638 (1) As used in this section, the term:

586-02096B-12

20122050\_\_

639 (a) "Relocation" means to move a resident from the facility  
640 to another facility that is responsible for the resident's care.

641 (b) "Termination of residency" means to release a resident  
642 from the facility and the releasing facility ceases to be  
643 responsible for the resident's care.

644 (2) Each facility licensed under this part must comply with  
645 s. 429.28(1)(k) when a decision is made to relocate or terminate  
646 the residency of a resident.

647 (3) At least 30 days before a proposed relocation or  
648 termination of residency, the facility must provide advance  
649 notice of the proposed relocation or termination of residency to  
650 the resident and, if known, to a family member or the resident's  
651 legal guardian or representative. However, in the following  
652 circumstances the facility shall give notice as soon as is  
653 practicable before the relocation or termination of residency:

654 (a) The relocation or termination of residency is necessary  
655 for the resident's welfare or because the resident's needs  
656 cannot be met in the facility, and the circumstances are  
657 documented in the resident's record; or

658 (b) The health or safety of other residents or employees of  
659 the facility would be endangered, and the circumstances are

668 request information about or assistance with initiating a  
669 hearing with the Office of Appeals Hearings of the Department of  
670 Children and Family Services to challenge the relocation or  
671 termination of residency. In addition to any other pertinent  
672 information, the form must require the facility to specify the  
673 reason that the resident is being relocated or the residency is  
674 being terminated, along with an explanation to support this  
675 action. In addition, the form must require the facility to state  
676 the effective date of the relocation or termination of residency  
677 and the location to which the resident is being relocated, if  
678 known. The form must clearly describe the resident's challenge  
679 rights and the procedures for filing a challenge. A copy of the  
680 notice must be given to the resident, the resident's legal  
681 guardian or representative, if applicable, and the local long-  
682 term care ombudsman council within 5 business days after  
683 signature by the resident or the resident's legal guardian or  
684 representative, and a copy must be placed in the resident's  
685 file.

686 (5) A resident is entitled to a hearing to challenge a  
687 facility's proposed relocation or termination of residency. A  
688 resident may request that the local long-term care ombudsman  
689 council review any notice of relocation or termination of  
690 residency given to the resident. If requested, the local long-  
691 term care ombudsman council shall assist the resident, or the  
692 resident's legal guardian or representative, with filing a  
693 challenge to the proposed relocation or termination of  
694 residency. The resident, or the resident's legal guardian or  
695 representative, may request a hearing at any time within 10 days  
696 after the resident's receipt of the facility's notice of the

697 proposed relocation or termination of residency. If a resident,  
698 or the resident's legal guardian or representative, requests a  
699 hearing, the request shall stay the proposed relocation or  
700 termination of residency pending a decision from the hearing  
701 officer. The facility may not impede the resident's right to  
702 remain in the facility, and the resident may remain in the  
703 facility until the outcome of the initial hearing, which must be  
704 completed within 15 days after receipt of a request for a  
705 hearing, unless both the facility and the resident, or the  
706 resident's legal guardian or representative, agree to extend the  
707 deadline for the decision.

708 (6) Notwithstanding subsection (5), an emergency relocation  
709 or termination of residency may be implemented as necessary  
710 pursuant to state or federal law during the period after the  
711 notice is given and before the time in which the hearing officer  
712 renders a decision. Notice of an emergency relocation or  
713 termination of residency must be made by telephone or in person  
714 and given to the resident, the resident's legal guardian or  
715 representative, and the local long-term care ombudsman council,  
716 if requested. This notice must be given before the relocation,  
717 if possible, or as soon thereafter as practical. The resident's  
718 file must contain documentation to show who was contacted,  
719 whether the contact was by telephone or in person, and the date  
720 and time of the contact. Written notice that meets the  
721 requirements of subsection (4) must be given the next business  
722 day.

723 (7) The following persons must be present at each hearing  
724 authorized under this section:

733 Children and Family Services shall conduct hearings under this  
734 section. The office shall notify the facility of a resident's  
735 request for a hearing.

736 (b) The Department of Children and Family Services shall  
737 establish procedures by rule which shall be used for hearings  
738 requested by residents. The burden of proof is by the  
739 preponderance of the evidence. A hearing officer shall render a  
740 decision within 15 days after receipt of the request for a  
741 hearing, unless the facility and the resident, or the resident's  
742 legal guardian or representative, agree to extend the deadline  
743 for a decision.

744 (c) If the hearing officer's decision is favorable to a  
745 resident who has already been relocated or whose residency has  
746 been terminated, the resident must be readmitted to the facility  
747 as soon as a bed is available.

748 (d) The decision of the hearing officer is final. Any  
749 aggrieved party may appeal the decision to the district court of  
750 appeal in the appellate district where the facility is located.  
751 Review procedures shall be conducted in accordance with the  
752 Florida Rules of Appellate Procedure.
