I. Summary:

Section 334.071, F.S., specifies the purpose and effect of the designation of roads, bridges, and other transportation facilities for honorary or memorial purposes by the Florida Legislature. These designations are for honorary purposes only, and do not require changing of street signs, mailing addresses, or 911 listings. The bill designates the following roads as follows:

The Interstate 295/State Road 9A overpass (Bridge Nos. 720256 and 720347) over Interstate 10/State Road 8 in Duval County is designated as “Duval County Law Enforcement Memorial Overpass.”

This bill creates undesignated sections of Florida Law.

II. Present Situation:

Section 334.071, F.S., provides: (1) Legislative designations of transportation facilities are for honorary or memorial purposes, or to distinguish a particular facility, and may not be construed to require any action by local governments or private parties regarding the changing of any street signs, mailing addresses, or 911 emergency telephone number system listings, unless the legislation specifically provides for such changes; (2) When the Legislature establishes road or bridge designations, the Florida Department of Transportation (FDOT) is required to place markers only at the termini specified for each highway segment or bridge designated by the law creating the designation, and to erect any other markers it deems appropriate for the transportation facility; and (3) The FDOT may not erect the markers for honorary road or bridge designations unless the affected city or county commission enacts a resolution supporting the designation. When the designated road or bridge segment is located in more than one city or

county, resolutions supporting the designations must be passed by each affected local government prior to the erection of the markers.

III. Effect of Proposed Changes:

The effects of the bill are as follows:

Section 1: The bill designates the portion of Interstate 295/State Road 9A overpass (Bridge Nos. 720256 and 720347) over Interstate 10/State Road 8 in Duval County is designated as “Duval County Law Enforcement Memorial Overpass.” This memorial is dedicated to the men and women in all law enforcement agencies located within Duval County who have died in the line of duty.

Section 2: The bill will take effect on July 1, 2011, if passed by the Legislature.
