House

Senators Benacquisto, Latvala, Flores, and Evers moved the following:

Senate Amendment

Delete lines 187 - 190
and insert:
the school turnaround option will be implemented and, according to the district school board's enrollment policies, the student is scheduled the following school year for assignment to that school. A student who is graduating or being promoted out of the current school that is eligible for turnaround and who will not be enrolled in the school the following school year is not considered an eligible student.
