An 276 exemption from the disqualifying offenses may not be given under 277 any circumstances for any person who is a: (a) Sexual predator pursuant to s. 775.21; 278 279 (b) Career offender pursuant to s. 775.261; or (c) Sexual offender pursuant to s. 943.0435, unless the 280 281 requirement to register as a sexual offender has been removed 282 pursuant to s. 943.04354. 283 (3) By April 1, 2016, each credentialing entity shall 284 submit a list to the department of all recovery residences and 285 recovery residence administrators certified by the credentialing 286 entity that hold a valid certificate of compliance. Thereafter, 287 the credentialing entity must notify the department within 3 288 business days after a new recovery residence or recovery 289 residence administrator is certified or a recovery residence or 290 recovery residence administrator's certificate expires or is 291 terminated. The department shall publish on its website a list 292 of all recovery residences that hold a valid certificate of 293 compliance. The department shall also publish on its website a 294 list of all recovery residence administrators who hold a valid 295 certificate of compliance. A recovery residence or recovery 296 residence administrator shall be excluded from the list upon 297 written request to the department by the listed individual or 298 entity. 299 Section 5. 301 that section, to read:

397.407 Licensure process; fees.-

303 (1) The department shall establish by rule the licensure 304 process to include fees and categories of licenses. The rule 305 must prescribe a fee range that is based, at least in part, on 306 the number and complexity of programs listed in s. 397.311(22) 307 s. 397.311(18) which are operated by a licensee. The fees from 308 the licensure of service components are sufficient to cover at 309 least 50 percent of the costs of regulating the service 310 components. The department shall specify by rule a fee range for 311 public and privately funded licensed service providers. Fees for 312 privately funded licensed service providers must exceed the fees 313 for publicly funded licensed service providers. During adoption 314 of the rule governing the licensure process and fees, the 315 department shall carefully consider the potential adverse impact 316 on small, not-for-profit service providers.

317 (5) The department may issue probationary, regular, and 318 interim licenses. After adopting the rule governing the licensure process and fees, the department shall issue one 319 320 license for each service component that is operated by a service 321 provider and defined in rule pursuant to s. 397.311(22) s. 322 397.311(18). The license is valid only for the specific service 323 components listed for each specific location identified on the 324 license. The licensed service provider shall apply for a new 325 license at least 60 days before the addition of any service 326 components or 30 days before the relocation of any of its 327 service sites. Provision of service components or delivery of 328 services at a location not identified on the license may be 329 considered an unlicensed operation that authorizes the

330 department to seek an injunction against operation as provided 331 in s. 397.401, in addition to other sanctions authorized by s. 332 397.415. Probationary and regular licenses may be issued only 333 after all required information has been submitted. A license may 334 not be transferred. As used in this subsection, the term 335 "transfer" includes, but is not limited to, the transfer of a 336 majority of the ownership interest in the licensed entity or 337 transfer of responsibilities under the license to another entity 338 by contractual arrangement.

(11) Effective July 1, 2016, a service provider licensed under this part may not refer a current or discharged patient to a recovery residence unless the recovery residence holds a valid certificate of compliance as provided in s. 397.487 and is actively managed by a certified recovery residence administrator as provided in s. 397.4871 or the recovery residence is owned and operated by a licensed service provider or a licensed service provider's wholly owned subsidiary. For purposes of this subsection, the term "refer" means to inform a patient by any means about the name, address, or other details of the recovery residence. However, this subsection does not require a licensed service provider to refer any patient to a recovery residence.

351 Section 6. Paragraph (e) of subsection (5) of section 352 212.055, Florida Statutes, is amended to read:

353 212.055 Discretionary sales surtaxes; legislative intent; 354 authorization and use of proceeds.—It is the legislative intent 355 that any authorization for imposition of a discretionary sales 356 surtax shall be published in the Florida Statutes as a 357 subsection of this section, irrespective of the duration of the 358 levy. Each enactment shall specify the types of counties

authorized to levy; the rate or rates which may be imposed; the maximum length of time the surtax may be imposed, if any; the procedure which must be followed to secure voter approval, if required; the purpose for which the proceeds may be expended; and such other requirements as the Legislature may provide. Taxable transactions and administrative procedures shall be as provided in s. 212.054.

