14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The main purpose will be to address a long standing, over 40 year issue of safe and adequate access to a residential area that is currently being served by a substandard road built within an inadequate right-of-way owned by multiple jurisdictions. The plan is to designate one owner with maintenance responsibilities in order to provide access on a road which will be brought up to required minimum safe standards, provide construction of needed piped drainage infrastructure, and build sidewalks to accommodate pedestrian traffic.

b. What activities and services will be provided to meet the intended purpose of these funds?
