I. **Summary:**

SB 176 eliminates the statutory prohibition against carrying a concealed weapon or firearm by concealed carry license-holders into any college or university facility.

Current law specifically includes these facilities among the places where a concealed weapon or firearm license does not authorize the licensee to “openly carry a handgun or carry a concealed weapon or firearm.”

The bill provides an effective date of July 1, 2015.

II. **Present Situation:**

**Florida Carry, Inc. v. University of North Florida**

In December 2013, the Florida First District Court of Appeal decided the case of *Florida Carry, Inc. v. University of North Florida.* 1 The issue of statutory construction before the court was whether the University of North Florida (UNF or university) violated the Legislature’s preemption of the “whole field of regulation of firearms” by adopting policies and regulations prohibiting storing a weapon in a vehicle located on UNF’s property.

The university’s position was that the regulation was authorized under s. 790.115(2), F.S., which provides that firearms may not be possessed on school property except when securely encased

3 Section 790.33, F.S.
within a vehicle, but that “school districts” may adopt policies to waive the “within a vehicle” exception. The judges all agreed that UNF did not meet the definition of “school district” and therefore the university could not waive the “within a vehicle” exception. This finding by the court settled the matter under dispute which opened the door for firearms and weapons being stored in vehicles on postsecondary school property.

The court went beyond the resolution of the matter of statutory construction, however, taking up the question of whether state universities have the power, under Article IX, Section 7 of the Florida Constitution, to implement a regulation that conflicts with a statutory provision.

The court found that the Legislature had preempted UNF’s independent regulation of firearms, but in doing so also acknowledged:

> If the issue in this case involved the right of a student to carry a firearm in the classroom or at a sporting event, our analysis would be different. There are certain places where firearms can be legally prohibited, but the legislature has recognized that a citizen who is going to be in one of these places should be able to keep a firearm securely encased within his or her vehicle.\(^5\)

Since the UNF opinion was issued, Florida Carry, Inc. has prevailed in getting similar policies changed at other Florida colleges, in keeping with the current law as interpreted by the 1st DCA.\(^6\) Florida Carry, Inc. has appealed the dismissal of its lawsuit against the University of Florida (UF) which raised the issue of UF’s compliance with the UNF ruling.\(^7\)

The UF case also raised the question of the interplay between the statutory ban of firearms on university property found in s. 790.115(2)(a), F.S., \(^8\) and s. 790.25(n), F.S., which authorizes possession of firearms at home regardless of open carry and concealed carry laws. The circuit court did not find an exception for dorms or residence halls in s. 790.115, F.S., so that matter is being appealed by Florida Carry, Inc.

\(^8\) A person shall not possess any firearm, electric weapon or device, destructive device, or other weapon as defined in s. 790.001(13), including a razor blade or box cutter, except as authorized in support of school-sanctioned activities, at a school-sponsored event or on the property of any school, school bus, or school bus stop; however, a person may carry a firearm:

1. In a case to a firearms program, class or function which has been approved in advance by the principal or chief administrative officer of the school as a program or class to which firearms could be carried;
2. In a case to a career center having a firearms training range; or
3. In a vehicle pursuant to s. 790.25(5); except that school districts may adopt written and published policies that waive the exception in this subparagraph for purposes of student and campus parking privileges.

For the purposes of this section, “school” means any preschool, elementary school, middle school, junior high school, secondary school, career center, or postsecondary school, whether public or nonpublic.
Other States - Firearms and Postsecondary School Campuses

As of December 2014, 19 states banned carrying a concealed weapon on a college campus. In 23 states the decision to ban or allow concealed weapons on campus is the prerogative of the state university system. Due to court rulings and legislation, 8 states allow carrying concealed weapons on public postsecondary campuses.

The Colorado Supreme Court and the Oregon Court of Appeals overturned firearm bans in 2012 and 2011, respectively. In both cases the rulings were based upon the court finding that it is within the exclusive power of the Legislature, not the higher education system, to regulate firearms in those states.

The statutes have dealt with the matter of firearms on college campuses in several ways:

- Wisconsin colleges and universities must allow concealed carry on campus grounds but if signs are posted at every entrance to a building stating that weapons are prohibited, firearms are not allowed within the building.
- In Idaho persons who possess an “enhanced carry permit” may carry weapons and firearms on campus but not in dorms and buildings and functions housing more 1,000 people.
- Kansas law contains a provision that colleges and universities cannot ban concealed carry on campus but may prohibit weapons inside buildings that have “adequate security measures” (defined by statute) and post signs to the effect.

