Senate Amendment (with title amendment)

Between lines 1644 and 1645
insert:

Section 42. Yellow dot critical motorist medical information program; yellow dot decal, folder, and information form.-

(1) The governing body of a county may create a yellow dot critical motorist medical information program to facilitate the provision of emergency medical care to program participants by emergency medical responders by making critical medical

12 information readily available to responders in the event of a
13 motor vehicle accident or a medical emergency involving a
14 participant's vehicle.

15 (2) (a) The governing body of a county may solicit
16 sponsorships from business entities and not-for-profit
17 organizations to cover the costs of the program, including the
18 cost of decals and folders that must be provided free of charge
19 to participants. Two or more counties may enter into an
20 interlocal agreement to solicit such sponsorships.

21 (b) The Department of Highway Safety and Motor Vehicles or
22 the Department of Transportation may provide education and
23 training to encourage emergency medical responders to
24 participate in the program and may take reasonable measures to
25 publicize the program.

26 (3) Any owner or lessee of a motor vehicle may request to
27 participate in the program in the manner prescribed by the
28 governing body of the county. A participant shall receive a
29 yellow dot decal, a yellow dot folder, and a form on which the
30 participant shall provide his or her personal and medical
31 information.

32 (a) The form must include a statement that the information
33 provided will be disclosed only to authorized personnel of law
34 enforcement and public safety agencies, emergency medical
35 services agencies, and hospitals for the purposes authorized in
36 subsection (5).

37 (b) The form must describe the confidential nature of the
38 medical information voluntarily provided by the participant and
39 must include a notice to the participant stating that, by
40 providing the medical information and signing the form, he or

41 she agrees to the disclosure of the medical information to
42 authorized personnel and their use of such information solely
43 for the purposes listed in subsection (5).

44 (c) The county may not charge a fee to participate in the
45 yellow dot program.

46 (4) (a) The participant shall affix the decal onto the rear
47 window in the left lower corner of a motor vehicle or in a
48 clearly visible location on a motorcycle.

49 (b) A person who rides in a motor vehicle as a passenger
50 may also participate in the program but may not be issued a
51 decal if a decal has been issued to the owner or lessee of the
52 motor vehicle in which the person rides.

53 (c) The yellow dot folder, which shall be stored in the
54 glove compartment of the motor vehicle or in a compartment
55 attached to a motorcycle, shall contain a form with the
56 following information about the participant:

57 1. The participant's name.

58 2. The participant's photograph.

59 3. Emergency contact information for no more than two
60 persons.

61 4. The participant's medical information, including medical
62 conditions, recent surgeries, allergies, and current
63 medications.

64 5. The participant's hospital preference.

65 6. Contact information for no more than two physicians.

66 (5) (a) If the driver or a passenger of a motor vehicle is
67 involved in a motor vehicle accident or emergency situation and
68 a yellow dot decal is affixed to the vehicle, an emergency
69 medical responder at the scene may search the glove compartment

70 of the vehicle for the corresponding yellow dot folder.

71 (b) The use of the information contained in the yellow dot
72 folder by an emergency medical responder at the scene is limited
73 to the following purposes:

74 1. To positively identify the participant.

75 2. To ascertain whether the participant has a medical
76 condition that might impede communications between the
77 participant and the responder.

78 3. To access the medical information form.

79 4. To ensure that the participant's current medications and
80 preexisting medical conditions are considered when emergency
81 medical treatment is administered for any injury to or condition
82 of the participant.

83 (6) The governing body of a participating county shall
84 adopt guidelines and procedures to prevent the public disclosure
85 of confidential information through the program.
