The Committee on Regulated Industries (Sachs) recommended the following:

Senate Amendment

Delete lines 384 - 389

and insert:

(4) In no event shall any intertrack wager be accepted on the same class of live races or games of any permitholder without the written consent of such operating permitholders conducting the same class of live races or games if the guest track is within the market area of such operating permitholder. The written consent required by this subsection shall not be required for greyhound permitholders that accept intertrack wagers on live greyhound signals.