Florida Statutory Law

Authority of Universities and Colleges

The Board of Governors (BOG) has the authority to regulate the State University System pursuant to s. 7(d), Article IX of the State Constitution and the Florida Statutes. The BOG may develop procedures for adopting regulations to implement its constitutional duties. The BOG establishes the powers and duties of the boards of trustees and may delegate its constitutional or statutory powers and duties to the boards of trustees as its designee.

12 Id. It should be noted that in Oregon the Board of Higher Education retained the authority to create internal policies for some areas of campus. The Board has banned firearms in campus buildings. As a condition of purchasing a ticket to an athletic event, a concert, or a performance at the University of Colorado at Boulder even concealed carry licensees agree not to bring a weapon into the venue. **School Property**

Section 790.115(2)(a), F.S., prohibits the possession of weapons or firearms on school property, whether public or nonpublic. The prohibition includes postsecondary school property.

A person shall not possess any firearm, electric weapon or device, destructive device, or other weapon as defined in s. 790.001(13), including a razor blade or box cutter, except as authorized in support of school-sanctioned activities, at a school-sponsored event or on the property of any school, school bus, or school bus stop; however, a person may carry a firearm:

1. In a case to a firearms program, class or function which has been approved in advance by the principal or chief administrative officer of the school as a program or class to which firearms could be carried;
2. In a case to a career center having a firearms training range; or
3. In a vehicle pursuant to s. 790.25(5); except that school districts may adopt written and published policies that waive the exception in this subparagraph for purposes of student and campus parking privileges.

For the purposes of this section, “school” means any preschool, elementary school, middle school, junior high school, secondary school, career center, or postsecondary school, whether public or nonpublic.

**Prohibitions Against the Concealed Carrying of a Firearm or Weapon**

Section 790.01, F.S., prohibits the carrying of a concealed firearm and punishes a violation of the law as a third degree felony unless the person carrying the concealed firearm is licensed under s. 790.06, F.S. The carrying of a weapon in a concealed manner by a person who is not licensed to do so under s. 790.06, F.S., is a first degree misdemeanor.

Limitations on the Concealed Carrying of a Firearm or Weapon for Licensees

Persons who hold a valid license to carry a concealed weapon or firearm are statutorily authorized to carry a handgun, electronic weapon or device, tear gas gun, knife, or billie in a concealed manner.

However, s. 790.06(12), F.S., sets forth the following limitations on the concealed carry statutory authorization. It should be noted that concealed carry by a licensee is not specifically limited unless the firearm or weapon is carried into the listed places.

A license issued under this section does not authorize any person to openly carry a handgun or carry a concealed weapon or firearm into:
1. Any place of nuisance as defined in s. 823.05;
2. Any police, sheriff, or highway patrol station;
3. Any detention facility, prison, or jail;
4. Any courthouse;
5. Any courtroom, except that nothing in this section would preclude a judge from carrying a concealed weapon or determining who will carry a concealed weapon in his or her courtroom;
6. Any polling place;
7. Any meeting of the governing body of a county, public school district, municipality, or special district;
8. Any meeting of the Legislature or a committee thereof;
9. Any school, college, or professional athletic event not related to firearms;
10. Any elementary or secondary school facility or administration building;
11. Any career center;
12. Any portion of an establishment licensed to dispense alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to such purpose;
13. Any college or university facility unless the licensee is a registered student, employee, or faculty member of such college or university and the weapon is a stun gun or nonlethal electric weapon or device designed solely for defensive purposes and the weapon does not fire a dart or projectile;
14. The inside of the passenger terminal and sterile area of any airport, provided that no person shall be prohibited from carrying any legal firearm into the terminal, which firearm is encased for shipment for purposes of checking such firearm as baggage to be lawfully transported on any aircraft; or

24 “Handgun” means a firearm capable of being carried and used by one hand, such as a pistol or revolver. s. 790.0655, F.S.
25 “Electric weapon or device” means any device which, through the application or use of electrical current, is designed, redesigned, used, or intended to be used for offensive or defensive purposes, the destruction of life, or the infliction of injury. s. 790.001(14), F.S.
26 “Tear gas gun” or “chemical weapon or device” means any weapon of such nature, except a device known as a “self-defense chemical spray.” “Self-defense chemical spray” means a device carried solely for purposes of lawful self-defense that is compact in size, designed to be carried on or about the person, and contains not more than two ounces of chemical. s. 790.001(3)(b), F.S.
27 “Knife” is defined as what it is not in s. 790.001(13), F.S.: “Weapon” means…or other deadly weapon except … a common pocketknife, plastic knife, or blunt-bladed table knife.
28 Section 790.06(1), F.S.
15. Any place where the carrying of firearms is prohibited by federal law.

