# Local Funding Initiative Request Fiscal Year 2019-2020

LFIR#: 2175

L. Title of Project: Inequity in Specialty Children's Hospital Reimbursement

Senate Sponsor: David Simmons
 Date of Submission: 02/12/2019

### 4. Project/Program Description:

Correct the inequity in the reimbursement rate for Nemours Children's Hospital through recurring funding. The Agency for Health Care Administration has recognized this funding inequity and submitted a Fiscal Year 2019-2020 Legislative Budget Request issue titled "Funding to Address the Inequity in Reimbursement Rate." However, the LBR does not take into account the Medicaid service volumes experienced by the hospital through Medicaid managed care. (Over 70% of the hospital's patient volume is Medicaid.)
