d. **What are the direct services to be provided to citizens by the appropriations project?**

   Replacement of failing grinder pumps which will eliminate current health and safety issues in a predominately economic disadvantaged portion of the City.

e. **Who is the target population served by this project? How many individuals are expected to be served?**

   64 homes/175 citizens

f. **What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

   Replacement of failing grinder pumps. Reduction in sewer overflows and maintenance costs.

g. **What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

   Liquidated damages would be assessed to the contractor for failing to meet schedules.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

   City of Webster
