Representative Rehwinkel Vasilinda offered the following:

**Amendment (with title amendment)**

Between lines 190 and 191, insert:

Section 3. The Public Service Commission shall adopt rules that require, beginning October 1, 2013, each utility receiving advanced nuclear cost recovery fees to disclose on their customers' monthly bills, whether paper, digital, or electronic, the cost of advanced nuclear cost recovery per 1,000 kilowatt hours; the estimated date the plant will be on line and fully operational; and the total estimated cost of the plant at the time that the plant is operational. The rules shall also require such information be prominent and in at least 12-point type on the first page of the bill and updated annually to reflect changes in estimates of when the plant will be operational and the final cost of the plant when it is fully operational as
