14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal of the project is to increase connectivity and safety for internal travel within the City and to improve the overall traffic flow on Highway 98.

b. What activities and services will be provided to meet the intended purpose of these funds?

Multi-modal travel across the State Highway.

c. What direct services will be provided to citizens by the appropriation project?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 3036

Multi modal travel which will reduce stacking at state highway signalized intersections, providing vital safety connectivity across the highway which bifurcates the peninsula City.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population includes all the area residents and visitors.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improve Physical health by providing enhanced recreational and fitness opportunities.
 Improve transportation conditions - Highway 98 performs at a F LOS in this region. The Shared use overpass enables low speed motorized vehicles, bicycles and pedestrians to cross without utilizing signalized intersection thereby improving through traffic.
 Improve Mental Health by providing for additional outdoor public areas, connecting residents with nature and green space.
 Increase tourism by allowing for connection of the City's residential, civic and commercial areas, increasing the likelihood of hotel rentals and tourism opportunities.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Reimbursement of Grant Funds

15. Requester Contact Information

a. First Name Last Name
