(d) An insurer may not use the same accountant or partner of an accounting firm responsible for preparing the report required by this subsection for more than 5 + 7 consecutive years. Following this period, the insurer may not use such accountant

or partner for a period of 5 2 years, but may use another accountant or partner of the same firm. An insurer may request the office to waive this prohibition based upon an unusual hardship to the insurer and a determination that the accountant is exercising independent judgment that is not unduly influenced by the insurer considering such factors as the number of partners, expertise of the partners or the number of insurance clients of the accounting firm; the premium volume of the insurer; and the number of jurisdictions in which the insurer transacts business.
