a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate Local Funding Initiative Request Fiscal Year 2023-2024

LFIR # 2844

The addition of 80 units of affordable housing and 40 units of non-congregate housing focused shelter/ bridged housing to the pipeline for homeless families and individuals in Osceola County.

b. What activities and services will be provided to meet the intended purpose of these funds?

The renovation of 120 units to provide leasable units and short term shelter/ bridge housing units on the property.

c. What direct services will be provided to citizens by the appropriation project?

The City will contract with an experienced social services provider to operate the site and manage comprehensive outreach, intervention, prevention and case management through housing focused shelter, bridge housing and affordable leasable units on one campus. On this property, individuals and families will receive comprehensive wrap-around services, life skills and job-based training and support to improve his/her quality of life.

d. Who is the target population served by this project? How many individuals are expected to be served?

Unsheltered individuals and families.

80 yearly leasable units of affordable housing which consist of 40 - 2br/1ba units and 40 - studio units 40 rooms will be available for emergency shelter and bridge housing.

Hundreds of individuals will be assisted through this program through onsite and remote services. Annually, 80 households will have safe, secure and affordable housing through this program.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The Housing First Methodology will be implemented in this program.

The overarching outcome will be to provide a one-stop center for those facing homelessness, reduce the number of homeless households in Kissimmee to functional zero and improve the quality of life for families and individuals experiencing homelessness.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard Contrac	t penalties
