This CS repeals ss. 163.03, 373.461(5), and 379.2353, F.S.

II. Present Situation:

Governmental Reorganization¹

Chapter 2011-142, L.O.F. (the law), reorganized the land planning and community development, workforce development, and economic development functions of state government. Many of the functions and responsibilities of the Department of Community Affairs (DCA), the Agency for Workforce Innovation (AWI), and the Office of Tourism, Trade, and Economic Development within the Executive Office of the Governor (OTTED) were transferred into a new state agency called the Department of Economic Opportunity (DEO).

Public/Private Partnerships

The law also reorganized several public/private partnerships. The Florida Sports Foundation and the Black Business Investment Board were merged into Enterprise Florida, Inc (EFI). The Florida Commission on Tourism was abolished and much of its responsibilities and functions were transferred to the Division of Tourism Promotion within EFI. The Florida Tourism Industry Marketing Corporation (Visit Florida) was directed to contract with EFI. Further, the appointed members of the board of directors for EFI now also serve as the board of directors of Space Florida, which is still an independent special district.

Other Transfers

Other functions of DCA, AWI, and OTTED were transferred to other state agencies, including:

- The Florida Building Code Commission was transferred from DCA to the Department of Business and Professional Regulation.
- The Division of Emergency Management (DEM) was administratively housed within DCA, but was a separate budget entity and was not subject to control, supervision, or direction by DCA. DEM was transferred to the Executive Office of the Governor, while retaining its status as a separate budget entity.
- The Florida Communities Trust, the Parks and Open Space Florida Forever Grant Program, and the Stan Mayfield Working Waterfronts Florida Forever Grant Program were transferred from DCA to the Department of Environmental Protection.
- The Office of Early Learning within AWI was transferred to the Department of Education as a separate budget entity and is not subject to control, supervision, or direction by the department.

Office of Energy

Additionally, the law reorganized a portion of the state's energy policy, by abolishing the Florida Energy and Climate Commission (FECC) and transferring the majority of its functions and

responsibilities to the Department of Agriculture and Consumer Services (DACS). There is now an Office of Energy within DACS.² Additionally, FECC's emergency management responsibilities were transferred to the Division of Emergency Management and administration of the Coastal Energy Impact Program was transferred to the Department of Environmental Protection.

Ready to Work

The law also transferred the administration of the Florida Ready to Work Program from the Department of Education to DEO.³ However, the program must be implemented by DEO in coordination with the Department of Education.

Interim Report 2012-112

The Legislature recognized the need to conform the Florida Statutes to the policy decisions reflected in ch. 2011-142, L.O.F., and resolve apparent conflicts between any other legislation passed during the 2011 Regular Session and the transfer of duties made by the law.⁴ Interim Report 2012-112 reviewed the reorganization provided for in ch. 2011-142, L.O.F., and Florida Statutes for any statutory changes necessary to implement the law.

This included review of the Florida Statutes for obsolete references, inconsistencies, or statutory notes by the Division of Statutory Revision related to the reorganization.⁵ Additionally, staff contacted the transition coordinators for the various affected agencies for input.

Committee staff found several references remaining in statute to DCA, AWI, and OTTED. Some of these references exist due to other laws passed in the 2011 Regular Session. Additionally, committee staff discovered some idiosyncrasies due to multiple revisions of the original bill. Some agencies and transition coordinators also directed staff to inappropriate changes in references.

III. Effect of Proposed Changes:

Based upon the review of the Florida Statutes, Interim Report 2012-112 recommended that draft legislation be developed to:

- Update references to DCA, AWI, OTTED, the Black Business Investment Board, and the Florida Sports Foundation;
- Update provisions or references which were enacted by other chapter laws;
- Revise provisions or references which were drafting errors; and

² See the Office of Energy website, which includes a history of state entities dealing with Florida energy policy, available at <u>http://www.freshfromflorida.com/offices/energy/</u> (last visited 1/13/2012).

³ Florida Ready to Work is an employee credentialing program that is funded by the state. The program allows participants to take a skills test and credentialing classes online to earn a "career readiness certificate."

⁴ Section 10, ch. 2011-142, L.O.F., also directs the Division of Statutory Revision to assist substantive committees to identify issues.

⁵ The Division of Statutory Revision of the Office of Legislative Services reviews Florida Statutes, in part, to remove inconsistencies and otherwise improve the clarity and facilitate the correct and proper interpretation of the statutes. Any revision the division makes to a statute, either complete, partial, or topical, is accompanied by revision and history notes, showing the changes made and the reason for such recommended change.

• Repeal any remaining outdated provisions.

Specifically, CS/SB 1204 implements these recommendations in the following manner:

Update references to the former Department of Community Affairs

Sections 1 and 2 update references in the Florida Access to Civil Legal Assistance Act in ss. 68.096 and 68.105, F.S., related to administration of the program from DCA to the Department of Legal Affairs. This program was funded through the Department of Legal Affairs in the FY 2011-12 budget.⁶

The statute states that any enterprise zone that designated under the paragraph which was effective on or before January 1, 2005, would cease to exist after December 31, 2005.
