

THE FLORIDA SENATE
2011 SUMMARY OF LEGISLATION PASSED
Committee on Budget

SB 2110 — Auditor General

by Budget Committee

The bill provides for the following:

- Modifies statutory requirements relating to the frequency of certain operational and financial audits conducted by the Auditor General.
- Requires the Auditor General to submit an annual report which includes a projected two-year work plan.
- Authorizes the Auditor General to audit virtual education providers receiving state funds or funds from local ad valorem taxes.
- Authorizes the Auditor General to audit water management districts.

If approved by the Governor, these provisions take effect July 1, 2011.

Vote: Senate 38-0; House 118-0