**Section 790.015, F.S. – Reciprocity for Nonresident Concealed Carry Licensees**

Nonresidents of Florida who are concealed carry licenseholders from states that honor Florida concealed carry licenses may carry a weapon or firearm in a concealed manner in Florida. The nonresident must have a valid license in his or her immediate possession and must abide by Florida concealed carry laws.\textsuperscript{38}

**Open Carrying of a Firearm Generally Prohibited**

Section 790.053, F.S., prohibits the open carrying of a firearm or electric weapon or device. The offense is punished as a second degree misdemeanor.\textsuperscript{39}

It is not a violation of the open carry prohibition for a person to openly carry a self-defense chemical spray or a nonlethal stun gun, dart-firing stun gun, or other nonlethal electric weapon, if the weapon is carried for purposes of lawful self-defense.\textsuperscript{40}

**Non-Criminal Open and Concealed Carry in Florida**

Section 790.25, F.S., contains an exception to the requirement that a person possess a valid concealed carry license in order to lawfully carry in a concealed manner if the person is engaged in certain listed activities. Likewise, a person engaged in those activities may lawfully carry a firearm or weapon openly.

Section 790.25, F.S. states in part:

\texttt{790.25 \ Lawful ownership, possession, and use of firearms and other weapons.—}

(2) USES NOT AUTHORIZED.—

(a) This section \texttt{does not authorize} carrying a concealed weapon without a permit, as prohibited by ss. 790.01 and 790.02. …

(3) LAWFUL USES.—The provisions of ss. 790.053 and 790.06 \texttt{do not apply} in the following instances, and, despite such sections, it is lawful for the following persons to own, possess, and lawfully use firearms and other weapons, ammunition, and supplies for lawful purposes:\textsuperscript{41}

\textsuperscript{37} Section 790.06(1), F.S.

\textsuperscript{39} It is not a violation of s. 790.053, F.S., for a person who is licensed to carry a concealed firearm under s. 790.06(1), F.S., and who is carrying the firearm in a lawful manner to briefly and openly display the firearm to the ordinary sight of another person, unless the firearm is intentionally displayed in an angry or threatening manner, not in self-defense.

\textsuperscript{40} Section 790.053(2), F.S.

\textsuperscript{41} The categories listed here represent a partial list of those found in s. 790.25(3)(a)-(p), F.S.
(h) A person engaged in fishing, camping, or lawful hunting or going to or returning from a fishing, camping, or lawful hunting expedition; …
(l) A person traveling by private conveyance when the weapon is securely encased or in a public conveyance when the weapon is securely encased and not in the person’s manual possession; …
(n) A person possessing arms at his or her home or place of business; …

(5) POSSESSION IN PRIVATE CONVEYANCE.—Notwithstanding subsection (2), it is lawful and is not a violation of s. 790.01 for a person 18 years of age or older to possess a concealed firearm or other weapon for self-defense or other lawful purpose within the interior of a private conveyance, without a license, if the firearm or other weapon is securely encased or is otherwise not readily accessible for immediate use.43 Nothing herein contained prohibits the carrying of a legal firearm other than a handgun anywhere in a private conveyance when such firearm is being carried for a lawful use. Nothing herein contained shall be construed to authorize the carrying of a concealed firearm or other weapon on the person. This subsection shall be liberally construed in favor of the lawful use, ownership, and possession of firearms and other weapons, including lawful self-defense as provided in s. 776.012. (emphasis added)

Florida courts and the Attorney General have interpreted and applied some of the various exceptions found in s. 790.25, F.S., as follows:
- [T]he possession of a concealed weapons license does not authorize a person to openly carry a weapon. However, to the extent that a weapon is carried openly for the specified lawful uses set forth in s. 790.25(3), F.S. (1990 Supp.), or as otherwise authorized by statute, such conduct is lawful.44
- A person, in defense of his home or place of business, is permitted to conceal his possession of a firearm.45
- The trial court erred when it instructed the jury that carrying a concealed weapon in one’s home in the presence of other people is illegal.46
- The defendant was not “at his home” for purposes of the exception found in s. 790.25(3)(n), F.S. He was not on his own property nor was he on property to which he had the exclusive right of possession because he was standing with a group of people in the parking lot of his apartment complex, 25-30 feet from the building in which he resided.47

