Section 3. Paragraph (b) of subsection (2) of section 28.36, Florida Statutes, is amended, present subsection (4) of that section is redesignated as subsection (5), and a new subsection (4) is added to that section, to read:

178 (2) Each proposed budget shall further conform to the
179 following requirements:

180 (b) The proposed budget must be balanced such that the
181 total of the estimated revenues available equals or exceeds the
182 total of the anticipated expenditures. Such revenues include
183 revenue projected to be received from fees, service charges,
184 costs, and fines for court-related functions during the fiscal
185 period covered by the budget. The anticipated expenditures must

187 determines that the clerks' total anticipated expenditures
188 exceed the clerks' total estimated revenues as determined by the
189 Revenue Estimating Conference, the corporation shall certify the
190 amount necessary to fund anticipated expenditures to the
191 Legislative Budget Commission as part of the budget process
192 pursuant to subsection (4).

193 (4) (a) Annually, on or before August 1, the corporation
194 shall submit to the Legislative Budget Commission, as provided
195 in s. 11.90, its proposed budget and the information described

203 anticipated deficit based on the official estimates of revenues

576-02252B-17

projected pursuant to ss. 216.133-216.138 if it determines that the requested budget is justified based on data reported by the corporation pursuant to s. 28.35(2)(f). If the commission fails to approve or amend and approve the corporation's budget or the clerks' combined budgets before October 1, the clerk shall continue to perform the court-related functions based upon the clerk's budget for the previous county fiscal year.

(b) The corporation may request that, during the next legislative session, the Legislature approve an appropriation of general revenue funds to the Clerks of the Court Trust Fund within the Department of Revenue equal to the difference between the clerks' total estimated expenditures and the total estimated revenues, as provided in the proposed budgets. The total spending authority requested may not exceed that established pursuant to paragraph (a).

(c) If the official estimate of revenues accruing to the clerks' fine and forfeiture funds, established pursuant to s. 142.01, is reduced below the official estimate available to the commission at the time the corporation submitted proposed budgets pursuant to paragraph (a), the corporation may request that, during the next legislative session, the Legislature approve an appropriation of general revenue funds to the Clerks of the Court Trust Fund within the Department of Revenue equal to the difference between the most recent official estimate of revenues and the clerks' combined budgets. The total spending authority requested may not exceed that established pursuant to paragraph (a).

Section 4. Subsection (5) of section 28.37, Florida Statutes, is amended to read:

253 Corporation shall forward to the Justice Administrative
254 Commission a quarterly estimate of the amount necessary to
255 reimburse each clerk of the court for its personnel and other
256 costs related to jury management. Upon receipt of such
257 estimates, the Justice Administrative Commission shall determine
258 the amount deemed necessary for payment to the clerks of the
259 court during the upcoming quarter and submit a request for
260 payment to the Chief Financial Officer. If the Justice
261 Administrative Commission believes that the amount appropriated

576-02252B-17

by the Legislature is insufficient to meet such costs during the remaining part of the state fiscal year, the commission may apportion the funds appropriated in the General Appropriations Act for those purposes among the several counties, basing the apportionment upon the amount expended for such purposes in each county during the prior fiscal year, in which case, the Chief Financial Officer shall issue the appropriate apportioned amount by warrant to each county. The clerks of the court are responsible for any compensation to jurors, for payments for meals or lodging provided to jurors, and for jury-related personnel costs that exceed the funding provided in the General Appropriations Act for these purposes.

The additional positions and appropriations may be used for essential staff, fixed capital improvements, and other resources to provide classification, security, food services, health services, and other variable expenses within the institutions to accommodate the estimated increase in the inmate population, and are subject to Legislative Budget Commission review and approval.

Section 2 authorizes the **Department of Legal Affairs** to expend appropriated funds in those specific appropriations on the same programs that were funded by the department pursuant to specific appropriations made in general appropriations acts in prior years.

Section 3 amends s. 932.7055, F.S., relating to the disbursement of proceeds from the sale of forfeited property to extend for another year the authorization for a municipality to expend funds in a special law enforcement trust fund, in order to reimburse the general fund of the municipality for moneys advanced from the general fund to the special law enforcement trust fund prior to October 1, 2001.

Section 4 amends s. 215.18, F.S., to provide the **Chief Justice** the authority to request a trust fund loan.

Section 5 authorizes the **Department of Corrections** to transfer funds from categories other than fixed capital outlay into the Inmate Health Services category subject to the notice, review and objection procedures of s. 216.177, F.S.

Section 6 requires the **Department of Juvenile Justice** to ensure that counties are fulfilling their financial responsibilities and report any deficiencies to the Department of Revenue. If the Department of Juvenile Justice determines that a county has not met its obligations, it must direct the Department of Revenue to deduct the amount owed to the Department of Juvenile Justice from shared revenue funds provided to the county under s. 218.23, F.S. The section also includes procedures to provide assurance to holders of bonds for which shared revenue fund distributions are pledged.

Section 7 amends s. 27.5304, F.S., to increase the statutory compensation limits for **fees paid to court-appointed attorneys** for non-capital, non-life felonies and life felony cases. These changes allow the Legislature to increase flat fees paid to attorneys in these categories, which are set annually in the General Appropriations Act. The 2016 Legislature funded \$2.7 million in recurring general revenue to increase compensation for selected felony cases.

Section 8 amends s. 40.29, F.S., to reimburse the clerks for **juror expenses and jury-related personnel costs**. The 2016 Legislature appropriated \$11.7 million in recurring general revenue in the General Appropriations Act to fund these expenses.

Section 9 prohibits the payment of reimbursement or application of credits to a nonfiscally constrained county for any previous overpayment of **juvenile detention costs**, to offset detention share costs owed, pursuant to s. 985.686, F.S., in Fiscal Year 2017-2018.

Section 10 creates a **28-member Florida Criminal Justice Reform Task Force** for conducting a comprehensive review of the state's criminal justice system, court system, and corrections system. The task force must submit a report of its findings, conclusions, and recommendations for proposed legislation to the President of the Senate and the Speaker of the House of Representatives by January 9, 2018. The task force will be assigned legislative support staff under an appointed executive director. The task force expires January 31, 2018. The section appropriates \$300,000 for task force member travel and other related expenses.
