b. What activities and services will be provided to meet the intended purpose of these funds?

Trainings and technical support to peers, peer supervisors, RCO directors and RCO boards throughout Florida that aligns with best practice and industry standards.

c. What direct services will be provided to citizens by the appropriation project?

Provide direct trainings and one-on-one support to peers, peer supervisors, RCO directors and RCO boards throughout Florida that aligns with best practice and industry standards.

d. Who is the target population served by this project? How many individuals are expected to be served?

We anticipate serving 600 individuals, the majority of whom will be in recovery from substance use disorders or cooccurring disorders through this muti-facited program.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

We will perform pre-post evaluations and use certification data to set pre- and post program training numbers. We will utilize certified curriculum for training peers and pair this with wellness, recovery, action, plan trainings, and HR best practices for RCOs hiring those individuals with chronic, recurring behavioral health conditions.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?