42 “Securely encased” means in a glove compartment, whether or not locked; snapped in a holster; in a gun case, whether or not locked; in a zippered gun case; or in a closed box or container which requires a lid or cover to be opened for access. s. 790.001(17), F.S.
43 “Readily accessible for immediate use” means that a firearm or other weapon is carried on the person or within such close proximity and in such a manner that it can be retrieved and used as easily and quickly as if carried on the person. s. 790.001(16), F.S.

46 Santiago v. State, 77 So.3d 874 ( Fla. 4th DCA 2012).

State, 354 So.2d 473 ( Fla. 3d DCA 1978) where defendant was not “at his home,” but rather 30-35 feet from his apartment; Brant v. State, 349 So.2d 674 ( Fla. 3d DCA 1977) where the defendant was in the hallway of a hotel; but see also Collins v. State, 475 So.2d 968 ( Fla. 4th DCA 1985) where the “at his home” concealed carry exception applied in the defendant’s driveway and yard.
The “place of business” exception does not only apply to a business owned by the defendant himself, but extends to employees of a business.\(^{48}\)

### III. Effect of Proposed Changes:

The bill amends s. 790.06(12)(a), F.S., to remove the prohibition against concealed weapon and firearm licensees carrying weapons and firearms into any college or university facility.

Current law reads as follows:

790.06 License to carry concealed weapon or firearm.-
(12)(a) A license issued under this section does not authorize any person to openly carry a handgun or carry a concealed weapon or firearm into:
13. Any college or university facility\(^{49}\) unless the licensee is a registered student, employee, or faculty member of such college or university and the weapon is a stun gun or nonlethal electric weapon or device designed solely for defensive purposes and the weapon does not fire a dart or projectile;

Section 790.06(12), F.S., as part of the concealed weapon or firearm licensure statute, appears to be clarifying in nature by stating what the license does not authorize. The effect of the bill, therefore, is to create the possibility of concealed carry licensees being able to carry concealed into any college or university facility so long as that possibility is not prohibited by other laws.

College or university facilities would likely include classroom buildings, residence halls, dining halls, libraries, laboratories, auditoriums, and sports or entertainment arenas. Section 790.06(12)(a)9., F.S., which is not amended by the bill, contains a specific concealed carry prohibition into any school, college, or professional athletic event not related to firearms. Even though a person who possesses a valid concealed carry license would be statutorily authorized by the bill to carry a concealed weapon or firearm into any college or university facility, it appears that a school, college, or professional athletic event should not be taking place at the facility at that time.

The bill does not address the prohibition of the possession of weapons and firearms on “school property.”\(^{50}\)

Because s. 790.115, F.S., does not contain an exception for college or university facilities, it appears that the practical effect of the bill may rest upon a change to the statutory blanket “school property” prohibition\(^{51}\) or further expansion or interpretation by the courts.

I. Summary:

SB 622 expands the types of projects that the Higher Education Facilities Financing Authority (HEFFA) may finance for higher education colleges and universities. Specifically, the bill expands the definition of authorized projects that may be used by participating institutions to include projects such as: dining halls, research facilities, athletic facilities, healthcare facilities, utility facilities, and other structures useful for the instruction of students, conducting research, or the operation of an educational institution, including equipment and machinery.

The bill takes effect July 1, 2015.

II. Present Situation:

Higher Educational Facilities Financing Authority

The Higher Educational Facilities Financing Authority (HEFFA) was created as a public instrumentality by the Legislature with the purpose of assisting institutions of higher education in undertaking constructing, financing, and refinancing projects. The HEFFA has numerous powers, including the ability to issue revenue bonds to finance the costs of a project for a participating institution.
Creation and Background

The HEFFA was established in 2001 in Chapter 243, Florida Statutes, as a “public body corporate and politic.” The HEFFA is constituted as a “public instrumentality” and the exercise by the HEFFA of its conferred powers is “considered to be the performance of an essential public function.” Members of the HEFFA are appointed by the Governor, subject to confirmation by the Senate. Chapters 119 (public records) and 286 (open meetings) apply to the HEFFA.

