The Committee on Judiciary (Bogdanoff) recommended the following:

**Senate Amendment**

Delete line 46  
and insert:  
administrator. In lieu of using an independent administrator, a photo lineup eyewitness identification procedure may be conducted using an alternative method specified and approved by the Criminal Justice Standards and Training Commission. Any alternative method must be carefully structured to achieve neutral administration and to prevent the administrator from knowing which photograph is being presented to the eyewitness during the identification procedure. Alternative methods may

13 include any of the following:

14 1. Automated computer programs that can automatically  
15 administer the photo lineup directly to an eyewitness and  
16 prevent the lineup administrator from seeing which photo the  
17 witness is viewing until after the procedure is completed.

18 2. A procedure in which photographs are placed in folders,  
19 randomly numbered, and shuffled and then presented to an  
20 eyewitness such that the administrator cannot see or track which  
21 photograph is being presented to the witness until after the  
22 procedure is completed.

23 3. Any other procedure that achieves neutral administration  
24 and prevents the administrator from knowing which photograph is  
25 being presented to the eyewitness during the identification  
26 procedure.
