SM 800 — Foreign Polluters

by Senator Rodriguez

The memorial urges members of Congress to support solutions that examine the pollution differential between United States production and that of other countries and that hold foreign polluters accountable for their pollution.

The memorial requires the Florida Secretary of State to dispatch copies to the President of the United States, President of the United States Senate, Speaker of the United States House of Representatives, and each member of the Florida delegation to the United States Congress.

Vote: Senate Adopted; House Adopted
