Local Funding Initiative Request - Fiscal Year 2018-2019

1. Title of Project: Florida City NW 1st St-NW 2 St from NW 7th Ave to Redland Road Drainage and Roadway Improvements

2. Senate Sponsor: Anitere Flores

3. Date of Submission: 11/08/2017

4. Project/Program Description:

The project will alleviate flooding where NW 9th Avenue and NW 8th Court abut West Palm Drive. At these adjacent locations, West Palm Drive is higher than the connecting roadways and during a rain event, stormwater backs up into the neighborhood, creating a flooding problem. This project would create adequate drainage and improve the road beds to be able to provide flood relief to the neighborhood. The City is requesting \$400,000 from the state and matching the state funding with \$798,715 of its own money. The City will administer the funding at its own expense as well. The funds from the State will only be used for construction and not for any other cost. Any cost overruns will be paid by the City.
