Senator Siplin moved the following:

Senate Amendment (with title amendment)

Between lines 824 and 825

insert:

Section 36. Subsection (3) of section 582.30(3), Florida Statutes, is amended to read:

(3) In the alternative, upon review and recommendation of the Soil and Water Conservation Council regarding the continued viability of a district, the Commissioner of Agriculture may dissolve or discontinue such district if the commissioner certifies that the continued operation of the district is not administratively practicable and feasible. If a district has failed to comply with any of the audit and financial reporting

183916

14 requirements of chapter 189, the commissioner, after review and
15 confirmation by the department's Inspector General, may certify
16 dissolution or discontinuance of such district without prior
17 review and recommendation of the Soil and Water Conservation
18 Council. Notice of such proposed certification of dissolution or
19 discontinuance shall be published once a week for 2 weeks in a
20 newspaper of general circulation within the county or counties
21 wherein the district is located, stating the name of the
22 district and a general description of the territory included in
23 the district, and requiring that any objections to the proposed
24 dissolution or any claims against the assets of the district
25 must be filed with the department clerk not later than 60 days
26 following the date of last publication.
