124 (d) Fixed capital outlay project data, including original
125 appropriation and disbursements throughout the life of the
126 project.

127 (e) A 10-year history of appropriations indicated by
128 agency.

129 (f) Links to state audits or reports related to the
130 expenditure and dispersal of state funds.

131 (g) Links to program or activity descriptions for which
132 funds may be expended.

133 (5) The department committee shall recommend a format for
134 collecting and displaying information from state universities,
135 school districts, charter schools, charter technical career
136 centers ~~public schools~~, community colleges, local governmental
137 units, and other governmental entities ~~receiving state~~
138 ~~appropriations~~.

139 (6) By November 1, 2012, and annually thereafter ~~March 1,~~
140 ~~2010~~, the department committee shall develop a schedule for
141 adding additional ~~other~~ information to the website by type of
142 information and governmental entity, including timeframes and
143 development entity. The schedule for adding additional
144 information shall be submitted to the President of the Senate

175 annual revenues of less than \$10 million having a population of
176 10,000 or fewer is exempt from this section. Population
177 determinations must be based on the most recent population
178 estimates prepared pursuant to s. 186.901.

179 (12) (a) By September 1, 2011, each water management
180 district shall post on its website for public access the monthly
181 financial statement that is currently provided to its governing
182 board. By July 1, 2012, each water management district shall
183 post the following information on its website in a manner
184 specified by the Chief Financial Officer: budgets, revenues,
185 salaries and benefits, expenses, operating capital outlay,
186 number of authorized positions, and other personnel services.

187 (b) Effective July 1, 2012, the fiscal year for each water
188 management district shall be July 1 to June 30.

189 (c) For each fiscal year beginning on or after July 1,
190 2012, each water management district shall maintain its
191 financial data in a manner that is consistent with applicable
192 common financial data management codes for local governments
193 adopted by the Chief Financial Officer and in effect on January
194 1, 2012. For each fiscal year beginning on July 1, 2013, the
195 water management districts shall submit monthly detailed
196 financial reports to the Department of Financial Services in a
197 manner specified by the Chief Financial Officer.

198 (14) ~~(13)~~ The Chief Financial Officer Office of Policy and
199 Budget in the Executive Office of the Governor shall ensure that
200 all data added to the website relating to the state's financial
201 data remain ~~remains~~ accessible to the public for 10 years.

202 (15) ~~(14)~~ The department committee shall prepare an annual
203 report detailing progress in establishing the single website and
