Senator Gelber moved the following:

Senate Amendment (with title amendment)

Between lines 1333 and 1334

insert:

Section 35. Subsection (4) of section 1013.40, Florida Statutes, is amended to read:

1013.40 Planning and construction of community college facilities; property acquisition.—

(4) The campus of a community college within a municipality designated as an area of critical state concern, as defined in s. 380.05, and having a comprehensive plan and land development regulations containing a building permit allocation system that

288382

13 limits annual growth, may construct dormitories for full-time ~~up~~
14 ~~to 100 beds for~~ community college students. Such dormitories
15 shall be exempt from the building permit allocation system and
16 may be constructed up to 45 feet in height provided that they
17 are otherwise consistent with the comprehensive plan, the
18 community college has a hurricane evacuation plan that requires
19 all dormitory occupants to be evacuated 48 hours in advance of
20 tropical force winds, and that transportation is provided for
21 dormitory occupants during an evacuation.
