WHEREAS, citizens of the District of Columbia have been denied federal voting rights and complete self-governance since 1801, and

8

10

11

WHEREAS, the District's 600,000 residents are not entitled to full voting representation in Congress and lack an autonomous local government, and

12

13

WHEREAS, residents of the District pay more than \$3.8 billion each year in federal income taxes, yet have no voice as to how their taxes are spent, and

1415

16

17

WHEREAS, Congress oversees the democratically elected
District government and can change or veto any budget or
legislative matter passed by its locally elected officials, and

18 19 WHEREAS, over 40,000 veterans reside in the District of Columbia, which accounts for more veterans per capita than any other city in the nation, and

WHEREAS, it is an extreme contradiction that this nation, the exemplary leader of representative democracy, denies national voting representation to the residents of its capital, and

WHEREAS, the District of Columbia is the only entity in the United States whose residents shoulder the complete responsibilities of citizenship without enjoying the complete privileges of citizenship, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Legislature formally declares its support for admitting the District of Columbia as the 51st state of the United States of America.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.
