Fiscal Year 2019-2020

LFIR#: 1055

Consultants/Contracted Services/Study		
Operational Costs:		
Salary and Benefits		
Expense/Equipment/Travel/Supplies/Other		
Consultants/Contracted Services/Study		
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning	Development of drainage system to protect transportation	350,000
Engineering	infrastructure and residential community from flooding.	
Total State Funds Requested (must equal total from question #6)		350,000

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

Eliminate flooding, reduction of standing water, prevent erosion of transportation infrastructure, prevent flooding of homes

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Create drainage system to control flow of ground and storm water.

c. What are the direct services to be provided to citizens by the appropriations project?

Construction of a pipe network (drainage system) to work in conjunction with the City's master stormwater plan.

d. Who is the target population served by this project? How many individuals are expected to be served?

Community of about 1,200 residents

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved drainage of ground and stormwater. Preservation of transportation infrastructure and reduction of flooding to private property. Enhance use of travel lanes and improved egress and ingress to and from local businesses. Stormwater analysis provides for a reduction in flood state for a mean annual event. Analysis of the basis shows a reduction in flooding to the transportation infrastructure, commercial businesses and neighborhoods.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Repayment of funds or loss of future funding opportunities.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

City of Tampa

13. Requestor Contact Information:

a. Name: Alexander P. Awad
