Senate AST Proviso Offer #1

1 - Modified House.

From the funds in Specific Appropriations 2924 to 2944, the Agency for State Technology shall develop an inventory of State Data Center infrastructure, identifying by data center service each equipment used for the provision of data center services and funded through Specific Appropriations 2939 and 2940. The inventory shall detail the date the equipment was purchased, the payment schedule, and the remaining balance of the contract as of July 1, 2017. The Agency shall submit the inventory no later than December 15, 2017, to the Executive Office of the Governor's Office of Policy and Budget and the chairs of the Senate Committee on Appropriations and the House of Representatives Appropriations Committee.

2 - Modified House.

From the funds in Specific Appropriation 2932 to 2944, the Agency for State Technology shall submit quarterly reports to the chair of the Senate Committee on Appropriations, the Chair of the House of Representatives Appropriations Committee, and the Executive Office of the Governor's Office of Policy and Budget detailing the progress of the corrective action plan implemented to address the audit findings and recommendations identified in Report No. 2017-087 by the Florida Auditor General.

3 - Modified House.

From the funds in Specific Appropriation 2932, \$1,000,000 shall be held in reserve. Contingent upon the Agency for State Technology provisions of chapter 282, Florida Statutes, the Department is authorized to submit a budget amendment requesting the release of funds pursuant to the provisions of chapter 216, Florida Statutes. Request for release of funds shall include submission of all service level agreements signed by each customer entity and updated to reflect the services provided by the Agency.

4 - Modified House.

From the funds in Specific Appropriation 2943, \$142,128 is provided to the Agency for State Technology for the replacement of batteries in the State Data Center's uninterruptible power supply systems.

5 - Modified House.

From the funds in Specific Appropriation 2935 and 2936, \$94,000 is provided to the Agency for State Technology for the replacement of the air conditioning units at the state data center.

6 - Modified House.

Funds provided in Specific Appropriation 2939 are provided for existing deferred-payment commodity contracts. The Agency may not use these funds to enter into any new contracts.

## **Senate Proviso Offer #1 – Cloud First Offer**

From the funds in Specific Appropriation 2548 through 2556A, the Executive Office of the Governor shall revise the Legislative Budget Request (LBR) Instructions for Fiscal Year 2018-19 to require all agencies requesting funds from the Legislature for any Schedule IV-B required information technology issue to evaluate and include within their submission at least one, non-state hosted solution to include cloud-based options for software, platform, or infrastructure services as defined by the National Institute of Standards and Technology, NIST 800-145, that could meet the requirement. This includes any Schedule IV-B required issue that creates, procures, replaces or improves applications or infrastructure. The non-state hosted service must comply with all applicable federal and state security and privacy requirements required by the agency submitting the Legislative Budget Request for funding of the information technology project.

From the funds in Specific Appropriations 2916 through 2944, the Agency for State Technology (AST) will review new and existing infrastructure services and recommend non-state hosted solutions to include cloud-based options for software, platform, or infrastructure as defined by the National Institute of Standards and Technology, NIST 800-145, that could meet the requirement. The recommendation shall be based on reducing data center costs and improving service levels for all state agency customers. The AST shall submit a report on the recommended solutions that includes: a cost benefit analysis verified by the customer entity(s), impact to data center costs, comparison of current and proposed levels of service, total cost of ownership estimate of the non-state hosted solution compared to the state data center solution, and a migration strategy to the non-state hosted solutions with costs, and the timeline for the migration. The non-state hosted service must comply with all applicable federal and state security and privacy requirements required by the customer entity(s). The report shall be submitted to the Governor, President of the Senate, and Speaker of the House by September 30, 2017.
