11. **Program Performance**

a. What specific purpose or goal will be achieved by the funds requested?

This project’s specific purpose is to expand The Lord’s Place’s Reentry, Job Training and Employment Services Center in order to enhance its ability to decrease recidivism, homelessness and unemployment in the community.

b. What activities and services will be provided to meet the intended purpose of these funds?

To construct a centralized facility that provides comprehensive job training, reentry and supportive services to formerly incarcerated and homeless citizens.

c. What direct services will be provided to citizens by the appropriation project?

Job Training, Ex-Offender Reentry Services, Outreach and Engagement, Housing Assistance, Case Management, Peer Support, Educational Instruction, Benefits Navigation, Financial Coaching, and other basic needs services.

d. Who is the target population served by this project? How many individuals are expected to be served?

Formerly incarcerated and homeless families and individuals. 1,900+

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will reduce recidivism as measured by the number of individuals who successfully complete an ex-offender reentry program. It will reduce homelessness and increase the self-sufficiency of economically disadvantaged citizens as measured by the number individuals served in street outreach, job training, and benefit access programs (i.e. SOAR).

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

To be determined by the Department