366 (5) COUNTY PUBLIC HOSPITAL SURTAX. - Any county as defined in 367 s. 125.011(1) may levy the surtax authorized in this subsection 368 pursuant to an ordinance either approved by extraordinary vote 369 of the county commission or conditioned to take effect only upon 370 approval by a majority vote of the electors of the county voting 371 in a referendum. In a county as defined in s. 125.011(1), for 372 the purposes of this subsection, "county public general 373 hospital" means a general hospital as defined in s. 395.002 374 which is owned, operated, maintained, or governed by the county or its agency, authority, or public health trust. 375

376 (e) A governing board, agency, or authority shall be chartered by the county commission upon this act becoming law. 377 378 The governing board, agency, or authority shall adopt and 379 implement a health care plan for indigent health care services. 380 The governing board, agency, or authority shall consist of no 381 more than seven and no fewer than five members appointed by the county commission. The members of the governing board, agency, 382 383 or authority shall be at least 18 years of age and residents of 384 the county. No member may be employed by or affiliated with a 385 health care provider or the public health trust, agency, or 386 authority responsible for the county public general hospital. 387 The following community organizations shall each appoint a

388 representative to a nominating committee: the South Florida 389 Hospital and Healthcare Association, the Miami-Dade County 390 Public Health Trust, the Dade County Medical Association, the 391 Miami-Dade County Homeless Trust, and the Mayor of Miami-Dade 392 County. This committee shall nominate between 10 and 14 county 393 citizens for the governing board, agency, or authority. The 394 slate shall be presented to the county commission and the county 395 commission shall confirm the top five to seven nominees, 396 depending on the size of the governing board. Until such time as 397 the governing board, agency, or authority is created, the funds 398 provided for in subparagraph (d)2. shall be placed in a 399 restricted account set aside from other county funds and not 400 disbursed by the county for any other purpose.

1. The plan shall divide the county into a minimum of four and maximum of six service areas, with no more than one participant hospital per service area. The county public general hospital shall be designated as the provider for one of the service areas. Services shall be provided through participants' primary acute care facilities.

407 2. The plan and subsequent amendments to it shall fund a 408 defined range of health care services for both indigent persons 409 and the medically poor, including primary care, preventive care, 410 hospital emergency room care, and hospital care necessary to 411 stabilize the patient. For the purposes of this section, 412 "stabilization" means stabilization as defined in s. 397.311(41) 413 397.311(35). Where consistent with these objectives, the plan 414 may include services rendered by physicians, clinics, community 415 hospitals, and alternative delivery sites, as well as at least one regional referral hospital per service area. The plan shall 416

417 provide that agreements negotiated between the governing board, 418 agency, or authority and providers shall recognize hospitals 419 that render a disproportionate share of indigent care, provide 420 other incentives to promote the delivery of charity care to draw down federal funds where appropriate, and require cost 421 422 containment, including, but not limited to, case management. 423 From the funds specified in subparagraphs (d)1. and 2. for 424 indigent health care services, service providers shall receive 42.5 reimbursement at a Medicaid rate to be determined by the 426 governing board, agency, or authority created pursuant to this paragraph for the initial emergency room visit, and a per-member 427 428 per-month fee or capitation for those members enrolled in their 429 service area, as compensation for the services rendered 430 following the initial emergency visit. Except for provisions of 431 emergency services, upon determination of eligibility, 432 enrollment shall be deemed to have occurred at the time services 433 were rendered. The provisions for specific reimbursement of 434 emergency services shall be repealed on July 1, 2001, unless 435 otherwise reenacted by the Legislature. The capitation amount or 436 rate shall be determined prior to program implementation by an 437 independent actuarial consultant. In no event shall such 438 reimbursement rates exceed the Medicaid rate. The plan must also 439 provide that any hospitals owned and operated by government entities on or after the effective date of this act must, as a 440 441 condition of receiving funds under this subsection, afford 442 public access equal to that provided under s. 286.011 as to any 443 meeting of the governing board, agency, or authority the subject 444 of which is budgeting resources for the retention of charity care, as that term is defined in the rules of the Agency for 445

446 Health Care Administration. The plan shall also include 447 innovative health care programs that provide cost-effective alternatives to traditional methods of service and delivery 448 449 funding.

3. The plan's benefits shall be made available to all county residents currently eligible to receive health care services as indigents or medically poor as defined in paragraph (4)(d).

454 4. Eligible residents who participate in the health care 455 plan shall receive coverage for a period of 12 months or the period extending from the time of enrollment to the end of the 456 457 current fiscal year, per enrollment period, whichever is less.

5. At the end of each fiscal year, the governing board, agency, or authority shall prepare an audit that reviews the budget of the plan, delivery of services, and quality of services, and makes recommendations to increase the plan's 462 efficiency. The audit shall take into account participant 463 hospital satisfaction with the plan and assess the amount of poststabilization patient transfers requested, and accepted or 465 denied, by the county public general hospital.
