14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Continue to provide critically needed community-based services to persons aged 60 years plus. The program offers stimulating recreational activities and transportation services to minimize social isolation, depression, loneliness to avoid and/or delay nursing home placement. The program will require approximately \$111,006 in funding for annual services to senior clients/family through the Department of Elder Affairs in a safe secure environment.

b. What activities and services will be provided to meet the intended purpose of these funds?

The City, together with the DOEA seeks to offer a year-round Senior Center to people age 60 and older. Clients will have the opportunity to participate in a wide array of recreational activities to address loneliness, isolation, increased depression, anxiety, reduced nutrition, and community engagement. Elder friendly transportation will be provided with enhanced support amenities for older adults.

c. What direct services will be provided to citizens by the appropriation project?

Direct Services will include-Recreation activities: classes, educational forums, games, music enrichment, fitness activities, arts and crafts, technology, birthday and holiday celebrations. Transportation activities: field trips to museums, health fairs, botanic gardens, parks, movies, shopping, sightseeing, excursions, concerts, medical appointments, pharmacy, and grocery store excursions, etc.

d. Who is the target population served by this project? How many individuals are expected to be served?

Elderly persons, persons with poor mental health, persons with poor physical health, jobless persons, economically disadvantaged persons, the homeless, the physically disabled.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Benefit - Improved physical health by participation in moderate intensity physical activity using resistance and aerobic training to increase exercise capacity, strength, flexibility and balance.
Methodology - Rate of program participants engaging in physical activities such as cardio fit, chair exercise, healthy starts, UNIPER access, Tai Chi, walking group, Yoga and Zumba.

Benefit - Improve quality of education by participation in Technology Education courses.
Methodology - Instructor will observe program participants enrolled in Technology Class on improved skills/gained abilities to use technology for life skills and bill payments. Technological instruction teaches basic computer literacy training and increase social media and Internet use, which stimulates cognitive and psycho-motor skills thus enhancing their daily living. Client Satisfaction Survey.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The City will be paid by the Contractor upon satisfactory completion of the tasks and deliverables as specified in the Contract upon submittal of required invoice. Failure to meet established deliverables or performance measures will result in non-payment and/or reduction of payment.