Purpose and Powers

The purpose of the HEFFA is to assist institutions of higher education in undertaking constructing, financing, and refinancing projects. For this purpose, the HEFFA may:

- Exercise general business authority.
  - Exercise all powers granted to corporations under the Florida Business Corporation Act, chapter 607, F.S.
  - Have perpetual succession as a body politic and corporate and adopt bylaws for the regulation of its affairs and the conduct of its business.
  - Adopt an official seal.
  - Maintain an office at any place in the state.
  - Sue and be sued.
  - Employ consulting engineers, architects, attorneys, accountants, construction and financial experts, superintendents, managers, and other employees and agents as necessary.
  - Charge to and equitably apportion among participating institutions its administrative costs and expenses incurred in the exercise of the powers and duties.
  - Contract with an entity as its agent to assist the HEFFA in screening applications of institutions of higher education for loans.
  - Do all things necessary or convenient to carry out the purposes of ss. 243.50-243.77, F.S.
- Implement financing arrangements.
  - Make and execute financing arrangements, leases, contracts, deeds, and other instruments necessary or convenient in the exercise of the powers and functions of its authority.

1 Section 243.53(1), F.S., s. 4, Ch. 2001-79, L.O.F. The term “public body corporate and politic” is not specifically defined in state law; although, Section 1.01(8), F.S., defines “public body,” “body politic,” or “political subdivision” to include “counties, cities, town, villages, special tax school districts, special road and bridge districts, bridge districts, and all other districts in this state.” See O’Malley v. Florida Insurance Guaranty Association, 257 So.2d 9, 11 (Fla. 1971) (The business of a public corporation is ordinarily “stipulated by the Legislature to fill a public need without private profit to any organizers or stockholders. Their function is to promote the public welfare and often they implement government regulations within the state’s police power. In a word, they are organized for the benefit of the public.”); see Forbes Pioneer Boat Line v. Board of Commissioners, 82 So.2d 346, 350 (Fla. 1919) (Public corporations or public quasi-corporations and the governing bodies thereof possess only such powers as are expressly granted by statute or necessarily implied in order to carry the expressly granted powers into effect.).

Mortgage any project and the site thereof for the benefit of the holders of revenue bonds issued to finance projects or those providing credit for that purpose.

Engage in the sale-leaseback, lease-purchase, lease-leaseback, or other undertakings and provide for the sale of certificates of participation incident thereto.

- Issue bonds and manage loans.
  - Issue bonds; bond anticipation notes, and other obligations for any of its corporate purposes.
  - Receive and accept from any public agency loans or grants for or in aid of the construction of a project.
  - Make loans to any participating institution for the cost of the project, including a loan in anticipation of tuition revenues.
  - Make loans to a participating institution to refund outstanding obligations, mortgages, or advances issued, made, or given by the participating institution for the cost of a project.

- Manage and Delegate Project Responsibilities
  - Determine the location and character of any project to be financed; construct, reconstruct, maintain, repair, and lease the project as lessee or lessor; enter into contract for these purposes.
  - Designate the participating institution as the agent of the HEFFA for these purposes.

- Provide Accountability and Transparency
  - Establish rules for the use of a project, and designate a participating institution as its agent to establish rules for the use of the project undertaken by the participating institution.
  - Transfer free and clear title to the participating institution when principal and interest on revenue bonds have been paid (or adequate provision has been made to pay any bonds), all other conditions securing the bonds have been satisfied, and the lien has been released.  
  - Submit a report to the Governor, President of the Senate, and Speaker of the House of Representatives at the end of each fiscal year. The report must include numerous provisions, including but not limited to expenditures, assets, liabilities, and the outstanding bond schedule.

**Authorized Projects and Costs**

A “project” is defined as “a dormitory, student service facility, parking facility, administration building, academic building, or library and includes a loan in anticipation of tuition revenues by an institution of higher education.”

