11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

This project will entail condition assessment, survey, planning and conceptual design of 3,500 LF of bulkhead for Canal C6.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

This project will provide condition assessment, survey, planning and conceptual design activities.

c. What are the direct services to be provided to citizens by the appropriations project?

The end result will be Condition Assessment, Survey, Planning and Conceptual Design of Canal C-6 Bulkhead (approx. 3,500 LF).

d. Who is the target population served by this project? How many individuals are expected to be served?

Roughly 50,000 people who are transients that work within the area and 1,000 residents from Medley.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will provide a design for a seawall that will reduce risk for flooding, limit erosion, provide sediment control, and improve water quality.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Cancel contract if deliverables are not meet.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

Town of Medley
