

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Steinberg offered the following:

Amendment to Amendment (167836) (with title amendment)

Remove line 1936 and insert:

period periods. The supervisor of elections may expand early voting hours and locations during the early voting period if she or he determines that the current early voting hours and locations are not sufficient to provide electors an opportunity to vote early without unreasonable delays. The supervisor of elections may provide early
