- Provides that the decision of an administrative law judge on the validity of the rule or unadopted rule is final agency action during a rule challenge that is asserted as a defense to agency action.
- Prohibits an administrative law judge from entering a summary final order with respect to a rule challenge asserted as a defense to agency action.
- Authorizes a the petitioner in a hearing that does not involve disputed facts to assert a rule challenge as a defense to agency action and have the rule challenge decided by an administrative law judge instead of the agency.
- Authorizes the rules ombudsman in the Executive Office of the Governor to require state agencies to review and designate rules the violation of which would be a minor violation.
