At the end of existing proviso language, following Specific Appropriation 193, INSERT:

From the funds in Specific Appropriations 193 and 198, the Agency for Health Care Administration shall develop a process to reconcile the differences between the amounts of intergovernmental transfers used for the purposes of funding exemptions from reimbursement ceilings or buying back the Medicaid inpatient or outpatient trend adjustments for individual hospitals and the amounts of intergovernmental transfers indicated in the letters of agreement executed for each state fiscal year.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
