Fiscal Year 2023-2024

LFIR # 2918

These funds will allow for the design and construction of the new Calhoun County Administration Building/County Extension Office. This will also provide better access for the Calhoun County employees and citizens to conduct business with the County Administrative Staff.

c. What direct services will be provided to citizens by the appropriation project?

Citizens will be provided with more convenient access to the Calhoun County Administration staff. Offices will be more conveniently located and accessible and there will be a multi functional room to be used for the BOCC to conduct their meetings, extension staff to use for their educational programs and farmers the availability to obtain needed resources.

d. Who is the target population served by this project? How many individuals are expected to be served?

General population of Calhoun County in its entirety.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Calhoun County is a rural area with an abundance of agriculture. The Extension Office will provide agricultural education and promotion to the County. This office can assist farmers and others interested in agriculture stay up-to-date and informed on agricultural opportunities and information. This would be measured by an increased number of farmers served and crops grown/harvested.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The County will work with the contracting agency to determine applicable measures should funding be made available.
