activity, study, or project crosses water management district boundaries, the affected districts may designate a single affected district to conduct all or part of the applicable resource management responsibilities under this chapter, with the exception of those regulatory responsibilities that are subject to subsection (6). If funding assistance is provided to a resource management activity, study, or project, the district providing the funding must ensure that some or all of the benefits accrue to the funding district. This subsection does not impair any interagency agreement in effect on July 1, 2012.

Section 3. Subsection (6) is added to section 373.223,

Section 3. Subsection (6) is added to section 373.223, Florida Statutes, to read:

373.223 Conditions for a permit.

(6) In determining the effect of a proposed consumptive use of water on the water resources of an adjoining district, the governing board shall apply, without adopting by rule, the reservations, minimum flows and levels, and recovery or prevention strategies adopted by rule after July 1, 2012, by the adjoining district. The governing board may not authorize a consumptive use of water that violates any reservation adopted pursuant to subsection (4) or any minimum flow or level adopted pursuant to ss. 373.042 and 373.0421 after July 1, 2012, unless such permit is issued in accordance with the recovery or prevention strategy adopted by rule by the adjoining district. The governing board may grant a variance from the recovery or prevention strategy if the applicant identifies an alternative strategy to assist with the recovery of or the prevention of harm to a water body. Any rule applied pursuant to this

subsection that is challenged under s. 120.56 or s. 120.569
shall be defended by the district that adopted the rule. This
subsection does not apply to and may not be considered for any
permit issued before July 1, 2012, including a review of a
compliance report submitted pursuant to s. 373.236. However, the
governing board must consider the reservations, minimum flows
and levels, and recovery or prevention strategies adopted by
rule after July 1, 2012, by the adjoining district if a
modification of a permit issued prior to July 1, 2012, is
requested by the permittee to increase permitted quantities or
to transfer permitted quantities to a new or existing source
that increases the impact to the minimum flow or level or
reservation.

Section 4. Section 373.605, Florida Statutes, is amended to read:

373.605 Group insurance for water management districts.-

- (1) The governing board of \underline{a} any water management district \underline{may} is hereby authorized and empowered to provide group insurance for its employees in the same manner and with the same provisions and limitations authorized for other public employees by ss. 112.08, 112.09, 112.10, 112.11, and 112.14.
- (2) The governing board of a water management district may provide group insurance for its employees and the employees of another water management district in the same manner and with the same provisions and limitations authorized for other public employees by ss. 112.08, 112.09, 112.10, 112.11, and 112.14.
