CS for CS for HB 59—A bill to be entitled An act relating to automated pharmacy systems; amending s. 465.0235, F.S.; authorizing a community pharmacy to use an automated pharmacy system under certain circumstances; providing that certain medicinal drugs stored in an automated pharmacy system for outpatient dispensing are part of the inventory of the pharmacy providing services through such system; requiring community pharmacies to adopt certain policies and procedures; authorizing, rather than requiring, the Board of Pharmacy to adopt specified rules; deleting an obsolete date; providing an effective date.

—was read the third time by title.

Senator Broxson moved the following amendments which failed to receive the required two-thirds vote:

Amendment 1 (439782)—Delete lines 34-39 and insert:

(b) The automated pharmacy system is located indoors and in a location approved by the board by rule. If the automated pharmacy system is not located inside a licensed pharmacy, the automated pharmacy system must be located in a healthcare facility, medical office, large employer workplace, or places where essential goods and commodities are sold, provided such location is affiliated with a pharmacy under common ownership.

Amendment 2 (742400)—Delete line 85 and insert:
restock, or use the system. The automated pharmacy system may be stocked or restocked only by a licensed pharmacist, a registered pharmacy technician, or a registered pharmacy intern.
