of the property to an educational use.

Section 13. Section 197.319, Florida Statutes, is amended to read:

197.319 Refund of taxes for residential improvements rendered uninhabitable by a catastrophic event.—

(1) As used in this section, the term:

(a) “Catastrophic event” means an event of misfortune or calamity that renders one or more residential improvements uninhabitable. *The term* ~~it~~ does not include an event caused, directly or indirectly, by the property owner with the intent to damage or destroy the residential improvement.

(b) “Catastrophic event refund” means the product arrived at by multiplying the damage differential by the amount of timely paid taxes that were initially levied in the year in which the catastrophic event occurred.

(c) “Damage differential” means the product arrived at by multiplying the percent change in value by a ratio, the numerator of which is the number of days the residential improvement was rendered uninhabitable in the year in which the catastrophic event occurred, and the denominator of which is 365.

(d) “Percent change in value” means the difference between ~~the a residential parcel’s~~ just value of a residential parcel as of January 1 of the year in which the catastrophic event occurred and its post-catastrophic event just value, expressed as a percentage of the parcel’s just value as of January 1 of the year in which the catastrophic event occurred.

(e) “Postcatastrophic event just value” means the just value of the residential parcel on January 1 of the year in which a catastrophic event occurred, *adjusted by subtracting* ~~reduced to reflect~~ the just value of the residential improvement on January 1 of the year in which a catastrophic event occurred of the residential parcel after the catastrophic event that rendered the residential improvement thereon uninhabitable and before any subsequent repairs. For purposes of this paragraph, a residential improvement that is uninhabitable has no value attached to it. The catastrophic event refund is determined only for purposes of calculating tax refunds for the year or years in which the residential improvement is uninhabitable as a result of the catastrophic event and does not determine a parcel’s just value as of January 1 each year.

(f) “Residential improvement” means a residential dwelling or house on real estate used and owned as a homestead as defined in s. 196.012(13) or as nonhomestead residential property as defined in s. 193.1554(1). A residential improvement does not include a structure that is not essential to the use and occupancy of the residential dwelling or house, including, but not limited to, a detached utility building, detached carport, detached garage, bulkhead, fence, or swimming pool, and does not include land.

(g) “Uninhabitable” means the loss of use and occupancy of a residential improvement for the purpose for which it was constructed resulting from damage to or destruction of, or from a condition that compromises the structural integrity of, the residential improvement which was caused by a catastrophic event, ~~as evidenced by documentation, including, but not limited to, utility bills, insurance information, contractors’ statements, building permit applications, or building inspection certificates of occupancy.~~

(2) If a residential improvement is rendered uninhabitable for at least 30 days due to a catastrophic event, taxes originally levied and paid for the year in which the catastrophic event occurred may be refunded in the following manner:

(a) The property owner must file an application for refund with the property appraiser *on a form prescribed by the department and furnished by the property appraiser*:

~~1. If the residential improvement is restored to a habitable condition before December 1 of the year in which the catastrophic event occurred, no sooner than 30 days after the residential improvement that was rendered uninhabitable has been restored to a habitable condition; or~~

~~2. no later than March 1 of the year immediately following the catastrophic event. The property appraiser may allow applications to be filed electronically.~~

~~The application for refund must be made on a form prescribed by the department and furnished by the property appraiser. The property appraiser may request supporting documentation be submitted along with the application, including, but not limited to, utility bills, insurance information, contractors’ statements, building permit applications, or building inspection certificates of occupancy, for purposes of determining conditions of uninhabitability and subsequent habitability following any repairs.~~

(b) The application for refund must *describe the catastrophic event and identify the residential parcel upon which the residential improvement was rendered uninhabitable by a catastrophic event, the date on which the catastrophic event occurred, and the number of days the residential improvement was uninhabitable during the calendar year in which the catastrophic event occurred. For purposes of determining uninhabitability, the application must be accompanied by supporting documentation, including, but not limited to, utility bills, insurance information, contractors’ statements, building permit applications, or building inspection certificates of occupancy.*

(c) The application for refund must be verified under oath and is subject to penalty of perjury.