The HEFFA may finance “costs” to include items such as: construction and land acquisition; structures; demolition, including the cost of purchasing the lands which the buildings may be removed; machinery and equipment; working capital, reserves for principal, interest, and rebate;

additions and improvements; engineering, financial, and legal services; plans and surveys; and other expenses.\(^{12}\)

The participating institution may fix, revise, charge, and collect rates, rents, fees, and charges for the use of and for the services furnished to or to be furnished by each project and may contract with any person, partnership, association, corporation, or other body, public or private, in respect thereof. The rates, rents, fees, and charges must be fixed and adjusted in respect of the aggregate of rates, rents, fees, and charges from the project to as to provide funds sufficient with other revenues to pay the cost of maintenance, repairs, operations, and principal and interest on outstanding revenue bonds.\(^{13}\)

**Bonds and Tax Exempt Status**

Revenue bonds issued by the HEFFA are not a debt or liability of the HEFFA, any municipality, the state, or any political subdivision thereof.\(^{14}\) Thus, the bonds are not secured by the full faith and credit of the state, and do not constitute an obligation, either general or special, of the state.\(^{15}\) However, the bonds may be secured by mortgage or the full faith and credit of a participating institution of higher education or any other lawfully pledged security of a participating institution of higher education.\(^{16}\)

Because the operation and maintenance of a project by the HEFFA or a participating institution constitutes the performance of an essential public function, neither the HEFFA nor a participating institution is required to pay any taxes or assessments upon or in respect of a project or any property acquired or used by the HEFFA or a participating institution.\(^{17}\)

**Participating Institutions**

A “participating institution” means “an institution of higher education, as defined in s. 243.52(6) that undertakes the financing and construction or acquisition of a project or undertakes the refunding or refinancing of obligations or of a mortgage or of advances as provided in an permitted by ss. 243.50-243.77.”\(^{18}\) Thus, to become a “participating institution” an “institution of higher education” must essentially utilize the HEFFA as provided by law.

The participating institution may fix, revise, charge, and collect rates, rents, fees, and charges for the use of and for the services furnished to or to be furnished by each project and may contract with any person, partnership, association, corporation, or other body, public or private, in respect thereof. The rates, rents, fees, and charges must be fixed and adjusted in respect of the aggregate

\(^{12}\) Section 243.52(4), F.S. In the case of a loan in anticipation of tuition revenues, the term “cost” means “the amount of the loan in anticipation of revenues which does not exceed the amount of tuition revenues anticipated to be received by the borrowing institution of higher education in the 1-year period following the date of the loan, plus costs related to the issuance of the loan, or the amount of the bonds, the proceeds of which the fund loans and any related cost of debt service, reserve funds, and rebate associated therewith.” *Id.*

**County Educational Facilities Authority**

As early as 1969, the Legislature created in each county, a “public body corporate and politic” to be known as the “______ County Educational Facilities Authority (CEFA).”\footnote{\ref{footnote:243.21}} The CEFAs were constituted as a public instrumentality and the exercise of the authority and powers conferred are deemed to be the performance of an essential public function.\footnote{\ref{footnote:243.22}} The purpose of the CEFAs is to assist institutions for higher education in the construction, financing, and refinancing of projects.\footnote{\ref{footnote:243.20}} The definition of “project” for CEFAs means:\footnote{\ref{footnote:243.20}}

- A structure suitable for use as a:
  - Dormitory or other housing facility.
  - Dining hall.
  - Student union.
  - Administration building.
  - Academic building.
  - Library.
  - Laboratory.
  - Research facility.
  - Classroom.
  - Athletic facility.
  - Health care facility.
  - Maintenance, storage or utility facility.

- Other structures or facilities related to, required or useful for the:
  - Instruction of students.
  - Conducting of research.
  - Operation of an institution of educational institution, including:
    - Parking.
    - Other facilities or structures, essential or convenient for the orderly conduct of such institution of higher education, including:
      - Equipment.
      - Machinery.
      - Other similar items necessary or convenient for the operation of a particular facility or structure in the manner for which its use is intended, but excluding items such as books, fuel, supplies, and other items that are customarily deemed to result in a current operating charge.

\footnote{\ref{footnote:243.21}} Section 243.21(1), F.S. Compare the definition of “projects” for CEFAs and the HEFFA. The CEFAs have historically had a more extensive list of projects that may be financed.
\footnote{\ref{footnote:243.22}} Id.
\footnote{\ref{footnote:243.20}} Section 243.20(5), F.S.
As previously noted, the HEFFA was created in 2001, well after creation of the CEFAs. It appears the HEFFA was created as a response to the problems experienced by the CEFA with projects for constructions as well as operations.\textsuperscript{24} Despite Legislative attempts to increase authority for the CEFAs in 1999, little activity resulted and nonpublic institutions for higher education were denied loans based on tuition income to pay operational costs.\textsuperscript{25}
