1699 that paragraph shall revert to that in existence on December 31,
1700 2010, except that any amendments to such text enacted other than
1701 by this act shall be preserved and continue to operate to the
1702 extent that such amendments are not dependent upon the portions
1703 of text which expire pursuant to this section.

1704 Section 76. In order to implement Specific Appropriations
1705 2587 through 2597 of the 2011-2012 General Appropriations Act,
1706 and notwithstanding chapter 255, Florida Statutes, the
1707 Department of Management Services shall use the services of a
1708 tenant broker to renegotiate all leases over 150,000 square
1709 feet. Based on the renegotiations, and by September 30, 2011,
1710 the department shall report to the Legislative Budget Commission
1711 the projected savings, implementation costs, and recommendations

20112002er

1712 for leases to terminate.

1713 (1) The report shall also identify any leases that do not
1714 comply with state law or the State Constitution, including

1719 to chapter 216, Florida Statutes, to place the budget authority
1720 associated with the cost savings into reserve. If it is
1721 determined that additional savings may be derived from
1722 consolidating, collocating, and or restacking office space, the
1723 Executive Office of the Governor may transfer funds appropriated
1724 between agencies, subject to the notice, review, and objection
1725 procedures of s. 216.177, Florida Statutes.

1729 storage space in excess of 2,000 square feet, the Department of
1730 Management Services, together with the cooperation of the
1731 agencies having the existing lease contracts, shall seek to
1732 renegotiate or reprocur all private lease agreements expiring
1733 before June 30, 2013, in order to achieve a reduction in costs
1734 in future years. The department shall incorporate this
1735 initiative into its 2011 Master Leasing Report and may use
1736 tenant broker services to explore the possibilities of
1737 collocation, to review the space needs of each agency, and to
1738 review the length and terms of potential renewals or
1739 renegotiations. The department shall provide a report by March
1740 1, 2012, to the Executive Office of the Governor, the President

1748 issue by November 1, 2011, a competitive solicitation pursuant
1749 to chapter 287 for a pharmaceutical purchasing arrangement as a
1750 state term contract. The solicitation shall invite group
1751 purchasing organizations or other vendors to offer a system for
1752 drug purchasing, excluding those drugs purchased by Medicaid,
1753 which provides transparent pricing to the extent permitted by
1754 federal law, permits purchases outside the agreement if such
1755 purchases offer the best value to the state, and establishes a
1756 preferred drug list that utilizes generic drugs to the extent
1757 feasible and cost effective. The department shall work with
1758 other agencies with subject matter expertise in the
1759 implementation of this section. Award of any contract is
1760 contingent upon the approval of the Legislative Budget
1761 Commission that the requirements of this section have been met.
1762 Upon approval of the Legislative Budget Commission, the
1763 Department of Health shall terminate its participation in the
1764 Minnesota Multistate Contracting Alliance for Pharmacy.

1770 discounts through a broad network of retail pharmacies and a
1771 mail order pharmacy within the state and return money to the
1772 state on a per prescription dispensed basis. Discounts shall be
1773 available to Florida residents without income restrictions.
1774 Residents shall be able to enroll and acquire a member
1775 identification card from the participating pharmacies, online

1779 purchases. This section expires July 1, 2012.

1780 Section 80. In order to implement specific appropriations
1781 for Expense and Other Capital Outlay in the 2011-2012 General
1782 Appropriations Act, subsection (8) is added to section 946.515,
1783 Florida Statutes, to read:

1784 946.515 Use of goods and services produced in correctional
1785 work programs.—

1786 (8) On June 30, 2012, each state agency must submit a
1787 report to the President of the Senate and the Speaker of the
1788 House of Representatives which lists products or services
1789 obtained from a source other than the corporation when a
1790 comparable product or service could have been obtained from the
1791 corporation. The report must include an explanation of why the
1792 product or service was not obtained from the corporation. This
1793 subsection expires July 1, 2012.

1794 Section 81. Any section of this act which implements a
1795 specific appropriation or specifically identified proviso
1796 language in the 2011-2012 General Appropriations Act is void if
1797 the specific appropriation or specifically identified proviso
1798 language is vetoed. Any section of this act which implements

20112002er

1799 more than one specific appropriation or more than one portion of
1800 specifically identified proviso language in the 2011-2012
1801 General Appropriations Act is void if all the specific
1802 appropriations or portions of specifically identified proviso
1803 language are vetoed.

1804 Section 82. If any other act passed during the 2011 Regular
1805 Session contains a provision that is substantively the same as a
1806 provision in this act, but that removes or is otherwise not
1807 subject to the future repeal applied to such provision by this
1808 act, the Legislature intends that the provision in the other act
1809 takes precedence and continues to operate, notwithstanding the
1810 future repeal provided by this act.

1811 Section 83. If any provision of this act or its application
1812 to any person or circumstance is held invalid, the invalidity
1813 does not affect other provisions or applications of the act
1814 which can be given effect without the invalid provision or
1815 application, and to this end the provisions of this act are
1816 severable.

1817 Section 84. Except as otherwise expressly provided in this
1818 act and except for this section, which shall take effect upon
1819 this act becoming a law, this act shall take effect July 1,
1820 2011; or, if this act fails to become a law until after that
1821 date, it shall take effect upon becoming a law and shall operate
1822 retroactively to July 1, 2011.
