1. **Title of Project:** OaSN Active Minds Enrichment Program

2. **Senate Sponsor:** Dennis Baxley

3. **Date of Submission:** 11/02/2017

4. **Project/Program Description:**

   There are currently no summer camps or school break programs in Marion or surrounding counties that accept individuals with autism on all functioning levels except ours. Students with autism can have severe regression without refresher academics during the summer months and profound routine disruption during school breaks. This program addresses these with the following: OaSN's Summer Enrichment Program runs for 8 weeks during June & July. OaSN will offer a 4-week paid sponsorship for each participant on the spectrum for autism at 50% or 100% of cost (based on income and poverty guidelines). Since caregivers who work often cannot leave in the middle of their work day when camp ends, before and after care will also be available. OaSN's Active Minds School Break Enrichment Program will operate one and two day camps during school breaks to help families with routine disruption and assist with academics to avoid regression. This program will allow parents to continue to work.
