The Committee on Agriculture (Siplin) recommended the following:

**Senate Amendment (with title amendment)**

Between lines 279 and 280

Insert:

Section 8. (1) Each school district shall implement and administer a policy for the care of students who are at risk for anaphylaxis based on guidelines developed by the State Surgeon General in consultation with a task force appointed by the State Surgeon General.

(2) The guidelines described in subsection (1) do not supersede a school district’s plan regarding the care of students who are at risk for anaphylaxis which was implemented before the development of the guidelines to the extent the
school district’s plan is consistent with the guidelines.

(3)(a) By October 1, 2011, the State Surgeon General shall appoint members to serve on a task force to consult with the State Surgeon General on developing guidelines for the care of students who are at risk for anaphylaxis. The State Surgeon General, or his or her designee, shall be a nonvoting, ex officio member of the task force and shall act as chair. The Department of Health shall provide staff support for the task force. The task force shall consist of the following members:

1. One member from the Department of Health;
2. One member from the Department of Education;
3. One member from the Florida Association of School Nurses;
4. One member from the Food Allergy Initiative;
5. One member from the Food Allergy and Anaphylaxis Network;
6. One physician who is licensed to practice medicine in this state and is a member of the American Academy of Allergy, Asthma, and Immunology; and
7. Two persons who are parents of a child that attends a public school and is at risk for anaphylaxis.

(b) Members of the task force shall serve without compensation, but are entitled to reimbursement for per diem and travel expenses as provided in s. 112.061, Florida Statutes.

(c) The task force shall meet at least twice a year or upon the call of the chair.

(4) The purpose of the task force is to develop guidelines for the care of students who are at risk for anaphylaxis.

(5) By June 30, 2012, the task force shall provide a report
to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Commissioner of Education which contains a summary of the work of the task force during the year and the recommendations and guidelines developed in accordance with the task force’s purpose as provided in subsection (4). Upon submission of its report, the task force is abolished and this section expires.

And the title is amended as follows:

Delete lines 2 - 35 and insert:

An act relating to the health of public-school students; providing a short title; transferring and reassigning functions and responsibilities, including records, personnel, property, and unexpended balances of appropriations and other resources for the administration of the school food and nutrition programs from the Department of Education to the Department of Agriculture and Consumer Services; creating s. 570.98, F.S.; requiring the Department of Agriculture and Consumer Services to conduct, supervise, and administer all school food and nutrition programs; requiring the department to cooperate fully with the United States Government; authorizing the department to act as agent of, or contract with, the Federal Government, other state agencies, or any county or municipal government for the administration of the school food and nutrition
programs; transferring, renumbering, and amending s. 1006.06, F.S., relating to school food service programs; conforming provisions to changes made by the act; deleting obsolete provisions; transferring, renumbering, and amending ss. 1006.0606 and 1010.77, F.S., relating to the children’s summer nutrition program and the Food and Nutrition Services Trust Fund, respectively; conforming provisions to changes made by the act; deleting obsolete provisions; amending s. 1003.453, F.S.; requiring each school district to send an updated copy of its wellness policy and physical education policy to the Department of Education and the Department of Agriculture and Consumer Services; deleting obsolete provisions; requiring certain information to be accessible from the website of the Department of Agriculture and Consumer Services; requiring each school district to implement and administer a policy for the care of students who are at risk for anaphylaxis based on guidelines developed by the State Surgeon General in consultation with a task force appointed by the State Surgeon General; providing that, under certain circumstances, such guidelines do not supersede a school district’s plan implemented before the development of the guidelines; requiring the State Surgeon General to appoint members to a task force to consult with the State Surgeon General on developing guidelines for the care of students who are at risk for anaphylaxis; providing for membership,
reimbursement, meeting times, and purpose of the task force; requiring the task force to submit a report by a specified date to the Governor, the Legislature, and the Commissioner of Education; providing for termination of the task force; providing an effective date.