(d) ~~Upon receipt of an application for refund,~~ The property appraiser *shall review* ~~must investigate the statements contained in the application and to determine if the applicant is entitled to a refund of taxes. No later than April 1 of the year following the date on which the catastrophic event occurred, the property appraiser must:~~

1. *Notify the applicant if the property appraiser determines that the applicant is not entitled to a refund. If the property appraiser determines that the applicant is not entitled to a refund, the applicant may file a petition with the value adjustment board, pursuant to s. 194.011(3), requesting that the refund be granted. The petition must be filed with the value adjustment board on or before the 30th day following the issuance of the notice by the property appraiser.*

~~2. (c) If the property appraiser determines that the applicant is entitled to a refund, the property appraiser must~~ Issue an official written statement to the tax collector *and the applicant* within 30 days after the determination, but no later than by April 1 of the year following the date on which the catastrophic event occurred, *if the property appraiser determines that the applicant is entitled to a refund. The statement must provide, that provides:*

~~a.1.~~ The just value of the residential improvement as determined by the property appraiser on January 1 of the year in which the catastrophic event for which the applicant is claiming a refund occurred.

~~b.2.~~ The number of days during the calendar year during which the residential improvement was uninhabitable.

~~c.3.~~ The postcatastrophic event just value of the residential parcel as determined by the property appraiser.

~~d.4.~~ The percent change in value applicable to the residential parcel.

(3) Upon receipt of the written statement from the property appraiser, the tax collector shall calculate the damage differential pursuant to this section.

(a) *If the property taxes for the year in which the catastrophic event occurred have been paid, the tax collector must and* process a refund in an amount equal to the catastrophic event refund.

(b) *If the property taxes for the year in which the catastrophic event occurred have not been paid, the tax collector must process a refund in an amount equal to the catastrophic event refund only upon receipt of timely payment of the property taxes for the year in which the catastrophic event occurred.*

(4) Any person who is qualified to have his or her property taxes refunded under *this section* ~~subsection (2)~~ but fails to file an application by March 1 of the year immediately following the year in which the catastrophic event occurred may file an application for refund under *this section* ~~subsection~~ and may file a petition with the value adjustment board, pursuant to s. 194.011(3), requesting that a refund under *this section* ~~subsection~~ be granted. Such petition may be filed at any time during the taxable year on or before the 25th day following the

mailing of the notice of proposed property taxes and non-ad valorem assessments by the property appraiser as provided in s. 194.011(1). Upon reviewing the petition, if the person is qualified to receive the refund under this ~~section subsection~~ and demonstrates particular extenuating circumstances determined by the property appraiser or the value adjustment board to warrant granting a late application for refund, the property appraiser or the value adjustment board may grant a refund.

(5) By September 1 of each year, the tax collector shall notify:

(a) The department of the total reduction in taxes for all properties that qualified for a refund pursuant to this section for the year.

(b) The governing board of each affected local government of the reduction in such local government's taxes that occurred pursuant to this section.

(6) For purposes of this section, a residential improvement that is uninhabitable has no value.

(7) The catastrophic event refund is determined only for purposes of calculating tax refunds for the year in which the residential improvement is uninhabitable as a result of the catastrophic event and does not determine a parcel's just value as of January 1 any subsequent year.

(8)(6) This section does not affect the requirements of s. 197.333.

Section 14. The amendments made by this act to s. 197.319, Florida Statutes, first apply to the 2024 tax roll.

Section 15. Subsection (2) of section 199.145, Florida Statutes, is amended to read:

199.145 Corrective mortgages; assignments; assumptions; refinancing.—

(2)(a) No additional nonrecurring tax shall be due upon the assignment by the obligee of a note, bond, or other obligation for the payment of money upon which a nonrecurring tax has previously been paid.

(b) A note or mortgage for a federal small business loan program transaction pursuant to 15 U.S.C. ss. 695-697g, also known as a 504 loan, which specifies the Small Business Administration as the obligee or mortgagee and increases the principal balance of a note or mortgage which is part of an interim loan for purposes of debenture guarantee funding upon which nonrecurring tax has previously been paid, is subject to additional tax only on the increase above the current principal balance. The obligor and mortgagor must be the same as on the prior note or mortgage and there may not be new or additional obligors or mortgagors. The prior note or the book and page number of the recorded interim mortgage must be referenced in the Small Business Administration note or mortgage.

Section 16. Subsection (3) of section 201.08, Florida Statutes, is amended to read:

201.08 Tax on promissory or nonnegotiable notes, written obligations to pay money, or assignments of wages or other compensation; exception.—

(3)(a) No tax shall be required on promissory notes executed for students to receive financial aid from federal or state educational assistance programs, from loans guaranteed by the Federal Government or the state when federal regulations prohibit the assessment of such taxes against the borrower, or for any financial aid program administered by a state university or community college, and the holders of such promissory notes shall not lose any rights incident to the payment of such tax.

