26	125	Florida Pathways to Career Opportunities Grant Program		From the funds in Specific Appropriation 125, \$5 million in recurring General Revenue is provided for the Florida Pathways to Career Opportunities Grant Program. The department shall administer the program and provide grants to high schools, career centers, charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program, as defined in s. 446.021, F.S., on a competitive basis to establish new apprenticeship or preapprenticeship programs and expand existing programs. Applications must contain projected enrollment and projected costs for the new or expanded apprenticeship program. The department shall give priority to apprenticeship programs with demonstrated regional demand. Grant funds may be used for instructional equipment, supplies, personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant funds may not be used for recurring instructional costs or for indirect costs.	Accept House Position Funding Level TBD by Appropriations

41	147	Performance-based Funding Models	The Board of Governors, in consultation with the state universities, shall develop two separate and distinct performance-based funding models; (1) a preeminence model to elevate the academic and research preeminence of Florida's highest-performing state research universities, and (2) a regional and mission-specific performance model to recognize each university's achievement of institutional excellence or need for improvement. The recommendation for the preeminence model shall include benchmarks with target rankings as follows: the University of Florida to attain a top-5 ranking; Florida State University to attain a top-20 ranking; and emerging preeminent institutions to attain a top-50 ranking. The Board of Governors shall submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 1, 2019.	NOT INCLUDED	Modified Senate Position TThe Board of Governors, in consultation with the state universities, shall develop recommendations for future implementation of separate and distinct performance-based funding models with benchmarks and metrics for (1) preeminent universities, (2) emerging preeminent universities, (3) regional universities and (4) mission-specific universities. The model should recognize each university's continuous improvement and achievement of institutional and national excellence. The Board of Governors shall submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 1, 2019. The implementation of any recommendations shall not occur unless affirmatively enacted by the Legislature
