10. Is future-year funding likely to be requested?

Yes

a. If yes, indicate non-recurring amount per year.

1,200,000

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The Max Planck Florida Scientific Fellows program was launched in 2014. Through strategic partnerships and shared investments the Max Planck Florida Institute for Neuroscience (MPFI), in accord with Florida Atlantic University, has designed and implemented this program with the chief objective to train the next generation of the best and brightest researchers from Florida’s graduate institutions and beyond.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

MPFSFP is composed of several strategic pillars such as; Postdoctoral Fellows Program; Graduate Research Fellows; Post-Baccalaureate Research Fellows (PRE); Undergraduate Scholars Fellows; IMPRS – Int’l Max Planck Research School, Brain & Behavior; MPFI Neuro-Imaging Techniques Course

c. How will the funds be expended?

**d. What are the direct services to be provided to citizens by the appropriations project?**

Our programs positively impact the state by meeting the need for highly qualified science graduates for business development.

**e. Who is the target population served by this project? How many individuals are expected to be served?**

Postdoctoral researchers, graduate research PhD students, post-baccalaureate and undergraduate scholars. Through all program elements, well over 800 individuals will be served.

**f. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**
MPFSFP tracks every pillar of the program marking highlights and accomplishments of each.

g. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract? Funds will be returned if the terms of the agreement are not met.
