The Florida Senate Local Funding Initiative Request Fiscal Year 2023-2024

LFIR # 3125

a. What specific purpose or goal will be achieved by the funds requested?

To ensure the viability of the only obstetrical program that provides prenatal care to underserved and underinsured women in St Lucie, Martin, and Okeechobee counties. A significant portion of these women are experiencing multiple chronic health conditions including diabetes, hypertension, obesity, and tobacco use.

b. What activities and services will be provided to meet the intended purpose of these funds?

To fund direct expenses, generated by a program burdened by sky-rocketing costs associated with providing intrapartum, prenatal, delivery, and postpartum care.

c. What direct services will be provided to citizens by the appropriation project?

Direct services include prenatal, intrapartum, obstetrical, and postpartum care to pregnant women in St Lucie, Martin, and Okeechobee counties.

d. Who is the target population served by this project? How many individuals are expected to be served?

Population includes uninsured and under insured pregnant women in St Lucie, Martin, and Okeechobee counties. A total of 2,772 patients.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit or outcome for this project includes ensuring prenatal, obstetrical, and delivery services to improve health outcomes of mothers and infants. To decrease the risk for maternal and infant mortality and avoiding the increased cost to the health care system for treatment of high risk populations with poor health outcomes that will result in: increased emergency room utilization, longer hospital stays, higher neonatal intensive care unit utilization, and a higher number of children with long term needs for ongoing medical support services.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?
