SUMMARY ANALYSIS

The civil service system for the Lee County Sheriff's Office was established by the Florida Legislature in 1974 pursuant to ch. 74-522, L.O.F. This special act was subsequently amended in 1987, 1995, 2007, and 2008. Section 9 of the act governs the qualifications for employment. It prohibits employment of applicants convicted of a misdemeanor for which the penalty is greater than \$300 and/or 90 days confinement. It also requires applicants with military service to have no less than an honorable discharge.

The bill deletes the provision that requires all applicants to not have been convicted of a misdemeanor offense. The bill also authorizes applicants who have been discharged for medical or other reasons by only excluding applicants who have been discharged under dishonorable conditions or reasons.

This bill is effective upon becoming law.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

The civil service system for the Lee County Sheriff's Office was established by the Florida Legislature in 1974 pursuant to ch. 74-522, L.O.F. This special act was subsequently amended in 1987¹, 1995², 2007³, and 2008⁴. Section 9 of the act governs the qualifications for employment. It prohibits employment of applicants convicted of a misdemeanor for which the penalty is greater than \$300 and/or 90 days confinement.⁵

This section also requires applicants with military service to have no less than an honorable discharge. The Sheriff's Office has encountered some difficulty in applying this language to individuals who have received discharges for medical or for reasons other than dishonorable.

Effect of Proposed Changes

The bill deletes the provision that requires all applicants to not have been convicted of a misdemeanor offense. The bill also clarifies the military discharge language to only prohibit those applicants discharged under dishonorable conditions or reasons.
