	.	
	.	
	.	

The Committee on Rules (Richter) recommended the following:

Senate Amendment (with title amendment)

Delete lines 128 - 130

and insert:

(4) PREEMPTION.—Any local regulation of wage theft enacted on or after January 1, 2014, by a county, municipality, or other political subdivision which exceeds the provisions of this section is preempted to the state. A county, municipality, or other political subdivision that has enacted a local ordinance or resolution regulating wage theft before January 1, 2014, may amend, revise, or repeal its ordinance or resolution on or after

309326

12 January 1, 2014. Such counties, municipalities, or other
13 political subdivisions may also partner with law schools for the
14 purpose of assisting the county, municipality, or political
15 subdivision in addressing claims of wage theft.

18 And the title is amended as follows:

19 Delete lines 6 - 8

20 and insert:

21 requirements of those processes; preempting to the
22 state local regulation of wage theft which does not
23 comply with this act; authorizing certain counties,
24 municipalities, and other political subdivisions to
25 amend, revise, or repeal their ordinances or
26 resolutions on or after a specified date; authorizing
27 certain counties, municipalities, and other political
28 subdivisions to partner with law schools to assist
29 with claims of wage theft; providing an effective
30 date.
