FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

The bill amends s. 320.08, F.S., to require driver license applications and renewals to include a \$1 check-off to the Disabled American Veterans, Department of Florida, a non-profit 501(c)(3) organization.

The Department of Highway Safety and Motor Vehicles (DHSMV) has provided notice that Disabled American Veterans, Department of Florida, has complied with s. 322.081, F.S., regarding requests to establish a voluntary check-off, by submitting its letter of request, \$10,000 application fee, and approved short- and long-term marketing plans.

About Driver License Check-Offs

Section 322.081, F.S., provides the procedures an organization must follow prior to seeking legislative authorization to request the creation of a new voluntary contribution fee and establish a corresponding voluntary check-off on the driver's license application. Before the organization is eligible it must submit the following to DHSMV:¹

- A request for the particular voluntary contribution being sought, describing it in general terms.
- An application fee of up to \$10,000 to defray DHSMV's costs for reviewing the application and developing the check-off, if authorized. (State funds may not be used to pay the application fee.)
- Short- and long-term marketing strategies and a financial analysis outlining the anticipated revenues and the planned expenditures of the revenues received.

Once a contribution is enacted, DHSMV must discontinue it if less than \$25,000 has been contributed by the end of the fifth year, or if less than \$25,000 is contributed during any subsequent 5-year period.²

Prior to the 2010 legislative session, s. 322.08, F.S., authorized seven voluntary contributions while s. 322.18(19), F.S., authorized an eighth. In 2010, the Florida Legislature enacted three bills that addressed driver license contributions:

- 2010 HB 971 (ch. 2010-223, Laws of Florida) added two additional checkoffs for the League Against Cancer and the State Homes for Veterans Trust Fund administered by the Florida Department of Veterans Affairs.
- 2010 HB 399 (ch. 2010-86, Laws of Florida) added three additional checkoffs for Senior Vision Services, The Arc of Florida, and Ronald McDonald House Charities of Tampa Bay.
- 2010 HB 263 (ch. 2010-82, Laws of Florida) added an additional checkoff for Lauren's Kids, Inc.³

In addition to creating the League Against Cancer and State Homes for Veterans checkoffs, ch. 2010-223, Laws of Florida established a moratorium on new voluntary checkoffs. DHSMV "may not establish any new voluntary contributions on the motor vehicle registration application form under s. 320.023, Florida Statutes, or the driver's license application form under s. 322.081, Florida Statutes, between July 1, 2010, and July 1, 2013."

¹ These items must be delivered at least 90 days before the convening of the regular session of the Legislature.

² Section 322.081(4)(a), F.S.

³ In addition to creating the checkoff for Lauren's Kids, Inc., ch. 2010-82, Laws of Florida, streamlined the application process by eliminating s. 322.18(19), F.S., and clarifying that the checkoffs required in s. 322.08(7), F.S., must appear on all license applications, including applications for renewal or replacement. This change reflects the fact that DHSMV uses a single application form for all such purposes.

An exemption to the moratorium in ch. 2010-223, Laws of Florida, allows those charities that were in the process of complying with s. 322.081, F.S., in 2010 to continue to seek a check-off. DHSMV has identified five charitable organizations that fall within the exemption from the moratorium. Disabled American Veterans, Department of Florida is one of these charities.⁴