(b) A note or mortgage for a federal small business loan program transaction pursuant to 15 U.S.C. ss. 695-697g, also known as a 504 loan, which specifies the Small Business Administration as the obligee or mortgagee and increases the principal balance of a note or mortgage which is part of an interim loan for purposes of debenture guarantee funding upon which documentary stamp tax has previously been paid, is subject to additional tax only on the increase above the current principal balance. The obligor and mortgagor must be the same as on the prior

note or mortgage and there may not be new or additional obligors or mortgagors. The prior note or the book and page number of the recorded interim mortgage must be referenced in the Small Business Administration note or mortgage.

Section 17. Subsections (1) and (5) of section 202.19, Florida Statutes, are amended, and paragraph (d) is added to subsection (2) of that section, to read:

202.19 Authorization to impose local communications services tax.—

(1) The governing authority of each county and municipality may, by ordinance, levy a local ~~discretionary~~ communications services tax as provided in this section.

(2)

(d) The local communications services tax rate in effect on January 1, 2023, may not be increased before January 1, 2026.

(5) In addition to the communications services taxes authorized by subsection (1), a discretionary sales surtax that a county or school board has levied under s. 212.055 is imposed as a local communications services tax under this section, and the rate shall be determined in accordance with s. 202.20(3). However, any increase to the discretionary sales surtax levied under s. 212.055 on or after January 1, 2023, may not be added to the local communications services tax under this section before January 1, 2026.

(a) Except as otherwise provided in this subsection, each such tax rate shall be applied, in addition to the other tax rates applied under this chapter, to communications services subject to tax under s. 202.12 which:

1. Originate or terminate in this state; and
2. Are charged to a service address in the county.

(b) With respect to private communications services, the tax shall be on the sales price of such services provided within the county, which shall be determined in accordance with the following provisions:

1. Any charge with respect to a channel termination point located within such county;
2. Any charge for the use of a channel between two channel termination points located in such county; and
3. Where channel termination points are located both within and outside of such county:
  - a. If any segment between two such channel termination points is separately billed, 50 percent of such charge; and
  - b. If any segment of the circuit is not separately billed, an amount equal to the total charge for such circuit multiplied by a fraction, the numerator of which is the number of channel termination points within such county and the denominator of which is the total number of channel termination points of the circuit.

Section 18. Subsections (3) and (8) of section 206.9952, Florida Statutes, are amended to read:

206.9952 Application for license as a natural gas fuel retailer.—

(3)(a) Any person who acts as a natural gas retailer and does not hold a valid natural gas fuel retailer license shall pay a penalty of \$200 for each month of operation without a license. This paragraph expires December 31, 2025 ~~2023~~.

(b) Effective January 1, 2026 ~~2024~~, any person who acts as a natural gas fuel retailer and does not hold a valid natural gas fuel retailer license shall pay a penalty of 25 percent of the tax assessed on the total purchases made during the unlicensed period.

(8) With the exception of a state or federal agency or a political subdivision licensed under this chapter, each person, as defined in this part, who operates as a natural gas fuel retailer shall report monthly to

the department and pay a tax on all natural gas fuel purchases beginning January 1, 2026 ~~2024~~.

Section 19. Subsection (2) of section 206.9955, Florida Statutes, is amended to read:

206.9955 Levy of natural gas fuel tax.—

(2) Effective January 1, 2026 ~~2024~~, the following taxes shall be imposed:

(a) An excise tax of 4 cents upon each motor fuel equivalent gallon of natural gas fuel.

(b) An additional tax of 1 cent upon each motor fuel equivalent gallon of natural gas fuel, which is designated as the “ninth-cent fuel tax.”

(c) An additional tax of 1 cent on each motor fuel equivalent gallon of natural gas fuel by each county, which is designated as the “local option fuel tax.”

(d) An additional tax on each motor fuel equivalent gallon of natural gas fuel, which is designated as the “State Comprehensive Enhanced Transportation System Tax,” at a rate determined pursuant to this paragraph. Before January 1, 2026 ~~2024~~, and each year thereafter, the department shall determine the tax rate applicable to the sale of natural gas fuel for the following 12-month period beginning January 1, rounded to the nearest tenth of a cent, by adjusting the tax rate of 5.8 cents per gallon by the percentage change in the average of the Consumer Price Index issued by the United States Department of Labor for the most recent 12-month period ending September 30, compared to the base year average, which is the average for the 12-month period ending September 30, 2013.
