The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2609

Direct services that will result from this project request are all fire, EMS, and law enforcement activities required to keep the community safe and operational.

c. What direct services will be provided to citizens by the appropriation project?

Public safety.

d. Who is the target population served by this project? How many individuals are expected to be served?

1700

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Increased response time for incidents requiring both EMS and Fire. Upgraded safety measures for increase in functionality of the office/living space. By addressing the infrastructure needs will prevent further deterioration of the existing structure.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Necessary measures should be taken to ensure all deliverables and performance measures within this request are met. For that purpose, internal reporting and compliance measures are taken including audits performed by the Auditor General for both the Town of Havana and the State of Florida. If the project is not completed in accordance with the requirements set forth the funding may be withdrawn.
